In the process of making the stone perfect, we should remember that no new material has been added to it. On the contrary, it is the removal of that which is superfluous which makes perfection. And, to attain this perfection, much that is disagreeable must be endured. As Rev. John T. Lawrence expressed it in one of his writings, "the discipline of the gavel and chisel is often painful, but only thus can the rough edges be knocked off."

The Fraternity is not an end in and of itself. It is a perfect man we are to form and not a perfect Mason, though it is true that one cannot be a perfect Mason unless he is also a perfect man. Freemasonry, however, is but the means to the end toward which we strive.

Rev. Lawrence also stated: "The nearer the Ashlar approaches perfection, the sharper and more uncompromising are its edges. It will occupy the space provided for it, but it demands that space to the full and is content with no less. Yet, it does not encroach on the rights of its fellows in the slightest degree." It is in attaining this recognition of each others rights as well as our own that the final work is done in the preparation of the stone, but these of themselves cannot give the polish that is necessary to perfection. This can only be done by close association with our fellow men, and it is in giving this polish that Freemasonry performs its most important function.

In conclusion, we go back to the beginning and remind ourselves that the perfect ashlar is the perpend ashlar, which has been designed to support the wall and bind the smaller stones together. In this connection, we should remember that we are concerned with our brothers' welfare, as well as our own, and that only when we perform this function well can it be said that our work is good work, true work, square work.

Brethren, it was a source of real gratification to your Worshipful Master to have so many of you make the trip to Walter French Lodge 557 in Lansing, Michigan. The work of the Fellowcraft Club team was truly inspirational to behold. I was mighty proud of you, collectively and individually.

I hope that you all enjoyed our Annual Homecoming Banquet as much as I enjoyed arranging for you. Yet, let me say that I could not have even hoped for success without the untiring help of so many of you. To those brothers, too numerous to mention here, I am deeply indebted and truly grateful.

Because there is the possibility that this message may not reach you before the stated meeting in November, let me take this added opportunity to remind you that the following stated meeting, December 4th is our Annual Meeting during which time you will elect the officers of Summit City Lodge for the year 1954. Please make a special effort to be in lodge on that occasion. I'll be looking for you.

Wyoming is latest to organize a Grand Council and this apparently just about completes list of all the states excepting Virginia and West Virginia which have no councils because degrees conferred in chapters.

On Monday, December 14th Grand Lecturer, Brother Lenis N. Firestone, will hold a Lodge of Instruction for Sol. D. Bayless and Maumee Lodge. At this time Brother Firestone examines the records of the lodge and calls attention to irregularities and gives council, and advice for the betterment of the work, and improvement of general conditions, also credit and encouragement for good work and satisfactory general conditions. Try to be present if at all possible to meet Brother Firestone and witness the working of the officers in a Lodge of Instructions.

Looks like we will have a very busy month in November as there were 6 petitions for degrees at our October stated meeting. Come up and enjoy working with your Fellowcraft club again.

Our sincere sympathy to the families and relatives of Bro. Harry E. Metzner, who passed away on September 8th and Bro. Fred J. Tagtmeyer on September 23rd. Masonic services were requested and held for Brother Tagtmeyer.

Best wishes for a speedy recovery to the following who are ill at this time. Bros. Frederick M. Christoph, John E. Scott, Luther M. Childers, Paul L. Beauchamp, George R. Heuer, Charles F. Jones and Irvin Hamblin.

Grand Council was held on October 27 and 28 in the Masonic Temple at Indianapolis with Companion Stanley A. Raymer, Most Illustrious Grand Master, presiding. This was the 98th Annual Assembly of this Grand Body, and it was the privilege of your Illustrious Master to attend this meeting. The report of proceedings will be given at the next Council Meeting which will be held on November 18.

It is now planned that we will confer degrees at the November meeting. Please arrange to be present. Your Officers will surely appreciate your attendance and support.

Word has just been received that the Grand Lecturer will officially visit us on December 16, and will inspect our work on the R&SM Degree at that time. You will surely want to set aside this date as a "must."

A RUSSIAN MASONIC CLUB

A group of Russian exiles in New York City, loyal Freemasons, have organized a small club for purposes of fellowship and study. These men are intellectuals of the finest type. Many held positions of prominence in European universities. Some were research chemists, others were writers. All of them are trying to earn a living in this country by doing any sort of honorable work. One distinguished scholar, a man over sixty, is working in a factory, another is employed by the government as a chemist, others are earning small sums in literary work. Without exception they dream of a new day of freedom in the homeland. —Laporte Trestle Board.

SEVEN RINGLING BROTHERS WERE MASTER MASONS

One of the great Masonic families in the United States and also the greatest family in the business of entertaining people by circuses, if you please, was that of the Ringling Brothers. There were seven of them and all were Masons. All were members of Baraboo Lodge No. 34, Baraboo Valley Chapter No. 49 of Royal Arch Masons, and St. John's Commandery No. 21 of Knights Templar, and of the Wisconsin Scottish Rite bodies in Milwaukee.

They were devoted Masons and were always ready to participate and help in any Masonic endeavor that appealed to them. Unfortunately they are all dead now.

This is a remarkable group of men in the same family, who delighted millions of the American people with their shows.

The month of November reminds us of Thanksgiving for God, home, country times of harvest and promise of life. On October 9, H.L. Georgia Garrett was elected to fill station of secretary. H.L. Edith Paul was appointed Historian. These officers were duly installed. Friend's Night was observed October 23. Our visitors came from other Courts in the state. Tokens of rembrance were presented to the guest officers. Delicious refreshments were served by the Social Committee to those present.

The Amaranthians entertained members of the Court and their companions Sunday evening October 25, Potluck supper was enjoyed as well as the good fellowship.

H.L. Myona Binkley and her hard working Ways and Means Committee and Court members are doing very well in their projects.

H.L. Florence Nahrwold reports for Cheer Committee H.L. Nellie Hughes has left the hospital and is residing at 1902½ S. Anthony. The following H.L. and S.K. are improving. Ben and Ruth Bennett, Amelia Brown, Chts. Paul, the husbands of Velma Sessler, Ann Forst, husband of Mable Metzner remains the same.

On November 13 the Past Matrons and Past Patrons will be honored with a Banquet. They will occupy the offices for initiation. On November 27, the program committee in charge of H.L. Ruby Mowery will present a Thanksgiving Program.

ELECTING OFFICERS

He who aspires to fill any of the chief offices of the Lodge should not only possess the necessary Masonic knowledge to enable him to assist in carrying on the Lodge work with order and harmony, but he should be a man whose general knowledge, skill, and experience has gained him the esteem and confidence of his Brethren; rank, titles, social or civic positions should never be taken into account, unless the possessor is also endowed with the former qualifications.

Nor, on the other hand, should any Brother be elected whose situation in life would not allow him to devote the necessary time to the duties of the Lodge without injury to himself or his family. Should the election have fallen upon any Brother who feels himself unable to perform the important duties which could devolve upon him, it is his duty to immediately decline the proffered honor. The welfare of the Lodge should be his sole object, and if he feels that he is not able to promote that object so well as he ought to do as an officer, it is much more creditable to him to continue to do his utmost as a private member.—Masonic News, Ill.

Brethren it won't be long before someone else will be writing these articles. I have tried to keep you up to date with the events and happenings of your lodge, I hope I have pleased you.

On Saturday November 28th we are going to have Family Night. This is the night that the whole family comes down to see where "Pop" goes on Tuesday nights. Dinner will be served with entertainment to follow. Keep this date open, we will be looking for you.

Election time is just around the corner, plan to attend the Annual Stated Meetaing on the 1st of December. Facts and figures will be totaled up for the year for your approval, also come down and elect your officers for 1954.

On the 16th of October we lost another faithful member. Brother William H. Knocke has returned to serve his Master. To his widow and family Home Lodge extends its deepest sympathy. Funeral services were conducted on October 18th at the McComb's Funeral Home by Past Master Harold O. Martin, assisted by Chaplain Donald Stoneman, officers and brethren of the Lodge.

I do believe my year would be complete if as many of the Craftman team would turn out for the remainder two Master Mason nights to confer thje degree work. Rehearsals are on the Thursday before the M. M. degree. Come down and help those that have been working.

Don't forget those unfortunate Brethren who are unable to be with us due to illness. To each of you I do hope you are feeling better. Although we don't see you as often as we should, it is not that we are not thinking of you.

Have you noticed how these new candidates are now helping to confer the work? It makes us proud to see these Brethren passing on to others what they have learned.

I have appointed Ralph L. Laisure, Past Master, to fill thep lace of Dexter Johnson on the Finance Committee. Dexter has left the city and is now living in Denver, Colo. Best of luck to you, Bro. Johnson.

A MASON'S ADDRESS TO HIS SON

On the 12th of April, 1901, an impressive scene occurred in King Solomon's Lodge at Somerville, Mass. William James Cogswill, the Worshipful Master, raised his son to the Tihrd Degree. After the charge had been given, the father stepped forward and, with thrilling effect, addressed his son as follows:

"My son, you do not now realize what has been done for you. In your after life, as you more and more master the profound teachings, and experience the softening influence of this order, you will undego a mental growth you never thought possible.

"Tonight you become a member of an order of friends and brothers that has formed the basis of the greatest advancement accomplished by the human family.

"You are now a member of the most noble order that has ever existed among men. From its inception the wisest, noblest, bravest and best of the race have been its members, and their wisdom and the heroism and purity of their lives have not only served to retain the order in its ancient purity, but have shed about it a flood of light and glory that has illuminated the world.

"Swear my son, to be true and faithful to the teachings of this order, and, let no hasty word or thoughtless act bring a blot upon this noble institution or cast a cloud over the memory of the great men who have in all the glorious past stood where you now stand.

"Let your conduct in your after life correspond with the principles of Masonry, and my remaining years will pass away with pleasure and satisfaction.

"Ever remember that Masonry is a shield and not a sword. That within its sheltering tenets, if your life is pure and just, you may ever find protection from the intentions of your enemies; but that Masonry does not foster or protect the wrong-doer, that it cannot be made a sword by which unjust warfare can be waged against your fellow man or your country.

"All its principles, all of its teachings, all its mysteries tend to the elevation and purification of man. I need but remind you of the awful moment when you realized you were being made a Master Mason, how you shuddered at the possibility of crime, and with what love and admiration your heart turned toward every virtue."—Dessert Wind.

WHO ARE THE ODDFELLOWS?

Oddfellows is an offspring of Freemasonry. In the latter part of the 18th century there was a schism in a Masonic Lodge in Manchester, England, caused by a disagreement regarding the dispensing of Masonic charity. The consequence was that a part of the membership withdrew and a new body was formed. This body was composed largely of the working men of Manchester who desired to make Masonry a beneficial society. True to their Masonic obligations they did not form a Masonic lodge, but organized a new society, based on the principle of sick and death benefits. At first this body had no designating name. Members called their bodies unities and were known as Manchester unities. Members of the Masonic Lodge would speak of them as "those odd fellows." The term was adopted and the new organization became the Manchester Unities Oddfellows, later to follow Freemasonry over the world. —Masonic Light, Montreal.

At our last stated convocation we received four petitions to be voted on at the November Convocation. We will also pick up two additional holdover candidates, so will be busy after the November meeting.

Past High Priests Night has been set for the fourth Saturday evening, January 23rd. Thomas R. Marshall chapter 161 R.A.M., has accepted an invitation to join with us in honoring Past High Priests of both chapters. A joint committee representing both chapters is now planning the program and tickets will soon be available. Companions, remember that this event is also open to Blue Lodge Masons. So look around among your Blue Lodge friends who are not yet Royal Arch Masons and make one or more reservations for them to attend. It might mean further interest and a desire for further light on their part, as represented in the additional degrees of York Rite Masonry.

Your High Priest and Lawrence Miller our King, are planning to attend the sessions of the Grand Chapter at Indianapolis, October 28 and 29. We will be reporting on Grand Chapter proceedings at the November Stated Convocation.

The General Grand Chapter, has compiled a complete history of Royal Arch Masonry to sell for $7.50 if enough advance orders to justify this price are received. Orders are not restricted to Royal Arch Masons; any interested Masons may order this publication through the Grand Secretary, Charles C. Thomas, Box 6, Marion, Ind. Also if you wish to subscribe for the Royal Arch Magazine, contact one of the officers of your chapter.

We now have a practically new wardrobe. A few robes could be repaired, but most had to be replaced with new. So come and see the degree work, starting with the Mark Master, November 23rd.

STUDY THE DEGREES

Brother, don't just "take" the "degrees!" Study them! Learn them! If you don't you're cheating yourself! You are paying for them. Learn well their lessons! You will then appreciate their truth, beauty and deep significance. You'll be a better man, a happier man and a more useful citizen.

The "Craftsman" who "gauges" his life in accordance with Masonic law will be a better son, a more understanding husband and father, a more loyal friend, and he will know the real joy of living. Masonry is not just a ritual, a club, a lodge—it's a way of life, a plan for living.—Wisconsin Freemason.

FRIENDSHIP

"It is my joy in life to find
At every turning of the road
The strong arms of a comrade, kind,
To help me onward with my load
And since I have no gold to give.
And Love alone must make amends
My only prayer is: While I live
God make me worthy of my friends."

Faith Shrine U.D. White Shrine of Jerusalem had a ceremonial on Friday evening, October 2nd. The officers under the guidance of the Mistress of Ceremonies, Soj. Evelyn Hinton took their parts in a very commendable manner.

The decorating committee under the leadership of Soj. Chlvey Lee did a marvelous piece of work in decorating the room in yellow and white using daisies and yellow mums. As the queen approached the East on white carpet two of the queen's attendants unrolled it. The other attendants carried garlands of green with yellow mums.

There were two pro-tem officers. Soj. Hazel Rithmiller as Worthy Guide and Soj. Hilda Hiatt as Third Hand-Maid.

Huntertown Lodge continues to grow in both size and efficiency. Several petitions for the degrees have been received and passed upon since the summer lull.

On October 16, two M.M. degrees were conferred by the lodge. Both the lodge and the candidates are to be congratulated The officers did excellent work and the candidates were outstanding young men of high character.

Our W.M. is still thinking about the welfare of the lodge and has always been with it in spirit, although still confined to his bed. The entire lodge misses his cheery good council and guiding hand and wishes him every comfort in his illness.

The Worshipful Master's father, Bro. Perry Rinehold is one of the oldest members of the lodge and on October 29th, celebrated his 88th birthday. He was entertained at a dinner given by our Sec'y., Thomas P. Sheean and family and by request substituted butter scotch pie instead of a birthday cake. During the evening historic events of the 88 years were interestingly reminisced.

Bro. Rinehold was the third candidate initiated after the lodge was instituted and completed his work in 1912.

Huntertown Chapter 388 Order of Eastern Star held Friends Night October 13, at their chapter room.

It was attended by a very large crowd. Those of invited officers were W. Matron, Elsie Dawson, from Auburn; W. Patron, Chester King of Mt. Etna; Associate Matron, Eugenia Wood from Trinity; Associate Patron, Franklin Boxell from Mt. Etna; Secretary, Eva Hughes of Garrett; Treasrer, Helen Boylard of Columbia City; Conductress, Helen Howard of Fort Wayne; Associate Conductress, Olive Giesiking of Avilla; Chaplain, Audrey Thomas of Shiloh; Marshall, Nina Wilmot of Garrett; Organist, Berneice Nelson of Decatur; Adah, Vivian Holopcter of Churubusco; Ruth, Lucille Street of Trinity; Esther, Delores Somers of Fremont; Martha, Dorothy Dole of Hudson; Electa, Vera Hissong of Harlan; Warder, Harvey Ault of Ossian; Sentinel, Glenn Brock of Avilla.

Cecil Sible, Past Grand Patron of Indiana, Grand Chapter and wife were also present.

Following a regular meeting they were entertained by Job's Daughters.

Carma Venderly played two selections on the piano. Marsha Dillow gave two recitations. Beverly DeWitt played several pieces on the accordion and Patricia Emerick gave two flute solos.

Following refreshments of pumpkin pie, whipped cream and coffee were served. Each and everyone experienced the thrill of meeting old friends and making new friends.

A potluck supper has been planned to follow the next stated meeting. There will be degree work in November and anyonc wishing to participate step right up. The degree teams will welcome you, as we expect a busy winter season.

Brother Ginther is not yet able to be very active, but is improving rapidly. We are thankful for that and that there are no other serious illnesses reported.

The activity of the Lodge since our last article has been confined to our regular stated business meetings. On October 29th, Bro. James C. Weaver received his F.C. degree, having been thoroughly coached and instructed by his Mentor.

Here we are in the month of November, and this year is nearly over. There is very little time left to get done all the work that we have had planned for the year. It is not too late to review your record for this past year, and to ask yourself if you have become a better man and Mason, if not, the last two months of the year will furnish you with powerful reminders of Humility and Faith. Thanksgiving and Christmas should be especially significant to a Master Mason if the teachings he has received have fallen on a receptive mind and heart.

Worthy Chaplain's Night was observed at our stated meeting on Monday, October 5th, with our own Chaplain, Soj. Agatha Engleking, as hostess. Her guests included presiding Chaplains from Shrines at Kokomo, Kendallville, Wabash, Anderson and Niles, Michigan.

On this same evening, Soj. Arthur Hickman was installed as Treasurer and Soj. Clarence Comincavish as King. We were indeed happy to have as our installing officer, Soj. Minerva Bothwell, Supreme Worthy Guide of Oriental Shrine, Jackson, Michigan. Soj. Hazel Dehler acted as installing Herald.

Entertainment was provided by the Moose marching drill team with Soj. Irene Gaff in charge. Guests and sojourners then retired to the dining room where refreshments were served in a candlelight setting. The beautiful table appointments reflected the efforts of those who labored to make that occasion so extra nice.

At our stated meeting on October 19th, Miriam Shrine honored Soj. Arthur Hickman on his appointment as Deputy Supreme Watchman. Joining in the celebration were Deputy Supreme Watchman J. Burton Tousley of Wabash and Raymond Johnson of New Castle, along with other sojourners from Madonna and Ruth Shrines.

At the close of the meeting, Bingo was played. We all learned it was easy to eat hamburgers, drink coffee, and at the same time manage to place our corn on the correct numbers.

On October 26th, the Cheer, Decorating and Registration Committees met jointly with Soj. Katherine Doubt, assisted by Florence Nahrwold.

In this month past, another Brothpassed on. Bro. Volkert, father of r Past Master, Dewitt Volkert, veled on to the reward which he s worked so diligently for, and I n sure that as he stands before the rone of Him who sitteth as Judge preme he will hear these words, Vell done my good and faithful rvant; enter thou into the joys of y Lord."

The Brethren will mourn, and we nd our heartfelt sympathy to those ar ones left behind.

We feel this consolation that when r time comes to be called we will d another Brother to greet and nduct us to the altar to be judged.

To this end for which we strive, vish to refer to the last and sublime gree of Ancient Craft Masonry. is, if studied and understood and e lessons it teaches applied to life, nnot but build a character for which all strive.

The new Indiana Mentors Manual ds, quote, "Enter this degree my other with the spirit of complete mility and with the earnest desire learn the sublime. Yes, immortal sons it seeks to convey and be not ned aside for a single instant from ur noble purpose. The rewards of s sublime degree of Freemasonry ceed the power of man to tell."

To which I wish to add this as to e rewards I feel have come to me this life. "The internal peace and rtfelt feeling of goodwill and de- to spread this peace and truth all fellowmen."

Thus, if we study these lessons ich are given to us in this degree d put them into practice in our eryday life, the reward we receive l be found within ourselves, and en the time comes for us to go our judgment before the Grand chitect of the Universe, our God d Father, we can go forward with confidence.

Summing up, I like to remember this quotation by Grantland Rice, "For when the one Great scorer comes to write against your name, he marks not that you "won or lost," but how you played the game."

We are happy to see Brother Leo Stucky getting around again and on the road to recovery from a critical surgical operation. Also we are glad that Brother Herman Conrad has improved after a severe kidney stone attack.

Brother Earl B. Notestine, who is serving in the Army, received his Entered Apprentice degree last January while home on furlough. He recently came home enroute to Camp Kilmer before shipment overseas. Upon his arrival home, we found that Huntertown Lodge 689 also was to confer the Fellowcraft Degree on a Brother who was home on furlough. A phone request to our Grand Master was made requesting his approval that Brother Notestine receive his Fellowcraft Degree at Huntertown. This approval was given and the degree was conferred at Huntertown on October 12. Then on October 22 the Master Mason Degree was conferred on Brother Notestine in our lodge.

We want to express our thanks to Huntertown Lodge 689 for the conferring of the Fellowcraft Degree. We also are grateful to the Brothers from Huntertown Lodge 689 and Concord Lodge 556 who assisted in conferring the Master Mason Degree in our Lodge.

We are all familiar with the grand job that is being done at our Indiana Masonic Home. Our aged Brothers and Sisters at the Home are living among friends of like ages and are happy and well cared for according to their needs. Also orphans from Masonic homes are being cared for, are being well educated and being developed into good American citizens.

Beginning with our next assessment for Grand Lodge dues, the per capita assessment will include $2.00 for our Masonic Home. This amount will provide for the operation of the Home as it now exists. However, there is a long waiting list of persons entitled to receive our help, but there is not room at the Home to accomodate them.

Therefore, we must continue our voluntary contributions in order that a fund may be built up to provide the expansion of our building facilities and to equip the new Hospital. The new Hospital is being planned by the Ancient Accepted Scottish Rite and the Order of the Eastern Star.

Along with your payment of dues for 1954 please include a liberal voluntary conrtibution to our Masonic Home. Get that good feeling that comes from helping those that need and deserve your help.

IMPORTANCE OF THE ROYAL ARCH DEGREE

With the exception of that of Master Mason, there is no other degree in Masonry so widely diffused or so important in its historical and symbolic import as that of the Royal Arch. It is found in practically every known Rite, sometimes in modified form, and frequently under a different name, but always with the same symbolic relation to the "Losh Word" which constitutes its essential character.—W. L. Cummings.

Please make arrangements to be at the Smorgasbord Dinner and dance that we shall have in the Masonic Temple Ball Room, Saturday evening, December 21st.

This rather unique annual party before the Holiday season has been a most enjoyable occasion for our members in years past and we know that this year's committee will in no way lower the South Gate standard.

The annual meeting will be held at 7:30 o'clock, Mondday evening, December 14th, in the Ionic room of the Masonic Temple. You will hear our Secretary read the reports of the activities and finances for the last year, which we hope will please you. Your officers ands the committee have labored during the last twelve months, and it would be vvery nice if you would all attend this meeting and besides hearing about the old year, make your plans for the new year.

Seasons Greetings-Merry Christmas and a Happy New Year. However you want to say it, the holiday season is here. Thanksgiving still lingers in our memory as a time of feasting, tummy aches, and a great deal to be thankful for. Your worthy matron in particular is most thankful for all those who worked so diligently during the days of preparation for our inspection. It's positive success is due entirely to everyone of you.

Guess what? Last month we had no new babies born but we did have a lot of illness, Well, here's a new twist—to give us something more to be thankful for, Ned and Edna Biddle are new grandparents once more, and there were no illnesses or deaths reported this month! I suppose that means congratulations are in order for all of us.

Grab your calendar—here we go:

December 7th: Sewing and Decorating at the home of Marie Steele, Gertrude Dickey assisting.

December 8th: Ways and Means at the home of Willadean Todd.

December 9th: Cheer at the home of Mayme Newport with Helen Moore assisting.

December 14th: Program at the home of Velma Welch with Edith Fall assisting.

December 17th: Social and Registration will have a Pot-Luck at the Gas Kitchen, Irene Warner, Vera Olinski and Anna Zingrebo are the hostesses.

December 18th: Stated Meeting—Choir and officers eintertain.

December 16th: Ne Ca Wa will meet at the home of Ida Kayser for the Christmas Party.

December 21st: Choir will meet at Ida Kayser's.

December 28th: Oficers will meet at the home of Willadean Todd.

Our first stated meeting in January will be dark.

We always speak of "our busy calendar" in our monthly messages to you. But a glimpse of things in store for this month makes us feel we may have exaggurated a bit. Aside from the usual goings on there will be a host of Christmas parties—not to mention our own family plans and preparations for the New Year. This month we celebrate our victories, or reconcile our failures with a gay face and plan for future success. This month is truly the zenith of them all.

Festivity is it its peak. Purses are willingly drained dry. Throngs of carolers lift their voices in merry song. Children are so good we check their temperatures. Mistletoe and holly abound. Gay baubles, shiny tinsel and glowing candles festoon the house inside and out. The kitchens of castle and cottage alike burst their cupboards with the heavenly smell and mouth watering appearances of their fest day provender. Why is all this? Christmas is being celebrated—by prince and pauper alike.

And yet, there isn't one of us who hasn't at one time or another, said, "This year wer'e going to have a real Christmas." But are we? What is a real Christmas?

"Now when Jesus was born in Bethlehem of Judea in the days of Herod the king, behold, their came wise men from the east to Jerusalem, saying, "Where is he that is born King of the Jews?" For we have seen his star in the east and are come to worship him."

"And, lo, the star, which they saw in the east, went before them, till it came and stood over where the young child was. And when they were come into the house, they saw the young child with Mary his mother, and fell down, and worshipped him: and when they had opened their treasures, they presented unto him gifts; gold and frankincense, and myrrh."

Hark the Herald Angels sing of Joy To the World — While Shepherds watch their flocks by night. Oh come all ye Faithful, on this Silent Night, to the little town of Bethlehem. Oh Holy Night.

The recent fall convocation was a splendid success in every respect. One of the largest classes in recent years received the degrees in the Lodge of Perfection. Outstanding work was done by casts from three out of town groups: the 7° by brethren from Fairmount, the 12° by brethren from Adams county and the 13° by members from Jay county. These casts create a great deal of interest in their localities and keep the spirit of Scottish Rite Masonry before all members of the craft.

At the last stated meeting of Fort Wayne Lodge of Perfection, several changes were made in the by-laws of the Lodge. The annual dues were raised from five dollars to seven dollars and fifty cents plus two dollars and fifty cents for the benevolent fund making a total of ten dollars each member will pay starting January 1, 1955. Those members who have life memberships are not effected by this change. And speaking of life memberships, the Lodge also voted to do away with the purchase of these memberships in the future. This action became effective as of Decmbr 1, 1953.

We are happy to report that the building committee recently appointed has had several meetings and progress is being made. Much information is being gathered from several sources and soon there will be a notice given to the membership regarding this all important matter.

A number of members have sent in their checks for $10.00 for next year's dues. This is to advise that the dues for 1954 will remain at $5.00. The increase does not go into effect until January 1, 1955. Your 1954 dues cards are now ready.

All the officers join in wishing the entire membership and their families a Merry Christmas and a Happy New Year.

November was a quiet month in our lodge. The only activity was our two regular stated meetings. This lull in our activities is like the lull before a storm because December is going to be a very busy month. On the agenda for December we have Inspection in conjunction with Poe, election of officers and probably two nights of degree work.

I hope we have a good turn out for the election of officers as this is every members chance to help select qualified and efficient officers. It is the duty of each one of us to be careful in our voting, so that we do not promote individuals strictly on seniority basis rather than on qualifications.

Brother Harry Vondran has been ill and is at Brother Lee Piller's home. Brother Richard Peckham is seriously ill and may require surgery. Brother Peckham is now living in Findley, O.

The O.E.S. has been quite busy since you have last heard from them. At the June 24th meeting we were happy to welcome into our order, by initiation, Robert E. Long, and Mrs. Mary Katherine Fisher.

At the September 23rd meeting our district deputy, Sister Myrtle Morton visited us and brought us up to date on changes in the ritual. The proxy for the initiatory work were Sisters Nellie McIntosh and Mary Katherine Fisher.

At the November 11 meeting we observed Friends night. Those given the degree of initiation were Mary Katherine Fisher, daughter of our new member, Mrs. Mary Katherine Fisher and Sister Zenda Lopshire, proxy. The Monroeville officers gave the opening. Our Sentinal, Brother Harry Vondran was ill and his station was filled by Brother Earl Grogg, who is the Sentinal in the Auburn chapter. We were grateful to him for this service. The guest Worthy Matron and Worthy Patron were escorted East and the Monroeville officers relinquished their stations to the visiting Friends, who gave the initiatory work. Those taking part were: W.M., Elsie Dawson, Auburn; W.P., Walter Dawson, Auburn; A.M., Gladys Stahly, Geneva; A.P., Arthur Bowers, Fort Wayne Chapter; Secretary, Mildred Collins, Decatur; Treasurer, Frieda Brooks, Shiloh; Conductress, Evelyn Snarr, St. Mary's; A. Conductress, Mary Shierling, Ossian; Chaplain, Eleanor Pohler, Star of the East; Marshall, Doris Thiebolt, Trinity; Organist, Nella Putman, Star of the East; Vocalists, Betty Lou Pritchard and Ruth Kreisher of Star of the East; Adah, Margurite Hiser, St. Mary's; Ruth, Ruth Spickel, Huntington; Esther, Edith Surfus, Huntertown; Martha, Mrs. Hough, Van Wert; Electa, Jo-Anne Hough, Van Wert; Warder, Katherine Glick, Roanoke; Sentinal, Rose Ella Glock, Shiloh; Prompter, Kathryn Warner, Leo.

The Monroeville officers then took their stations back and introduced their guest officers, presenting each a gift in friendship. After which chapter was closed by our visiting Worthy Matron, giving the closing charge. Refreshments were served in our dining room and the committee reports they served about 170.

Twice since June our charter has been draped in loving memory to two departed sisters. Sisters Nellie Leuenberger and Sister Maude Griffith. Sister Griffith was a charter member.

Our Worthy Matron has suggested that we all try to do better about visiting our shut-ins, especially at this season of the year. When we are reminded once again of the Christ Child, born in Bethlehem, to bring "Peace on Earth, Goodwill toward Men."

By the time this article reaches you, your officers for the year 1954 will have been elected and will be installed at the Stated meeting on January 4. Mark this date on your calendar and honor these brothers with your presence on this auspicious occasion.

The Master Mason degree will be conferred on candidates on December 28 with dinner at 6:30. Your Lodge will be host to the Past Masters and newly elected Masters who will receive the Past Masters Degree the same night.

This is the last message from your present Master and I want to take this opportunity to express my appreciation and thanks to all of the brethren in having the opportunity of serving you as Master of your lodge the past year. It has been a most enjoyable year and are unforgetable experience which I will cherish the rest of my life.

The year has been all too short and I did not accomplished as much for the good of the fraternity as I should have but I did my best in my meek and humble way in the time I was able to devote to the work.

Your lodge is blessed with able and efficient officers and I sincerely hope you will give them the same loyalty nad support you gave me this past year.

To those brethren who are ill and confined to their home or hospital we hope for a speedy recovery and that you may join us in the lodge in the near future.

By the time you read this, Thanksgiving will have come and gone, but right now everyone is thinking of that wonderful turkey dinner with all the trimmings that they are going to have November 25. Most of the girls plan on filling their vacation time with some much-needed sleep. The first semester is now more than half-way over and everyone is looking forward to the wonderful holiday season. Along with winter comes basketball. Some schools have already had their first games and others are looking forward to the big event. Whatever the case may be, the basketball season is one of the main reasons for so many smiles on so many faces.

The Mother's club has again been working like a bunch of little bees. A bake sale was held at Wolf & Dessauer on November 12. The bake sale committee wishes to thank all members who contributed to the bake sale. As all work and no play makes our mothers dull girls, they are going to have a Christmas dinner at 7 o'clock, December 16 at the Colonial restaurant.

November 17 was the night we held election. Officers elected were Honored Queen Linde Schmidt; Senior Princess, Pat Miller; Junior Princess, Faye Methieson; Guide, Judy Hollenbeck; and Marshall, Judy Goller. Congratulations to all of these newly elected officers. Best wishes for all of your further work.

Church Sunday was held November 15 at the Crescent Avenue Evangelical United Brethren Church. I hope the girls enjoyed coming to church with me as I certainly enjoyed having them come.

Mom's and Dad's night was November 3. I was very glad to see so many wonderful parents there. Faye Methieson and Sue Travis gave a skit. Just because we have a special night when we honor our parents, doesn't mean that this is the only night when parents can come. You are welcome every night.

Initiation will be held December 1. This will be the last one of my term and I'm sure that it will be a good one. Also, after this meeting, Mr. Sparks will take pictures of the officers.

The annual White Christmas Formal is going to be held December 26. This is going to be a wonderful dance as it is every year. Any Job's Daughters or DeMolay with a 1953 dues card can get into the dance. The dues card is your ticket. This should be an added incentive to pay your 1953 dues.

Goodbye until next month.

Darrell N. Good ..... Secretary
3318 Bowser Ave. H-78954

Brethren: Hail and Farewell! This article will be my last as your W.M. and I shall be most happy to turn this portion of my duties over to my successor. It is most difficult to prepare items of current interest when they should be submitted one month in advance of publication. My thanks to Bro. Brown Cooper for extending this deadline for me on numerous occasions.

By the time this article reaches you, your officers for the coming year will have been elected or appointed. To these officers go my congratulations and best wishes for a happy and successful year. I am confident that the cooperation and support of our entire membership will be theirs for the asking, as it has always been in the past.

Every Master likes to feel that he has made some contribution to his lodge and to the fraternity in general. In this I am no exception, however, my contributions have been small indeed when compared to the many things I have received—the many fine friends I have made, the priceless fellowship I have enjoyed—while in the chairs of Wayne Lodge. God being willing I hope to increase and enjoy these friendships and to partake of this fellowship for many years to come.

There have been about twenty-seven new members added to the Wayne Lodge roster this past year—two by affiliation. Six of our members were claimed by death, four demitted and there were three suspensions. We welcome these new members and hope that they will take an active part in the affairs of the lodge.

I wish to thank all the members of our standing and special committees for their work during the past year. Many of these brethren have done outstanding work and were it not for the lack of space, would be given special mention. Investigations were made promptly and thoroughly and oral reports were given on all but a few occasions.

Definite arrangements have not been made as yet for the installation of officers but it is thought that the installation will be on New Years day following that of Summit City and will be open to the public. If you plan to attend, better double check with one of the officers.

Because of the Christmas Holiday season our M.M. degree will be held Saturday, December 26, starting as early as 1:30 p.m. if the number of candidates warrant it.

The seven Masonic Blue Lodges are again sponsoring a New Years Eve party on Thursday, December 31. There will be round and square dancing to the music of Johnny Lukens' orchestra from 9:00 p.m. to 1:00 a.m. Tickets will be $1.50 per couple and refreshments will be served. Proceeds over and above expenses will go to the Masonic Home.

With the sick: George W. Wehrmeister and Belmont E. Beman are in the Veterans hospital. Bro. Clarence A. Comincavish and Jack Goodman are in the Parkview hospital. Bro. Curtis Connin has just returned to his home after being hospitalized in Peru, Ind. A visit with any or all of these brethren would be well worth your time.

In addition to the brothers mentioned above be sure to include Bros. George McDonald, Victor C. McFarland and Homer P. Moses at the Masonic Home in Franklin, Ind., on your Christmas mailing list.

I WISH ALL OF YOU A VERY MERRY CHRISTMAS AND A HAPPY AND PROSPEROUS NEW YEAR. Nile W. Hake

Our Lodge has been quite active in this past month. The Entered Apprentice degree was conferred upon one candidate, Brother Vernon Hockmeyer, on November 19. A large number of brethren were present for this meeting. The Entered Apprentice degree will be conferred upon another candidate on December 17. At our stated meeting in December 10, election of oficers will be held.

Brothers, please take note of these meetings and attend if at all possible.

Brother Oscar Scherer is well on the way to recovery, after a recent fall. Also visited Brother Andrew Neireiter, who is feeling better.

Our lodge has adopted the Mentor Plan and we feel that our new brothers will profit greatly from it.

The Commandery conferred the Illustrious Order of the Red Cross on three candidates on November 12th and the Order of Malta on two of the candidates on November 17. At the stated convocation on November 19th, two petitions from Royal Arch Masons of Thomas R. Marshall Chapter 161 were acted upon favorably, so we have orders to be conferred on two or more candidates.

The Annual Inspection of Fort Wayne Commandery 4 was held December 3rd under the supervision of Eminent Sir Knight Samuel S. Geake, Grand Generalissmo of the Grand Commandery of Indiana, who is Group Leader of group No. 3 consisting of six commanderies of northeastern Indiana. The Commandery was opened in short form at 2:30 p.m. Three candidates were received and the first section of the Order of the Temple was conferred on them before supper; two of these were given the fifth libation and "Knighted" before closing the commandery for supper.

The "Potluck" supper was served to the Sir Knights and their ladies at 6:00 p.m. The meat, coffee, cream and sugar were provided by the commandery, and all other delicacies were brought in by the wives and ladies of the Sir Knights.

Immediately following the supper the Sir Knights retired to the Asylum, opened the Commandery in full form including the rehearsal of duties of the officers forming of double lines and reception of distinguished guests. As soon as the distinguished guests were introduced to the commandery the third candidate was Knighted, and the words, means of recognition and lectures were given to complete the Order of the Temple. The Inspecting officer was then asked to give his critique of the inspection.

The Annual Conclave will be December 17th, when we will receive the reports of the treasurer and recorder. The recorder's report will show the greatest number of candidates Knighted during one year since the initiation fee was increased to $50.00 in 1947. The credit for the increase must be given almost entirely to the efforts of our Commander Eminent Sir Carl L. Shroyer, who worked to secure 100 candidates for the Sol D. Bayless Centennial class. Had his efforts not been stopped by his physician it is the writer's belief that he would have realized his ambition.

Officers for 1954 will be elected at the annual convocation. All Sir Knights should be present to hear the reports and have a part in selecting the officers of our commandery. For the last three years we have been discussing the idea of inviting all Master Masons and their families to witness the installation of the Commandery Officers; this will come up at the annual convocation this year, and if a public installation is decided upon, the date will be selected and invitations issued through the Blue Lodges and newspapers. At a public installation the drill corps would participate and all Sir Knights who have uniforms they can wear would be requested to be in uniform so as to make the best impression possible.

Let us all talk to our friends who are not Knights Templar, and secure their petitions for the Chapter of Royal Arch Masons, the Council of Royal and Select Masters and for the Orders of Red Cross, the Order of Malta and the Order of the Temple as conferred by our Commandery.

Another year is coming to a close and it is almost time to say good-bye to 1953, and welcome in 1954. We hope that '54 will bring everyone greater happiness and prosperity than they experienced this last year, if that be possible.

This has been a wonderful year for Beauceant and we are well pleased at the growth and progress that we made this year.

We would like to thank the sisters who have worked diligently on petitions, and also all the members who worked so very hard on the various projects.

December 1 is our election of Officers, the new officers to be in charge at our January meeting.

Don't forget our big night, December 16. It will be our last initiation for the year, after which refreshments will be served, and our Christmas project will be on display. We hope for a larger attendance at this Christmas party.

We wish all those ill a speedy recovery and the best of health thereafter.

A Merry Christmas and a Happy New Year to everyone.

Your Worthy Matron and Worthy Patron wish you the very Merriest of Christmases and the Happiest of New Years.

It's just the same "Merry Christ-wish
That you have heard so much,
But somehow, when it's wished for you
It has an added touch,
For there's a special feeling
And many kind thoughts too,
Expressed in the "Merry Christ-mas"
So sincerely wished for you.

Our fall season has now gone into winter, and when you receive this message you will be in the usual hustle and bustle of the approaching holidays. The Inspection, November 6 with our Worthy Grand Matron, Sister Aldine Klingman, gave us another memorable night. Trinity Chapter prepared the banquet, and our Social Committee girls set, served and cleared the tables. The dining room decorations, so beautiful in the fall colors were taken care of by the Decorating Committee. In the Comandery room, Trinity Chapter did the opening and closing while our chapter exemplified the initiatory work for six candidates who were: Berdilla Orchard, Margaret Ungerer, Betty Mood, Jane Millhorn, Mary Stoops and Barbara Houser. We had a number of guests among them district deputies and the associate Grand Matron. Carrie May, and several Grand Star Points.

November 10 the Program Committee gave us an interesting patriotic program. November 24, Allah Signet entertained chapter with musical numbers given by pupils of Sister Georgiana Judkins. Initiatory work was given to three candidates: Edith Falls, Rosemary Nichols and Jean Pascoe. December 8 our Madonna club had charge of the program for chapter and December 22 will be our Christmas Party. January 12 our Drill Team will entertain us and we are looking forward to another fine evening.

Do plan to come to all these meetings. It means a great deal to your officers to have the side lines well filled. We'll miss you and you'll miss something good too if you're not with us.

In the last issue of this publication, I attempted a discussion of the perfect ashlar. This month, perhaps it is only fitting that we dwell a bit upon the working tool that plays the greatest part in making the ashlar perfect: I mean, of course, the Gavel.

To Speculative Masons, this is but the symbol of the severe and painful means which must often be used to divest our minds and consciences of the vices and superfluities of life in order that we may become fitted as "living stones for the spiritual building." It is therefore very appropriately used to maintain order in the lodge. The lodge symbolizes the temple of the living God for which each Mason is to fit himself as a living stone, and the gavel represents the means by which he fits himself for his place in that temple.

It is one of the oldest working tools used by man, one of the first given to the speculative Mason, and is the emblem of authority in the hands of the Master. It is sometimes called a Hiram, after Hiram Abif, who had charge of the construction of the Temple at Jerusalem, because, like him, it governs the Craft and preserves order among the brethren. Its name comes from the German word "gipfel" which means summit, top, peak.

Its uses are manifold. It is the first instrument applied to the rough ashlar in fitting it for its intended use in the temple, and, in conjunction with other tools, it is used in all stages of the construction of the building.

In iis symbolism, also, it has many uses. If we compare it with the three departments of government, we find the gavel is the executive instrument. The other tools symbolize the legislative and the judicial functions. They prescribe methods or lay down principles but do not act. The gavel only is executive—the instrument which strikes the blow. The chisel is simply its servant, the medium through which the blow is directed to a particular point.

The gavel is our will power, through which we govern our actions and free ourselves from debasing influences. It requires will power and repeated exercises of it to subdue our passions and divest ourselves from the vices and superfluities of life. Will power is common to all, for all men have, and it is fittingly symbolized by the "common gavel." However, neither the gavel nor will power is of any worth unless it is used.

Each of the other working tools of a Mason has but one use, but the gavel is needed during the entire time the building is under construction, and for all kinds of tasks, from the setting of the rough stones for the foundation to the delicate carving of the ornamentation on the superstructure. The guage is used to measure; the square to square the work; the level to lay horizontals; the plumb to raise perpendiculars; and the trowel to spread cement. But the gavel is used to break, cut, shape, drive, and set stones, and without it, the chisel could not carve. Thus, it very fittingly symbolizes the force of conscience, which by its painful operation enables us to remove the vices and superfluities which render us unfit for a place in the spiritual temple of the soul.

What a simple tool it is! Just a small piece of metal on a small handle, but how effective it is in the hands of a skilled workman. Should we not learn from this that the most effective tools in the building of a soul are the most easily acquired? Just as only the supreme God could wield the hammer, so only a soul made in the image of God can recognize vices and adopt the means by which they can be removed.

Mention has been made of the manifold uses of the gavel. It is the first working tool applied to the rough ashlar fresh from the quarry, when the jagged edges must be knocked off that it may not be a source of danger to the permanence of the building. This symbolizes the removal of our vices and the laying of the foundation of our spiritual temple. The vices, those ugly excrescences that disfigure the soul and make its possessor a menace to his fellows, must, indeed, be removed. This is no easy task, for it means not only the removal of those vices and superfluities on the outer face of the stone, the face which is exposed to the view of man, but also means those of the heart, which are hidden from the eye of man.

This, my brothers, is my "swan song" as your Worshipful Master. It has been lots of fun, lots of work, lots of headaches, lots of heartaches, lots of laughs and lots of friends in spite of lots of mistakes—my own, of course. In many respects, it is like hitting yourself on the head with a hammer (or gavel), because "it feels so good when you quit." I think I am going to enjoy being a "has been" because there will still be many areas in which I can continue to serve you and the new officers of our lodge. Keep in mind, brothers, the challenge that comes to Freemasonry is to keep it a force and not let it become just another form. We must not glorify the institution, but make that institution glorify life through its service to mankind.

The time has come for me to try and total up the things that I probably have forgotten to write about in the past articles, and that my Brethren is not a very easy task. I was told the time would go by very fast, but was not informed how fast. Fast or slow I have enjoyed every minute of my time spent since I took the steps toward the Altar of Masonry.

On November the 24th we were honored to have Brother Harry Clark, a member of this lodge for 50 years, in attendance on the Master Mason Degree. Brother Clark was presented with the Grand Lodge 50 year award of Gold by Right Worshipful Deputy Grand Master, Elmer Forks. We thank Right Worshipful Elmer Forks for making the presentation and, and extend our hearty congratulations to Brother Clark, may he enjoy many more Masonic years.

To all my officers, the various committees, members of the Craftman team, and every one concerned in making my year a success, may I extend to each of you my very humble thanks. On behalf of myself and Wardens I would like to thank each of the Masters of the other Blue lodges of the Temple for the invitations extended to us throughout this year. We have met many new friends and have enjoyed every event. Again we thank each of you for your hospitality.

As this paper arrives in your home we will have had the Annual Stated Meeting. To my successor, the elected and appointed officers may I extend my congratulations and best wishes to each of you for a very successful year.

To make the year complete the 7 Blue Lodges of the Temple are making plans for a New Year's Eve Square Dance, a very fine orchestra and caller have been contracted, favors are being purchased, and refreshments are being planned, so contact one of the officers of your respective lodge and get your tickets early.

From myself and family to you and yours, we wish everyone a very Merry Christmas and a Prosperous and Happy New Year.

ABRAHAM LINCOLN SPOKE AT MASONIC FUNERAL

William H. Herndon, in his biography of Abraham Lincoln, tells of the death of Ann Rutledge and its effect on Lincoln and then states: "His condition finally became so alarming his friends consulted together and sent him to the house of a kind friend, Bowling Greene, who lived in a secluded spot hidden by the hills, a mile south of town.

Here he remained for some weeks under the care and ever watchful eye of this noble friend, who gradually brought him back to reason, or at least to a realization of his true condition. In the years that followed Mr. Lincoln never forgot the kindness of Greene through those weeks of suffering and peril.

In 1842, when the latter died, and Lincoln was selected by the Masonic Lodge to deliver the funeral oration, he broke down in the midst of his address. His voice was choked with deep emotion; he stood a few moments while his lips quivered in the effort to form the words of fervent praise he sought to utter, and the tears ran down his yellow and shriveled cheeks. Every heart was hushed at the spectacle.

After repeated efforts he found it impossiblbe to speak, and strode away, bitterly sobbing, to the widow's carriage and was driven from the scene." (Edward J. Thompson of Pawnee Lodge, Illinois, contributed this information.) — Oregon Freemason.

We never tire or become weary in the portrayal of the 18°; for its lesson of love, although an "old, old primitive truth," is as refreshing today as when we first witnesseth the degree many years ago.

Your Most Wise Master wishes to express his deep appreciation, first, to the officers for their loyalty and devotion, secondly to Past Most Wise Master Robert Koerber, Jr., for his masterful direction of the degree, and thirdly, to the twelve brethren who served as guards; most of whom have served well and faithfully for years, without hope of reward, except a deep seated desire to be of service to Masonry.

May the spirit of Christmas be deep in our hearts.

If you'd have a happy Christmas
You'll find 'tis a very good way
To hunt up some folks who're lonely
And help give them a merry day.
If you'd catch the spirit of Christmas,
You'll find a commendable plan
Is to share your pleasures with others
And give joy to your fellow man.

On November 5 Fort Wayne Chapter honored our charter members and 25 year members. They formed a semi circle back of Esther's chair and our Worthy Matron paid tribute to these faithful and loyal members. The choir then sang an appropriate song and a gift was presented to each one. It is to these members that our Chapter owes much of its success.

The joint inspection of Fort Wayne and Shiloh Chapters by our Worthy Grand Matron Sister Aldine Klingman was held on November 7 in the Commandry room. The meeting was opened at 5 o'clock with the Fort Wayne officers filling the stations. The stage setting in the East was beautiful with a large star in the background outlined with lights the color of each Point. Palms and wire standards holding yellow mums completed the beautiful picture. The motto of our Worthy Grand Matron "LOOK UP" was made of gold letters and placed high above the stage. In front of the East was a lighted column holding an open Bible with sword and veil. Wire standards of flowers of appropriate color were placed at the back of each chair point.

An excellent dinner was served at 6 o'clock to about 300 members and guests. The table decorations were partly opened sheets of music holding nosegays of flowers tied with purple streamers, also lighted candles.

Sister Aldine presided at the baby dedication at 7:30 assisted by Sister Sonoma Woodruff, Brother Ben Bennett and Worthy Matron Hope Dumford.

Chapter was then called to order and Sister Aldine was presented and escorted to the East and given grand honors. Other grand officers and distinguished guests who were introduced and escorted East were Sister Sonoma Woodruff, Past Grand Matron, Brother Cecil Seibel, Past Grand Patron, Brother Ben Bennett, Past Grand Patron, Sister Carrie May, Associate Grand Matron, Sister Victoria Hope, Grand Organist, Sister Helen Johnson, Grand Ruth, Sister Donna Tuttle, Grand Martha and Sister Myrtle Morton Deputy of District 14, Sister Kathryn Shepherd Deputy of District 6, Sister Florence Le Mann Deputy of District 11, Sister Margaret Kramer Deputy of District 18 and Sister Fara Lee Baidinger Deptuty of District 21.

The officers of Shiloh Chapter gave the initiatory work to six candidates after which the Worthy Grand Matron complimented the officers of each Chapter on their excellent work and gave an inspiring and informative address on the new changes in the ritual.

"Life is sweet just because of the friends we have made
And the things which in common we share;
We want to live on not because of ourselves
But because of the people who care;
It's in giving and doing for somebody else;
On that all life's splendor depends;
And the joys of this life, when you've summed them all up
Is found in the makin' of friends."

One of our youngest and most alert classes of recent years helped to spark a splendid convocation on November 10, 11 and 12. It was a class of more than 300 candidates but their marked attention and earnest cooperation kept its numbers from being unweildly and inspired the workers in each degree to give an excellent performance.

Illustrious Brothers Edwin R. Thomas 33° and William H. Schanen 33° led the 19° degree in an outstanding exemplification. The 31° presided over by James R. Newkirk and under the direction of Illustrious Brother Melvin G. Honeck was filled with high drama and the heavily cast 24° conferred by the Huntington County brethren under the direction of Illustrious Brother Knowlton H. Kelsey 33° was beautifully and impressively given. The action and pagentry of the 32° was up to its usual stirring standard.

Class officers named on Thursday morning were; President, Morrison A. Rockhill, Warsaw; Vice-Presidents, Walter B. Jones, Fort Wayne; Richard Hall, Huntington; and Dr. Kemper K. Venis, Muncie; Secretary-Treasurer, Richard Smith, Fort Wayne; Historian, George Hubbard, Angola and Orator, Rev. Joseph Koble, Syracuse. The class officers were presented at the banquet on Thursday evening and Orator Koble made a well received response for the class.

Illustrious Brother Frank E. Bohn 33° acted as master of ceremonies for the banquet with his usual poise and punch. The orchestra directed by Russell Wharton was given an enthusiastic ovation and their point performance with the Scottish Rite choir in the production number, "Irish Street Song" brought out prolonged applause. The choir, led by Robert Shambaugh, was at its best and the announcement by its manager Illustrious Brother Melvin G. Honeck 33° that it will unite with the South Bend Valley choir in a joint concert here in February was enthusiastically received.

Our banquet speaker, the Rev. Fay Le Meadows, pastor of the Shiloh Congregational church, Dayton, rang the bell in an address replete with good stories and sound philosophy.

INDIANA YORK RITE

The Indiana York Rite Bodies held their annual meeting in the Indianapolis Masonic Temple during the last week in October.

Indiana Priory No. 8, K.Y.C.H. inducted fifteen members Monday evening, October 26th with Prior Lenis E. Firestine of Indianapolis presiding. Other officers of the Priory are Howard H. Spaulding of Madison, Deputy Prior; Brown Cooper of Fort Wayne, Registrar-Treasurer; Harry Swan of La Porte, Warden; George C. Harper of Frankton, Prelate; Paul G. Smiley of Washington, Orator; and Samuel S. Geake of Fort Wayne, Herald.

The ninety-eighth Annual Assembly of the Grand Council was held on Tuesday and Wednesday with Stanley A. Raymer of Elkhart presiding as Illustrious Grand Master. Lenis N. Firestine was elected Illustrious Grand Master for the coming year. George C. Harper of Frankton was started as Grand Conductor of the Council and Owen L. Shanteau of Logansport is the new Grand Steward.

The sesions of the One Hundred and Eighth Convocation of the Grand Chapter started Wednesday afternoon with F. Gordon Lewis of New Castle presiding as Grand High Priest. He was succeeded in office by William T. James of Brazil who will be the Grand High Priest this coming year. Kerten J. Garrison of Earl Park was started in the line as Grand Royal Arch Captain.

MASONIC TITLES' ORIGIN EXPLAINED

A question frequently asked is, "How did we get the titles, 'Ancient York' and 'Free and Accepted' Masons?" The title "York," or "Ancient York," is derived from an opinion that the first Grand Lodge met at York, in the north of England, in 926, under the Grand Master, Prince Edwin, who purchased of his brother, King Athelstane, a free charter for that purpose. Ever since that period the title, "York," has been inserted in the charters of some lodges, generally to denote that the system then and there adopted has been perpetuated.

The title, "Free and Accepted," or "Ancient Free and Accepted," implies the same rite, but under a different term. The epithet "Free," denotes either that no slave can be a Mason, or that the workmen of King Solomon were free of tribute, or that by the early laws of England the members of the Order received peculiar privileges by being freed from the imposition of certain taxes. All these definitions are applicable.

The term, "Accepted," has reference to the acceptation of persons who are only moral or speculative Masons into a fraternity that was originally purely operative. In other words, it refers to the adoption of the applicant into the Order.—Selected.

By the time this my last article as Worshipful Master is in hand, you will have elected a new line of officers for the coming year. I wish to congratulate them and feel sure they will have a successful and prosperous year. Serving as your Worshipful Master has been a great experience and one which will always be treasured. Although the duties and responsibilities were many, they were in most cases accomplished due to the splendid cooperation and asistance of our Past Masters, officers and the Craft. To these brethren, I am most grateful.

I wish at this time, to thank the members of my various committees for their helpful work and loyal support throughout the year.

On New Year's Eve the seven Fort Wayne Blue Lodges will sponsor a Square Dance in the ballroom of the Masonic Temple from 9:00 p.m. to 1:00 a.m. There will be refreshments and favors for all. Admission $1.50 per couple. Proceeds will go to the Masonic Home at Franklin. Make your plans to be with us for an enjoyable New Year's evening.

Our most sincere sympathy to the family, relatives and friends of Brother Judson West, who was called from our midst on October 24th, by the Supreme Architect of the Universe. Masonic services were held at the C. M. Sloan funeral home on Wednesday, October 26th. Brother West was a member of the Masonic Fraternity for over 65 years, and will be greatly missed by the brethren.

The following brethren are still ill or shut in at this writing. Bros. Frederick Christoph, 2314 Hanna; Charles Jones, Methodist hospital; John E. Scott, Irene Byron; Luther Chieders, 2832 Abbott; Paul Beauchamp, 2601 Smith. A visit with them will tend to brighten their day and you will leave happier also knowing that you have again fulfilled one of your Masonic Tenets.

In behalf of myself and officers of Maumee Lodge, we extend to you and your families our best wishes for a Merry Christmas and a Happy New Year.

Your officers conferred the R&SM degrees at our November meeting on a fine class of candidates. Degrees will also be conferred at our December meeting. The Grand Leeturer, Companion Lloyd W. Young, will be present in an official capacity to inspect our work. Each officer has been working had to perfect himself so that the work will be done in an impressive and inspirational manner. Your continued support and attendance at each meeting is an inspiration and incentive for each of ous to do our best.

Fort Wayne Council has shown steady progress during the years and now is No. 6 in membership in the State of Indiana. This has been the result of steady interest and support of all the membership. With just a little more support and drive. we could easily have Fort Wayne Council No. 4 become the outstanding Council in Indiana. Your officers pledge that the work will be of such quality that both the membership and candidates will benefit from the lessons portrayed in the two beautiful degrees.

To each of you, we extend the Season's greetings—Merry Christmas and a prosperous and Happy New Year.

How time flies, the holiday season is here once again.

Past Matrons and Past Patrons were well represented when they were honored at a banquet on October 22. The harvest theme was used throughout the dining room and chapter room. There was a called meeting at 5:00 for initiatory work with Brother Arnett Bickel presiding and Sister Verna Bloom in the East. The work was exemplified by the Past Matrons and Patrons in the 8:00 o'clock meeting. Each Past Matron was presented a gift in royal purple in keeping with her office. The choir sang a special number dedicated to the Past Matrons and Patrons of Shiloh Chapter.

On November 7th Worthy Grand Matron, Sister Aldine C. Klingman, was here for joint inspection of Fort Wayne and Shiloh chapters. She was honored at a banquet. The decorations throughout were in a musical theme which was very fitting as Sister Aldine is an accomplished violinist. Several of her Grand officers as well as District Deputies were with her.

Ways and Means Committee has mints and peanut crunch for sale. If you like good candy, call Grace Klein for more information.

Don't forget the rummage sale date, January 20 and 21. If you have rummage, call Grace Klein.

On December 10, our regular stated meeting, Lois Keller will read the play, "Family Portrait" for the pleasure of the guests. Chapter will be dark on Christmas Eve. A called meeting will be held December 28 at 8:00 p.m. for initiatory work.

THE DEMOLAY PIN

An article in the "Cordon," official DeMolay magazine, gives the following explanation of the symbolism of theDe Molay pin:

The Crown is symbolic of the Crown of Youth, constantly reminding a DeMolay of his obligations and the Seven Precepts of the Order.

The Helmet is emblematic of chivalry.

The Crescent is the sign of secrecy.

The Cross symbolizes purity of intentions.

The Crossed Swords denote fortitude, justice, and mercy.

The Stars stand for hope.

The eight pearls on the crown and the two rubies honor Dad Land and the nine Kansas City youths who founded the Order.

The rubies are in memory of the late Louis Lower and Ivan Bentley. When, as it must to all men, the final call comes to the seven other Founding Members of DeMolay, the pearls on the pin will be replaced by rubies.—Saginaw Masonic News.

Brother Southgates, behold how swiftly the sands of time flow. It is but a short while that I have been honored to serve South Gate. I pray that I may have done so to the honor of the fraternity. It was not an easy task.

To those of you who have served with me, may I express thanks for your devotion to the lodge. The work was not always easy for you yet, you never waivered. Many of you brothers will never know of the trials and hardships you young line officers have faced. Many of the brothers have pitched in and helped. I wish to thank them and to thank two Past Masters who have been a tremendous help. They are Bill Turner, P.M. and Ed Fleck, P.M. I wish to thank Herb Dewees P.M. for his help and assistance in a very difficult task. Only the Master can understand how much a lodge depends on an efficient Secretary such as Sam Gregory has been. And so I thank you one and all.

It is pleasant to report that Jerry Forst and Henry Haesert are well on the road to recovery. Both have undergone a serious operation. I know some of the other brothers have been afflicted with serious illness. We pray for their speedy recovery.

There will be one more chance for us to get together for work. Don't forget the annual stated meeting, December 14th.

There is also another chance for fun and fellowship. That will be the Square Dance sponsored by all the Blue Lodges, December 31st at 9:00 p.m.

Hope to see you all at both events, and God Bless you all.

Our Chapter elected four, at the November stated convocation, to receive the degrees of Capitular Masonry. We will be picking up two more during the month who have not finished the work, so should be ending the month with six for the Royal Arch degree. We wil also have degree work following our December meeting.

Will bring to your attention some of the high-lights of the Grand Chapter Convocation held in Indianapolis in October. The General Grand Chapter of the United States, with which our Indiana Grand Chapter is affiliated, has accepted the proposition made to it by the commission in charge of the George Washington Memorial, to furnish and dedicate a room in the Memorial Building, to Royal Arch Masonry. The Indiana Grand Chapter accepted its share of the cost of this project.

No new Chapters were added last year; a small gain in total membership for the state was reporter. Hobart Chapter 165, our youngest chapter, reported the largest per cent gain in membership, of any of the individual chapters; a gain of 26.67%. We would like to see the Companions of Fort Wayne Chapter get all "het-up" with the idea of making it the champion getter for this year. How about it Companions; bring in those petitions.

Don't forget Past High Priests night, January 23, 1954. We will be joining Thomas R. Marshall Chapter in honoring Past High Priests of both chapters. Sojourning Royal Arch Masons are invited, and especially Past High Priests of any chapter anywhere, who may now be living in or near Fort Wayne. Tickets for this event are now on sale; when you get yours, remember that Master Masons also can attend, so bring along that Blue Lodge friend.

TO ALL MASTER MASONS: you are eligible to attend if you care to learn more about York Rite Masonry; you do not have to wait to be invited personally by a Royal Arch Mason. The speaker will be W. Curtis Mahler of Lawrenceburg, Ind., a Past Grand High Priest. He is rated as a top notch speaker on Masonic subjects in general and York Rite Masonry in particular.

As this issue comes to you, Thanksgiving will be past, and the Christmas Holidays will be just around the corner. Let us remember that the God to whom Thanksgiving was due, is the God who gave His only begotten Son as our Savior and is also that God we as Masons reverence and serve. We can reverence Him in our minds and imaginations; we can serve Him by putting into practice His precepts and teachings. So we close hoping that you had a wonderul Thanksgiving, and will have a Merry Christmas and a Happy New Year.

Now that we are right in the middle of the Holidays it has come time for me to give you a glimpse of the past and coming events for DeMolay.

There were two meetings in the month of November. One was a stated meeting the other our Initiatory degree on November 24th. A group of 40 candidates received the degree 27 from Fort Wayne, 5 from Marion and 8 from Angola. Our chapter was filled to capacity about 200 attending, including about 40 Masons and the work of the officers was unusually fine.

The big event will be the election of officers on December 8th. This will be a very important meeting for all DeMolays as this will be their chance to elect the fellows you want to lead your organization for the next 6 months.

To complete the degree work for this group of officers the DeMolay degree will be given December 22 in the Cathedral Auditorium at 7:30. The degree will be exceptional for it will be given by many of the fellows who have participated in it in past years. This will conclude the responsibilities of the officers for the first half of the DeMolay year. The Flower Ceremony will also be given and the class will include over 100 candidates from Fort Wayne, Auburn, Angola, Portland, Huntington, Peru and Marion. Many of the fellows home from college intend to come and renew acquaintances with DeMolays who are attending other universities.

To put the finishing touches on the Holiday Season Scottish Rite will honor DeMolay by giving forth with the annual White Christmas Formal Dance on Saturday, December 26th from 9-12 with the music of Woody Neff's fine orchestra. All DeMolays and their dates will be admitted free by presenting their 1954 dues card or Senior Membership. Dress is optional for men formal or suits. Ladies Formal. Many surrounding chapters will attend. M.C., Bill Pomp is DeMolay Master of Ceremonies, Past M.C. Mike Brutton, Chairman of Decorating Committee.

Installation of the newly eleeted and appointed officers will be held Tuesday, December 29th at 7:30 in the Cathedral Auditorium with Emery Tucker assisted by Chevaliers Ronald Meeks. Tom Bell, Hal Elgea and Mike Brutton.

The Chevalier Degree will follow the installation of officers. This is an Honorary degree conferred on DeMolays who have done meritorious work for the order, are of high character and held in high esteem by their fellow members. The following DeMolays will receive this high honor: Edward Clark, Michael Brutton, Donald Rife, Robert Shrodel and Dan Somers. It will be conferred by officers of the Scottish Rite Bodies assisted by the Scottish Rite choir. The public is invited on this date and the members of the chapter should attend and bring their parents and friends so that they can get an idea as to what kind of an organization DeMolay is.

New officers will preside on January 12th with entertainment and refreshments to follow.

Not to change the subject but since we are getting near the mid-term mark we will all be swamped by home work and cramming for those final exams. But try and make some of the mentioned events in chapter. It will be a credit to the chapter as well as helping you and letting you know that the Fort Wayne chapter is really taking an interest in DeMolay activities.

That is about all for this time but I will see you at the next meeting. So till then. From the East to you Godspeed.

It has been nearly one year since you placed the gavel of authority of your lodge in my hands. It seems now to have been a very short year. So short in fact, that it is hard for me to realize that it is now time for me to move on to the ranks of Past Masters.

To me it has been a very pleasant experienee. And thanks to the full cooperation of everyone, many things were aecomplished.

When I started my year I hoped to prove an old maxium. That you receive from Masonry what you put into it. In observing the many new brothers that are taking an active part in the lodge work, I believe I have proved my point.

On behalf of the officers of Three Rivers Lodge, I wish to extend season's greetings to you and your families.

Eugene Rinehold ---------- W.M.

Huntertown ---------- 3353

In response to the summons of the Supreme Grand Master of us all, our W.M. Perry Eugene Rinehold was translated from this inperfect to that All Perfect Lodge above, that house not made with hands eternal in the heavens. His work was not done, yet, on November 6, 1953 his column was broken.

Brother Eugene was born March 20, 1904. He was raised to the degree of Master Mason on May 4, 1946. Subsequent to that time, he served as Tyler in 1948, Junior Steward in 1949, Chaplain in 1950, Junior Warden in 1951, Sr. Warden in 1952 and Master of the Lodge in 1953.

He was married to Lela Clark on December 17, 1928. He is survived by Mrs. Lela Clark Rinehold, his father Perry, who is 88 and a Past Master; and two brothers, Ernest, a member of this lodge and Curtis, who resides in Kentucky.

Brother Eugene was a member of the Methodist church at Huntertown. He was also a member of the O.E.S. who conducted appropriate twilight services on November 8, and was accorded full Masonic honors at the grave in the Huntertown cemetery on November 9, 1953.

During the year 1953 the lodge raised fourteen candidates and has two more that will be raised before the end of the year. One member was gained by transfer and one lost by demit for transfer.

An interesting social night was held on Saturday, November 21, with about 25 members enjoying the program and refreshments.

The annual election on December 3rd will signal the beginning of the responsibility for the new officers, who will be installed for services in 1954. There will be work on the E.A. degree on December 10.

On December 17 the Huntertown lodge will be host to the Leo and Harlan lodges at which time the Grand Lecturer will hold a Lodge of Instruction on the Master Masons Degree. Recently the lodge was honored by the visits of W.M. Stevenson and Bro. Seenger of Three Rivers lodge, who gave an interesting demonstration of the film strip projector to be used during the lectures of the three degrees.

The new projector will replace the old charts and should help in making the work more impressive. Low 12 Cathedral chimes, new jewels, and new staff tops for the Jr. and S.D. and Jr. and Sr. S. staffs have been recently acquired.

The Huntertown chapter O.E.S. will hold a Christmas party on December 19. All members are urged to participate and help develop the true spirit of the occasion.

The Bethel of Job's Daughters will have a public installation of officers on December 21 at the Huntertown High School gym. Carma Venderly is the newly elected Honored Queen.

Your lodge has been very busy conferring degrees this last month on two candidates. We expect to be doing the same for two other candidates during December.

Our annnual election was held Tuesday, December 8th. The names of the new officers and committees for 1954 will appear in the January issue of this paper.

Your Worshipful Master wishes to acknowledge the wonderful assistance he has received from the officers and members of the lodge. Not to be forgotten is the help that has been given by the ladies of the Eastern Star especially in the project of finishing and equipping the new kitchen and dining room for our Temple, which we can proudly say, is nearing completion.

Larry Holmes and his band furnished music while 123 hungry Masons were satisfied by a well prepared banquet at the Methodist church at our annual homecoming. On returning to the hall Lodge was convened and Rev. Edwin Green presented the 25 year pins with an appropriate talk. Brother Sharp Pilcher then presented a very interesting reading which was followed by the Masonic play, "A Gift in Secret." The thanks of the lodge was extended the Fellowcraft club for their work and for an evening of fine entertainment.

On December 7 Ossian will go to Bluffton where the Master Mason degree will be given by Bluffton for Lodge for Instruction. December 14 will be our stated meeting and annual meeting for election of officers for the year 1954. The Christmas party for members and their families has been set for December 15 at 8:00 p.m. There will be entertainment and treats for all. Come and bring the whole family. Installation of oficers will be January 4 with an oyster stew supper to follow.

Merry Christmas and Happy New Year to all!

LESSON OF THIRD DEGREE

The kind of Masonry a man chooses will depend upon the kind of a man he is. Like religion, Masonry answers this question, "What does a man do with his solitude?" for above all other things, Masonry is an ethical estimate of life's values.

Men really live by truth, but so very often they exist and drag out a long life by many lesser things.

The man who can go through the third degree and be the same man afterwards is the poorest kind of material for that "spiritual building not made with hands."

On November 16, Worthy Shepherdess Night was observed, with our own Shepherdess Florence Stocks as hostess. Among her guests were officers holding the Shepherdess station along with other sojourners from Shrines at Logansport, Anderson, Elkhart and Three Rivers, Michigan.

The program following included readings by Soj. Orpha Murray and vocal selections by Soj. C. Elmer Chalfant. Refreshments of cake, ice cream and coffee were later served from beautifully appointed tables.

A Christmas Ceremonial is planned in December, the exact date to be announced later. As we again enfold the sacred story of the humble shepherds who were guided by His Star in the East, we sojourners should remind ourselves that it is the mission of our Order to uphold the simple religion of Christ and further His Gospel of "Peace and Good Will upon the Earth."

Miriam Shrine will have a booth at the Christ Child Festival which will be held December 7, 8 and 9th at the Memorial Coliseum. We hope many of you will be able to come out during this period and view the religious displays.

The Cheer, Decorating and Registration committees will meet jointly with Soj. Gertrude Chalfant on November 23rd.

A Christmas Party is scheduled by the Queens Attendants at the Airport Restaurant on December 8th, with a 50c gift exchange.

Ways and Means Chairman, Soj. Lillian Gocke, announces that both our recent rummage and bake sales were quite successful and wishes to thank all who aided in putting these projects over.

Illness: Soj. Clarence Comincavish is in the Parkview Memorial hospital. Those who were recently ill include sojourners Margaret Simison, Henrietta Englehart, Nellie Miller and Aaron Gearhart.

In Families: Mother of Soj. Florence Stocks suffered a heart attack. The father-in-law of Mary Catherine Brosius is ill.

Deaths: Mother of Viretta Schaefer.

We trust Soj. Clarence will soon regain his health, and to those who have had illness in their families, we wish for their early recovery. Our sympathy goes to Soj. Viretta in the loss of her mother.

On behalf of Miriam Shrine, your Worthy High Priestess is happy to extend the Season's Greetings to all sojourners and their families and to our friends everywhere.

The year of 1953 is rolling around fast and the Christmas season will soon be here. When you have read this, Thanksgiving will be a past tense for this year.

I hope that you all did not let this Thanksgiving day slip by without giving thanks for the many blessings we have received this year past.

We, of course, "many of us," have received what we feel are losses and disappointments, for so goes life and as this span of life is short we should feel that this loss is only temporary and should look forward and plan for reunion with those who have gone on before. The joys and blessings we receive in the future to come will far outshadow the disappointments we have had, I am sure.

Many of our Brothers took advantage of the hunting season that our northern states allow and have gone north in the quest of the elusive bucks and bear which are there to be had by the lucky and skillful hunter. We should be able to entice them all to tell some of their experiences at the next couple of meetings, and to those of us who like to hunt these experiences will be interesting.

In due time if conditions are favorable, we should have some work, petitioners coming through.

If so this Holiday season should be a busy one.

As this is my last chance before Christmas, I will wish you all a very Merry Christmas and a very successful New Year.

Don't let it slip your minds that the last meeting in December is the meeting at which we elect our new officers for the coming year.

This has been a short year. My dream of being a Worshipful Master has come and gone.

When you read this article, you will have elected new officers. Lodge will open at 11:30 on New Year's day. Pot luck dinner for the family and friends at 12:00 noon. Public Installation to follow.

I want to thank all of those brothers who have helped and given me good support, not only from my own lodge, but from those that I have asked and received.

We have raised three fine young men this year to the Master Mason Degree. We hope that we find more like them.

Brothers attend and support your new officers. Let us see some more faces along with some of the old dependables.

Thanks again it has been a pleasure serving you.

ATTENTION COMPANIONS, now is the time to make a resolution to start the New Year off right by attending the Past High Priest and Homecoming Night. Take two or more tickets at one dollar each and bring your Blue Lodge Brother. Show them you are proud of York Rite Masonry. Committees from both Chapters are working hard to make he night a real success.

ATTENTION BLUE LODGE BROTHERS, are you going to be satisfied with a substitute word? You will be taught the Master's Word in the Chapter. We will lead you step by step through four beautiful degrees. So many of us miss the significance of the steps. Do you remember he first step you were instructed to take in the Entered Apprentice Degree? Then the next in the Fellow Craft Degree. Onward through Masonry, you will advance just one step at a time toward a spiritual goal "that house not made by hands eternal in the heavens." There are no short cuts in Masonry, each must travel the same oad. Let's also remember that all nen are our brothers entitled to every consideration and respect.

Mark your new calendar for Past High Priest and Homecoming Night, January 23rd.

The 1953 Fall Convocation is history. The consensus of opinion is, that it was a very fine convocation. With practically new casts, the exemplification of the degrees in the Council was very good. Credit for this must be given to the excellent work of our directors, Bro. S.W. George Hacker who directed the 15° and Bro. J.W. Zeus Campbell who directed the 16°. Outstanding in the 15° was the work of Bros. Merl Barnes and W. Carl Huber, as Zerubbabel and Abazar. Bro. George Winchell was very good as Master of Calvary. He is the alternate for Bro. John Thomas who was hospitalized. We sincerely hope that Bro. Thomas will be with us again at the next convocation. Bro. Clarence Stroup is always ready to work.

Bro. Albert Spencer was an imposing Darius in the 16°. Bro. Robert Lee was excellent as Joshua the High Priest. Bros. Robert Kaag, Ralph Bogardus and Kenneth Strong did their parts in an excellent manner. Some of the so called lesser lights deserve to be mentioned. Bro. Wayne Beman, a faithful worker for years, deserves much credit for his interest and knowledge of the degrees. Bro. Beman is a brother of Belmont Beman who for years was an active and faithful worker in a number of degrees. He is at present a patient in the Veterans hospital.

Bros. Royal Spurrier, Ansel Richards, E. A. Hoffman, J. W. Dickens, Mose Bedree, Sam Fishman, Leon V. DeRemer, Arnett K. Bickel, Edward Fleck, and 7arl Siebold are always ready to do their part in any way of the degrees.

The officers of Darius Council extend to all the Brethren the Seasons Greetings.

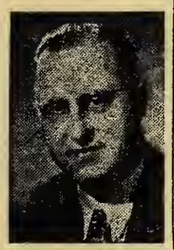
EVERETT E. MILES



The Fort Wayne Masons received a great loss in the recent death of Everett E. Miles, who at the time of his death was the chairman of the Associated Masonic Trustees, an office that he had held since January 8, 1946.

He was a native of Syracuse, came here from Milford in 1904, received his bachelor of science degree from Purdue University the same year. In 1909 the Purdue faculty conferred the degree of Electrical Engineer upon him. Following his graduation, he entered the employ of the General Electric Co., as a student engineer at the Fort Wayne Plant. He continued in the employ of the General Electric Co. in various capacities, until he was Production Engineer for the entire plant, when he retired January 1, 1947. His hobbies were gardening, fishing and reading history. He was the possessor of a very logical mind and was a very high grade citizen.

He was Worshipful Master of Sol D Bayless Lodge in 1919; Illustrious Master of Fort Wayne Council in 1921; High Priest of Fort Wayne Chapter in 1924; Eminent Commander of Fort Wayne Commandery in 1926, Prior of Indiana Priory, No. 8, Knights of the York Cross of Hanour in 1946 and Most Illustrious Grand Master of the Grand Council of Royal and Select Masters of Indiana in 1952. He was a charter member of Genessaret Tabernacle No. 17, Knight Templar Priests, a Past president of the Actual Past Masters Association of North Eastern Indiana, and at the time of his death was the Treasurer of Fort Wayne Council and Fort Wayne Commandery and an officer in St. Hilary Conclave of the Red Cross of Constantine. He was also a member of the Scottish Rite, Grand Master's Council of the Allied Masonic Degrees, the Grand College of Rites and Mizpah Temple.

We again repeat that Fort Wayne Masonry in losing his sound advice and leadership has sustained a blow that it will not recover from soon.

Plans are already being made for the Spring Convocation which will be held on April 20, 21 and 22, 1954. We wish to call attention to the membership that the degree work will be conferred in the Scottish Rite Cathedral and not at the newly acquired auditorium on West Berry St. It is hoped, however, that at least one of the Consistory degrees will be presented at the auditorium on Wednesday evening April 21.

The membership Committee will hold its first meeting on Tuesday evening February 9, at 6:30 o'clock in the Cathedral for the purpose of securing petitions for the class. Several petitions have been received and it is not too early to speak to your Blue Lodge friend and get his name on the class roster. The last day for receiving petitions will be Tuesday evening April 6. We wish to a again call to your attention the new regulation regarding candidates. The six months waiting period has been removed. We hope this will simplify your getting candidates for the Scottish Rite work.

On February 20, the George Washington Ball will be held for all Master Masons in and around Fort Wayne. Bro. Dwight M. Myers is chairman for this years dance and he and his committee are making arrangements for you and your Blue Lodge friend to enjoy an evening of dancing.

It will be the pleasure of the Scottish Rite to again present our splendid choir and the well known signers from South Bend Scottish Rite Bodies in a joint concert on Saturday evening, February 27 at 8:15 o'clock in the Scottish Rite Auditorium at 411 W. Berry St. An evening of music was held last fall with the choirs of Indianapolis, South Bend and Fort Wayne which was the outstanding event of our program for the membership. This year it is not possible for Indianapolis to participate, however, an excellent program is being prepared by South Bend and Fort Wayne. If you enjoy an evening of good singing by male voices, put Saturday February 27 on your calendar now. Notice regarding tickets will be sent later. There will be no charge but admission will be by tickets set to each member after a request for them has been made.

The dues for 1954 are due and payable. Please remember they are only $5.00 for 1954.

DR. WILBUR E. NEUENSCHWANDER DIES AT ST. PETERSBURG, FLA.

The numerous friends of Dr. Wilbur E. Neuenschwander were shocked to hear of his sudden death at St. Petersbur, Fla., Sunday, January 3, two days after his arrival there, where he had intended to spend the winter months.

Dr. Neuenschwander was born in Berne, Indiana, received his academic and commercial training in Bethel College, North Newton, Kansas and his Doctor's degree from Indiana University School of Dentistry in 1912. He practiced in Fort Wayne until 1928. During this time he was very active in the various dental societies, having been president of the Fort Wayne Dental Society, the Northern Indiana Dental Society and the Indiana State Dental Society.

President of the National Supreme Chapter of Xi Psi Phi, Dental Fraternity and the Kiwanis Club of Fort Wayne. In 1928 he retired from his profession and joined the Medical Protective Company to assist in developing their business among dentists. He later became treasurer and a Director of this Company.

He was Worshipful Master of Sol D. Bayless Lodge in 1921; Illustrious Master of Fort Wayne Council in 1926, Eminent Commander of Fort Wayne Commandery in 1927, High Priest of Fort Wayne Chapter in 1928 and crowned a 33rd degree Scottish Rite Mason in 1924 in the Grand East in Boston, Mass. He served as Prior of Indiana Priory No. 8 of the York Cross of Honour in 1943; Soverign in 1945 of St. Hilary Conclave No. 53, Red Cross of Constantine, Potentate of Mizpah Temin 1943 and Grand High Priest of the Grand Chapter of Royal Arch Masons of Indiana in 1947. He was a charter member of Gennesaret Tabernacle No. XVII of Knight Templar Priests and also held membership in the Royal Order of Scotland and the Order of Jesters. He was serving as Vice chairman of the Associated Masonic Trustees at the time of his death.

Dr. Neuenschwander was also very active in civic affairs, serving on Draft Board No. 3, during World War I and a member of the Governing Board of Civil Defense and Veterans Aid during World War II. He at one time was a member of the Allen County Tax Board of Review. He was also a member of the Chamber of Commerce and the Y.M.C.A.

He was married in 1917 to E. Jane Lauter who was with him in St. Petersburg at the time of his recent death.

FERDINAND DeSOTA

An iron coffin bearing a Masonic emblem, a skeleton believed to be that of Ferdinand DeSota, the Spanish explorer, is owned by Crescent Lodge No. 133 of Arkansas City. The casket was found on a farm near Ferguson, Arkansas, weighs 300 pounds, is five feet eight inches in length, and elaboratly engraved. It contains a skeleton, a sword, bits of armour, and several coins. It is believed that the casket was buried in the Mississippi river and that the shifting of the silt river bed had carried it to the spot where it was found. — Laporte Trestle Board.

GEORGE WASHINGTON BALL SCHEDULED FEBRUARY 20TH

The need for our beautiful new Scottish Rite Auditorium was shown on November 21, when the brethren from Milwaukee came to Fort Wayne and gave an impressive exemplification of the 25°. About 1900 Princes from the Fort Wayne Valley enjoyed the work in the comfort of the spacious auditorium.

We are indeed grateful to our Illustrious Indiana Deputy W. Henry Roberts 33° for instituting the request that the Milwaukee Princes be permitted to invade the Fort Wayne Valley for the purpose of giving the 25° and to Bishop Benjamin F. P. Ivins Illustrious Deputy for Wisconsin for his warm response. Deputy Ivins commented that he would like to see more such exchanges of activity as splendid evidence of true fraternal feeling.

There was much comment by the visiting brethren about our spacious stage and its promise for furnishing an inspiring setting for our degrees. With our limited facilities at present the Milwaukee actors were able to set up a back ground that gave added life to their fine work. We will always be indebted to our Wisconsin brethren for their gracious spirit in responding to our invitation to come to Fort Wayne for the 25° work and the able rendition of the action of the degree.

Our visitors praised the reception and entertainment accorded them here and we thank all of our brethren who served on the committees that received and visited with the Milwaukee Princes.

A few days ago the Tri State Roofing Company, one of our advertisers, moved to 1341 East Creighton Avenue, Phone Harrison, 8627.

MASONIC RULE

It is a Masonic rule that a lodge cannot be adjourned, but should be closed on the same day. A notable exception was the case of Hiram Lodge No. 40, A.F. & A.M., of Raleigh, North Carolina. When the news of the assasination of President Lincoln reached Raleigh in April, 1865, Hiram Lodge, founded in 1800, was in session. Some officers of the Union Army were attending the meeting. An officer brought the news to the Tyler, and advised the immediate dispersal of the brethren, which took place without any formal closing. In 1915, a meeting was called to close the lodge, this being solemnly done by the very brother, Colonel John Nichols, who occupied the oriental chair at the time when its labors were brought to an end.—Square and Compass.

THE MEANING OF INITIATION

The whole meaning of initiation is, of course, an analogy of the birth, awakening and growth of the soul; its discovery of the purpose of life, and the nature of the world and conditions in which it is to be lived. The lodge is meant to represent the world as it was thought to be in ancient times with its square, flat surface and canopy of sky, its dark North and radiant East, its center, an altar of obligation and prayer.

Our initiation also symbolizes our progress from the darkness of ignorance to the light of moral truth and spiritual faith. From the lonely isolation suffered by so many, it opens the gate to a new world of friendship and happiness; and on those who will earn them, it bestows favours and privileges unprocurable elsewhere. —Philathese.

PLAYING CARDS

The Vene-a-Kleen Service Company has announced that they are in position to furnish plastic playing cards for card parties without cost. The only requirement being that the cards be returned to the Company. If interested, dial E-4937 and Dale Steward, the owner of the Company, will be very glad to accomodate you.

As we enter upon another year let s all resolve to pause more often in ur busy lives, and attend our Blue Lodge. You will find that this is truly the pause that refreshes. You are a better man because you are a good Mason, and each member has his part in this great fraternity. Masonry is you. Each member should sacrifice some of his leisure time to attend all the stated and called meetings he possibly can, thus he will not only enrich his own but also the lives of his Brother Masons.

The Fellowcraft club held its annual meeting and dinner December 30, in the kitchen of the Masonic Temple. This dinner was given and served by the officers of the lodge in appreciation for all the work the club had done during the year. To the officers and members of the Fellowcraft club, we officers of the lodge, say thanks for a job well done. The newly elected officers of the club are: Jim Jewel, president; John Clevenger, vice-president; and Mac McClintock, secretary-treasurer. From all the activity and lively conversation at the meeting, we feel sure the club will have a very busy and interesting year ahead. To you brethren who have not been active in your Fellowcraft club, you are missing a lot and the club needs your help and support. The club is making out a new active membership list, be sure to have your name, address and telephone number on this list; give this information to any of the three officers of the club.

Your new officers of the lodge were installed on Wednesday, January 6.

Recently the by-laws were amended, raising dues from $5.00 to $10.00, commencing 1955, $2.50 of which have been earmarked for benevolence. It is at least understood that the first $12,000 paid in will be given in support of the new hospital to be built at the Masonic Home at Franklin. Since the undersigned happens to be a member of the Home Board, he thought it might be of interest to the membership of Fort Wayne Valley to devote his space in this issue of Square & Compass to this project.

At the December meeting of the Board, the architect was directed to prepare complete plans and specifications as soon as possible. The Board hopes that the plans will be completed in time for bids to be received and contract let early next summer, but it remains to be seen if such a timetable can be kept. There is a large amount of work involved, numerous meetings of the full board and subcommittees to be held, before the work can commence.

It is roughly estimated the project will cost $1,750,000. It will provide 200 beds. It will replace the present hospital in which we have about a hundred guest patients, thereby providing accomodations for our additional one hundred guests. The Board recognizes that many of our aged guests who are now housed in regular quarters should be in the hospital. With a waiting list of sixty-five, it is seen that the new hospital will be quickly filled when completed. It is estimated it will take two years to build. A portion of the project will be dedicated to the Scottish Rite, since it is anticipated the various Valleys of the state will contribute $600,000. The Grand chapter of Eastern Star has pledged $25,000, which is now in process of being raised by the subordinate chapters. It is hoped that the 170,000 Master Masons of Indiana will continue their voluntary giving of $1.00 per member for the next several years. The balance will come from present funds now in control of the Grand Lodge.

Scottish Rite Masonry may well be proud of its past in this great project, thus putting into practice many precepts exemplified in its ritualistic work.

It is with humility and a great sense of responsibility that I have accepted the honor you have given in electing me your Worshipful Master for the coming year.

At the stated meeting December 8 the following additional officers were elected and appointed: Curtis Heston, S.W.; Gale Davison, J.W.; Cyrus Senger, Treas.; Ora Myers, Sec.; James Craw, S.D.; Eugene Dunifon, J.D.; Albert White, S.S.; Wendell Richhart, J.S.; Kenneth Lyttle, Chaplain; Ivan Hetrick, Tyler. We shall all endeavor to serve you faithfully and well.

The past year is one of which we shall all be proud. Brother Stevenson did an excellent job as our W.M. and I know all of you join with me in thanking him for the many hours of tireless effort he devoted to the lodge during his year.

During this year I hope to carry out a program of visitation and good fellowship, dedicated to the purpose of becoming better acquainted with the members of our sister lodges, that more brotherly love and harmony may exist.

Now that the holidays are over and man has once more felt the advent of the Christmas spirit, why not take it with us into the year that lies ahead. Although not one among us can see into the future, we know from past experiences that the old-fashioned principles of cooperation, common sense, and faith will see us through any challenge that 1954 may hold for us.

The degree work for the coming weeks is: January 19th, E.A.; January 26th, F.C.; February 2nd, M.M.; February 9th, Stated Meeting. The Secretary and myself will endeavor to keep you informed of the activities of your lodge, that you may make your plans accordingly, for to make this year a year of progress and interest, we, your officers, are dependent upon you for support by your attendance and participation in the work.

Greetings from the East for a very happy New Year.

The concluding function of the past year was Installation of officers held December 21. The ceremony was preceded by the retiring of Laura Briggs, Junior Past Honored Queen and her officers.

Those installed were Honored Queen, Linda Schmidt; Senior Princess, Pat Miller; Junior Princess, Faye Mathiesen; Guide, Judy Hollenbeck; Marshall, Judy Goller; Junior Custodian, Beverly Clark; Senior Custodian, Sharon Petty; Chaplain, Janet Sauer.

Others installed were First Messenger, Gloria Johns; Second Messenger, Charlene Cook; Third Messenger, LaDonna Gruber; Fourth Messenger, Kay Perrin; Fifth Messenger, Sherry Palmer; Treasurer, Sandra Miles; Recorder, Carol Ann Nichols; Librarian, Barbara Bowyer; Musician, Emily Bailey; Inner Guard, Rosemary Rice; Outer Guard, Bonnie Burchard.

Phyllis Voltz, Past Honored Queen, presided as Installing officer. She was assisted by other Past Honored Queens.

The Bethel rom was decorated with a Christmas theme. There were holly and bells and angels. It was very lovely. A big "Thanks" is extended to those who helped.

The newly installed Queen was escorted from the altar by her father. Twelve friends formed an arch with red carnations. Her sister, Keyes, was crown bearer.

The first meeting was preceded by a pot luck for officers, mothers and the council. The meal was delicious. A short practice was followed by a regular meeting. The girls did beautiful work. May they improve on such a good start throughout the term.

January 19 was the first initiation. There will be four this term, so turn in those petitions!

Looking into the future, we see Mom and Dad's Night on February 16. This will be a supper at 6:00 o'clock for all of our parents and ourselves. Put this date down with a big ring around it. A capacity turnout is expected.

In closing may the Bethel give a hearty thanks to the Scottish Rite for the wonderful dance given for DeMolays and Job's Daughters, December 26. It was superb. Mike Brutton also deserves many thanks for the beautiful decorations he planned and did much of the work on.

God Bless You All.

From all appearances the holidays had the usual effect on the populace. Goodwill, good cheer, brotherly love and peace emanated from even the most unlikely corners of this lowly earth. Good news came to all of us when it was announced that the barbed wire and red tape barriers in Jerusalem would be relaxed on Christmas Day so that pilgrims to the Holy Land might be allowed to search for the peace and solace of prayer at the ancient shrines. Just think how much more wonderful it would be if word got around that all of us were starting the New Year with the firm resolution to carry on the spirit so contagious at Christmas time, yet so sadly lacking in July. Of course we sisters and brothers of the Eastern Star are always on our best behavior in order to live up to our ideals—aren't we?

Our first stated meeting of the New Year fell on January 1, and was consequently, a dark meeting. Such being the case, all of us should feel refreshed and rested, ready for January 15. In case you've forgotten, that will be past matrons and patrons night. This is your chance to see some of your favorite officers in their old familiar roles. Just a hint of what is promised for that night—Gertrude Dickey and El Forks will preside in the East with the following corps of officers assisting them: A. Matron, Lorretta Rippe; A. Patron, Earl Hart; Sec., Bill White; Treas., Flora Barlow; Conductress, Ida Kayser; A. Cond., Doris Thiebolt; Chaplain, Bob McClure; Marshall, Wanda Rippe; Ada, Mary Ellen Sible; Ruth, Carman Utterback; Esther, Mary McBride; Martha, Eva Tucker; Electa, Myrtle Morton; Warder, John Kayser; and Prompter, Carl Shroyer. The guest officers will initiate a class of candidates and refreshments will follow the meeting.

As far as illness and sorrow is concerned we didn't quite manage to start the New Year with a clean slate. Mary Hawkins was confined to her home with a strep throat. Clyde Woods was hospitalized at Parkview and Vivian Hopkins suffered injuries from a fall. The husband of Vida Woods is in Parkview hospital and the father of Helen Sprindler is hospitalized as is the mother of Ethel Deel. A speedy recovery is due to all of them and we hope to see them well again soon. Of course you all know of the death of our Maudie Miles' husband. We mention it here only that we might express our sincere sympathy.

I don't want anyone to tell me that they didn't get a new calendar among the many gifts. Likewise don't tell me you didn't get a chance to bring it up to date, because here's the dope right now.

CALENDAR FOR JANUARY

January 11: Program. Delores Willis, Marjorie Hanley.
Jannary 12: Ways and Means. Frances Van Swearingin, Elgenie Wood.
January 13: Cheer. Margaret Hamilton, Emma Guthrie.
January 18: Choir.
January 20: Ne Ca Wa. Louise Wilkerson, Carolyn Wyatt.
January 21: Social. Naomi Hippensteel, Ann Galbreath.
January 28: Registration. Clara Hanna.
January 22: Worthy Matrons and Patrons Party.

No one seems able to explain why we haven't any new babies to herald the new year—but babies or not, and better late than never, our sincere wish you your best year to come.

To our installing officers, P.M. Albert R. Spencer, P.M. Abner R. Wolverton, and P.M. George N. Winchell, we offer our thanks and appreciation for a service well done.

To Brother Emmett Young, I shall always be grateful for his valuable advice and his gracious manner throughout the years, and for the gavel, which, although made of material things of earth, is an emblem of a man's love for his brother, one that I shall treasure, with the honor it represents, all the days of my life. His passing has taken from our midst a beloved friend and brother. To his family, we extend our deepest sympathey.

We welcome into the fellowship of Summit City Lodge, Bro. Charles Suchma from Theodore Roosevelt Lodge 697, Pittsburg, Pa., together with the following brothers who received their degrees during the month of December: Harvey J. Peden, Harold K. Your officers have planned a dinner for Masons and their ladies in the Masonic Temple Friday, January 29 at 6:30 p.m., followed by a program of entertainment. Be sure to mark this date on your calendar as a night out for the Mrs. and yourself. We are sure you will both have an enjoyable evening. Reservations must be in by Monday, January 25—so see one of your officers and get your tickets early. We will also have some available in the social room for your convenience.

I wish to express to all our Brothers and Companions "A HAPPY NEW YEAR" for 1954. And as is the custom to reflect some on the past year, and then plan for the coming year. Many of us make resolutions for each New Year and either keep them or forget them.

We, as Masons, should give careful thought to our plans for the coming year. Plans that call for the enlightening of the mind, and the release of our bodies from the enslavement fostered on them by the Greediness of Passion and the love of possessing the material things of life. This release can only be secured by the searching out of that which was lost through the light which has been the rule and guide for Mankind throughout the centuries. The more light that men receive the more useful and pleasant their lives become. True light brings to man that peace which the Angels spoke of many years ago.

Many of our Brothers do'nt have the Peace of Soul or mind which is rightfully theirs because of the poor light which we of the Royal Arch Masons have but don't invite them to come and share with us.

On January 23 the two Chapters, Thomas R. Marshall No. 161 and Fort Wayne No. 19 will hold a banquet to honor these High Priests who have through the past years spread more light in Masonry. We will also bring to our banquet table many brothers who have not sought further light in Masonry, but will turn an attentive ear to the Royal Arch Mason to receive further light and hear of the true work which was lost at the death of Hiram Abif.

Therefor on the first month of this New Year, let us each turn to our own Trestle board and make plans to bring peace to our Brothers by casting the Golden Rays of light upon them and they may participate in our labors and thus find the Freedom and Peace which is so well explained in a certain text of Scripture, "To him that over cometh will I give to eat of the hidden Manna, and I will give him a new Stone, and in it a New name which no man knoweth saveth he that receiveth it.

Resolve now to bring in a brother's petition and although we have no work scheduled for the month of January, let us each account for at least one petition during the Year.

The new year is now well started on its way. We have left behind the noisy celebration and merrymaking of some as well as the sober and thoughful ways of others, of noting the passing of the old year and the coming of the new one. While the passing of the old and the coming in of a new year has no part in Masonic symbolism, yet there is a striking parallel.

Before the Temple was completed something was lost. The Temple was completed and dedicated to the service of Jehovah, but as century followed century the worship of Jehovah almost vanished and the Temple was destroyed and the people carried into captavity. After the captivity they came back, rebuilt the Temple, put the worship of Jehovah into its rightful place and developed the Judaism that Christians are so deeply indebted to.

So it is with the passing of an old year and the coming of a new. If we left out God during the year that has just passed, we lost something that left our "Temple of the year" in ruins. If in our new "Temple of the year" we put God in his rightful place and keep Him there, our own Temple will remain strong, and at the end of this year will not be as an old Temple in ruins.

How about those New Year resolutions? Are they as the frost that quickly disappears with the first rays of the rising sun? Or are they as the dew that combines with the warming rays of the morning sun to nourish and give strength?

We trust you will be getting this issue of the Square & Compass before Saturday evening, January 23, the time when we will be honoring our Past High Priests, along with Thomas R. Marshall Chapter. Don't forget that Blue Lodge brother that you have been talking to about York Rite Masonry. Buy an extra ticket when you get yours and bring him along. Blue Lodge Masons are especially invited. Come, even if no one has asked you personally. You will be among Brothers who will make you feel that the evening spent with them has been well worth while.

We mourn the passing of Excellent Companion Everett E. Miles, and will long miss him. To his family we give our deepest and heart-felt sympathy. Time cannot erase the memory of his good and kindly life, but it can soften the feeling of loss and strengthen that memory. Companion Miles was a Past High Priest of our Chapter and a Trustee. Excellent Companion Stanley Putman has been appointed to serve the unexpired term.

We hope you resolved to sit in Chapter more often this year, than last. We were lately inspected by the Grand Lecturer and pronounced to be in good shape. So come and see for yourself, and bring along that petition.

In 1830 at Limerick, Ireland, a stone was found bearing the date 1517 and also the following inseription: "I will strive to live with love and care, upon the level, by the square."

The title of the presiding officer of the Grand Lodge of Scotland is "Grand Master Mason." The Patron Saint of the Craft in Scotland is Saint Andrew, whose feast is celebrated on November 30 of each year.

As you read this article, your officers for the new year will have been installed; and we will be starting another mile down the road of life.

The new officers are as follows: Kenneth E. Goller, W.M.; Edward Kronmiller, S.W.; Bernard Smith, J.W; Daniel I. Weikel, P.M., Treasurer; Darrell Good, Secretary; Fritz Waters, Chaplain; Ned Newman, S.D.; Ronald Meeks, J.D.; Harold Garrison, S.S.; Joseph McDowell, J.S.; Albert Hoffman, Tyler and Daniel I. Weikel, P.M., was elected Trustee.

With the coming of a new year, we naturally think of resolutions. So, with that thought in mind, we would like to suggest one for your consideration. It is that you endeavor to attend your lodge at least once each month; and if you are unable to attend your own lodge, visit some masonic lodge as often as possible. Brethren, if you will do this, you will be richly paid in friendship.

We will have degree work through the month of January, thanks to our Junior Past Master. So come to lodge and participate in its activities. Renew old friendships and make some new.

To all the sick, we pray for a speedy recovery; and to each member and his family, may the days to come bring you joy and prosperity.

P. S. Don't forget your 1954 dues card.

The new year lies before us with its unlimited possibilities. What shall our wishes for 1954 include? Nothing that shall make other people poorer; nothing at the expense of other men, but just those few things which in their coming do not stop with us, but touch us rather as they pass and gather strength.

Miriam Shrine held a Christmas Ceremonial, by special dispensation, on Monday evening, December 14; the new class being named for Clarence Comincavish. Each candidate received an orchid corsage.

The room was appropriately decorated. A lighted Christmas tree stood in the East, baskets of flowers surrounded the dais, and in the west was placed our colorful new Nativity Scene. Refreshments followed the meeting.

We thank the sojourners from Mary-Martha Shrine who filled our King and Queen stations. Our Shrine was also happy to have Soj. Mary McBride, district Material Objective chairman with us. She outlined the purposes and aims of the Supreme Material Objective Board. All sojourners who have not contributed their annual 52c to this worthy project are urged to do so within the next two months.

On Monday, December 21, another class of candidates will be initiated. A Christmas party and gift exchange is also planned.

Worthy Guide's Night will be observed at our stated meeting on January 4.

The Cheer, Entertainment and Registration committees will meet jointly on Monday evening, December 28, at the home of Mary Micu, 2512 West Drive.

Soj. Aaron Gearhart and his committee, who planned and erected Miriam Shrine's booth at the recent Christ Child's Festival at the Memorial Coliseum are deserving of our sincere thanks for the fine results achieved. The public response to this non-sectarian, religious movement, designed to place the true meaning back into Christmas, was indeed gratifying to all the organizations that participated. We understand too that the attendance figure exceeded the 35,000 mark set last year.

Illness among Sojourners: Sojs. Hazel Berke, Nellie Miller and Harold Kelsey.

In Families: Hospital patients include the father of Soj. DeEtta Arnold; Husband .. of Soj. Florence Stocks; The two sisters and mother and father of Soj. Bertha Clear; Husband of Soj. Della Thomas; Stepfather of Soj. Katherine Doubt; Father-in-law of Mary Catherine Brosius.

Deaths: Our own Soj. Clarence Comincavish on December 11; Father of Soj. Alvie Ross; Brother-in-law of Soj. Clara Errington.

We trust those who have been ill are fully recovered or greatly improved. Miriam Shrine is deeply grieved in the loss of Soj. Clarence who currently held the station of King. Our sympathy goes also to all sojourners who have had sickness or sorrow in their home.

A Glad New Year

To dare to go forth with a purpose true,
To the unknown task of the year that's new;
To help your brother along the road,
To do his work, and lift his load;
To add your gift to the world's cheer
Is to have and give a Glad New Year.

The Christmas season with all its lovely parties and happy times is over, but the memory lingers on. As we stand on the threshold of a new year let us resolve to do more good for our Chapter and our friends.

On December 17 our Chapter observed Christmas Night. The lovely decorations were in keeping with the season. In the East was a large Christmas wreath holding a huge red candle and in the West a small silver Christmas tree. Each member was presented a miniature wreath with candle. The table decorations on the mezzanine were very appropriate with green wreaths holding red candles and lighted tapers.

A most interesting story was given by Mrs. George Wood of her collection of Madonnas. The slides she presented gave a graphic story of the life of Our Saviour from the Manger to the Ascension. To all of us her lecture was inspiring.

On January 7, the choir will entertain our Chapter. They have made great preparations and we are looking forward to a very pleasant evening.

There are two events coming up which deserve our special attention. First is the rummage sale on January 18 and 19. There must be something around your house which you will be glad to be rid of, so just call Fay Brennan at A-99712 and someone will pick it up.

The next big date is our card party on Friday night, February 5. The tallies are 50c and there will be prizes and lunch, so bring your friends and fill a table and enjoy a pleasant evening.

Members Ill: Gladys Koury and Newton Stocks.

New Grandparents: Granddaughter to Peggy Beeler.

Deaths of Members: Brother Clarence Comincavish.

Deaths in Families: Brother of Carrie Henschen, Mother of Faye Mentzer, Father of Paul Cecil, Mother of Maxine Ripley.

To those who are ill we extend our wishes for a speedy recovery, to those in bereavement our sincere sympathy and hearty congratulations to the grandparents.

The Royal and Select Master degrees were conferred on a fine class of four candidates in December. The Grand Lecturer was her to inspect the work of your officers and indicated that he was impressed with the manner in which the work was being done.

Why not make a New Year's resolution to bring in a candidate during the coming year and treat him to two fine and impressive degrees?

With the New Year comes the matter of dues. Why not see the Recorder and obtain your dues card for this year?

Here is a New Year, fresh and white,
Write on its pages with living light,
Here is a door way to joys unknown,
Walk through with Faith, and claim your own.
Here is a path way to deeper prayer,
Here is a New Year to love and share.

By the time you have your Square and Compass already one half of your first precious month in 1954 will have gone. It is the sincere desire of all of us who are your officers to wish all the members of Star of the East Chapter a very happy 1954. May it bring the realization of some of your fondest dreams and give you a future of countless happy memories! In addition, we wish to thank you who have been so faithful and helpful to us—we are greatly indebted to you.

December passed very quickly with its many parties—all beautiful and happy occasions. The Madonna group presented an impressive pantomime on "The Nativity" at our first meeting and the second was our Christmas Initiation, followed by a gala party on the mezzanine.

At the first meeting this month the Drill team entertained Chapter. In keeping with the general theme of winter wonderland. We are looking forward to our last January meeting, our Mason's Night. Our programs tell us "The Masons Have It."

The first meeting in February brings our annual election and the last meeting that month will be our big birthday party and presentation of 25 year pins. If you are eligible for one of these pins or know someone who is, be sure to notify the Secretary or Worthy Matron by the middle of January.

Hi! Fellows, since the first half of the DeMolay year has come to a close, it has come time to review the big event of the past year. The DeMolay year started out with the big Hayride and was immediately followed by the Father-Son Nite which was held in the auditorium.

The Initiatory degree was conferred for the first time by the new officers and they did a good job. A month later this performance was repeated with the same success.

On December 22 the DeMolay degree and Flower ceremony were given to 100 candidates in the Scottish Rite auditorium. The DeMolay degree was given in fine shape and much praise should be given to the fellows who made it such a success. Jerry O'Brien did a fine job in giving the Flower talk and it was very impressive.

In going over the events, the most important I have saved for last. The election of officers was held December 8, and we had a fine turn out. Those elected to lead the organization for the next six months and having this honor bestowed upon them are Dick Brantingham, M.C.; Norm Miner as Senior Councilor, and Jerry O'Brien as Jr. Councilor.

The newly elected and appointed officers were installed with Emery Tucker as Installing officer assisted by Don Rife, Thomas Bell, P.M.C. Hal Elzea P.M.C. Michael Brutton P.M.C. and Robert Lee. Following the installation the Chevalier degree was conferred upon Edward J. Clark P.M. C. Michael Brutton P.M.C., Robert Ross Strodel, Danny Somers and Don Rife.

This citation is for outstanding and meritorious DeMolay activities and work and is awarded by the Grand Council at its regular session in Kansas City. The degree was conferred by the officers of the Scottish Rite bodies, Byard Smith, Herbert Dewees, Dwight Meyers, Albert Spencer, Arthur Rodemeyer and Zeus Campbell, they were assisted by the Scottish Rite choir under the direction of Melvin Honeck with Harry Brattin at the organ.

The White Christmas Formal dance was held on December 26 with about 250 couples attending. The ballroom was beautifully decorated with Christmas trees, stars, and snowballs. I am sure everyone had a wonderful time. Our thanks to the Scottish Rite for this lovely evening.

Now, before hearing from our new Master Councilor, I would like to thank the whole Chapter for making my term such a success and thanks to all my officers for the fine job they did. DeMolay could not be the success it is without the help and assistance "Dad" Riethmiller gives forth so generously. We all appreciate it a lot. God speed from the East to you.

And now a word from our new Master Councilor—

I am very grateful for the high honor bestowed upon me for the ensuing term in DeMolay. I hope that I can uphold the high standing of our Chapter, that has been gained through the leadership of "Dad" Riethmiller and Jr. P.M. C. Bill Pomp. I realize the work it takes to fill this position and I will strive to fulfill my obligation as Master Councilor to make this a successful Chaper.

I am sure wth the able group of officers who will assist me we will have a successful term. The officers are as follows:

Master Councilor, Richard Brantingham; Senor Councilor, Norman Miner; Junior Councilor, Jerry O'Brien; Harry Garnette, Treasurer; William Willcutts, Scribe; James Frey, Sr. Deacon; Bruce Bloom, Jr. Deacon; Thomas Adams, Sr. Steward; James Fuzy, Jr. Steward; John M. Hartigan, Chaplain; Michael Schiebel, Sentinel; Robert Meister, Standard Bearer; Ralph Bogardus, Almoner; Bruce Snyder, Marshall; Kenneth Dixon, Orator; Herbert Matthais, Michael Findley, Larry Wible R,obert Passwater, John Lewis, Terry Miller and Charles Clarkson as Preceptors.

We hope by our new policy of informal entertainment that we will have a more active body of membership. We also hope this next term to keep our membership high in the United States chapter rating. We must all strive to follow through with our membership motto, "Everyone bring one," but in doing this let us also have a larger active membership.

With the big dance coming up in March and the numerous meetings and degrees this should be a most interesting term and I hope a successful one for the Fort Wayne Chapter.

The first initiatory degree will be given on February 9, with refreshments following the meeting.

Our goal was set for 51 candidates in the first term and we had 52, this second term a year ago we had 59 candidates so let's set our goal for my term at 60. To the new DeMolays if you are real DeMolays you will ask your friends to join and enjoy our social activities and our degree work. Will be seeing you at the meetings.

Be sure to notify us of any change of address.

Well, now that the New Year has a good start, how many resolutions have you broken? We hope none, so far, for if we kept them all this would be a much better world.

The best resolutions we can make are: to keep faith; be loyal; and be very generous with our love. By doing these, we can lift the hearts of many who have been brought very low in spirit.

We wish to thank all the sisters that worked so hard on the garments for our Christmas project. They sure were beautiful, and the workmanship was superb. The Bureau sure raved over them, and said they were most beautiful they had ever received. So start "busten your buttons," you sure did something to be proud of.

Our annual election of officers was held on December 1. The following officers were elected to the various stations: Inez Thrasher, president; Nella Putman, 1st vice-president; Cornien Utterback, 2nd vice-president: Margaret Hamilton, preceptress; Florence Palmer, recorder; Dorothy Lyman, treasurer.

We wish these officers of 1954, a very successful year. Our pledge is to stand back of them as we have done in the past.

We extend our deepest sympathy to Sister Maude Miles who lost her husband through death.

Illness in the Assembly are: Nella Putman and Ann Forst.

Clara M. Kreckman, Jr. P.P., wishes to thank the assembly for the wonderful kindness and the superb cooperation given to her, during the past year as president of this assembly. Her motto for the year sure was carried out to the fullest, "Create More Kindness."

Thanks everyone.

This being the first edition of the Square & Compass of the new year, greetings are in order. May the new year of 1954 bring Peace, Happiness and Prosperity to all of us.

Since the last edition of this publication came your way a new staff of officers have been installed and assumed their duties of office. Saturday, January 2, starting at 7:00 p.m. the new officers of Fort Wayne Assembly 149, Social Order of the Beauceant were installed immediately followed by installation of Fort Wayne Commandery 4 officers. Installing officers were Very Eminent Sir Knight, Charles E. Cook as Grand Commander; Eminent Sir Knight Samuel S. Geake as Grand Marshall; Eminent Sir Knight, Harl C. Bradley as Grand Prelate and Eminent Sir Knight, Edward Klomp as Grand Warder. Officers installed were: W. Harold Utterback, Commander; Carter D. Palmer, Generalissimo; Stanley S. Putman, Captain General; Grey I. Wagner, Senior Warden; Donald K. Thrasher, Junior Warden; George G. Winning, Prelate; George Gable, Recorder; W. Carl Huber, Standard Bearer; Schuble Boggs, Sword Bearer; James Johnston, Warder; and Walter F. Hayes, Sentinel.

It was your Commander's pleasure to be installed in office by his high school Principal, Sir Knight Charles Cook which was many long years ago at Waynetown, Indiana, (senior class of 1922). You figure it out. Immediately preceeding the installation of officers Fort Wayne 4 Drill Corps presented a very impressive exhibition drill under the command of Eminent Sir Knight Harry Haller. A large number of Sir Knights, Ladies and their friends were present to witness the installation ceremonies.

Fort Wayne Commandery suffered a great loss in the death of Eminent Sir Knight Everett E. Miles on December 21. Sir Knight Everett had served our Commandery as Treasurer for 27 years and served as Commander during the year of 1926. He will long be remembered for his sincere devotion and service to all branches of Masonry. It will be necessary to obtain a dispensation for the election of a Treasurer in the near future.

Our Drill Corps will soon start practice for the Grand Conclave at Indianapolis in May. The exact details of which are not known at present but will be announced as soon as they are received. Any Sir Knight wishing to participate in Drill Corps activities is invited to come to the Temple any Tuesday evening and enjoy an hour of drill and fellowship with as congenial a group of fellows at it has been this writer's pleasure to know.

We have several candidates elected to receive the Orders and work has been scheduled as follows, Illustrious Order of the Red Cross, Thursday, January 7. Order of Malta, Thursday, January 14. Stated Conclave, Thursday, January 21. Date of conferring the Order of the Temple to be announced later. Come and assist in the conferring of these Orders or if you do not wish to take an active part in the work, your presence will be greatly appreciated.

SMILES

A smile is but a simple gift,
Yet none so poor but may
With just a pleasant, kindly smile
Brighten a dreary day,
If you can teach your lips this art
Where'er you chance to go
You'll soon find that your life will be
Happier for doing so.

My New Year's Wish
By Bertie Robert Chambers

"Let me be a little kinder
To the folks I meet each day,
Let me be a little blinder
To their faults along the way.
Let me be a little nearer
To the throne of Grace I love,
Let it be a little clearer
That I have a home above,
Let my voice speak words of comfort
To the ones that need it most,
Let my life mean cheer and sunshine
To the great discouraged host.
Let my every waking moment
Be one round of praise to Thee,
For thy goodness and thy mercy
That have meant so much to me.
May the glad and happy New Year
Spread its wings o'er all the months
'Till we reach the final moment
Which if sad, is glorious."

Governor Sherman Adams of New Hampshire is the fortieth Freemason to serve as governor of that state, out of a total of sixty-seven since the establishment of the State Constitution in 1785. He is a Knight Templar and a 32nd degree Mason.

Stated Meeting First Thursday

Vincent S. Cook, W.M.

Vincent S. Cook ---------- W.M.
R1 Huntertown -------- 3159

Thomas P. Shean ------ Secretary
Huntertown ---------- 3353

The final curtain has been drawn on the 1953 work of the Huntertown lodge. It will be remembered by members and friends as a year that was different from others. There were periods of hope and success and periods of despair and depression. It was the first time in the history of the Lodge that the Master's services were demanded by the Great Architect of the Universe before the plans on his trestle board could be completed. The other officers of the lodge are to be congratulated for their sincere efforts to bring those plans to a successful conclusion.

On December 17th the Lodge was host to the officers and secretaries of Leo Lodge 224 and Harlan Lodge 296 for the annual Lodge of Instruction. Bro. Lenis Firestine, Grand Lecturer, Millersville Lodge 126, Indianapolis and Bro. Harry C. Anderson, Ass't. Grand Lecturer, Capital City Lodge 312 Indianapolis, were a real inspiration to every officer present. Their work was efficient and constructive and was greatly appreciated by the officers.

The Lodge is getting off to a good start for the new year with installation of officers on January 1st. The year 1954 looks promising and all members are invited and urged to take an active part in making the new year the best yet.

Monroeville Lodge No. 293 F. & A.M.

Stated Meetings 1st and 3rd Wednesdays

John W. Grogg, W.M.

John W. Grogg ---------- W.M.
R. 1, Monroeville ----- 3266

C. Noble Peckham ---- Secretary
Monroeville -- P. O. Box 155

Another year has just raced by us, and the time has come for a new group of officers to direct the activities of the lodge for the ensuing year.

At our last stated meeting, the following oficers were elected: A. Dale Spieth, Worshipful Master; Lee G. Witte, Senior Warden; Harry Vondran, Junior Warden; Verlin O. Barkley, Treasurer; C. Noble Peckham, Secretary; and John W. Grogg, Trustee. The newly elected Master made the following appointments for the year: Howard Fugate, Senior Deacon; J. Earl Marquardt, Junior Deacon; W. Glen Fisher, Senior Steward; Clarence E. Yoder, Junior Steward; Floyd Shaffer, Chaplain; Crockett Lee, Tyler.

The new officers have a heavy schedule ahead of them as we have several candidates for the degrees of Masonry and I'm sure that the coming year will be highly successful under their leadership.

I, the outgoing Master, wish at this time to express my appreciation and thanks to the officers and members who were always ready and willing to assist me in carrying out the activities of the Lodge this past year. Being Master of the lodge, forcefully brings home to an individual the dependence of man upon his fellowmen and quickly dispels any delusions of grandeur that one might feel in being elected to such an honorable office.

The Past Masters degree was conferred on Donald Chaffin of Olive Branch Lodge 248 at Monroeville, December 28. Since Bro. A. Dale Spieth is already a Past Master, Monroeville had no candidate at this ceremony.

Installation of the new officers will be held on January 6, 1954, on our first stated meeting night of the new year.

Since this will be my last article in this publication, I again wish to thank all who have assisted me in the past year and to wish the new officers and members of the lodge a successful and happy New Year.

The Monroeville Chapter No. 205 O.E.S. entertained the St. Mary's chapter at their December 9th stated meeting. We were happy to have so many of our sisters and brothers of the Poe chapter with us again. It seemed like old times. When we use to have joint inspection with them. A ceremony of obligation was conducted by our Worthy Patrons all present receiving our obligation taken at the altar when being initiated. After chapter was closed we were entertained by sisters Josephine Crates and Lolita Pinney singing Christmas Carols. They were accompanied on the piano by Sister Martha Ann Reinking. Refreshments were served by the line of officers. Decorations being carried out in the Christmas theme.

Brothers of South Gate. As I am now struggling through my first copy for the Square & Compass, I cannot help but think of the honor you have bestowed on me, by selecting me as the Master of South Gate lodge for the coming year. As I think of the leaders of our lodge we have had in the past, I realize the position will be that much tougher to fill. With a helping hand here and there from the brothers on the side line this can be much easier accomplished. So if each of you would do just a wee bit, the task will not be a burden on anyone.

The officers that you have selected for the coming year are as follows.

Harold (Jim) Meeks, S.W.; John A. Inches, J.W.; Ward C. Milton, Sec.; Carl L: Tewksbury, Treas.; and William E. Turner, 3 Year Trustee. The appointed officers are as follows: Clarence E. Carlson Jr., S.D.; Robert R. Marshall, J.D.; Maurice I. Butler, S.S.; Clarence McIntosh, J.S.; David Loyd, Chaplain; and Henry Haesert, Tyler.

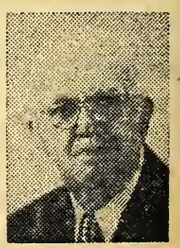
Henry McIntosh and Jerry Forst are trustees. The mentor committee is composed of Clarence Carlson Jr., Robert Mashall, Maurice Butler and Clarence McIntosh. Masonic Home committee: Charles Cook, William Turner and Edward Purcell. The Auditing committee for the last year was Dan E. Kern, John Andreas and Gerry Metcalf.

William Turner will be Master Craftsman of the Fellowcraft club. Entertainment and food committee: John Inches, David Loyd, Robert McGrail, Glen Hoon, Maurice Adams, Eldon Moodie, and Mike Muha. Masonic Education: Herbert De Wees and Edward Purcell. Masonic relief: Franklin Bryan, Harold Meeks and John Inches. Sick and Visitation committee: Paul Miller, Robert Bumke, Roy Hart, Floyd Itt, Harry Frykburg, Jay Horn. Masonic; Home committee: Charles Cook, William Turner, Edward Purcell, Joseph Clevenger, Ed Fleck. Attendance committee: Mike Muha, Revere Reese, Eldon Moodie, Robert McGrail.

I hope I have not missed any one who has served on the foregoing committees previously. If there is any who wishes to serve on any committee please make your wishes known. I am sure we can find a place for you. If there are any who wish to take part in any of the degree work please make your wishes known. I am sure the officers will appreciate your help the next two or three months will be very busy one. We have one hold over candidate to work on and five new candidates to perform degrees on for January. So in closing this my entry in the Square & Compass, I pray that I can live up to the precedent that has been set. I trust that you all have had a very Merry Christmas and that we are all looking forward to a very prosperous and a very busy New Year. Don't forget South Gate lodge—Monday evenings.

PROFANITY

I swear because—
It is a fine mark of manliness.
It proves I have self-control.
It indicates how clearly my mind operates.
It makes my conversation pleasing to everybody.
It leaves no doubt in anyone's mind as to my good breeding, culture and refinment.
It impresses people that I have more than ordinary education.
It makes me a very desirable personality among women and children and in respectable society.
It is my way of honoring God who said, "Thou shalt not take the name of the Lord thy God in vain."
And—it is a strong way to express a weak mind!—The Allah-Bi.



APPLICATION OF SYMBOLISM

Experience has demonstrated that the most difficult things to get into the mind of the average candidate is that the ritual has application to practical life. If you tell him that corn, wine and oil are the wages of a Fellowcraft, that this was the method of payment used in ancient times instead of money, you teach him nothing at all. He must be taken through the analogy step by step, told that wages means something earned, that a man must earn health, plenty, and peace by diligent use of his faculties, that this is the corn, wine, and oil meant by the Ritual.

The underlying idea of symbolism representing actual life is implicit in every ceremony and symbol. Impress it in respect to one and you have impressed it in respect to all. The candidate, understanding this, will therefore naturally apply the idea of symbolism to all parts of the Ritual and see for himself how it is the vital part of Masonry, the active principle that has kept the Fraternity alive for centuries.—Ex.

Hello Brothers and a Happy New Year. Here we are starting out a brand New Year and I hope that it will be as good as those in the past. Of course we had our election on December 4, 1953, with the following officers and appointments: Worshipful Master, R. L. Enslen; Senior Warden, John Bierly; J. Warden, Robert Tharp; secretary, A. Tharp; treasurer; Senior Deacon, Leonard Fletter; Junior Deacon, R. Clem; S. Steward, Michel Bolen; Junior Steward, G. Swain; and Tyler, Wayne Rosselot.

Brethren, we have a fine set of officers and I hope that you will give them all your support for the coming year.

As usual we had our installation of officers on January 1, 1954. There was a fine crowd and a grand dinner.

After the installation we were entertained by a puppet show given by Mr. and Mrs. Coleman from Rolland, Ind. I would like to thank Mr. and Mrs. Coleman for the lodge, for their fine entertainment.

For the New Year we are starting out with work and lots more to look forward to. Our first stated meeting will be January 7 and I hope we will have a good crowd.

The lodge expects to confer the E.P. degree the latter part of the month with one or two practices previous to the degree work.

A lodge of inspection was held at Huntertown for the three lodges; Huntertown, Harlan and Leo. I believe I can say that all officers present gained knowledge from Brother Firestine.

Again Brothers, we are starting a brand New Year, and the Lodge can only be as good as the brethren make it. So come on fellows, let's get set and push.

EARLIEST CLOTHING

On the monuments of Egypt, a garment which can best be described as a triangular apron pointed upwards, is depicted in circumstances which clearly indicate that the wearer is taking part in some ceremony of initiation.

In ancient Mexico, the gods depicted wearing aprons, some of which bear a striking resemblance to the Modern Craft apron.

Indeed, the apron is the most ancient and most primitive garment in the world, and is the first evolved by the lowest type of savage.

The statement in the Old Testament, that Adam and Eve made themselves aprons of leaves, is testimony to the earliest form of clothing.

Thus, we see why the apron, as the human race developed assumed a sacred and religious character. Religion constantly uses the garments of the past for the ceremonial robes of its priests and the regalia of the initiate. To this day, in certain parts of Africa, the boy, of being initiated in their primitive rites, is solemnly invested with an apron of leaves.

Our aprons have behind them great antiquity, and would still be most appropriate regalia, even if they were not further adorned by all manner of symbolic embellishments.—The Freemason.

KNIGHT TEMPLAR

The first recorded naming of a Knight Templar was in St. Andrews Royal Arch Lodge of Boston on August 28, 1769, when the order was conferred on William Davis, Past Master of Glittering Star Lodge, 322, attached to a military lodge of Boston soldiers. The lodge referred to is the one of which an account was given in our issue of July, 1953, under the title "Unusual Lodge."—From the Triple Tau, Dallas, Texas.

The Entered Aprentice degree will be conferred Tuesday, January 19th and you are urged to be present to assist your new officers.

Each of us has in his heart a little try square, called a conscience, by which to test each thought and word and deed, and determine whether it is true or false. By as much as a man honestly applies that test to his own heart, and his relations with his fellows, by so much will his life be happy, stable and true.—Masonic Historiology.

Election of officers was held Tuesday, December 8th. The officers for the new year are: W.M., Forrest C. Brattain; S.W., Frank Laub; J.W., George Luker; Sec., Dallas Zimmerman; Treas., Glenn Brendell; S.D., Paul Graham; J.D., Charles Butler; S.S., Clare Krieger; and J.S., William Hudson.

The degree of Past Master was conferred Friday, December 18th at Concord Temple, Butler and Waterloo participating.

The Christmas gifts were delivered to the widows of the deceased Master Masons on December 23. Words fail to describe the pleasure and feeling with which the gifts were received by those who sometimes feel forgotten.

The E.P. degree was conferred, December 26 upon Brother Chalmer Walter, son of Brother Henry Walter who has been a member in good standing for 35 years. Brother Chalmer Walter leaves for the service December 30th.

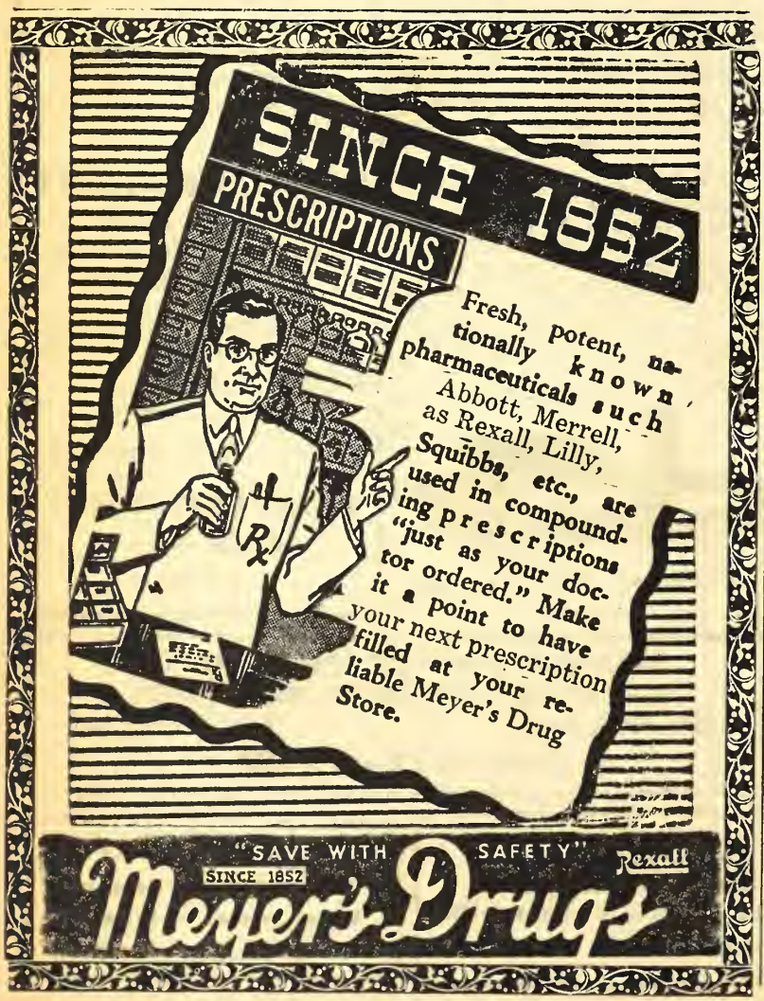
The Eastern Star held their Christmas party December 12th. It is with pleasure we report that it was a great success. Pot luck dinner was followed by a program of music and movies with Santa adding to the climax with treats and gifts.

On behalf of the newly elected officers—We would like to thank the brethren for the honor they have bestowed upon us. When we pick up the gavel and assume our duties it is with the hope that our words, deeds and actions, will be guided by the Supreme Architect of the Universe. We welcome and hope to see many members out to meetings this new year. We have a lot of work coming up. Come help us.

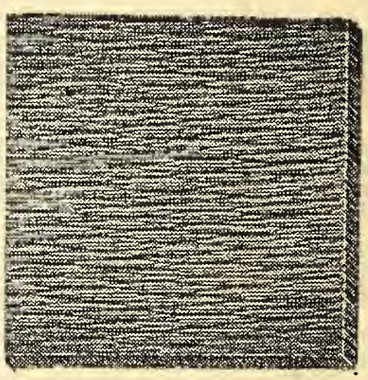
NO ROOM FOR LEVITY

One of the most important adjuncts of a Masonic Lodge is the preparation room.

It is there that the candidate is prepared to receive the degrees, and receives his first impression of Freemasonry.



As a consequence, it is there that the question whether he shall become a real, earnest and sincere Freemason, active in Lodge work or merely a "joining" member, is settled.



The candidate should be met and treated with courtesy, delicacy and a feeling of solemnity, due to the ancient and honorable institution of Freemasonry which inculcates the loftiest principles.

These thoughts should be impressed on the candidate from the time he first enters the preparation room until he is raised to the sublime degree of Master Mason. —The Philalethes.

SCOTTISH RITE COMMANDER RESIGNS

Last December it was announced that Dr. Melvin Maynard Johnson had resigned as Sovereign Grand Commander of the Scottish Rite of the Northern Masonic Jurisdiction, U.S.A. At the age of 82, after more than a score of years of most successfully administration of his high office, Dr. Johnson and his friends thought he was entitled to a rest. His many Fort Wayne friends will always remember those inspiring talks he would deliver when he visited us.

On January 1, 1954, Ill. George Edward Bushnell, 33°, of Detroit, Grand Lieutenant Commander, became Sovereign Grand Commander ex-officio. He will exercise all the preogatives of the office until the Annual Meeting of the Supreme Council in Boston in September 1954.

He was Thrice Potent Master and Commander-in-Chief in Detroit. Receiving the 33° in 1924, he was called to Active Membership in 1934—specializing in Ritual, Foreign Relations, and Constitutions and Laws. Since 1937, he has been Deputy of the Supreme Council for the District of Michigan. In 1945, he was elected Grand Lieutenant Commander.

A Virginian by birth, the new Sovereign Grand Commander is now 66 years of age, in vigorous health and tireless in energy. He is a graduate of Virginia Polytechnic Institute and Detroit College of Law. In World War I, he served as Lieutenant in the Motor Transport Corps and later, as Captain in the Judge Advocate's Division, Officer's Reserve Corps. He was elected to the Supreme Court in 1933 and has a most distinguished record. An Elder and Trustee in the First Presbyterian Church, he finds time for these responsibilities and is generous in his service to various community agencies.

Arrangements are going forward to making the coming Spring Convocation on April 20, 21, 22, 1954 one of the most outstanding in many years. A splendid schedule of degrees will be presented during the reunion and an outstanding speaker will talk at the reunion banquet on Thursday evening.

The membership committee held the first meeting on Tuesday evening February 9th for the purpose of obtaining a large class for the convocation. The last date for receiving petitions will be Tuesday evening April 6th at 7:30 o'clock. These will be voted upon at a special meeting to be held on April 13th at 7:30 o'clock. Petition blanks may be obtained from any member of the committee or call or write the Scottish Rite office and they will be sent you. Any Blue Lodge Mason in our jurisdiction who has passed the necessary requirements may petition. The six months rule is not in effect any more.

We are happy to announce that the recently appointed building committee is very active and last week was taken a tour of the newly acquired auditorium so as to get information regarding necessary changes that will be made. The stage and scenery committee has held several meetings and will soon make recommendations on new scenery and also what can be used from our present equipment in the cathedral. Work has already begun on making the 20° set larger for presentation in the auditorium on Wednesday evening April 21st as a part of the spring convocation.

A number of entertainments will soon be held for the membership. On Saturday evening February 20, the annual George Washington Ball for all Master Masons will be held in the present Cathedral.. The following Saturday evening, a concert by the choirs from South Bend and Fort Wayne will be held in the auditorium at 411 W. Berrry St. The second square dance will be given on Saturday evening March 13th in the Cathedral ballroom. Keep these dates in mind and enjoy the programs to be given for your entertainment by your Scottish Rite.

The dues for 1954 are still $5.00 and are now due and payable.

Our Past High Priests Night is past history, and many, many thanks to the joint committee of both chapters, and all others who worked so hard to make it the great success that it was. If you were not there you missed a fine evening of fine fellowship. Yes, a fine evening as the weather was ideal; and the fellowship of the evening will long be remembered by those in attendance.

A big surprise, that added much to the evening's enjoyment, that came too late to get the publicity it should have had, was the presence of several Grand officers of both the Grand Chapter of Royal Arch Masons, and the Grand Council of Royal and Select Masters. William T. James of Brazil, Most Excellent Grand High Priest of Indiana's Royal Arch Masons, and Lenis N. Firestine of Indianapolis, Most Illustrious Grand Master of Indiana's Royal and Select Masters, together with Grand officers of both Grand Bodies. 9 or 10 in all, were with us. On that Saturday afternoon, they had attended a joint meeting in our Temple called for the twofold purpose of considering problems pertinent to both organizations in the Fort Wayne Area, and to be present at our own Past High Priests' night. We were happy to have them, and hope to see them again.

We can again thank Companion W. Curtis Mahler of Lawrenceburg, a Past Grand High Priest of Royal Arch Masons, for his splendid talk on the merits of York Rite Masonry. There were many Brother Master Masons present who received much instruction in Masonry, as represented in the various bodies of the York Rite.

Thanks again to Mrs. and Miss Connin for the lovely music of the evening.

Again we are called on to mourn the passing of a friend and brother. We hope you will pardon this personal note: Several times, Companion Neuenschwander had installed me in various offices to which I had been elected or appointed, and each time he had a given me a personal word of encouragement or appreciation. I owe much to him. To his family we wish to express our deepest and heartfelt sympathy. With the passing of Excellent Companions Miles and Neuenschwander, Fort Wayne Chapter 19 has lost two of its Past High Priests. We will miss them very much as they were regular attendants back in the days when they were able to come.

We welcome to our line of officers, Companion Myron A. Millhorn, who has been appointed Chaplain.

The impressive installation of the officers elect was held in the beautiful Commandery Auditorium on January 2nd, after which we were privileged to witness the installation of the Fort Wayne Commandery officers. If you were not among those present, it was definitely your loss.

Congratulations to the new officers and our best wishes for a happy and successful year, are in order. Ladies of the Beauceant, let's give them our full support by regular attendance at the Assembly meetings and enthusiastic participation in the coming projects.

A reception for the new officers was held at our stated meeting of January 5th on the Mezzanine. All Sir Knights were invited to participate. The decorations and refreshments were planned by the past presidents and a good time was had by all. Our thanks to the Sir Knights of the Drill Corps, for the invitation to share refreshments and a very pleasant social hour on January 19th. We are looking forward to many of these gatherings this year.

Committees appointed for the year:
Executive, Mrs. Cyril McCarthy.
Benevolence, Mrs. John Kayser, Mrs. Wayne Kruse.
Paraphernalia, Mrs. Norman Hamilton, Mrs. Louis Koch.
Visiting, Mrs. Harold Utterback, Mrs. Elwin Rehklau.
Necrology, Mrs. Roy Ratican.
Publicity, Mrs. James Todd.

Our Worthy President, Mrs. Don Thrasher, is having open house for all Beauceant members at her home on January 29th.

On February 18th, the members are invited to attend an all day sewing at the home of Mrs. Vance Knight. Bring your needle and thimble and your own sandwiches and be prepared for a good oldfashioned "Chin Fest" while we sew for the needy.

All in all, it looks as though we are embarking on a busy and worthwhile year. Let's get in and pitch to help make it the best ever.

We wish a speedy recovery to Sir Knight Jerry Forst, who has recently undergone surgery, and to Sir Knight Carl Huber. Also the Niece of Mrs. Robert Kreckman, who suffered serious injuries from a fall.

Our sincere sympathy goes to Sister Maude Miles in the death of her husband, Sir Knight Everett Miles.

Until next month, Adieu.

Mrs. James Todd, P. C.

WASHINGTON'S FUNERAL

Early on Wednesday, the 18th of December, 1799, the Masonic Fraternity, under the escort of the military and citizens of Alexandria, started for Mount Vernon, where they arrived about one o'clock, and at three o'clock in the afternoon, the funeral procession being formed, moved in the following order: The troops, horse and foot, the clergy; the General's horse, with saddle, holsters, and pistols, led by two grooms; music, the coffin; the pall-bearers, all Masons, except one, of Alexandria Lodge, No. 22, principal mourners, the Corporation of Alexandria; Alexandria Lodge, No. 22, Brooke Lodge, No. 47, of Alexandria; Federal Lodge, No. 1, of Washington, D. C.

During the moving of the procession, minute guns were fired from a vessel on the Potomac River.

On arriving at the grave the services of the Episcopal Church were performed by Rev. Thomas Davis, Rector of Christ Church, Alexandria, where Washington worshipped, and the ceremonies of the Masonic Fraternity by Dr. Elisha Cullen Dick Master of Alexandria Lodge, No. 22, and by Rev. James Muir, Chaplain of the Lodge.

Three general discharges of the infantry, the cavalry, and eleven pieces of artillery which lined the banks of the Potomac, back of the vault, paid the last tribute.—SRNB.

o the Craft, Greetings:

Behold how swiftly the sands run. ruer words were never spoken. To child peering into the future, a half entury would loom as an endless ternity, but to one who has served half century in our Great Fraternity of Free and Accepted Masons, it ems only a fleeting moment.

Over fifty years ago, on December , 1903 the petition of Wilton B. eichelderfer was presenfed in Harlan odge 296 F.&A.M. The petitioner as recommended by Bros. P. E. iggins and John Thimlar and was eferred to a committee on character onsisting of Bros. Ben Zimmerman, V. H. Timbrook and George Brown. Ir. Reichelderfer was elected to reeive the degrees of Masonry on anuary 1, 1904. The following night n January 2, 1904 Bro. Reichelderfer as initiated into the first principles f Free Masonry under the direction f Worshipful Master, John Stopher. n February 5, 1904, under the diection of W. M., John Stopher, ro. Reichelderfer was passed to the egree of Fellowcraft. And on March , 1904 Bro. Reichelderfer was Raised the Sublime Degree of Master Iason by W.M., John Stopher. In 905 Bro. Reichelderfer served as unior Deacon. He served as Junior Varden in 1906 and 1908. In 1909 e served as Senior Warden and in 910 he served as Worshipful Master. Brother Reichelderfer had a busy year s Worshipful Master. During his ear there was one funeral, that of Bro. Frank M. Johnson. Under his direction the Entered Apprentice Degree was conferred upon 7 candidates, 7 Brothers were passed to the Degree of Fellowcraft and the Sublime Degree of Master Mason was conferred upon 9 Brothers. Bro. Reichelderfer still attends lodge frequently, and enjoys the Degree work. He helped to elect our present Staff of Officers and he seldom misses Past Masters convocations.

If there be some who do not recognize the name of Wilton B. Reichelderfer, it is none other than Brother Rube. That's what we call him in lodge. That's the only name we know him by, so hereafter I'll refer to him by his "Real name," Bro. Rube.

Thursday night March 4, 1954 at 8:00 p.m. marks the 50th anniversary of Bro. Rube's Masonic career. On that night we will present Bro. Rube with his 50 year pin. Make arrangements now to be present. Let's be on hand to show our appreciation to Bro. Rube, who for a half century has been a noble credit to the Masonic Fraternity, and an inspiration to the Officers and members of Harlan Lodge No. 296 F.&A.M.

Congratulations, Bro. Rube on your 50th Anniversary.

There was a very good attendance at our installation and oyster stew on January 4. At our stated meeting on January 11, Max King was elected Treasurer upon the resignation of Sharp Pilcher. They will be installed at our February stated meeting. It is hoped by the Fellowcraft club officers that rehearsals on our play, "A Gift in Secret," may start again soon. Meeting night for the Fellowcraft club has been following stated meeting.

Ossian Lodge and W.M., Earnest Earhart, have the Mentor Plan in operation now following receiving the Kits. The Mentors have been appointed and have the Kits for study. This recommendation came from Grand Lodge last year and is hoped may help the individual Lodges and members in a better understanding of the degrees and of Masonry.

Eastern Star held election of officers at their regular meeting on February 5. No date for installation has been set as yet.

Here we are again Brothers and I'm glad to say that we have some work to do in the past month and it looks like we may have more as time passes.

Last week, January 26, we conferred our first E.P. of the new year. I want to thank all our officers for showing up. It wasn't necessary to pro tem a single officer. Brother Robert Tharp conferred the degree and did a fine job, as did all the officers.

Brothers, we have Fellowcraft and M.M. coming up for February so let's all come and show the candidate we are really interested in him.

As we have often said, the brothers and their attendance make up the lodge. Lodge is only what you as a brother make it.

We have some work that will have to be done on the Lodge Hall. Of course, this will make it necessary to spend money, so come and have your say in how the funds are spent.

Our chapter of Eastern Star, 278, met at a joint inspection with Harlan and Monroeville chapters. The meeting was held at Leo High School January with a fine attendance.

Guess this covers the news up to now. See you in lodge soon, Brother.

A good Mason is a well informed Mason. He should know something of the true intent and meaning of the ritualistic ceremonies, the beauty of the lectures, the Charges and the philosophy that is the basis of Masonry. To improve yourself in Masonry and become informed on these matters attend the called meetings and stay through the lectures till the end of the meeting. Each meeting you will find you have added to your knowledge and your appreciation of Masonry. This is your Further Light.

At our Stated meeting on January 6th the officers of the Lodge were installed by Past Master Herbert Foreman as installing officer, Past Master Kenneth Strong as Marshall, and Past Master Howard Degler as Chaplain; and needless to say they did their usual splendid job. The following new officers were installed: Fred Hoffman, W.M.; Kenneth Hanes, S.W.; William Gingher, J.W.; Fred Raake, Treas,; George Gable, Sec.; Shirley Scholar, S.D.; Max White, J.D.; Eugene Gilchrest, S.S.; Howard Jornod, J.S.; Richard English, Chaplain; William Lower, Tyler and Kenneth Strong, Trustee for three years.

I have appointed the following committees: Masonic Home, Mark Hennigh, Chairman, William Schwartz and Kenneth Strong. Sick Visitation, Richard English, Chairman, who will appoint his own committee. Veteran Visitation, William Schwartz, Chairman, Don Friedly, Travis Chandler, Walter Trask, Dr. Gale Driver, James Jewel, Harry Daley, Herman Wadlington. Auditing, Howard Degler, Chairman, John Lewis and Max White. Entertainment, Harry Grabner, Chairman, Robert Kenny, Ray Brown, Maurice Perkins, Warren Delp and Millard McClintock. Charter Member Night, Byard Smith, Chairman, Manford Winifer, Dwight Mood, Herman Wadlington and Ralph Bruce. Past Masters Night, William Schwartz, Chairman, Lester Helms, Harold Sumney, Paul Hayden, Theron Twigg. Fort Wayne Masonic History, Roy Welty, Chairman, William Gingher and Richard English. Masonic Relief, Master and Wardens.

All of the officers of your lodge for the ensuing year join with me in a pledge to discharge the duties that are entrusted to us to the very best of our ability. We know that the Brethren will give us the same assistance and cooperation as they have in the past.

Our most sincere sympathy to the families, relatives and friends of Brothers Walter F. Haller and John L. Slick who were called from our midst in January by the Supreme Architect of the Universe.

WASHINGTON MASONIC INCIDENT LITTLE KNOWN

In a regiment of the British army there was a traveling Lodge with a warrant from the Grand Lodge of Ireland.

After an engagement in which the British were defeated, the private chest of the Lodge containing its jewels, furniture, and implements fell into hands of Washington's troops.

When Washington learned of this fact he ordered the chest to be returned to the Lodge and the regiment under a guard of honor. The surprise and delight of the officers and men may be imagined when this noble tribute was paid them.

Accompanied by a guard of honor with music playing a sacred march, the chest containing the constitution and implements of the Craft, borne aloft like another Ark of the Covenant, equally by the Englishmen and Americans who had but lately engaged in combat, was carried through the lines of the regiment, who presented arms and colors and hailed the glorious act by grateful cheering.—Bulletin of Masonic Relief Assn.

We are again well on our way into another year and I am well pleased with the manner in which the new officers have applied themselves to their tasks and also with the support of the brothers.

On January 19th, our E.A. degree was presented by a fine dinner of ham and beans with cornbread. We had a fine turnout of our members as well as several visitors. Brother Pressler, P.M., of Churubusco occupied the East during the obligation section for one of our candidates. We are always happy to welcome visiting Brethren and have them participate in the work.

At my first writing for Square & Compass I neglected to thank our outgoing secretary, Brother Charles Scott, P.M., for his fine work during the past two years. He served his lodge well and I know all of the brothers appreciated the time and effort spent to accomplish all that he did. May I personally thank you, Scotty, for all your help to me in the past and say that I am truly sorry for this oversight?

It has been said that there are three classes of people who attend meetings: Those who come to criticize; Those who come of curiosity; And those who came to work. I know that we have neither of the first two in our lodge, but we need more of the workers.

May we all make an earnest effort to bring someone with us at each meeting and encourage them to take an active part in the work.

On January 7th, Fort Wayne Chapter paid special tribute to non-official members, those who fill the side lines and support the Chapter by their continued presence. They formed a large semi-circle back of Esther's chair and our Worthy Matron recited a special poem in their honor and the choir sang a suitable song.

After Chapter the choir entertained with a real old fashioned minstrel show. Their black faces and suitable costumes very very realistic. Josephine Cecil, interlocuior, was assisted by Jerry Cook in presenting this show and the songs, jokes and dialogues by the cast made this one of the best entertainments the Chapter has had. Judging from the applause and many laughs this night will be long remembered by the large audience of members and guests.

The newly elected officers of Nonpariel who took part in January were Gladys Gifford, president; Serena Slater, vice president; and Simone Jewell, secretary and treasurer.

Our Chapter is giving a square dance, the Clod Hopper Hop, on Saturday, February 13th, with Joe Roehling as caller. Members may bring their guests and a real good time is promised, also lunch is provided. So let's all be there and swing our partners and have a lot of fun.

With the Holiday season now past and the glow of happy faces now turned to the caming year in anticipation of all the good things in life coming to us, we cast a look to the last month of the New Year to see what has entered on the ledger of life to our credit.

January 23 in the evening we listened to a very enlightening address by Excellent Companion Mahler. Many of our blue lodge brothers were given reasons why they should seek more light in Masonry by advancing to the Royal Arch and there receive the Lost Master's Word. Those whom we honored, Past High Priests of Fort Wayne Chapter and Thos. R. Marshall Chapter, enjoyed a fine banquet served by the Ladies of Beauceant, and also the renewing of old friendships as well as recalling the days when they were going through the stations.

As we look forward into the shadows cast by the Golden Rays of Light and see those upturned faces seeking further light in Masonry, we Companions who have that Light enjoy the privilege to pass it on to our blue lodge brothers.

To those Blue Lodge Brothers who did not attend the Past High Priest night banquet and hear the address of Excellent Companion Mahler, may learn more about the degrees of Royal Arch Masonry by securing a treatise on the Degrees in booklet form of the Royal Arch, or by petitioning either of the Chapters. Also since the Royal Arch or work in the Chapter is a continuation of the Blue Lodge, there is always a place for the man who enjoys ritual work on the floor as a participant. You will be reimbursed for your time by seeing the many happy faces of candidates taking the work, and the joy and pleasure in the knowledge that you can claim the Title of one whose job is well done.

In a few short weeks, our calendar events for the year will have been completed. Soon we'll be notching another milestone in the yardstick of fraternal service. Then comes the annual election of officers, installation, and a brand new year ahead. With it comes renewed oportunities for building new friendships, extending the helping hand wherever it is needed, and for expanding our fields of endeavor in true Christian fashion.

Now, let's look backwards—way back to December 20th, the Sunday before Christmas. Miriam Shrine was in charge of entertainment and refreshments for an assigned group at the Fort Wayne State School. Those of us who assisted in this community program were deeply gratified by the friendly reception accorded us by all. The reward of appropriation is always rich. This is the sort of project we should like to continue on an annual basis.

Reviewing our recent schedule, January 4th was Worthy Guide's Night.

On January 18th, Supreme Honorary Officers were recognized. After the meeting, the Entertainment Committee presented a clever pantomine.

Miriam Shrine's 32nd birthday will be celebrated at our stated meeting on February 1st and on February 15th another Ceremonial will be put on for a class of candidates.

Among committee reports, the Queens Attendants met with Soj. Viretta Schaefer at her home January 11th. The Cheer, Entertainment and Registration Committees met jointly with Soj. Nellie Miller on January 25th.

Please don't forget your Material Objective donation of 52c. We want to make our goal as near 100% as posible. Soj. Florence Nahrwald is the M.O. chairman.

Illness Among Sojourners: Mary Wilson, Ruth Gearhart, Hazel Burke.

Shut-Ins: Sojs. Carrie Baus, Clara Kirby and Nellie Hughes.

Deaths in Shrine: Soj. Mildred Koster.

Illness in Families: The father of Soj. DeEtta Arnold is in St. Joseph's hospital.

Deaths in Families: Husband of Minnie Mann, Fathers-in-law of Mary C. Brosius and Nellie Moore, Stepfather of Katherine Doubt, Uncle of Aaron Gearhat.

We trust those who have been ill are much improved or completely recovered. Our deepest sympathy goes to those who have suffered bereavements in their homes.

Goodbye and good luck to all until next month.

To sooth the unhappy, to sympathize with their misfortunes, to compasionate their miseries and to restore peace to their troubled minds is the grand aim we have in view. Such is the nature of our engagement as Masons.

The brothers listed below comprise our Visitation and Masonic Service Committee and they are endeavoring to bring a little sunshine into the lives of those of us who are ill or in distress. If you know of any brother in like circumstance at home or in a hospital please contact one of the following or any of your officers. We would appreciate it very much. William Schroeder, chairman; Russell McClain, co-chairman; Henry Lindeman; Alfred Dornick, P.M.; Arthur C. Walda; Warren B. Brighty; Earl E. Mossburg; Ray E. In order that you may be aware of other activities in your lodge, consult the Masonic calendar which appears each Sunday in a local newspaper.

We are saddened by the deaths of Bros. Carl (Sherm) Cuney, William P. Lang, Ralph S. VanAuken, and Theodore W. Mann who passed to their eternal reward during the month of January. To their families we extend our deepest sympathy.

During the past month we received into our fellowship Bro. Marion F. Snyder by transfer from St. Joseph Lodge 45 at South Bend, Ind., and by initiation Bros. Warren W. Frebel, Vasco D. Worthington, Alfred F. Samra and Robert L. Merriman. To them we extend our best wishes for a happy association.

Our "Guest Nite" banquet held in the Masonic Temple, January 29 was well received, there being around five hundred in attendance to enjoy the dinner and entertainment that followed. Dinner music was furnished by the "Rythmn Rascals" composed of four teen-agers from surrounding high schools followed by a delightful presentation of music, magic and comedy by DeMolay James McGraw. Professor Paul Hunsinger of Southern Illinois University then gave a discussion on the "Unfair Sex" a very appropriate topic to climax an enjoyable evening, especially in the opinion of the brothers present.

If you enjoy the "Art" of square dancing remember the date of our spring dance, Saturday, March 27. Tickets will be available from your officers and in the social room.

MASONRY IN OTHER LAND

We have traveled far since th days of the Edwardians, in depart ing from the custom of the heav banquet, sometimes accompanie by heavy drinking. In fact, sinc the first world war there has bee a general tendency for meals afte Lodge to be of a more simpl character; dinner became a bette word to use than banquet. Th second world war brought in it train of stringent restrictions re garding meals, and the post-wa years have, if anything, increase that stringency. The festive boar however, stills serves a very use ful purpose, and the breaking o bread together after a lodge meet ing promotes that social inter course, which is such an essentia feature of the Craft, and whic would probably suffer if the mem bers went their several and sepa rate ways immediately after th lodge closed. Further many breth ren travel some distance to lodg or have some distance to trave home afterwards. Some form o food and refreshment is there fore essential, and it is surely better taken in company.—Mason ic Record, London.

WASHINGTON SAW NEED FOR MASONIC PUBLICATIONS

Few Freemasons are aware that General George Washington had a very definite opinion regarding the need for judicious publications on Masonry.

In speaking of this need, he had this to say: "To enlarge the sphere of social happiness is worth of the benevolent designs of a Masonic institution, and it is most fervently to be wished that the conduct of every member of the Fraternity, as well as those publications that discover the principles which actuate them, may tend to convince mankind that the grand object of Masonry is to promote the happiness of the human race."

As I try to draw my thoughts together for this my second writeup for the Square & Compass, I am rather at a loss. It seems like only a day or two ago that I finished my last article, but then as the old saying goes, "time marches on," but I shall try to do my best.

Now that the busy season of Christmas, New Year's and the like is a thing of the past, perhaps we will be able to keep an eye to the future a little more than we have.

We are sorry to report the passing to the great beyond of James E. Lindenberg. I am sure that each and every one of us extends our sympathy to his family.

This month we are working on four candidates: Richard Petin, who was a holdover from last month; Fred Clark, Rolland Skitler, and Ivan Halladrin.

We are glad to report that Chester Lincoln is now at home from the hospital at Rochester. We are looking forward to a visit in the lodge from Abe. We also hear a report from Jerry Forst. He is improving nicely and is looking forward to seeing us in the near future.

We were pleased to have as our installing officers a group from Summit City Lodge. They were: Al Wolverton as Marshall; and George Winchell as Chaplain. Our hats off to them for a job well done. Incidentally, they are all Past Masters of Summit City Lodge. No. 170.

We wish to thank Revere Reese and Mike Muha for a wonderful job on the Southgaters By the way, Mike and Revere are looking for some reporters. Why don't you enlist? And talking of enlisting, the Fellowcraft Club is looking for help. Why not get into the act and have some fun?

I guess that's all from this corner. See you in Lodge on Monday.

On the first day of January, 1954, at 1:00 p. m., the officers of Wayne Lodge were duly installed by Past Masters Albert Spencer as Worshipful Master, George Winchell as Chaplain, and Abner Wolverton as Marshall. To these brethren and Summit City Lodge No. 170, we are grateful for this courtesy.

On the stated meeting of your Lodge in January, there were two petitions read for the degrees of Masonry. In all probability, we will have work in February. Also the Fellowcraft Club held an election of officers for 1954, and the following Brothers were elected: Si Hartsing, President; Donald Marvel, 1st Vice President; Charles Bandy, 2nd Vice President; W. B. Grunewald, Secretary, and Bud Haver, Treasurer. We are certain, if the Brethren of the Lodge give these new officers their full cooperation, we will have a Fellowcraft Club that we can be proud of.

They have held their first meeting and have laid plans for some activities. They are sponsoring our first square dance of the year, February 6. Also, they are having a party at Brother Joe McDowell's dance pavilion on the Seddlemeyer road, February 12. So come to the Lodge and be one of the cogs in the wheel of Masonry.

On March 25, we are planning our Annual Homecoming to celebrate the 131st year since the foundations of Wayne Lodge were laid down. This, of course, is the event of the year. We hope that our Past Masters can be induced to confer the second section of the Master Mason degree in due and ancient form, as they have in the past. There will be more on this at a later date.

At the time of this writing, to my knowledge there are on the sick list the following Brother Richard Schwabe, 1809 Pemberton; Leonard Deal, 1110 Barthold; Newt Stocks, 4729 Lafayette; L. C. Bope, 1828 Emerson; Royce Lano, St. Joe Hospital; and Howard Shipman, Parkview Memorial Hospotal.

For these Brethren, we pray for a speedy recovery. If there are any other sick, will you please call the Master or Secretary. In the Bible, Christ directed his Disciples to call on the sick and needy. We, being Disciples of Christ, should adhehe to that admonition.

Until the next time the Square & Compass comes your way, watch the Lodge notes in your daily paper for announcements pertaining to Wayne Lodge.

It seems but a few days ago since I last prepeared the copy for the January issue of the Square & Compass, and now Brown tells me it is due for the February issue, not later than January 20. Installation of officers of the sseveral Masonic bodies has caused the editing of the Square & Compass to be off schedule. Things like the "Brass" having their pictures taken, and who will write the column has something to do with it, no doubt.

Work in the Commandery has progressed satisfactorily at the start of the new year. The order of the Red Cross was conferred on one candidate on January 7; Order of Malta on January 14, and Stated Conclave January 21. It is planned to confer the Order of the Red Cross on January 28; Order of Malta on February 4, and Order of the Temple on February 11. Installation of Officers coming January 2 has prevented conferring the Order of the Temple in January. Not enough Thursdays.

At the annual meeting of the Drill Corps on January 11, Elvin Renklau was elected president; John Kurtz, vice president; Paul Goldsmith, secretary; Charles (Doc) Morrow, treasurer; and Harry Haller, Commandant. With these staunch Sir Knights heading up the Drill Corps, it appears that the Fort Wayne Commandery will be going places and doing things in 1954.

Any Sir Knight having uniforms and particularly swords that you no longer have use for would be doing your Commandery a real service by making this equipment available to young Sir Knights who are becoming active in the Commandery and Drill Corps. Should you have complete uniforms, parts of uniforms, or swords you wish to dispose of, contact your Commander, Secretary or Quarter Master Don Thrasher, on E-4316.

The Angel of Death has seen fit to strike three Sir Knights from the rolls of the living during the past two weeks. P.E.C. W. E. Neuenschwander, Tuesday, January 5, who served as our Commander in 1927; Carl Cuney, Monday, January 11; and William Simmons, Saturday, January 16. To the families of these departedd Sir Knights go our sincere sympathy.

At this writing, those on the sick list are Jerry Forst at St. Joseph hospital;Frank Schwartzkopf at the Lutheran hospital; and Belmont Beaman at the Veterans Hospital.

Carl Huber, Standard Bearer, and Walter Hayes, Sentinel, have recently been released from the hospital, and are convalescing at home. Grey Wagner, Senior Warden, who has been incapacitated with a knee injury, is back in circulation again.

DID YOU KNOW that when you were knighted a Knight Templar you became a member of an order more than 850 years old? History informs us that our Order had its birth at Jerusalem in the year 1099; was organized as the military Order of Knights Templar in 1118, with Hugh de Payens as olr firsh Grand Master.

Be sure to notify us of any change of address.

The first initiation was held January 19. The work was superior. By inspection time, the officers will be letter perfect if they keep up the good work.

February 2 was our Valentine's Party. The members all brought cards to send to a local children's home. Sharon Petty and her committee arranged the refreshments, which were enjoyed by all.

We entertained our Moms and Dads, February 16. Due to circumstances the supper preceding the meeting had to be cancelled. Roselyn Roof was in charge and we evtend to her a big thanks.

Please Note: Bethel 8 will sponson a rummage sale March 1. Turn rummage in to Mrs. Drake, 4815 Holton, or Linde Sshmidt, 208 West Fleming.

All members were required to bring rummage to the February meetings for entrance.

Faye Mathisen and her Inspection Committee are already hard at work on the big event, scheduled for March

The officers all extend many thanks to everyone who helped us get on our way during the first part of the term, we only hope to reciprocate by a lot of hard work and fun for all.

Brethren, your officers have been duly installed and are looking forward to a busy year.

Brother Cles. Erb as Chairman of the Entertainment Committee is off to a good start, and plans to have some entertainment after Fellowcraft degree each month. He has made arrangements with the Commandery Drill Team to put on an exhibition after the Fellowcraft degree in February. This will be followed by a light lunch in the kitchen.

The first big event of the year is to be "Past Masters'N ight," and will be held on March 30. Cles is also chairman of the Publicity Committee and will need help on both of these committees. If you would like to serve on either, please contact Cles, or your Worshipful Master.

Brother Arnold Landis is chairman of both the Veterans Hospital visitation committee and the Sick Brothers visitation committee. Arnold will appreciate your help on either or both of these committees. If you know of a brother that should be called on, please contact any of the officers.

Fellowcraft rehearsals each month will be on the Thursday night preceding the Master Mason degree. We urge you to take part in these rehearsals as well as in the degree work.

There will be no comment made on our annual observance of Past Matrons and Patrons night. Nothing could be added or taken away. Those of us who were there there know that. Those of you who weren't—were awfully sorry you missed one of the most pleasant nights of recent times. Our thanks again to the Social committee, headed by Mary Lukens, for the best banquet fare in many a banquet; to the Decorating committee for the unusual 3-D star-point favors and candelabra, designed by the chairman, Ethel Kruse; and to all our guest officers who presented us with the best in initiatory work and who addressed us afterward with food for thought as well as humor. There will not soon be another such evening.

A quick glance at our calendar tells us that although our chapter year is fast coming to a close, there are still many special events to come. You'll want to be free to attend, so get your pencil and calendar and take a note.

February 1, Sewing and Decorating will be at the home of Marie Whitneck, with Marjorie as co-hostess.

February 8, Program will meet at the home of Theresa Baker, with Betty Clippenger as co-hostess.

February 9, Ways and Means will meet at the home of Genevieve Wagner, with Zanta Immel as co-hostess.

February 10, Cheer will meet at the home of Lucile Beatty, with Mildred Farlow as co-hostess.

February 15, Choir, meeting place to be announced later.

February 17, NeCaWa, meeting place to be announced later.

February 18, Social will meet at the home of Naomi Hippensteel, with Ann Galbreath as co-hostess.

February 19, Stated Meeting: Affiliated members of 1953-54 will be honored.

February 22, Officers.

February 25, Registration will meet at the home of Almeda Walker.

March 5, Job's Daughters will visit our chapter. Our annual Memorial Service will also be held that evening.

March 19, NeCaWa will entertain the chapter and present its annual gift.

We certainly hope that all our shut-ins will be up and around again in time to enjoy the calendar of events we have just listed for you. Perhaps a card, or better yet, a short visit, will speed them onward to recovery. They include Marle Stadler, Annabelle Glock, Ruby K. Martin and Geneva Ash. Illness has also been reparted in the following families: The husbands of Vida Wood, Cecil Ward, the mothers of Marie Steel and Louise Wilkerson, the father of Helen Spindler, and the son of Helen Moore. It is also our grievous duty to report the death of the husband of Maudie Miles and the brother of Erlane Macy. We hope that all of them know that we are thinking of them in their distress and grief.

We don't mean to be trite, but so much pain and strife and discontent in evidence, we are reminded of a well-known quotation, "No one can live without being a debtor: no one should live without being a creditor."

See you next month, same time, same column, same by-line.

We are building day by day
In a good or evil way,
And the structure as it grows
Will our inmost selves disclose
Till in every arch and line
All our faults and virtues shine.

We can build a castle grand
Or a wreck upon the sand.
Did you ask what building this
That can show both pain and bliss,
That can be both dark and fair?
Lo! its name is Character.

Then build it well, whate'er you do,
Build it straight and strong and true,
Build it clean and high and broad,
Build it for the eye of God.

Brethren, your new officers are doing a really nice job, in their new stations. Howabout coming down to see them? We would appreciate a good attendance at all meetings. Anyone, who is capable, is very welcome to take any part in the work.

We have lost three Brethren: Everett E. Miles, Wilbur E. Neuenschwander, and John C. Huss. Twilight funeral services were held for brother Huss, January 15 at 8:30 p.m. I wish to thank the brethren, who attended, also those who served as pallbearers. The Charter has been draped for our Past Masters, brothers Miles and Neuenschwander, who were very active before their illness, and will be sorely missed.

Please remember that it is a Grand Lodge law, that those, who are on investigating committees, must make an oral report at the staed meeting.

Our Fellowcraft club held its annual election, January 8. The new officers are: Claude Reynolds, president; John Battrick, vice-president; and Clarence Stroup, secretary. They are instituting a new system, and are sure of showing great improvement. We were all very proud of the performance they gave at the last full form work. All new, or old, members are urged to come and try out for parts.

See You In LODGE.

Hi Fellows:

Well we have started a new term with a new group of officers. I am sure it seems as strange to many of you as it does to us presiding at the meeting. If you missed the installation of officers and the Chevalier degree which were both very beautiful and impressive ceremonies you sure missed something. They were put on in such a way that they meant a lot to those receiving them and to the spectators.

We are looking forward to entertainment for our stated meetings in the future. The refreshments that the Mother's Circle are preparing for us are being accepted with the utmost appreciation as usual. After February 9th there will be four more initiated members in our order. What do you say we increase this number greatly on our next degree which is March 9th. Besides the two meetings in March, there are two other outstanding events. The Tournament Trot sport dance on March 5th. McCombs band will provide the music. DeMolays are admitted by dues card. A small charge will be made for friends of DeMolay. The second event is Church Sunday. We are expecting a large group to attend. Sunday March 14th, Wayne Street M. E. church meet at 10:30.

What do you say we really go to town on our membership drive this term. We have to keep our Chapter up to date with new personalities and ratings.

Special honors have come to some of our members. Jim Frey and Bill Pomp have been made members of the Blue Honor Key, only two other members of the Fort Wayne Chapter, Bob Locke and Dan Somers have received this honor. This award is given to a member who brings in ten new petitions. A star is added for each additional ten petitions. Who will be next to earn this award?

James McGraw in the Annual Speech Festival at Ball State, forty-one High Schools competing, was awarded first in Dramatic Declamation and Bryan Boggess second in Radio announcing. Carl Mosser a new member in the November 24th class was awarded the highest award in scouting, an Eagle Scout.

Dues are past due and suspensions for non-payment will soon be in order.

Meetings of the DeMolay Mothers' Circle are held the 4th Monday of each month at 7:45 p.m.

At a recent meeting, the following officers were elected for the ensuing year. President, Mrs. Ross Strodel; Vice-president, Mrs. Robert Passwater; Secretary, Mrs. Thomas Franklin; Treasurer, Mrs. Danley Schiebel; Corresponding Secretary, Mrs. Jay Gould; Chaplain, Mrs. Lloyd Miller. The membership now includes 147 mothers. Any mother of a DeMolay member desirous of joining this organization should contact the President, Mrs. Ross Strodel, K-2037.

January 12th, the following committee served refreshments to the boys after their meeting: Mrs. Harry Riethmiller, Mrs. Herbert Snyder, Mrs. Ray Sanderson, Mrs. A. J. Ruble, Mrs. Arnett Bickel, Mrs. Von Rarick, Mrs. Harry Rife and Mrs. Leo Hindman.

January 25th, the Mothers' Circle was entertained at the home of Mrs. Riethmiller, 450 Englewood Court. Assisting hostesses were Mrs. John Bowyer, Mrs. J. R. Darby, Mrs. Claude Howard, Mrs. F. G. Meissner, Mrs. Walter Shady, Mrs. Herbert Weigman, Mrs. Darrel Wilson, Mrs. Cliff Milnor. Mrs. La Verne Richhart, Mrs. Herbert Snyder, Mrs. Ray Sanderson, Mrs. A. J. Ruble, Mrs. Arnett Bickel, Mrs. Von Rarick, Mrs. Harry Rife and Mrs. Leo Hindman.

February 22nd, the Circle will be entertained at the home of Mrs. Robert Schwartz, 2704 Springfield. Assisting hostesses are Mrs. Harry Brattain, Mrs. John Clark, Jr., Mrs. Clayton Dunton, Mrs. Frank Norton, Mrs. Carl Messerschmidt, Mrs. Albert Lutton, Mrs. Herbert Fuhrman, Mrs. A. Rosseter, Mrs. Forrest Somers, Mrs. Guy Allread, Mrs. Raymond Farrell, Mrs. Ralph Spitler, Mrs. Glen Timmis, Mrs. Evelyn Phinney, Mrs. Wilma Bell and Mrs. Francis Studler.

DeMOLAY MOTHERS' CREED

I believe in the glorious heritage of youth—its aspirations and splendid promise. I believe in the courage, honor, and innate decency of our young people. I believe in our sons. I believe in the Principles of the Order of DeMolay, as exemplified in its work of guiding our boys to better, nobler, and knightlier Manhood. I pledge my loyal support to the organization, so far as I am able.

In keeping with our creed, we have just recently presented the DeMolay boys with a beautiful new red satin marker for their Bible and new candelabra.

The year 1943 from present appearances will be very busy and eventful.

Our newly elected and appointed officers are filling their offices in a fine manner. We have conferred E.A. degrees on Bro. Leroy Baumert and Danny Snyder. The Fellowcraft degree will be conferred on three proficient E.A. on Wednesday evening. February 3.

We are planning with the gracious help of the Eastern Star Ladies a George Washington birthday party, February 23, 1954. A potluck lunch will be served after which a varied entertainment based on George Washington legend will be provitet by Masons and Stars. Members of both Orders please reserve this date for an evening of entertainment. Come and bring a friend.

May I remind eaih member to attend stated meetings to assist in conducting lodge business and to help in conferring degrees.

Here is a little song the officers of Monroeville Chapter O.E.S. are singing, "Inspection is over, Oh, happy day! Now we're in clover, Oh, happy day!"

Yes, our joint inspection with the Leo and Harlan Chapters is over, and everything was fine. Leo being the host chapter, gave the opening, Monroeville did the initiatory work, and Harlan did the closing.

Our Worthy Grand Matron, Sister Aldine Kleingman, gave a brief talk, and complimented the three chapters on their work. She is a delightfully charming person and we especially enjoyed hearing about all of the things she carries is her car, in case she gets stuck in the snow, or has car trouble.

She corrected our mistakes, and suggested we study our new rituals and learn the new changes. Our own Worthy Matron and Patron, Mr. and Mrs. Lee Witte. When your officers in the East are proficient, it is an incentive for the other officers to be on their toes.

We did our best! We stood the test! Now we can rest! Oh happy, happy day!!!

Brethren one month of the new year has rapidly gone by. It is with much pleasure that we announce the work on our temple has progressed rapidly. Our basement kitchen and recreation rooms are nearing completion. Our heartfelt thanks to our O.E.S. for their part in making this possible. Many thanks to our Bro. James Reed for the beautiful job he did in our kitchen. The wood work in the upstairs rooms is being sanded and varnished and finishes beautifully.

During the coming months we will have some initiatory work. Brothers, only by attending these meetings and taking part in this work can you derive the full meaning and pleasure of Masonry. We'll look for you at our regular meetings.

Greetings from Huntertown 689 Brothers. Jaunary was an outstanding month for your lodge, we had more visitors, more work, more eats and more fun than in some time past. If you were not there you had better come and join in the activities, for you will get out of masonry just what you put in it.

We want to thaink our Star chapter for the wonderful M.M. evening, every one enjoyed the work and the lunch: too bad more of you Bros. could not be there.

Our Secretary is getting additional equipment in order to get the word out to all the Bros. on the many activities. Will you help by getting your address changes in to him (don't forget your Dues and Masonic Home Donation. we are almost complete for the year).

For February work we will have FC° on the 11th and MM° on the 18th and 25th. Watch for your cards on additional activities.

A.F. & A.M.—F. & A.M.

Many Masons are puzzled why some Grand Lodges designate themselves A.F. & A.M. and other F. & A.M.

Before the United Grand Lodge of England was formed in 1813, there were two Grand Lodges existing in England. One was known as the "Ancients" and the other as the "Moderns." Both of these Grand Lodges issued charters to lodges in the U.S.A. Those chartered by the Moderns, which was the older Grand Lodge in England, used the title F. & A.M. Those chartered by the Ancients, used A.F. & A.M.

As for principle and ritual of Grand Lodges in the United States using either of these titles, there is practically no difference except such as the Grand Lodges legislate.

There are in the United States 49 Grand Jurisdictions of which 25 use A.F. & A.M., 23 using F. & A.M., one using A.F.M. (Ancient Free Masons) South Carolina.—Masonic Historiology.

SPAIN

The charge of being a Freemason, leveled against Mario Blasco Ibanez, son of the famed Spanish novelist, Vincinte Blasco Ibanez, has resulted in his being condemned to twelve years in prison. A Franco-Spanish court sitting in Valencia passed the sentence, according to press dispatches.—Montreal Masonic Light.

The Grand Master of Illinois is elected for two years.

A MASONIC SHRINE

The George Washington Shrine at Tappan, New York, is Masonry's own memorial in that state to the father of our country. It is maintained by the sale of Christmas cards, and last year the sum of $10,038 was collected from this source. The 250-year-old house at Tappan (known as the DeWitt house, after one of its early owners) was General Washington's headquarters at various times during the Revolutionary War, including those dark days of the trial and conviction and execution of Major Andre for espionage. It was built by a Mr. Daniel DeClark with bricks imported from Holland, and the figures of the year 1700 are still plainly visible, worked into the design of the south wall. The grounds have been beautifully landscaped in recent years and the house restored to its condition when Washing knew it, with the proceeds of the annual Christmas card sales.

The Grand Lodge has owned the property since 1932, when the then Grand Master Charles S. Johnson recommended that the fraternity take it over as a patriotic shrine rather than allow it to be opened as a roadhouse. A heating system has been installed to prevent the cracking and sagging of the stone foundation and brick walls of the 250-year-old house, and the fraternity is giving good account of its patriotic custodianship.—New York Masonic Outlook.

REVOLUTIONARY WAR MASONS

The Revolutionary War had a rather Masonic flavor; Paul Revere, who made the famous ride, was Junior Warden of St Andrew's Lodge and the man who set the lantern in the Old South Church, the beacon of the Revolution, was also a member. More than fifty of the fifty-six signers of the Declaration of Independence were Masons. All but four or five of the members of the Constitutional Convention were also Masons; Richard Henry Lee, who moved the resolution of Independence in the Continental Congress was a member of the Masonic fraternity.

Lee and the other members of that committee, Thomas Jefferson, Benjamin Franklin, John Adams, Roger Sherman and Robert L. Livingston, were members of the Order. The American Flag was made by the widow of a Mason, John Ross, and the flag was placed in the hands of Washington who was elected Grand Master of Virginia but did not accept as his duties as Commander-in-Chief of the army took all his attention and energy.

Washington took the oath of office as President upon the Bible brought from St. John's Lodge No. 1, New York, and the oath was administered by Chancellor Livingston, Grand Master of New York. The Governors of every one of the thirteen States at the time Washington was inaugurated was a Mason.

All of Washington's Brigadier Generals, except one, were Masons. The Constitution of the United States was written by Masons. Free speech, free religion, and free schools were the gifts of Masonry to America.

The congress of delegates from the different colonies convened at Philadelphia in 1774, was presided over by Payton Randolph, Provincial Grand Master of Virginia.—Moila Temple Bulletin.

GRAND LODGE OF TEXAS ERECTS GREAT MONUMENT

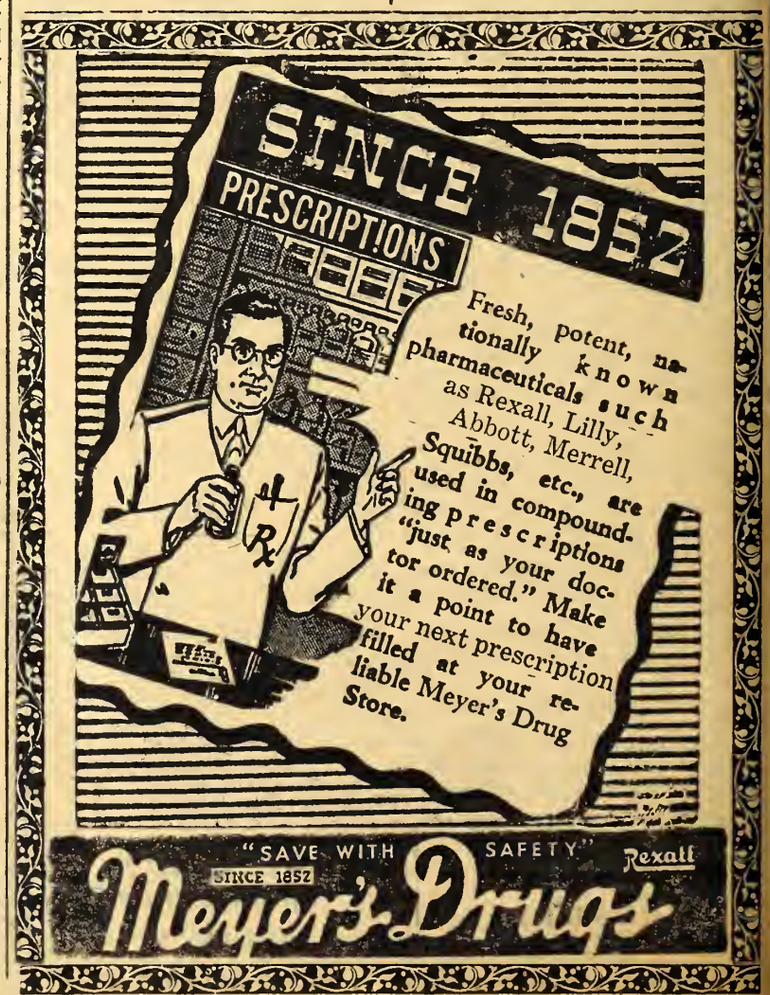
What is said to be the tallest monument of its kind in the world was erected by the Grand Lodge of Texas to commemorate the battle of San Jacinto, which gave Texas her freedom from Mexican rule. It is known as the San Jacinto Masonic Memorial, and is 570 feet and four inches tall. The monument is in the form of a Corinthian pillar surmounted by a figure of Gen. Sam Houston. One gets an idea of the great height of this monument when it is compared to the city hall tower in Milwaukee, which is 350 feet high exclusive of the flag pole which adds another 40 feet. The San Jacinto Memorial is also a museum in which are preserved many interesting exhibits pertaining to the early history of Texas. —Wisconsin Freemason.

THE HISTORY AND MEANING OF THE DOUBLE EAGLE

The beauty of the double-eagle design of the 32° is intriguing. The story behind the symbol is even more fascinating.

The Double-Headed Eagle of Lagash is the oldest royal crest in the world. It was a symbol of power more than 2,000 years before the building of King Solomon's Temple.

No other heraldic bearing, no other emblematic device of today, can cite such antiquity. It was in use a thousand years before the exodus from Egypt and has been a symbol for fifty centuries.



As a symbol in the Scottish Rite, the eagle more prominently appears in the Eighteenth, Thirtieth, Thirty-second and Thirty-third Degrees; the first being an eagle of one head, the others double-headed. The Eagle was an ensign of the ancient kings of Persia. It was a bird sacred to the sun in Egypt and Greece. It was the emblem of Jupiter, and with the Druids a symbol of the Supreme God.

The double-headed eagle first originated in the mighty Sumarian city of Lagash. As time rolled on, it passed from the Sumarians to the men of Akhad; from them to Hittites; from the denizens of Asia Minor to the Seljukian Sultans, from whom it was brought by Crusaders to the Emperors of the East and West, whose successors in later days were the Hapsburgs and the Romanoffs.

Thus, the eagle of the Eastern Empire, united with that of the West, typified the Holy Roman Empire when ancient Byzantine, or Constantine, shared with the city of Rome the honor of being the capital of that Empire.

The symbol of the double-headed eagle was first known to Freemasonry in 1758, upon the establishment of a body calling itself Emperors of the East and West, and adopted by this Council which claimed double jurisdiction; one head inclined to the East to guard any and all who might approach from that direction, the other guarding the West for a like purpose.

Its successors today are the Supreme Councils of the Thirty-third Degree who have inherited the insignia of the Rite of Perfection, a rite of Twenty-five Degrees, from which was evolved a large part of the present system of the Scottish Rite.—Cleveland Consistory.

Our Chapter has not been as busy as it should have been. Our Companions must remember that it is competent for them to do some "missionary" work among their Brothers of the Blue Lodges, explaining the meaning of York Rite Masonry, and urging them to seek further light in Masonry as represented in the various bodies of York Rite.

On Saturday evening February 27, our degree team went to Angola and conferred the Mark Master degree on a class of candidates for Angola Chapter 58 Royal Arch Masons. A good time was had by all and our Chapter at some future date will be the host for not only the Angola Chapter, but also some five or six other Chapters which have combined themselves into what is known as the North Indiana York Rite Association.

Speaking of York Rite Associations, one is now being organized in Fort Wayne. As now planned it will consist of the two chapters of Royal Arch Masons, the Council of Royal and Select Masters and the Commandery of Knights Templar. A committee of twelve consisting of the three top officers of the four bodies are acting as a steering committee, to spearhead the organization. They have been considering the plan of organization, needed officers, constitution and by-laws. Your High Priest of Fort Wayne Chapter was elected temporary chairman, who then appointed Paul Staight High Priest of Thomas R. Marshall Chapter as secretary. When temporary plans are completed, the project will be presented to the various bodies for consideration.

TO BLUE LODGE MASONS

You probably have heard it said that the three degrees of the Blue Lodge contain all the Masonry there is. While this is true, it is also true that when you build a new house, you have all the house you may need. But the house still must be furnished in the inside and beautified on the outside, to add to its desirability and value. So it is with Masonry. By taking some of the additional degrees, sometimes erroneously referred to as higher degrees, you add to the beauty and value of what you now have. There are no higher degrees in Masonry, and should not be referred to as such, but as additional degrees; which in the analogy of the new house before mentioned should round out and make more understandable that which you have received in the Blue Lodge.

Your first step in York Rite is joining one of the two chapters of Royal Arch Masons meeting in our Temple. These are known as the Fort Wayne Chapter 19, and the Thomas R. Marshall Chapter 161. The addresses and phone numbers of the High Priests and secretaries of these two chapters can be found in the Square & Compass, and petition blanks are in the racks on the second floor. Should you be interested and want more information, contact one of the High Priests or secretaries. After you have completed your work in the chapter, you will be instructed how to complete your York Rite work. We will be looking for you.

EARLY MASONIC HISTORY OF WAYNE LODGE

By Hon. John W. Dawson

The best and clearest story of our pioneer Masonic history is found in an account written by Hon. John W. Dawson in the Fort Wayne Daily Sentinel and published Saturday, April 6, 1872. It was one of a series of articles written under the heading, "Charcoal Sketches of Old Fort Wayne."

Thesc sketches were reproduced and published by the Fort Wayne Public Library in 1939.

This story is titled, "Early Masonic History—Wayne Lodge, No. 25 F & A M.

We have found this story to be authentic and it has been verified from accounts found in the early record of the Grand Lodge F & A M of Indiana.

We commend this to your reading and perusal.

Roy Welty chairman of Masonic Education and Research Committee of Maumee Lodge No. 725 F & A M.

Turning to-day from biographies and recollections of the pioneers of Fort Wayne, which have occupied my attention for a fortnight under the caption of "Charcoal Sketches," I propose in this issue of the Sentinel to give a brief of the rise and progress of Wayne Lodge, 25, of this ancient and useful order, up to 1847.

On the 2nd of March, 1823, and before the organization of Allen county, Grand Master John Sheets, resident at Madison, issued a dispensation, attested by Secretary William C. Keen, Grand Secretary, also residing at Madison, to Alexander Ewing, Worshipful Master, John P. Hedges, S.W., and Benjamin Cushman, J.W., together with all such brethren as thereafter might become members, to organize a lodge to be known as Wayne Lodge, No. 25, in the town of Fort Wayne, Randolph county, Indiana. The dispensation was presented by Worshipful Alexander Ewing, to a meeting of Masons held in this place in May of that year (1823), at which meeting there appeared, in addition to those entrusted with and named in the dispensation, Capt. James Hackley, Benjamin B. Kercheval, Master Masons, and visitors M.M.'s Gen. John Tipton, of Pisgah Lodge, No. 5, of Corydon, Indiana, Anthony L. Davis, of Franklin Lodge, No. 28, of Kentucky, Richard L. Britton, of St. John's Lodge No. 13, Ohio, John McCorkle, of No. 14, Ohio, and Robert A. Forsyth; and on reading the dispensation the lodge was opened in the first degree in ancient form—consisting of Alexander Ewing, W.M., John P. Hedges, S.W. and Secretary pro tem, B. Cushman, J.W., James Heckley, Treasurer and S.D. uro tem, and Benjamin Kercheval, S. and T. pro tem. On the 6th of June following the next meeting was held, at which the W.M. appointed Charles W. Ewing Secretary, James Heckley, S.D., Robert Hars, J.D., B. B. Kercheval, T., and William Hedges, S. and T.

Thus constituted, this Lodge proceeed to work under the same authority until the 17th of November of the same year, under a dispensation of Grand Master Thomas Douglass, of Madison, dated 10th October, Gen. John Tipton afterwards U.S. Senator from Indiana instituted the said Lodge in due form. Alex. Ewing, Sec'y; A. L. Davis, Treas.; J. Heckley and H. G. McKean, Deacons, and James Wyman, S. and T. The first regular election took place on the Christmas of that year, and Gen. Tipton was chosen the first elected W.M. after its organization. The first application for degrees was unanimously rejected. Gen. Tipton was re-elected in June, 1824 and again on the 6th of December, and re-elected each successive term till June 3rd, 1828. The first initiated member of this Lodge was Lambert Cushois, August 6th, 1824. The first celebration of St. John's Day was held June 24th, 1825—Gen. Jno. Tipton orator. First public installation of officers, December 27, 1825, at the house of Hugh Hanna. The first Masonic burial 26th May, 1826—the body of Capt. James Hackley, who committed suicide bv hanging—as I noticed in the Daily Sentinel of 3rd inst. This burial of a felo de se, though out of order, was given to gratify the widow, who as I have already said, was a half Indian daughter of Capt. Wells, a Christian and intelligent lady, and generally respected. This was an act becoming the order—they could not serve the dead—but would relieve the distressed. On the 24th of June the order had their first public dinner, prepared by Alexander Ewing; and at the meeting held June 27th theb rotherhood appropriated fifty dollars for the relief of Captain James Riley, a brother Mason then in great affliction from disease, and then in the town en route for the East for medical aid. This is the Captain Riley who laid out Willshire, O., and surveyed all the lands in this region as well as a large body in Ohio, and to whom I referred in the first part of my "Sketches." He came from Willshire here in March of that year, by boat on the St. Mary's river, in order

to have the benefit of constant medical attendance. Here he stayed until early in July, and then was removed on a feather bed, lying in a boat, and proceeded down the Maumee. In the SEQUEL to his NARRATVIE, page 26, he adds: "With my son James and proper attendants on board, we cast off, and was accompanied for several miles down the river by the Masonic Fraternity, who extended their brotherly kindness as far as possible, and are entitled to my warm and grateful consideration." He reached Fort Meigs on the 5th of July, sailed for Detroit and reached New York on the 24th.

Here I will correct an error, made in my first notice of Capt. R., wherein I state that he died at Magadore; it was on the 13th of March, 1840, that he died, and on a voyage from New York to St. Thomas, and within two day's sail of that port; he was on the 18th committed to the deep, blue sea, "on whose bosom he had spent so many years of active enjoyment, as well as of toil and peril."

The next death after Capt. Heckley, was Alexander Ewing, the father of William G. Ewing, Charles W. Ewing, Alexander Ewing, jr., and G. W. Ewing, all now dead. This event took place January 5th, and his burial was on the 27th of January, 1827. Joseph Holman was elected Master, in June, 1828, and was succeeded by Dr. Lewis G. Thompson, December 1st, 1828; he by A. L. Davis, June 1st, 1829; he by Col. Hugh Hanna, January 23, 1830; he by Absalom Holcomb, June 7th, 1830; he by Samuel Hanna, June 6th, 1831; he by A. L. Davis, December 1st, 1831; he by Capt. Henry Rudisill, February 20th, 1833; he by Major Samuel Edsall, June 10, 1833, at which meeting a committee, theretofore appointed, reported that they had sold the Lodge lot and premises for $1,328. This lot was that on which Hill & Orbison's warehouse stands, at the west end of Columbia street, north side on the Canal Basin, and the house was a two-story brick, completed about mid-summer, 1830.

From the 10th of June, 1833, after a labor of ten year, the lodge ceased to work but was re-organized and worked a few years between that and the year 1840, of which, it is regretful to say, no record is left of the proceedings—human memory alone can tell, and only a very few of those who know, live to bear the testimony of what was done.

On the 3rd of March, 1840, after public notice given to consider the propriety of again setting to work, a meeting was held, at which, Henry Rudisill presided as W.H., Samuel Edsall, S.W., H. B. Taylor, J.W., C. E. Sturgis, Sec'y, F. Comparet, Treasurer, T. Daniels, S.D., William Rockhill, J.D. and A. Holcomb, T. It continued to work prosperously until the autumn of 1847, when failing to report its dues to the Grand Lodge, its charter was suspended and the lodge ceased to work until July 4, 1849, when its charter was restored and it proceeded. It was just on the eve of this suspension in 1847 that Joseph Johnson and myself were entered, passed and raised, but of which there is no recorded evidence; the only memoranda in my possession, being a receipt of Secretary Samuel H. Shoaff for $15 initiation fee, and dated May 14, 1847. Mr. Johnson and I were offered together, but my case was put over for a while to enable Judge Samuel Stophlet and I to reconcile a "bout" which we had in the very "nick of time" growing out of my opposition to the nomination of Judge Bluffton, and which will form the subject of another sketch, in connection with Judge Ewing's celebrated Coon-skin bill, which he had theretofore endeavored to get through the Legislature in order to check-mate the American Fur Company in its opposition to his firm in buying furs in Indiana.

In closing this sketch, I have called the roll of all who are named in it, and only Mr. Shoaff, Capt. William Stewart and Peter Kiser survive. . . .

SUPPLEMENTAL

Since the foregoing was in type, a few thoughts have occurred to me on the same subject, and which are deemed of such consequence in this connection that they are added:

Wayne Lodge 25, was organized within the pickets of the "old fort" in a room at that time occupied by Gen. Tipton, and in the same room the Order worked for some time thereafter—then in a room in Washington Hall, southwest corner of Barr and Columbia streets, and in different places thereafter, until the society had built and occupied Masonic Hall. The reason that the Lodge ceased to work was the result of the anti-Masonic feeling which, though a mere lad, I remember. Public opinion in the United States grew wild, and the storm swept on like a furious hurricane, causing every opposition to fall before it. This feeling grew out of the abduction of Morgan, at Batavia, New York, by a few over-zealous Masons, because he published what was called an exposition of the secret work of the Order. This abduction caused no excitement in Canada, just across the line, between New York and that Dominion, but in the United States political demagogues siezed on it, and it became the rally cry of one party, while the friends of the Order had to succumb, and the work, therefore, was retarded many years, even until public mind returned to its polarity.

Here it is again time for the article of monthly news. I hope this finds all the brethren well and in good spirits, looking forward to spring and new work in the gardens.

Speaking of work, brethren, don't forget we will have Master Mason on the 18th of March. We have a fine candidate and it would make him feel good if we had a big turn out. Also it will be pot luck and you all know how good a feed Leo Lodge can put on. Take note of this little matter all you brethren who might like to visit Leo.

But, in all seriousness, we have a fine man taking his work and he seems deeply interested and I know he will appreciate a fine turn out.

For those brothers who have been attending of late, I have some good news, concerning the heating plant. Our good board of Trustees has gotten a price on the cold air ducts we need so badly, and about which I have heard so many remarks. The trustees also said the work could be done cheaper and sooner if we could cut the holes for the ducts ourselves. So, several of the brothers got together a couple of weeks ago and did a real fine job, except for one. Who was the guy who pounded the nail through the oil line? Now some of you brothers who have been staying away from lodge because of the fear of being gassed, you don't have to worry any more.

We had a fine Fellowcraft degree last month and I would like to thank all those who helped out so well. Don't forget to come regular as we can use your help at each and every meeting, if we have degree work or not.

Hope to see you at Lodge soon.

Yours
Bob Emslen, W.M.

Scottish Rite Cathedral . A-6495

We are rapidly approaching the dates of the spring reunion which will be held on April 20, 21, 22, 1954. Preparations are being made for a large class and for welcoming the members back to the Cathedral again.

Four degrees will be given in the Lodge of Perfection on Tuesday afternoon April 20th and the work will be concluded with conferring of the beautiful 14° the same evening.

We are again happy to announce that the 5° and the 8° will be presented by casts from Noble county and Huntington county respectively. It is always a pleasure to have the brethren from the jurisdiction take part in the degree work.

Rehearsals are being held in the different bodies and there is still time for you to get into the work in some degree. Let the presiding officer know or call the Scottish Rite office and indicate your willingness to help in this important work. A place will be found for you and you will find you have a deeper interest in the Rite by being more closely associated with it.

The last date for receiving petitions for the spring class will be Tuesday evening April 6th at 7:30 o'clock.

Dues for the year 1954 are still $5.00. They are now due and payable.

THE LITTLE BOOK OF RUTH

By Rabbi H. Geffen 32° F.P.S.

The Book of Ruth, known to all, gives us a beautiful illustration of human gratitude and attachment so seldom found on earth. But more than that, it shows us by a little sentence how children should act towards their parents: "When a child was born to Ruth, the women came and congratulated Naomi, the true and faithful mother-in-law of Ruth, and said to her: may he be one who perfected thy soul and one who nurseth thy old age." And called his name 'Obed,' that is nurser. There is not one sentence in the whole Bible, which impresses the duties of children toward their parents more beautifully than these words.

Is there anything sweeter and nobler for a good child than to refresh the soul of an aged father and mother? If the Eastern Stars will try to influence their sisters to make honesty and truthfulness the guiding stars of their life, and cultivate those pleasing manners of politicians without which human society cannot exist, then they are true children of Ruth, "who refresheth the souls of loving father or mother."

Ruth teaches us, that if old age with its bodily weakness and wearied hours descend upon one of those parents, we must help and stick to them as Ruth stuck to her mother-in-law, Naomi.

It teaches the Eastern Star what an elevating and happy feeling must it be for the sisters to be able to become the "Nurses" of old age, as Ruth was to Naomi.

Old age requires a peculiar treatment. If patience is generally considered a virtue, in the feature of man's soul, in the treatment of old age it becomes the noblest attribute, and if the power of entertaining or amusing the young is highly commandable, how much gratifying and pleasing must it be to shorten by a congenial pastime the dreary hours of old age.

Ruth devoted herself to all those virtual qualities towards Naomi. The child who was born to Ruth was called "Obed," that is one who refreshes the soul and nurses old age.

Ruth's children imitated their mother, and it is the duty of the Sisters of Eastern Star to imitate Ruth too, to become "Obed," nurses of filial affection, "Obeds," nurses of grateful sentiments, of principles that will elevate and beautify their character.

GEORGE R. KIRKUP

We regret to record the sudden death of George R. Kirkup that occurred March 3rd. George was High Priest of Fort Wayne Chapter 19 Royal Arch Masons in 1949 and since then has been the treasurer of that body. He was a member of Sol D. Bayless Lodge and all of the Fort Wayne York Rite and Scottish Rite bodies. For the last forty years he has been employed in the financial department of the Medical Protective Company. His pleasing personality will be missed by his legion of friends.

ANDREW JACKSON

Andrew Johnson, the 17th President was a Royal Arch Mason and made a Knight Templar July 26, 1859, in Nashville Commandery No. 1, K.T., and at death was interred with Templar ceremonies.

I wish to congratulate the members 293 for the very commendable way the M.M.° was exemplified for Brothers Craig, Snyder and Beaumert on Saturday, Feb. 20th.

A Swiss steak banquet was served at 6:00 p.m., which was well received and enjoyed by all present.

We still have labors to perform, so keep your noses in your rituals. Attend meetings and practice sessions so we may become as proficient as we expect of our candidates.

The Monroeville chapter 205 O.E.S. held its election of officers on Feb. 10. The following were elected to offices: Worthy Matron, Louella Raber; Worthy Patron, Howard Fugate; Associate Matron, Ferrol Van Buskirk; Associate Patron, Lee Witte; Secretary, Doris Fuelling; Treasurer, Marjorie Powelson; Conductress, Dorothy Adams and Associate Conductress, Winifred Shafer. Our Worthy Matron elect has appointed the following officers: Chaplain, Mary Alice Barkley; Marshal, Helen Witte; Organist, Ella Peckham; Adah, Patricia Chausse; Ruth, Ruth Grogg; Esther, Wanda Fugate; Martha, Ramona Krieger; Electa, M. Eleanor Bowyer; Warder, Mary Clem and Sentinel, Harry Vondrran.

At the meeting on Feb. 24, it was decided by vote, to have a public Installation to be held Saturday evening, March 27 at 8 o'clock. We extend a cordial invitation to any of our friends, who feel they would like to come, and spend an evening with us.

The year is about to end and from the bottom of our hearts we say, "Thank you, Helen and Lee, for a wonderful year."

We had a splendid turnout for the Washington Birthday Party and a good time was had by all. Why can't we do this more often?

If you missed the meeting on February 23rd you missed a fine film, "A Day in Court," it was very enjoyable. I would like to thank Bill Spice for his willing service in operating the film projector.

Our Chapter is surely having some fine events. Tournament Trot Dance, March 5th—Woody Neff's orchestra. Initiatory degree, March 9th with 17 candidates. This is a jump from the four candidates last time. What do you say that we keep increasing this to many more in the future. Devotional Day Sunday, March 14th. Wayne St. Methodist church.

Stated meeting, March 23rd we are having a State Trooper, who will give us a talk and end with a film. I am sure it will be most interesting. I wish that when we have entertainment the members would not leave unless absolutely necessary as it is not courteous to the person giving his valuable time to come and entertain our chapter.

Entertainment on April 13th meeting. Our entertainment committee with Bill Pomp as chairman have cooked up something fine for this occasion.

IMPORTANT! There will be an Initiatory degree on April 27th. NOTICE! All petitions must be presented by the March 23rd meeting to receive the final degrees this spring in Fort Wayne. Talk to each one you have handed a petition and solicited their membership that this is the final and the petition should be presented by that date.

Mother-Son Banquet will be May 13th, unless some conflictions develop.

Congratulations to Charles Gibbs, who did a fine job as the male lead in the Civic Theater production, "Our Town."

Dues are over due. We want you to continue your membership—as in future years you will be proud to say I am a DeMolay.

DE MOLAY MOTHER'S CIRCLE

It has come to our attention that in the month of March 1847, the most famous (to all women) of all American scientists was born—Alexander Graham Bell, who invented the telephone.

The Mothers' Circle kept the wires humming to help "Dad" Riethmiller realize an idea he has been thinking of for a long time. February 18th, at 6:30 p.m., the first dinner for the purpose of helping new members in DeMolay to become better acquainted with each other and to show appreciation to the officers and other boys who help with the ceremonies for the degrees. Reservations were made for 88 boys. They included the officers and helpers under past M.C. Bill Pomp, present M.C. Dick Brantingham and candidates who received the degrees in the last 6 months.

The following mothers helped plan, prepare and serve the dinner: Mrs. Roger Stroble, Mrs. Leo Hindman, Mrs. Danley Scheibel, Mrs. A. Weubenhorst, Mrs. A. Ruble, Mrs. L. Richart, Mrs. R. Passwater, Mrs. T. Sheets, Mrs. R. Cherrington, Mrs. W. Pomp, Mrs. A. Bickel, Mrs. J. Gould, Mrs. D. Findley, Mrs. C. Sills, Mrs. E. Stephan, Mrs. D. Sims, Mrs. H. Riethmiller, Mrs. L. Miller, and Mrs. R. Strodel.

Our March 22nd meeting was held at the new Franke park pavilion. The hostesses were as follows: Mrs. Robert Passwater, Mrs. Blackledge, Mrs. Lester Beck, Mrs. Howard Blanton, Mrs. Gordon Bradley, Mrs. Emil Crebb, Mrs. Lewis Davison, Mrs. Harry Detter, Mrs. Thomas Franklin, Mrs. Jay Gould, Mrs. Lloyd Miller, Mrs. Delbert Noren, Mrs. William Pomp, Mrs. Danley Schiebel, Mrs. Charles Sills, Mrs. Rose Strodel and Mrs. Leslie Wilson.

Our record book is now open at the last page. In a few weeks, the final flourish of the pen will mark the end of another completed volume of fraternal service.

Miriam Shrine celebrated its 32nd birthday at the February 1st stated meeting. A free dinner was served at 6:30 p.m., with Past High Priestesses, Past Watchmen and charter members as honored guests. A vote of thanks goes to the kitchen committee; namely, Sojs. Mary Duncan, Lillian Gocke, Viretta Schaefer and Katherine Doubt for the excellent food and attractive decorations. May "God's Little Candles" continued to adorn our spiritual birthday cakes for many years to come.

At the February 15th stated meeting, general revision of our by-laws received favorable vote, however, to final approval of Supreme Shrine.

An impressive memorial service was held for the following sojourners who departed their earthly life during our calendar year.

Ross Hindman, Grover Scheid, Sarah Sloan, Ella Coover, Ernest Lewellen, Bertha Pawlisch, Lou Maude Miller, Emma Schlink, Rollin Bixler, Clarence Comincavish and Mildred Koster.

"They are not dead, those loved ones who have passed
Beyond our vision for a little while;
They have but reached the light, while we still grope in Darkness where we cannot see them smile."

Miriam Shrine Patrol met for an organizational meeting February 15th. The new formal drill team will be directed by Soj. Irene Gaff.

Election of officers and annual reports will highlight our March 1st stated meeting.

Our Shrine will be hostess to the District Noble Prophetess Study Club at Scars Pavilion, Sunday afternoon, March 7th.

The Queens Attendants will hold their end of the year party at the Airport Restaurant on March 2nd.

Officers and committee members will be entertained with a dinner at Rose Manor Monday evening, March 8th.

Illness: Sojourners who have been ill and are now wholly or much improved include Ruth Gearhart, Hazel Berke, Mary Wilson, Mildred Igney and Charles Paul.

Illness in Families of Sojourners: Father of DeEtta Arnold is at home. His condition is only fair; Lily and Peggy Lewellen have recovered from the effects of an auto accident; Daughter of Loreliea Prior is recovering also from an auto accident; Sister of Pearl Helmer is in Wells County Hospital; Daughter of Art Hickman has been ill; Daughter-in-law of Edith McComb; Son of Florence Stocks had a tonsillectomy; Husband of Ruth White had a minor accident while painting.

Shut-Ins include: Sojourners Faith Hively, Clara Kirby, Nellie Hughes and Carrie Baus.

Deaths: Husband of Marie Hayes and Brother of Myrtle Glass.

May all those who have been ill enjoy speedy good health. Our sympathy goes to the families who have suffered bereavements, and a friendly hello to our shut-ins.

January 25th was a night long to be remembered—the Committees' party for the Worthy Matron and Worthy Patron. A delicious chicken dinner was served, the tables were beautifully decorated with our colors of yellow and green, corsages and buttonieres were given to all as favors, and a clever pantomime provided the program. The skit was written and read by Dorothy Vallance and the various officers and committee chairmen gave their tributes and re-enacted an outstanding event from each chapter meeting during the year. The pantomines were given in a large picture frame provided on a stage, and the clever music and songs used as a background were provided by our choir and organist, Nella Putnam. The general theme of the party was "June in January." Sister Anna Kesler, the Associate Matron planned the party and to her and the other officers and chairmen we give a big "thank you." Beautiful gifts were presented the Worthy Matron and Worthy Patron.

Our annual card party February 2 was a huge success. Many attendance prizes were awarded, the style show was given by Patterson Fletcher, and nice table prizes were given. A bake sale that night also proved to be a big success.

Now, March is here with all its year end parties, its final completion of this year's programs, and its plans for Installation for the new officers. Your Worthy Matron and Worthy Patron, along with the other officers, wish to express our sincere appreciation to all of you who have helped to make this year one which will leave us with an abundance of happy memories. The committees all have done their work so well, and to them, as well as to all on the side lines who have been so loyal. we are deeply indebted. We are leaving you with a prayer of thankfulness in our hearts, numerous happy memories which we always shall treasure, and our very best wishes to Anna and Leonard and their corps of new officers for a wonderful and beautiful year.

With love and appreciation from your officers: Audrey O. Helmuth, Worthy Matron; William A. Brown, Worthy Patron; Anna Kesler, Associate Matron; Leonard Fletter, Associate Patron; Elizabeth West, Secretary; Rose C. Rose, Treasurer; Charlotte Blauvelt, Conductress; Adella Davison, Associate Conductress; Eleanor Pohler, Chaplain; Dorothy Vallance, Marshal; Nella Putnam, Organist; Margaret Rohr, Adah; Martha Neith, Ruth; Betty Scheeler, Esther; Marie Stephan, Martha; Lucile Spore, Electa; Margaret Slagle, Warder; Clarence Christopher, Sentinel and Katherine Doudt, Prompter.

Why do men love Masonry? What lure leads them to it? What spell holds them through the long years? What strand is it that tugs at our hearts, taunt, when so many threads are broken by the rough way of the world? What sacred, secret things do the mountains whisper to the hillman? What mystery does the sea tell to the sailor; the desert to the Arab; the Arctic ice to the explorer; the stars to the asronomer?

When we have answered these questions perhaps we may divine the magic of Masonry. Who knows what it is, or how, or why, unless it be the long cable tow of God, running from heart to heart.

On Saturday evening, May 1st we will entertain the Corinthian club, with dinner served at 6:30 p.m. in the dining room of the temple, followed by a short but entertaining program. May we all strive to make this an outstanding social event.

We are grieved to announce the death on February 20th of Mrs. Helen Keuneke, wife of P.M. Otto Keuneke. To Brother Keuneke and family we extend our deepest sympathy.

Be sure to notify us of any change of address.

Why do Masons enjoy the hour spent at refreshment? Why do we, in our own homes enjoy sitting at the kitchen table, or in the breakfast nook, with our families, our neighbors and our friends?

How very enjoyable is that sandwich and cup of coffee when you are with those you cherish and admire? By nature we humans are lonely creatures and our lives would be dismal indeed were it not for the association that brings friends and brothers together so they may forget, momentarily at least, the pressure and discouragement of the day and relax in an atmosphere of social and fraternal enjoyment.

Where could you find more fellowship, more understanding, more brotherly love? What could be more appropriate to prepare us in mind and spirit so we may benefit from the degrees on our return to the lodge?

To assist in making these meetings possible the following brothers, who comprise our refreshment committee, give their time and labor, striving to render all possible assistance that the craft may have pleasure and the Worshipful Master profit thereby:-

Robert Coar, co-chairman, James Bliss, co-chairman; Ora V. Martin, William G. Hoelle, Frank Archbold, W. M. Schlie, W. C. Teagarden, Yoland Wilson, Carl Schlenker, Jack Heininger, Harry Howenstine, Richard Salisbury, Scotty Fraser, John B. Thomas, Robert L. Williams, Emmitt Bliss, Robert Porter, William C. Williams, Ervin Stephen, Kenneth Ormerod, William Schroeder, Robert K. Drake, Frank Hickman, Roy McKee, Louis Hopper, Orman R. Martin, Carl W. Meyer, William Aiken, Alerton Gindlesparger, Basil Squires, John Hammond, Cleo Stirn, William Maxwell, Arland Werker, Harry Wartenbe, Boyd Fisher, Robert Ping, Hugh Stinson, Norvelle Schepelman, Don Hirons, Donald M. Overmeyer, Alfred Hansen, Earl Blauvelt, John F. Wilson, Arthur Sheteron, Oscar Fleming, Harold Wolford, William Clifton, Clarence Puff, John G. Eby, H. Murray Petty, Donald P. Motter, Carroll F. Long, Floyd P. Brown, Archie Ray Meyers, Delbert Rose, Richard Shoaf, Bill Adler, James C. Wire, Eugene R. Whicker, Joe Pyle, Byron Drew, Paul E. Evans, Harold Kitzmiller, Ralph Latham, Tom B. Brown, Jack B. Newton, Albert Mason and Samuel J. Tannas.

Their friendly greeting mixed with occasional banter and their service with a smile is a token of the satisfaction derived from a duty they regard as a pleasure rather than an obligation.

We, who carry on as your officers, realize the value of active committee membership, without which our efforts would be in vain and with which all of us may enjoy the benefits of a successful year. To you and to those who serve in other capacities, we express our sincere appreciation for the cooperation given, knowing it will continue throughout the months that lie ahead.

To the families of Bros. Michael Flaig, Montgomery G. Beaver and Leonard Harsch we extend our heartfelt sympathy. How sweet are the memories of those who have gone. May the recollection of their good deeds ever live in our hearts and minds.

Our congratulations to Bros. M. Wayne Truelock, Donald J. Hatch and Paul E. Painter, who received the degrees of Masonry during the month of February.

When visiting at the Irene Byron Sanitorium be sure to drop in and see Bro. William A. Moore. He will appreciate your calling.

Remember our square dance, Saturday March 27. Tickets will be available at the door for those who are late in deciding to come and enjoy the fun.

The next stated meeting of the Council will be Wednesday, March 17, 1954, starting at 7:30 p.m. Will you be there?

The Cryptic Degrees of the Council have a divine quality which endear them to all who are privileged to receive them. Your officers are doing a fine and impressive job of conferring the Work. So why not ask your Chapter and Blue Lodge friends to join us? You will thus assist Fort Wayne Council in continuing its steady progress and also receive the thanks of your friends for pointing the way to the benefits of the two beautiful and inspirational degrees they received.

Arrangements are about completed for our annual Easter Sun Rise service, Sunday April 18. P.E.C. Winning has engaged the services of Rev. Willard H. Zinke, pastor of Salem Reformed Church as our speaker and the Scottish Rite Choir for special music. Sir Knight Thrasher promises the traditional ham and egg breakfast will be served after the completion of the services. A charge of seventy-five cents per person will be made for the breakfast. P.E.C. Klomp and Sir Knight Walda are in charge of tickets and will greet you at the door as you enter. Please plan to attend this ceremony commemorating the Rising of Our Blessed Emmanuel. You will receive your program by mail soon. Sir Knights, their ladies, Master Masons and their friends are welcome. Sir Knights in uniform, less arms please.

After months of deliberation plans are definitely being made for the conferring of the 7th degree in the Scottish Rite by a Knights Templar cast. Sir Knights Carter Palmer and Donald Thrasher are the prime movers in this endeavor. P.E.C. Howard Etzold has consented to be director of the work. At present it is planned to confer this degree in the fall of 1955 or spring 1956. Convocation of the A.A.S.R. If you hold membership in the Knights Templar and Scottish Rite Bodies and wish to take part in the conferring of this degree please make your wishes known. A cast of fifty Sir Knights will be required.

No definite information has been received as yet relative to the Grand Conclave in Indianapolis May 11-12 and 13. This much is known. 9:00 a.m. Wednesday May 12 Grand Commandery will open. 12 Noon, lunch at Masonic Temple. Early afternoon conferring of the Order of the Temple by a picked cast. 4:00 p.m., exhibition drill at Murat Shrine Temple. At completion of drill, parade. from Murat Temple to Scottish Rite Cathedral for dinner followed by entertainment for Sir Knights and Ladies 9:00 a.m. Thursday May 13 concluding session of Grand Commandery. As soon as further information is received it will be passed on to you. A good representation from Fort Wayne would be greatly appreciated by your Commander.

We have been quite busy in the Commandery during the past month, concluding with the Order of the Temple, Thursday February 11. John R. Worthman, Jack M. Walker and Robert C. LeSure were dubbed and created Knights of the Valient and Magnaminous Order of the Temple. We have one candidate elected for the Orders this coming month and two petitions to act on at our Stated Conclave March 18.

Fort Wayne Commandery has been invited to be the guests of Marion Commandery 21 to confer the Order of Malta in full form on a large class of candidates. No definite date has been decided on as yet for this visitation.

Within the past month we have been called upon to perform the last sad Rite for two departed Sir Knights. January 16, William F. Simmons and February 12, Walter F. Hayes, our Sentinel departed this life. To the families of our departed Brothers in Arms our sincere sympathy.

Perhaps you have been puzzled by the title you bear, "Knights Templar," often incorrectly spelled Knight Templars . . . History informs us it came about in this wise. After the capture of Jerusalem from the Moslems in 1099. Baldwin II then King of Jerusalem in 1118 granted the Knights in return for their valuable service quarters in a structure on Mount Moriah known as Solomons Temple, (not the original Solomons Temple of Biblical and Masonic fame) a Byzantine Church which had been transformed into the Mosque of Omar. It was from this Temple that the Knights took the name of Knights of the Temple or Templars and finally Knights Templar.

MASONRY IN RUSSIA

"Freemasonry was introduced into Russia early in the eighteenth century. There was an English Provincial Grand Master for Russia in 1731 and the first Lodge is supposed to have been established there in 1740. Masonry prospered in Russia under Catherine the Great from about 1762 to about 1794 and again under Alexander I from 1801 to 1822. Tolstoi has much to say about Free Masonry in his great story, "War and Peace," and describes a Masonic Degree. Early in the present century there were several Lodges in Paris conferring the Masonic ritual in the Russian language. At present, Freemasonry is under a

Again I say—as I take by pen in hand—where has the time flown so fast since my last writing. It seems as only yesterday that I finished my last article. We have been having very good attendance at our last few meetings and to this your officers are very grateful. It is very true that the degree work is put on for the candidates, but all of us as a sideliner can also gain konwledge at each exemplification of the work. I am glad to report that the reorganization of the Fellowcraft team is progressing nicely, but at this writing I can not give very many facts on it. Perhaps in the very near future we can announce the officers of the team. Let's all get out and give the team a hand. If there are any who would like to take part on the team, please contact any of the lodge officers. Your fellowcraft team needs you—won't you help them? That sounds like a plea for help and it is just that. We have quite a lot of work ahead during the next 2 or 3 months.

We are sorry that the installation team was listed erroneously in last month's issue To correct this, the team was composed of Al Spencer, Installing Master. Abner Wolverton, Installing Marshall; and George Winchell, Installing Chaplain.

We were glad to have Chester Lincoln visit us at the Stated Meeting, and are looking forward to seeing him in lodge again. I am glad to report Jerry Forst is recovering nicely from an operation and is again home.

There is always something to look forward to and here are two important dates. Mark them on your calendar and do not miss them. On April 10 we will again have our now famous Smorgesbord dinner and mixed dance. Come one and all and have fun. This will be open to your friends. On May 24 will be our Annual Charter Nite banquet. Don't miss this.

Again in closing I urge you to attend your lodge meetings. Meet and know your new officers. Looking forward to seeing you in lodge, I remain.

How time does fly! Another month has passed and here we are, ready to bring you up to date on the activities of our assembly.

We are still enjoying the hospitality and good eats provided by the Sir Knights of the Commandery Drill Corps. My, was that oyster stew good! On March 2nd, there will be a potluck in the kitchen given by the Sir Knights—ladies invited. Here's your chance to cook up something special and enjoy an hour of sociability and, of course, attend assembly after. We'll be looking for you.

Word has been going 'round about plans for a card party in April. You'll be hearing more about this later. I hear the ladies really had a great time at the sewing, held at the home of Mrs. Vance Knight. There were fifteen present and believe it or not, besides having fun a great deal was accomplished at the sewing machines and basting tables. Make it a point to come to the home of Mrs. Norman Hamilton an March 18th, 10 a.m. and see for yourself how much fun it is and don't forget to bring along a sandwich or two for your lunch.

I am wondering what would happen if each of us would appoint herself a committee of one to attend our first initiatory class on March 16? It's not impossible, you know, and it would certainly be a thrill for your Worthy President and her officers and think what a fine impression we would give to the candidates. Who knows? you might like it so well, you would make it a habit to attend regularly.

We are happy to hear that Sir Knight Jerry Forst is convalescing at home and doing fine. Sister Lilliebelle Michelfelder is confined to her bed for a few days with a virus infection. Little Bruce Kreckman has been ill this past week. We wish them a very speedy recovery. Our sincere sympathy goes to Mrs. Walter Hayes in the death of her husband, Sir Knight Walter Hayes.

They say that a woman is never lacking for something to talk about, but I've reached the end of my line. Until April, Adieu.

One of the most stirring dramas put on by the South Bend Consistory is the 20°. Its splendid cast is to be brought to Fort Wayne to exemplify that thrilling patriotic degree in our new auditorium on Wednesday evening, April 21, as a high light of our Spring Convocation.

The 20° will open promptly at eight o'clock on Wednesday evening with the full cast of the South Bend Valley on our large auditorium stage. It will be an exccellent opportunity for you to bring a few of the Sublime Princes along with you for an inspiring evening right in the heart of the Convocation.

There are reasons a plenty why you can go all out in getting the petitions of one or two of your Blue Lodge brethren for the coming Convocation. It will be a beautiful and impressive program all the way through from Tuesday afternoon until the end of the banquet.

The 23° will go on Thursday morning immediately after the class organization. That degree is filled with high dramatic action.

The brethren from Wells County will present the 26° on Thursday afternoon at one-thirty. This is not a new venture for the brethren from the Bluffton territory as they have exemplified this work several times in the past.

A strong cast will put on both sections of the 32° at three-thirty Thursday afternoon. It will make a proper climax to an array of vital lessons taught in pageantry and forceful speech.

Our banquet speaker for Thursday evening is a national figure as a Masonic orator. He recently addressed a national gathering of Masonic Clubs in Washington. He is John B. Hubbard of Park Ridge, Ill., Past Grand Orator of Illinois and Past Honorary Grand Chaplain of the Grand Lodge of Alberta, Canada. He will speak on the challenging subject "Masons March."

EASTER SUNDAY, APRIL 5th 1953

It is claimed that the first Easter Sunrise Service, participated in by Knights Templar, was in Washington, D. C., at the Walter Reed Army Hospital Grounds at 7:30 A.M., April 8, 1928, which will be 25 years ago this coming Easter Sunday, April 5, 1953.

In 1929 and 1930 the Grand Commandery of the District of Columbia officially participated in the Sunrise Service at Walter Reed Hospital as an organized body This will be a 24th Anniversary to be celebrated in 1953.

In 1931 the first Knights Templar service was held in Arlington National Cemetery in Virginia.

In 1936 the Grand Commandery of Virginia joined with the District of Columbia Grand Commandery in holding this Templar service.

The sponsorship of Virginia and the District of Columbia continued until 1941. In that year the first service sponsored by the Grand Encampment of Knights Templar of U.S.A. was conducted. —Grand Encampment Review.

The Craft team elected officers after Lodge was closed on Stated Meeting February 2.

Officers elected are as follows: Francis Ray, President; Wayne Hutchison, Vice-president; William Wiggs, Secretary and Treasurer; and P.M., James Farrar and Ralph Roller, Coaches.

The meeting was very well attended and the officers of Home Lodge 342 are happy to see that more of the Craft are interested in taking a part in the degree work.

KEEP COMING! WE NEED YOUR HELP.

We again call attention to the Annual "Past Masters Night" which will be held on March 30. Plans are well under way and a fine program is promised. Brother Cles Erb has obtained Brother J. Maurice Thompson of Huntington, Ind., as the speaker for this occasion. Brother Thompson comes to us well recommended as a Masonic speaker and we are sure that his address will be enjoyed by all who attend. Get your ticket from any of the officers.

We are happy to report that some of the Brothers who have been ill are improved and able to get around again.

With inspection in the very near future, everyone is looking forward to the banquet and meeting with great expectations. The committee is working along right on schedule and every committee meeting makes the project a prettier picture. The Banquet is at 6 p. m. and the meeting at 7:30, For dinner reservations call H-6240, K4178, or H-8653.

March has been a very busy month for the Bethel. On March 2 we had initiation. The class was lovely, and the work should place the officers more at ease because it was well done.

The officers put on the work for Trinity Chapter O.E.S, on March 5. They enjoyed it and extend a big thanks to Trinity Chapter for the invitation.

Sunday, March 7, Job's Daughters, their parents and friends attended the Queen's church, Grace Evangelical and Reformed. The turnout was nice and the service beautiful.

On March 16, the Bethel was host to Past Queens, Past Guardians and Associate Guardians. Their support on the sidelines is unexcelled and it is our wish that they return often. Thank you for the special effort to attend this meeting.

Before closing may I say that the supper for our Moms and Dads held after much confusion and reversal of plans was a tremendous success. The attendance was well over 200. I believe everyone present will join me in extending an extra big "Thanks" to Mrs. Petty and the women who prepared the supper, and Rosie Roof and her committee who made the decorations. We hope the parents will come back often to visit us.

In April we have only one meeting, April 5. There will be a bake sale at the Wolf & Dessauer booth, April 17.

God bless you all.

MASONIC CONSCIOUSNESS

By V. L. Hickerson, Amarillo, Texas

I am conscious that I am a Mason when I am sorely tempted to allow my passions to betray me beyond due bounds.

I am conscious that I am a Mason when I am called upon to assist a young Brother "in his work," when, perhaps it means relinquishing a leisure hour.

I am conscious that I am a Mason when I take time during a busy day to help a fellow man; to say an encouraging word, or to asist someone less fortunate than myself.

I am conscious that I am a Mason when I am called upon to attend a funeral for some Brother perhaps personally unknown to me, who has gone to the Celestial Lodge above.

I am conscious that I am a Mason when I visit a Brother who is ill and lend him encouragement.

I am conscious that I am a Mason when on my bended knees I remember a Brother in distress, or invoke the aid of Deity in my own undertakings.

I am conscious that I am a Mason everyday of my life that consciousness leads me to walk proudly and uprightly before God and man, serene in the hope of immortality.

As you read this issue of the Square & Compass, we will be well into the month of March and looking forward to our annual Home Coming. We are hoping to make this the event of the year. I am sure the Past Masters have the date circled on their calendars. To be sure of a place at the table, call your Secretary or the Master and reserve one. The date is March 25, 1954. Do it now!

During the month of February, we received into the brotherhood of Wayne Lodge by degrees two members, and we received also one by transfer and one by restoration. To these new brethren, we extend a brother's welcome.

Your Fellowcraft Club was very busy in February. They sponsored a square dance February 5, which was very well attended. They also had a get-together at Brother McDowell's home on February 12. A good time was had by all.

Wayne Lodge lost two of its members in the past 30 days. Services were held for George Wehrmeister and Hugh "Pat" Miller. We extend our deepest sympathy to their families and many friends.

For all the sick brethren, we pray for a speedy recovery.

The first two months of Maumee Lodge have been quite busy and I am just beginning to get my footing as your new Master. Your committees are all hard at work and all reports from them are favorable. I could write many pages complimenting your officers, the Fellowcraft club, the committees and all the Brethren that are participating in the activities of the Lodge. The meetings have been very will attended, yet we all know that there are many members that would attend if they were urged to do so by one of our active members. We need more Masons who are members not just Emblem wearers. We must not lose sight of the real purpose of our Fraternity; the giving of one's self to a cause, the Fatherhood of God and the Brotherhood of Man. Let us all come to the Lodge meetings and bring along as many members as we can. You will enjoy the wonderful fellowship and gain much personal pleasure and satisfaction from being active in the craft.

During the month of February we had two kitchen suppers on Entered Apprentices and Master Masons degree nights. Our Junior Warden, Bro. Bill Gingher is to be complimented on his splendid job of feeding the Craft.

On February 12th another link in the chain of Masonic Brotherhood was broken. Walter Hayes was called from our midst by the Supreme Grand Master. To the family and his many friends we extend our sincere sympathy.

The month of February did not go by without father time claiming one of our long standing members. Bro. Lee Holopeter was a member for many years. We had been looking forward to the time we could present our deceased Bro. his 50-year pin. Our deepest sympathy to his widow and friends.

To you brothers who have not attended lodge, you owe it to yourselves to come see our lodge rooms and kitchen. We have initiatory work coming up so come help us. The kitchen being completed we have lunch and a social hour after all meetings. Come join us. We are discovering so much more in our fellowship.

During the past month Shiloh has enjoyed several pleasant functions which were an inspiration to all present.

The annual Points party was held Tuesday evening, January 19th. The decorations were very lovely. The guest table was decorated with a flower centerpiece and candles. The other tables were decorated with gay colored potluck napkins which were individual favors. A lovely lunch was served. Phyliss Krouse and Sharon Shoemaker, nieces of our Worthy Matron, rendered several piano selections. The honored guests were introduced, presented with very nice gifts, who in turn responded with thanks and short talks. The remainder of the evening was spent playing cards.

Friends Night was observed at our stated meeting, January 28th. Guest officers from surrounding chapters filled the stations. All officers accepted the extended invitation. Following chapter a humorous skit was presented by several men of the chapter. Refreshments were then served on the Mezzanine by Southwest and Southeast sections. The refreshment tables and chapter room were made beautiful by the decorating committee.

Election of officers was held at our regular meeting, February 11th, with the following officers elected: Worthy Matron, Edna Elzey; Worthy Patron, Paul Elzey; Associate Matron, Laverne Shaffer; Associate Patron, Grant Michelfelder; Secretary, Florence Obetz; Treasurer, Frieda Brooks; Conductress, Justine Miller; Associate Conductress, Mabel Spencer. Officers-elect will be installed at 7:30, March 30th. Our own Lettie Dickey will be the installing officer.

The Choir will present a special Stephen Foster program in honor of our Worthy Matron on our stated meeting night, February 25th. This will be a dramatization based upon the life and most outstanding songs of Stephen Foster. Irene Dill wrote the script and will act as narrator. The setting and costumes will be authentic for that period of time.

Committee Recognition night will be observed at our stated meeting, March 11th.

YORK RITE ASSOCIATION

To further the interests of York Rite Masonry in Fort Wayne, an association of the York Rite Bodies is being formed. Fort Wayne and Thomas R. Marshall Chapters of Royal Arch Masons, the Fort Wayne Council of Royal and Select Masters, and the Fort Wayne Commandery of Knights Templars will be invited to join this association. A temporary committee of twelve, consisting of the three top officers of these bodies has been considering the type of organization, needed officers and by-laws.

Thomas W. Carnum, H.P. of Fort Wayne Chapter was elected temporary chairman, who appointed Paul Staight as secretary. Plans for this association when completed will be presented to the various bodies for their consideration.

There are organizations of York Rite bodies in many parts of the state, and have been found to be of benefit in furthering the interests and understanding of York Rite. The Grand Chapter, Grand Council and Grand Commandery of Indiana have formed such an organization. So we here in Fort Wayne are following a trend that is past the experimental stages. It is hoped that the bodies of York Rite here in Fort Wayne will seriously consider this project and vigorously get behind it.

Brethren, another month has passed. We are still working every Monday and looking for you. We have had only one candidate for February, but will have plenty of work for March. Your help and attendance would be greatly appreciated. We hope to have a dinner for M.M. Night if at all possible.

We are planning a Dinner Dance for Saturday, March 20. Chicken dinner at 6:30, after which we will have entertainment. Dancing or cards 8:30 to 11:30. Bro. Woody Neff and orchestra to furnish music. We are hoping to have a good attendance. We have tried to find the kind of an affair to please the most members, for several years. Is this the one you like best? Let's have a real turn out.

Another of our brothers has passed on. Brother Maurice C. Benward, we extend our sympathy to his family.

We have several sick brothers, Glen Wolfcale, Fred M. Lucas, Robert Butler, Milton Northrup and Leslie Yager. Brother Frank Manning has gone to the hospital for an operation. We wish them all a speedy recovery. If anyone knows of any other sick brothers, please notify your officers.

Our Fellowcraft Club is still doing the usual good work. They are still looking for good workers. Why not join them? You will really enjoy it. Your Senior Warden, Bro. McGraw, received a nice letter, from a brother complimenting him, the officers, and Craft on the nice work they did on the M.M. degree of February. Just proving that I have a fine line of officers. Come down and see them, and join in the work. See how much you get out of it!

We will be looking for you.

Brethren: The officers of your lodge especially invite you to come and participate in our labors on March 11. That is the time and Poe is the place. There will be M.M. degree and refreshments, also we are anticipating a visit of a 63-year member who has recently returned from Puerto Rico.

There was once an eminent brother who was honored for his fidelity and if you chance to visit lodge, I ask you to keep this in mind as you pass by the Tyler and as you listen to our excellent lecturer. This trait is the time honored mark of a good Mason and only our own individual record will bear witness to it.

On Thursday evening, March 4th, we invited the public to an open meeting of our Lodge, when Brother William B. Reichelderfer was presented with a fifty year button from the Grand Lodge of Indiana. The Grand Master appointed Brother Edwin R. Thomas of Fort Wayne to make the presentation. Brother Thomas, a Past Commander-in-chief of Fort Wayne Consistory, and a 33rd degree Scottish Rite Mason, is this year the Potentate of Mizpah Temple, A.A.O.N.M.S. He made the presentation in his most gracious manner to our greatly respected Brother.

The Trustees have been redecorating the recreation, dining room and kitchen of our Temple. They have also laid a new floor covering in the hall. We doubt very much if you will recognize your Temple when you attend lodge next time. Better come this month as we have three candidates, who are receiving their degrees.

We regret to report the death last month of Brother Lester E. Foote of Carthage, Illinois. Funeral services were given by the Carthage Masonic Lodge.

Greetings from Huntertown Lodge 689. Another month has gone and another spring is here. Behold how swiftly time flies. Have you been to lodge lately if not better go, for you get out of Masonry just what you put in.

March is to be another busy month with business on the 4th; E.P. the 11th; F.C. the 18th; and M.M. the 25th. We also plan on going visiting this month to Poe, Albion, Huntington, Fort Wayne and Edgerton, Ohio. Better go along.

Plans for a neon sign displaying our lodge emblems are progressing and should be complete next month. Your entertainment committee is working on some special spring events, look for your cards.

Not too much from the ladies this month, except the end of another successful year and big plans for the coming year.

Yours

The timid warmth of spring is pecking from every corner—the privilege of seeing the first robin has already been claimed, the disappearing snows and soots of winter's camoflage reveal tulips and daffodils to remind us of where we planted them last fall, everything seems to be hinting that something new is in the air. And so it is with us. For while chapter activities go on much as usual, and a busy month is ahead for all of us, still, the signs of change and promise of a new year are much in evidence. The first concrete evidence came into being just recently when election of officers took place. We share in the happiness our new officers elect must be experiencing and take this opportunity to extend osr sincere congrathlations and best wishes to Genie and Clyde Woods who were elected Worthy Matron and Worthy Patron respectively. Frances van Swearingen, who is Associate Matron elect, and Laverne Amstutz, Associate Patron. We were most pleased that Carman Utterback consented to be our efficient secretary for another year along with Mary Henninger, our never erring Treasurer. Velma Welch was elected to the responsible station of Conductress, relinquishing her position of Associate Conductress to the new but capable hands of Edith Sherwin who is currently our Esther. We know all of them will not only thrill to the honor bestowed upon them but will jealously guard that honor with their best efforts and willing performance of their duty. That's why we elected them. While we're on the subject of election, we'd like to thank the efficient tellers who assisted so ably. They included Naomei Hippensteel, Ann Galbreath, Florence Amstutz and Helen Pollock.

Of course the high point of the season the high point of the coming events will be the installation of officers. This extravaganza of pomp and circumstance will take place on March 27 in the Commandery Room at 8:00 p.m.. You'll get more details later in the local papers—but for now, not a word. If you want to know who the appointive officers are going to be and what kind of escorts and ceremonies will honor the "Distinguished East" along with the incoming and outgoing officers, you simply must be our guest that night. There will be previews of this coming attraction.

You can give your tired calendar a rest for all committees and their activities are suspended this month. Instead of our individual meetings and end of the year parties, the combined committees had a whing ding of a party celebrating the end of the year at the West Creighton Avenue Christian Church on March 1st. Everyone had a wonderful time. Food, games, decorations, prizes—everything was "the most" and "real cool" (as I heard my teen age cousin say recently) meaning the best only more so.

Mrs. Edith Ball was chairman for the event and she was assisted by Mrs. Glennis Adams. Of course our worthy matron and associate were guests of honor, and honored they were.

Hope you didn't pitch your calendar too far away because I just remembered a few notes for you.

1. NeCaWa will meet at the home of Ethel Kruse. Margaret Hartsing and Dolores Anspach will be co-hostesses. They claim to have new members so they want the older members to turn out to meet them. They have also announced that they are going to entertain chapter on March 19th. They didn't say how but they did say it would be special (and so will the eats.)

2. Our last initiation of candidates under the current corps of officers will take place on March 19th also, a rare opportunity to see your officers attend their duties to the fullest extent of the word in their last stated meeting. I feel sure that lots of smiling faces in the audience that night would thank them for their year o had work and service more than all th accolades and gifts and ceremonie in their honor you could think o Sort of a vote of confidence, and a unforgettable evening for you as wel as for them. Prove to them that th guiding thought carried by you worthy matron throughout the pas year has never been more true: Re member?

"There is a destiny that makes us brothers
None goes his way alone
All that we send into the lives of others
Comes back into our own.
I care not what his temples or his creeds,
One thing holds firm and fast
That into his fateful heap of days and deeds
The soul of man is cast.

Brethren again it is the Sixth hour f the Day and the Sixth day of the veek, and I am still working at my Trestle board to make designs which will assist the craft in getting further Light in Masonry. But alas, only hose Craftsmen who have labored faithfully and long will appreciate the lesigns as drawn, or maybe perhaps ome will recant as did those twelve nd received their reward and that which was promised them when the emple was completed.

Companions we completed the work which had been allocated for he month of February and March nd will be dark in the month of April. Of course this applies to those who are are in line and those of the Chapter who volunteer their services n the ritualistic work. To those of you who have received your Royal Arch degree this is a signal and request for you bring a petition from a Blue lodge member. He is eligible now as soon as he is proficient on the Master Mason degree.

To those Companions who received the Roval Arch degree prior to 1952, we especially desire your presence at the Stated Meeting and on Friday nights when we have work. The Ritual has been changed and all for improvement and enlightment of the Brothers. The newly made Companion now not only receives the true Word but also learns how it was preserved.

Watch further announcements in regard the Craft checking the Trestle Board. In the meantime bring in that Petition.

GEN. RIDGEWAY, CORPORAL GET SR DEGREES

King P. Kirk, 32°, a member of Caswell Consistory, Kansas City, Kansas, received a letter recently from his son, Corporal Paul Kirk, who is with the 610th Ordnance Headquarters in Tokyo, stating that he is now a 32° Mason and that he was the youngest member of the class of 169, which last October received the degrees in Tokyo. In this class was General Matthew B. Ridgeway, who sat beside Kirk during conferral of the degrees, a fact of which Brother Kirk is very proud. In the class also were three Japanese one of whom was a delegate to the San Francisco Peace Conference and another was in Washington on diplomatic duty when Pearl Harbor was bombed.

Corporal Kirk, age 22 years, was made a Mason in Tokyo just after he had reached his majority.—The Ohio Mason.

IT WAS SO IN YEARS PAST

The Compass (Connecticut)

Masonry was never designed to be a popular institution, yet in all ages "the best men of society" were found in its ranks. But it is on American soil that the brotherhood shines especially to our liking—among the ancestors of our New World civilization do we find them in that they were among the Boston Puritans, the Newport Jews, the Baltimore Catholics and the Philadelphia Quakers.

The colonial governors were chiefly Masons, the Continental Congress of 1774-1775 was largely Masonic. George Washington and Peyton Randolph were among the leaders who were Masons, and the Continental Congress of 1776-1777 was almost wholly made up of members of the Masonic Fraternity.

So it is today that we American Masons look with wonder and admiration into the American Masonic past. The future of American Freemasonry will have to speak for itself.

February the month of well known people, George Washington, Father of our Country, Abraham Lincoln, who led the people of this country from Bondage, Thomas Edison, who developed the light bulb, that all may have more light.

On February 12 we celebrated our thirteenth birthday, a total of thirteen Past Matrons and Past Patrons were present. A very good number of the Charter members were present. During our Social hours the members were asked to gather in groups in which their birthday occurs and plan a stunt by which the audience was to guess. We had firecrackers all over the room, George Washington very busy chopping, girls out in the rain, a poor teacher with the traditional bad boys, a beautiful Maypole, Fishermen who had much trouble and other humorous pantomimes, after which we retired to the dining room for birthday cake, ice cream and coffee, served by the Social Committee.

February 26 Memorial services were held in loving memory of S.K. Walter Hayes. This being advance officers night, H.L. Alice Reece served as Royal Matron and S.K. Harry Keller as Royal Patron. H.L. Inez Thrasher as Associate Matron, S.K. C. Elmer Chalfant as Associate Patron, H.L. Dorothy Wolever as Conductress, H.L. Hazel Dehler as Associate Conductress. The work was done in very satisfactory manner.

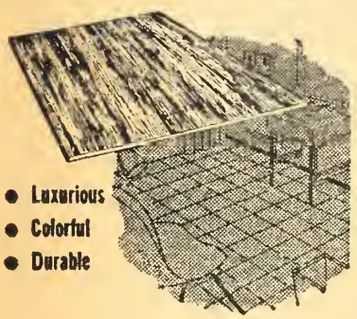
February 28 the Amaranthians will meet at the home of S.K. Sam Cook. Their wives will meet with H.L. Elizabeth Dull 1306 Sheridan.

The Cheer Committee reported S.K. Charles Paul in Lutheran hospital. H.L. Pearl Helmer with a severely lacerated thumb caught in a car door.

H.L. Lulu Farmer has been ill but we are glad to report able to be with us again, H.L. Arizona Beach was able to return to her home and be out some. We regret to report the death of S.K. Walter Hayes. H.L. Florence and S.K. Glenn Geiger are proud of a new granddaughter. H.L. Ethel Clester boasts a granddaughter. H.L. Lulu and S.K. Bruce Farmer are proud grandparents. H.L. Gertrude and S.K. C. Elmer Chalfant are proud of a great granddaughter.

On March 12 we shall hear final reports of committees and the election of officers will follow for the coming year.

The final initiation of the officers with H.L. Emma Schell as Royal Matron and S.K. Robert Chevalier as Royal Patron will be March 26. End of year parties will be Cheer or Friendship club March 1st 1:30 p.m. at Manochios; Lucky Thirteen club or Program Cammittee a dinner party March 8 at Indiana Hotel 6:30 p.m.; March 15 the Blue Carnation club or Social Committee and Em-Bo club or Ways and Means will have a combined dinner party at Hobby House on Wayne St. at 6:30 p.m.; the Fancy Do-ers or Decorating Committee will go to the Airport for their farewell on March 16 at 1:30 p.m.; April Showers or the Officers club and their mates will go to Brock's restaurant on Highway 324 on March 24 at 7 p.m. for a good time and eats.



The uncrowning of the retiring Royal Matron and the Installation of new officers will be held Saturday, April 3rd at 8 p.m. in K of P Hall.

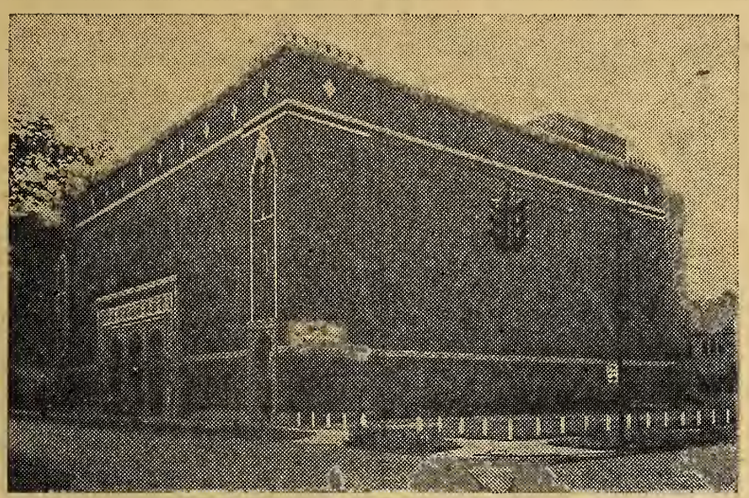
Typographical error: In the March issue of the Square & Compass you read in this column that the 7th degree would be conferred at the 1955 or spring 1956 Scottish Rite Convocation by a Knights Templar Cast. What you should have read was, "the 27th degree will be conferred" etc. Sorry.

At our March stated conclave Sir Knight L. J. Johnson was installed as Sentinel, filling the vacancy in that office created by the death of Sir Knight Walter F. Hayes, February 12. All of you are well acquainted with L. J. and will remember his long and faithful service to Fort Wayne Commandery. A vote of thanks is in order to that faithful Knight, Arthur Stein who has been pinch hitting in the Sentinel's station the past month.



Also at our March stated conclave, Sir Knight Thomas Cannon, High Priest of Fort Wayne Chapter 19, R.A.M. and Sir Knight Carter Palmer our Generalissmo spoke on the newly organized York Rite Association, an association intended to better acquaint the newly made Master Mason and the Craft in general with York Rite Masonry. It is felt that not enough attention is being given to this important phase of Ancient Craft Masonry and through the medium of this association the York Rite will attain its rightful standing in this community. You will hear more about this association in the near future. How about YOU contacting your Masonic friend who is not yet a York Rite Mason and shedding some further light upon him concerning our Rite and of course concluding with obtaining his signature to a petition for the Chapter, Council and Commandery.

In addition to the information relative to the Grand Commandery Conclave at Indianapolis, May 11, 12 and 13 as reported in the March issue of the Square & Compass the complete schedule of competitive drills May 12 have been received and our Drill Corps is now seriously engaged in practice on the 51 movements as prescribed in the schedule. This being the Grand Commandery Centennial year the Committee has planned a series of events in keeping with this important occasion. Each Sir Knight attending and registering at the Masonic Tepmle will be presented with a Centennial souvenir upon presenting his CURRENT DUES CARD. Also those Sir Knights entering the competitive drills will receive a gold cross and a service bar to wear on his uniform. Already 45 Sir Knights and Ladies have signified their intentions of going. Let us prove that Fort Wayne has an active Commandery and really turn out a big delegation at this Centennial Conclave May 12.

When you read this, arrangements will have been completed for a Square Dance to be sponsored by the Drill Corps, Friday, April 23. Come out to the Goegleins Barn on the Maysville Road that evening and enjoy an evening of wholesome fun and at the same time contribute to the support of your Drill Corps. There will be square and round dancing, cake walks and other activities. It is expected that the Social Order of the Beauceant will have a concession still those hunger pangs. Tickets available at the door or from any member of the Drill Corps.

Although we are often reminded that we are born to die we are never quite prepared when word comes of the passing of one near us. Just so when Sunday, March 14 Sir Knight Belmont Beman departed this life. The host of friends and Brothers of Sir Knight Belmont will long cherish fond memories of our departed Comrade in arms. To the bereaved family go our sincere sympathy. We share your sorrow.

When our Recorder reads the minutes you hear him read the current date and then A. O. 836. You may have been puzzled by this. If so, it refers to the age or length of time our Order has been in existence. We date the founding of the Order in the year 1118 A.D. Hence Anno Ordinis. (A. O.—year of the Order) subtract 1118 from 1954 and you have A. O. 836.

Final arrangements are being made for the Spring Convocation to be held on April 20, 21 and 22, 1954 in the Scottish Rite Cathedral. We mention the place as word has come to us that some of our members think the reunion will be held in the auditorium on West Berry St. We are, however, happy to remind the membership that the 20° will be given in the auditorium on Wednesday evening, April 21, at eight o'clock. As previously announced, the cast will be from the Scottish Rite Bodies in South Bend.

The degree work in the Lodge of Perfection will start promptly at 1:15 p.m. The members of the class have been advised to report before that time in order to take care of certain necessary details. Four degrees will be presented in the afternoon with the 14° at 7:30 in the evening. As usual the convocation banquet will be held on Thursday evening, April 22, at 6:30 o'clock.

The annual meeting of Fort Wayne Lodge of Perfection wil be held on Tuesday evening, May 18, at 7:30 o'clock. Officers for the ensuing year will be elected and reports will be given by the Trustees, Treasurer and Secretary. It would be well for you to attend this meeting and get a better understanding of the workings of the Scottish Rite.

There are still some members who have not paid their 1954 dues. Please send your check for $5.00 and the membership card will be returned to you.

It is always the hope of every presiding officer that more members after receiving the spiritual and moral teachings of Masonry will bend a shoulder to the wheel and become active participants in its constructive endeavors. There are so many avenues of opportunity for service to our fellow men, and all members can take part in some way. Attend lodge and learn more about what we are doing.

Past Master Bill Schwartz was presented a Certificate in appreciation for services rendered to the Vetcrans at the Veterans Hospital during the past year. Bill and his committee have relinquished many a leisure hour, after working on their feet eight to ten hours a day, to be a friend to these Veterans who need a friend. Thanks Bill to you and your splendid committee for the job you are doing.

Congratulations to Past Master Ken Strong on his election to Chairman of the Board of Trustees of our Temple.

On Wednesday March 31, Maumee Lodge held its Charter Member Night Banquet, about fifty Charter Members were present. We were honored by having Elmer Forks, Deputy Grand Master and Orvis Dellinger Past Grand Master for the state of Indiana as our guests as well as all the presiding officers of the Scottish Rite, York Rite, Shrine and the Masters and Wardens of the other six Blue Lodges that meet in our Temple. Past Master Byard Smith acted as Toastmaster. Rev. John W. Meister, of the First Presbytcrian church, gave a very optimistic and inspiring talk. Music during the dinner was furnished by the Shambaugh String Ensemble, and the Scottish Rite Choir under the direction of Robert Shambaugh thrilled us with singing as only they can sing. Our Junior Warden came through as usual with a real Maumee feed and everyone enjoyed a big evening. My special thanks to the committee; Chairman Byard Smith, Manford Winifer, Dwight Mood, Ralph Bruce and Herman Wadlington for a perfect job.

On Saturday April 24 Valley Lodge of South Bend, Indiana will be our guests. We will open lodge at one o'clock on the Master Mason degree. And will confer the work on at least two candidates and Valley Lodge will confer the work on one in the evening. A dinner will be served at six-thirty. Mark this day on your calendar and come down and enjoy the fellowship.

Each one of the Job's Daughters holds happy memories of the many events in March.

Inspection by our Grand Guardian, Miss Edith Spencer, on March 30 was certainly a happy event. In the dining room, Mlle. Spencerf's Chapeaux, were seen, all of the latest hat styles. The time spent by Faye Mathisen's Inspection committee was evident by the clever individual programs and table decorations. Each program was decorated with a different hat. Large hats were on the long tables. A style show with figures showing the latest styles decorated the head eable.

The greetings and welcome were given by the Honored Queen, Linda Schmidt, and the Senior Princess, Pat Miller. They were followed by a response from the Grand Guardian.

The Bethel was especially glad to have as guests several Past Grand Guardians, Guardians, and Associate Guardians. Also present were guests from Huntington Bethel 27, and Marion Bethel 19, and Mrs. Audrey Harrold, Supreme Librarian.

Miss Spencer was escorted to the East through an aisle formed by six Job's Daughters wearing pastel formals and large picture hats.

The work was excellent and the officers deserve the best for their efforts. Thanks also go to the mothers who prepared and served the delicious dinner.

The seventeen candidates were a lovely class. We hope that they come back often and share our Bethel with us.

The Past Queens, Guardians, and Associate Guardians were special guests of the Bethel on March 26. The meeting was followed by refreshments in the dining room.

ATTENTION: Bethel 8 is having a bake sale April 17. Take your donations (sorry we cannot have soft pies, candy, or nuts) to 208 West Fleming or 4815 Holton on Friday, April 16. If you cannot do this call H-8653 or K-4178 and we will pick them up. The booth will be Wolf & Dessauer, first floor.

There will not be a meeting on the third Tuesday of this month.

GOD BLESS YOU ALL.

The month of April brings us Easter. Easter we think of the heroic figure of Jesus which we as Christians dedicate to our belief in hope, faith, and charity. For some of us his life of love is the one everlasting romance in this hard old world, and its ineffable tenderness seems to blend naturally with the thrill of springtime, when the finger of God is pointing to the new birth of the earth. I hope no Brother will deny us the joy of weaving Easter lilies with Acacia leaves, in celebration of our future hope.

Without faith in a future life, our life today and tomorrow in this world of tangled tragedies would be very useless to our fellow men With Easter time at hand let us all remember "That our trust being in God" we will fear not the Eternity of God's choice.

Brethren let us this Easter go to church of your choice. Then keep going for your church needs you. We can only meet the powers of darkness by putting on the armor of Light. Your Church has it and Masonry teaches it. William Penn made a quotation as follows, "Those men who are not governed by God must be ruled by tyrants." America is a nation of high ideals we will not be ruled by a tyrant! For we as Masons have faith and trust in God. We will wear the armor of light against the powers of darkness.

My rose will be white but I hope your rose will be red.

The next stated meeting of the Council will be held on Wednesday, April 21, 1954, at 7:30 p.m. This meeting will be only a short business meeting, however, due to the Scottish Rite Convocation. We do plan to confer the R and S.M. Degrees at our May meting which will be held on Wednesday, May 19, Piease be sure to mark this date and plan to attend and lend your support.

Recently a York Rite Association has been formed with representatitives from the Chapter, Council and Commandery. The purpose of this Association will be two-fold. First, it will promote a better understanding of York Rite Masonry among all Masons; and, second, it will serve to form a much closer bond between the York Rite Bodies. This is a forward step and more will be heard of this worthwhile organization in the future.

Have you seen Recorder Gable and obtained your 1954 dues card? If not, why not do this at once.

Fraternally yours.

MARK MASTER

The lectures of the Mark Master claim that at the building of King Solomon's temple the older and more experienced of the fellow-crafts were entrusted with this degree to the end that defects in the workmanship might be detected and remedied, imposters discovered and the just wages of each workman promptly paid him. Such, too, is the moral use; it teaches honesty, perfect order, harmony and faithful reward for labor done. It encourages the recipient with the thought that he is in the hands of a just and gracious God who will ot overlook him in the day of reckoning; that though the week of human life is full of hardships yet the "sixeht hour of the sixth day" will come when the Sabbath of eternity will dawn and wages and rest shall abound. It also presents, in emblematic guise, the ancient tradition of "the headstone of the corner," Psalms CXVIII, 22—wherein we learn that however humble and under-valued may be our lot, yet in the hands of the Grand Overseer, we may be found worthy of an honored place in the sacred edifice.—Oklahoma York Rite.

MILITARY LODGES

During the eighteenth century a considerable number of military lodges came into existence, possessing the right to meet legally at whatever place the regiment might find itself. The first such lodge was Irish, and was founded in 1732, and was followed by others. Scotland had a military lodge in 1743; while the first English regimental lodge was that the the 8th Regiment of Foot, founded in 1755.

The itinerant military lodges are believed to have exercised a strong influence on the ceremonial development of Freemasonry during the eighteenth century.—Masonic Historiology.

Hello again brethren, I'm afraid that there isn't too much to report this issue.

This past month has given us our first Master Mason degree for 1954. Jesse Bruce Masters was the Brother raised and I'm sure he will make a fine lodge brother.

We had a fine attendance for the degree work, from visiting lodges. Maumee had a large delegation as well as Harlan and I want to thank all these fine Brethren for the help they gave us. I'm afraid I have to report that we had more visitors than our own lodge members.

After the degree work was completed a fine lunch was served in the dining hall, and I'm sure every one had enough to eat.

I am glad to report that the work on the cold air duct has been finished and we no longer have to worry about gas.

Leo Chapter 278 Order of Eastern Star installed their new officers on Wednesday, March 24th in the lodge hall.

Officers installed included Mrs. Jeanette Birely, Worthy Matron; Mr. John Birely, Worthy Patron; Mrs. Helen Garman, Assoc. Matron; Mr. C. Snead, Assoc. Patron; Mrs. Elsie Tharp, Secretary; Mrs. Eileen Shidler, Treasurer; Mrs. Alice Souder, Conductress; Mrs. Ruth Ehrsam, Assoc. Conductress; Mrs. Betty Sebert, Chaplain; Mrs. Lucile Wolfe, Marshal; Cleo Page, Organist; Mrs. Jane Schallett, Adah; Mrs. Dinise Enslen, Ruth; Mrs. Jean Ann Tharp, Esther; Mrs. Evelyn Miller, Martha; Mrs. Althea Pontius, Electa; Mrs. Helen Tweedy, Warder; and Mrs. Vera Stucky, Sentinel.

The Installing officer was Mrs. Anna May Rideger, Past Matron. Installing Marshal was Dorothy Myers, Past Matron.

I went to lodge the other evening and now have a new job. I believe I will enjoy this because it gives me an opportunity to help out in my small way.

I hardly need remind you of the fine meetings we had during March or comment on the good work the officers who put on this work have done. If you have not been to lodge lately, better try and get down and enjoy an evening with us.

The past months mail has brought in the news from our brothers all over the country.

One brother in Minnesota writes, "we have 4 ft. of snow and 30 below zero temperature and I spend most of my time firing the furnace," while a brother in Arizona writes, "I mowed the lawn today, it was pretty hot and I rested in the shade on the porch often."

Our Master tells me that as there will be no work in April several social events are in the planning so watch for your cards for the dates.

I have news from the Huntertown Eastern Star Chapter 388, that the new officers who were installed by our brother Past Grand Patron, Cecil Sible are making their plans for another great year. The new officers are as follows:

W.M., Phyllis Brown; W.P., Walter Kell; A.M., Martha Ruhl; A.P., Don Hirons; Sec., Helen Warner; Treas., Emma McDonald; Cond., Virginia Tilden; A. Cond., Helen Miller; Chap., Patricia Hare; Mar., Kathryn Emrick; Org., Donna Dickes; Ada, Carrie Russell; Ruth, Louise Houser; Esther, Ida Clark; Martha, Mary Western; Electa, Edith Surfus; Warder, Betty McComb and Sentinel, Rev. Howard Western.

There is news from Job's Daughters, Bethel 71 of a job well done at inspection, which comes the end of March. They also have several social events in April.

Well that about does it for another month except to say that we have been visiting in March with our neighbors and as always enjoyed a wonderful evening and have enjoyed the visit of the many brothers from our neighboring lodges.

P.S. We are going visiting in April, so contact your secretary or Master.

Be sure to notify us of any change of address.

How swiftly the sands run. By the time you read this article, Past Masters' Night will be a thing of the past and we will be liiking forward to the spring and summer activities.

It is not too early to start planning your attendance of the annual Tri-State Reunion which will be held in late September or early October. The sight of the reunion will be in Indianapolis this year. The exact date will be announced after the committee meeting early in May. Tom Wallheiser is chairman of Arrangements for the trip to Indianapolis. Contact him soon and tell him that you plan to be with us on this occasion.

The officers and coaches of the Fellowcraft Club have been doing a very good job with the Craft Team. Come down and give them your support. You will be glad you did.

We deeply regret the passing of our Brother Robert T. James. A special election will be held at our stated meeting Tuesday, May 4, to fill the vacancy created by the death of Brother James.

Sometimes we need to stand alone,
Beneath the deep blue sky of night
To breath the quietness of God
To feel the strength of all His might

Plans for our Corinthian club dinner on May 1st have been completed and ticket sales are well under way. Let us all help to make this a social event to be remembered.

On March 5th we were guests of Gas City lodge 645. A fine dinner was served after which we presented the play "A Rose Upon the Altar," to a very fine audience. Athough the roads were slippery and the weather rough we were well repaid for our efforts by their hospitality. On March 16th the play was presented in our own lodge room with many of our own members as well as several from surrounding lodges attending. On March 23rd the cast traveled to Ashley lodge 614 and an evening of fine fellowship was enjoyed by all.

I am sorry to announce the death of Mrs. Genvea Brake, wife of Brother Floyd Brake. To Brother Brake and the family we extend our sincere sympathy.

If you sat down at set of sun
And count the acts that you have done
And, counting, find,
One self-denying deed, one word
That eased the heart of him who heard,
One glance most kind
That fell like sunshine where it went
Then you may count that day well spent.

MYSELF

"Let me be a little kinder,
Let me be a little blinder
To the faults of those about me,
Let me pray a little more,
Let me be, when I am weary,
Just a little more cheery,
Let me serve a little better,
Those that I am striving for
Let me be a little braver
When temptations bid me waver,
Let me strive a little harder
To be all that I should be;
Let me be a little meeker
With the brother that is weaker,
Let me think more of my neighbor
And a little less of me."

THE FIRST LODGE

It is upon record that the first formal and solemn Lodge of Freemasons, on which occasion the very name of Freemasons was first publicly made known, was held in Mason's Hall, Mason's Alley, Basinghall, Street, London, in the year 1646. Into this Lodge it was that Ashmole, the antiquary, was admitted. Private meetings there may doubtless have been before; and one at Warrington is mentioned in the life of Ashmole; but the name of Freemason's Lodge, with all the insignia, attributes, and circumstances of a lodge, first came forward in the page of history on the occasion above mentioned. It is perhaps in the requital of the services at that time rendered in the loan of their hall, etc., that the Guild of Masons, as a body, and where they are not individually objectionable, enjoy a predency of all orders of men in the right of admission, and pay only half fees.—Masonic News.

With one of the most dramatic degrees of the Consistory being conferred in our new Scottish Rite Auditorium on Berry street on Wednesday evening and a banquet speaker of national repute coming to give our banquet address on Thursday evening the coming Spring Convocation promises a program that will thrill our membership and candidates alike.

South Bend will bring their experienced cast and much of their equipment to exemplify the 20th degree. Their cast will arrive Wednesday afternoon for an extra rehearsal on the large stage of our new auditorium before they confer the degree at 8 o'clock sharp.

We hope that many of the Princes from all over the valley will be here to witness this patriotic degree.

R. Floyd Sherer will be directly in charge of the dramatic work. Hayden R. Jones 33° will impersonate George Washington and Theo. J. Jena 33° who has gained distinction for his enactment of General Cranston will appear in that role.

Albert N. Hepler Jr., 33° who heads the work committee for the South Bend Valley has given most earnest co-operation and is eager for more fraternal exchanges between our valleys.

We know that the Wells County brethren will give a strong exemplification of the 26° on Thursday afternoon at 1:30 just ahead of the 32° which will be conferred at 3:15 p.m.

On Thursday morning a veteran cast headed by Herbert C. Foreman, Arthur L. Aiken and Knowlton H. Kelsey 33° will confer th 23rd degree.

Rev. John B. Hubbard, pastor of St. Mary's Episcopal church, Parkridge, Illinois, will deliver the principal address at the Convocation banquet on Thursday evening. He is muchsought after as a Masonic speaker and is Past Grand Orator and Chaplain of the Grand Lodge of Illinois. His subject will be, "Masons March."

The Craft is at a standstill for want of work and there are not any designs on the Trestle Board. This is truly unfortunate as the Craft is most certainly proficient.

Companions: Once more we have shown to the less informed Mason that true Light and given him the true Word for the substituted Word, which he received in the 3rd degree, I mean he has been advanced to the Sublime degree of the Royal Arch. The officers and other Companions are to be congratulated for the fine work they have been doing. The sincerety and earnestness which all have shown certainly merits the presence of every Royal Arch Mason's attendance at our convocations. especially appreciate the co-operation all have given me by attending the nights when the Chapter is called for work or in calling me when it was impossible for them to attend to their duties.

At the last stated convocation the Chapter voted to associate with the other York Rite Bodies in the formation of a York Rite Association. You Companions who were not present can obtain information about this organization from officers of the four bodies.

Since we will be dark during the next month I sincerely hope each member of Thomas R. Marshall will get out and contact at least one Blue Lodge Mason and determine if he wants to find the True Word, and if so bring in his petition. I also would like to see more of our Companions attending the Chapter on the nights we have work scheduled, and those of you who would like to participate in the work are most certainly welcome.

I wish you all a very Happy Easter, and trust you will observe this occasion by attending the church of your choice or by attending the Easter Services held by the Knights Templar.

Greetings again brother South Gaters and to all of our many friends. As I look at my calendar I realize that spring is just around the corner. This should be an inspiration to all of us. Perhaps some of us are much like the birds and bees and flowers etc. When winter faces us with its sometimes very disagreeable weather we are much like the birds. We disappear not to be seen again until more favorable weather is again with us., then we again begin to circulate with more regularity. So as spring is here, why not come out of your hibernation period. Circulate more, come and enjoy the fellowship of the other brothers We are sure you will gain more friends, increase your knowledge, and therefore feel much better for your experience. We term the work of the lodge as labor, to me it not labor, but rather refreshment. Where else can a brother go to become as refreshed as at the lodge. When a brother leaves the lodge to again associate with his family and co-workers, he can do so in a refreshed manner. Don't you feel better, perhaps even have a different outlook on life after attending lodge. Where else can you be so morally refreshed? And we also have an hour of physical refreshment. Why not come and enjoy our brotherly refreshment over a cup of coffee after lodge? Won't you try it? Don't be just a pin or ring wearer.

Our hats off to Morris Adams and Bob McGrail for a job being well done. We enjoy the pleasant surprises they have for us after lodge. But they need help. They are trying vainly to get the Craft operating the way it should, and are doing a good job so far. But there is much ground to be gained. I'm sure they will appreciate your help. Won't you volunteer your services.

One of the newly raised brothers visited my home a few nights ago, offering his services to the Craft. He said since he has been made a Mason he has an entirely different outlook on life. He claims a different outlook on everything since being raised. So our teachings have taken foothold once again.

We wish to congratulate Brothers William Kent, Thomas Kent and James Shirey, for being raised to the sublime degrees of Masonry.

We have much work lined up in the near future. Your officers will appreciate your help.

I am glad to report that we had a wonderful time at our Smorgasbord on April 10th. I wish to congratulate our Junior Warden, John Inches, for a wonderful evening well planned. Also to the committees that helped John. Thanks from the bottom of my heart. It's a very nice feeling to have officers and committees that really get things done.

I am glad to report that Jerry Forst is back to work again after a lengthy illness. If there is anyone knowing of illness among the brothers, please notify your officers.

Don't forget our Charter night banquet on May 24. Arrangements are being made for a very interesting speaker so be sure to attend. See you there.

That's all from this corner—till I see you in lodge.

After our stated convocation in April, we will be having work on new and hold-over candidates. If you have not witnessed the degrees of Capitular Masonry lately, come up and sit on the side lines, and refresh your memory on a few things you may have forgotten. And when you come, bring along the petition of that Blue Lodge Brother you have been "working on."

The Supreme High Priest of Heaven and Earth has again called one of our faithful companions. A Past High Priest, Excellent Companion Kirkup was also treasurer of our Chapter. We extend to the family and friends our heartfelt sympathy. It was he who appointed me to the line of officers in our Chapter, and it was with a deep sense of sorrow I learned of his passing. Excellent Companion John Lombard has been appointed to fill out the unexpired term of treasurer.

Last year our two Chapters of Royal Arch Masonry entertained the North Indiana York Rite Association. This association consists of the five Chapters of Royal Arch Masonry in Angola, Auburn, Garrett, Kendallville and Warterloo. Plans are in the making for another meeting with them some time this spring.

The plans for a York Rite Association in Fort Wayne, were carried forward by presenting the proposition to the various bodies for their consideration. Each of the bodies has accepted the idea of forming such an association. Its aims will be to carry forward projects pertaining to York Rite Masonry. If you are in good standing in any or all of the branches of York Rite here in Fort Wayne, you are an active member of the association. Sojourning York Rite Masons are invited to affiliate.

The past month has been a very busy one with many pleasant memories for Shiloh members.

At the last stated meeting in February our Worthy Matron was honored by the choir with a special program consisting of her favorite selections by Stephen Foster.

The year end parties held during March were something long to remember. The party themes were well carried out with beautiful decorations and favors.

March 2nd the combined social sections, ways and means and decorating committees met at the Y.W.C.A. for a 6:30 dinner. Dottie Hall as chairman, with a very capable committee, chose "Nurse in White" as their theme. Tables were decorated with nurse's lamps and favors of pill boxes.

March 4th Sunshine and Sick committee met at the Y.W.C.A. for 6:30 dinner, cards followed.

March 9th Choir met at the Colonial Restauraunt in the private dining room for 6:30 dinner, cards followed.

March Stated meeting of Chapter with an Education Skit. Committee recognition night.

March 12th Hospital Sewing Committee met for a luncheon at YWCA, cards followed. This group has two social functions a year, one at Christmas and one honoring the Worthy Matron in March. Some 3600 items have been completed by this group for the Parkview Memorial Hospital, cards followed.

March 15 Reserve Committee met at the Colonial Restaurant in the private dining room for a no-host dinner. This group of young women have had many interesting meetings with speakers on Interior Decorating, Gift Wrapping, Flower Arrangements, Book Reviews, etc.

March 18th Registration Committee met at the home of Gladys Patterson for a pot-luck dinner, cards followed.

A gift to the chapter from the Ways and Means Committee consists of new satin covers for the Altar, the East and West, Officers' badges and ribbons.

Shiloh Chapter has received approximately 55 members this year by initiation and affiliation.

To those in bereavement, our sincere sympathy, a speedy recovery to those who are ill, congratulations to the new parents and grandparents.

It's fun to go out in the April rain,
It's fun to feel Springtime coming again
After New Year roads that slip,
Drifts of snow that mires and trip,
March wind's whipping, icy grip.
It's fun, just fun, to hear the rain drip.

It's grand to know the brooks are running,
That pussy-willows are out for suning.
Snow-drops hang their flower bells,
Ferns are a-stir in rocky dells
Green haze creeps upon the fells,
It's April, Now the tired heart swells.

How swiftly time flies. I can hardly realize that all of my glorious todays have slipped into the silent yesterdays and that another year in Shiloh Chapter is history. The record of my never-to-be-forgotten days, have enriched my life beyond measure and have brought me blessings untold.

All the Officers join in me in saying that our hearts are filled with appreciation and love as we say "Thank you" for the loyalty and support you have given us this past year. Each day let us be mindful that our lives become worthwhile when we serve others.

April! The month that we can view the handiwork of the Great Architect of the Universe as He brings forth the tender green shoots of new life and adorns and beautifies this earth of ours with bright flowers. Viewing all this cannot help but admonish us to have faith in God, Hope in Immortality and Charity to all Mankind.

The work on the temple is progressing at a rapid rate. Each day it becomes more beautiful. We owe a vote of thanks to the brothers who have devoted so much of their time to this worthy cause.

We have a Fellowcraft degree coming up in the near future.

Bro. Frank Baltz becomes eligible for his 50-year pin during this month. Watch for the presentation date and plan to attend. It has been several years since we have presented a 50-year pin to one of our own members, so let's all attend and make this a gala celebration.

They say Sulphur and Molasses for that spring fever. We have a better cure—Fresh air and sunshine while we labor on the outside of our temple. We have quite a bit of work to do on the outside of the temple so "cōme on out and help."

The OES held inspection Saturday, March 20, our official visit by our Worthy Grand Matron, Sister Aldine Klingman. Decorations were worked in a theme of Spring, with birds on Forsythia boughs in our windows and a large Forsythia bush in the east, filled with birds in cages in our five signet colors. Sister Aldine was escorted through arches of rainbows to a pot of gold at the end of the rainbow. Spencerville opened the p.m. meeting, Auburn exemplified the work and Butler did the closing. After a bountiful banquet at the Lutheran church, baby dedication was held with twenty babies lives dedicated to the principles of Eastern Star. At 8:00 p. m. Ashley opened the meeting with iniatory by Garrett and the closing by Waterloo Chapter. A capacity crowd was in attendance at this meeting which proved to us just how large of a crowd our fine new building can accommodate. Our next meeting will be Installation on Mareh 25th. As these new officers take up the gavel we wish them success in all they undertake, joy in serving and a genuine reward for work well done.

"April showers bring May flowers." April also brings to our assembly many activities. As usual we are asking the support of our members in making these activities a success.

Our Worthy President is pleased and encouraged to see the attendance at the stated meetings picking up. Let's keep it up. Our next stated meeting is April 6th.

The next sewing will be at the home of Mrs. George Cherry, 2119 Meridian street, on April 15th. This will be an all day meeting so bring your own sandwiches.

We hear by the grapevine that the Drill Corps of Fort Wayne Commandery is giving forth with a square dance on April 23rd. Here is our chance to express our appreciation to them for all past favors and courtesies by supporting this project with our presence. I'll be there with bells on and I hope to get to dance with every Sir Knight present—What am I saying!!!!! The ladies will assist with refreshments.

The assembly is having their card party Thursday, April 29th. It goes without saying that we'd like to make this a big success so when you are asked to take a table of tickets to sell, we hope you will respond favorably as you always have in the past.

Here is a poem which gave me much food for thought, I'd like to pass it on to us:

Are you an active member, the kind that would be missed,
Or are you just contented that your name is on the list?
Do you attend the meetings, and mingle with the flock,
Or do you stay at home the while and critisize and knock?
Do you ever pay a visit to a member that is sick,
Or leave the work to just a few and talk about the clique?
There's quite a program scheduled that I'm sure you've heard about.
And we'll appreciate it if you, too will come and help us out
So come to the meetings and help with hand and heart;
Don't be another member, but take an active part.
And think this over, member, you know the right from wrong:
Are you an active member, or do you just belong?
'Nuff said, until May, adieu.

Hi Fellows:

Here it is April and another month of DeMolay has passed.

At our annual Tournament Trot Dance, March 5th we were very pleased in having over 150 couples present. This is very good considering there were three other dances that same night.

We initiated 17 candidates into our Chapter at the March 9th meeting. The officers did a fine job and with a little more brushing up it can almost be accepted as perfect. The new class was a very attentive group of fellows and it looks as if they are going to be a great credit to our Chapter. This number of 17 was quite a jump from the 3 we had on last initiation. Let's keep up the good work.

Dad and the officers are very proud of the attendance at our Church Sunday. There were more than 115 present. This is the largest group that has ever attended this Devotional Day. This proves that we have a strong active organization. Rev. Gerald Jones delivered a fine sermon and his co-operation and welcome were deeply appreciated.

At the March 23rd meeting Past M.C. and Chevalier Louis Mangels presided as M.C. Chevalier Dan Somers as S.C. and Carlton Sheets as Junior Deacon.

In the absence due to a track meet at Notre Dame of Miner, Bloom and myself, State trooper Corporal Howard Chrisman gave a talk which was enjoyed by all.

April 27th will be our last Initiatory Degree. Let's work hard and make it even better than the last. 17 are expected to receive the degree. That wonderful Mother's Circle are preparing surprise refreshments. Bless their sweet souls.

After these April activities are over we prepare to elect for the next term a new group of officers. This election will be held May 11th. It is very important that every one attend this meeting because much of the success of the Chapter depends upon your choice at this meeting.

On the 13th of May will be the Mother and Son banquet to which every DeMolay with his Mother should attend. It is held on behalf of our mothers. I think it is asking very little of all to be present. It is such a small reward for all the things our mothers to do for us.

Congratuiations to four members of our Chapter who were selected on the Deans Honor list at I.U., Michael Brutton, William Clark, Robert Smith and David Talarico.

DE MOLAY MOTHERS' CIRCLE

April cold with dropping rain
Willows and lilacs brings again,
The whistle of retdrning birds
And trumpet-lowing of the herds.
—Emerson

March 9th, after the meeting of DeMolay, the following committee of mothers served hotdogs and cokes to the boys: Mrs. Robert Passwater, Mrs. Blackledge, Mrs. Gordon Bradley, Mrs. Emil Crebb, Mrs. Harry Deeter, Mrs. William Pomp, Mrs. Danley Shhiebel, Mrs. Charles Sills, Mrs. Ross Strodel and Mrs. Leslie Wilson.

April 26th the Mothers' Circle will meet at the home of Mrs. Albert Walda, 2422 Maumee Ave., with assisting hostesses as follows: Mrs. Gordon Adams, Mrs. D. Arney, Mrs. Lyle Dougherty, Mrs. Leslie Fleck, Mrs. Henry Gollmer, Mrs. Jack Hamlet, Mrs.. Hngh Kelly, Mrs. W. N. Klinger, Mrs. Harold Kroeger, Mrs. Howard Matthies, Mrs. Eli Myers, Mrs. Paul McDowell, Mrs. True Sheets, Mrs. Eda Small, Mrs. Frank Smith and Mrs. Paul Wolf.

NOTICE—May 13th is a very special date for you to put a circle around, as that is the evening you have a date with someone really special, YOUR SON. It will be the Mother-Son Banquet and you will be called for your Son's and your reservation by a Mother of the Circle. Special tables will be reserved for the Mothers who have Sons away so if you can come please call Mrs. R. G. Strodel K-2037 or Mrs. Robert Passwater E-2821 and place your reservation by May 9th. Exceptional entertainment also the Flower Ceremony will be given by Jerry O'Brien.

FLEW MASONIC FLAG IN BATTLE

In April, 1861, the merchant ship Trenton, with Captain Wilson in charge, lay at anchor in Hampton Roads on the day of the famous fight between the Monitor and the Merrimac. The Merrimac, on the previous day had sunk two Union fighting vessels and other craft and on this day was wrecking boats everywhere in its course toward the Monitor. The destruction of the Trenton seemed imminent and inevitable. Why the Merrimac did not destroy the Trenton appears not of record, but this fact is believed to be the reason: Captain Wilson, a Knight Templar, flew at the masthead of his vessel the Masonic emblem. Lieut. Franklin Buchanan, young Confederate in command of the Merrimac, also was a Mason.—Templar Topics.

From time immemorial, Freemasonry has taught a proper reverence and veneration for age, particularly when united with service to the craft. Therefore, to the following brothers, who have received the Grand Lodge 50-year award of gold, we offer our congratulations for their years of service with best wishes for a continuance of health, happiness and prosperity.

To the Fellowcraft Club, we express our appreciation for the fine work being done in the exemplification of the degrees, and the co-operation given our Craft Director, P.M. Abner R. Wolverton, and the newly elected officers, Robert P. Porter, President; William M. Maxwell, Vice-President; Carl W. Meyer, Secretary, and H. Murray Petty, Treasurer.

We extend a hearty welcome to Bro. Joseph W. Cheniworth, coming to us by transfer and Bros. Robert Byers, Richard Byers, Donald Miller, Phil Potts, John B. P.M. William Ballou is still confined at home; Bro. William Hire in the Lutheran hospital and Bro. Merle B. Gouty in the Parkview Memorial hospital. No improvement can be noted in their condition at this time. Bro. Norman Seabold is recuperating at home after undergoing surgery, as is Bro. Carl Meiboom after suffering a heart attack. Our hope is a speedy recovery for all.

By the time you read this article, we will have celebrated the 131st year since the founding of Wayne Lodge.

To have subsisted down through the years, it was necessary for many brothers to give of their time and talents; and to these men, we are obligated.

Webster defines time as . . . a measure of duration—whether past, present or future. You might compare time to your pocketbook—or rather your money—. The way you spend it is up to you. You can fritter it away as most of us do, or you can put it to good use by helping the sick or needy. The same thing applies to your time. You could spend a little of your time by attending lodge, or you could call on a sick brother and possibly cheer him up a bit; or you could be selfish and spend your time for your own personal enjoyment. You may spend it by being serviceable to your fellow creatures. It is your time to spend as you see fit. The Good Lord gave us all a certain amount of time, so let us spend it wisely by doing some of the good things in life.

During the month of March, we received into the fellowship of Wayne Lodge Brother Troxel and Brother Adams by initiation. To these new members, we extend a hearty welcome and hope their association with us will always be enjoyable.

On March 5, we held a Family and Friends Night. Everyone enjoyed the show that was put on by magician Tom Rockhill. The children were entertained by an hour long movie. We old folks had a swell time square dancing. All in all, I think it was an enjoyable evening.

On March 25, the Fellowcraft club presented to the Lodge new Past Masters' Aprons, and they were accepted on behalf of the Lodge by your Master. I am sure the Past Masters will appreciate this mark of distinction.

The Fellowcraft club has a number of trips planned in the future to confer the Master Mason degree; and at the time of this writing, they are expected to go to Hicksville, Ohio, and also Monroeville. Also, the are planning a party in April.

The Good Lord called Belmont Beman home. To his relatives and many friends, we extend our utmost sympathy.

We have one more accomplishment to add to last years many forward steps taken by our chapter before we close the book. We can at last boast of a past matrons club of our own. At a recent meeting the group was organized with Carmen Utterback elected its first president. Wanda Rippe as her vice president and Ida Kayser as secretary. The group already has plans for adding our junior past worthy matron to their list.

In her last message to you, Sister Willadean offers you the following food for thought with her blessing for all of you who have seerved her through the year.

"Is anybody happier because you passed his way?
Does anyone remember that you spoke to him today?
The year is almost over and its toiling time is through;
Is there anyone to utter now a kindly word of you?

Can you say tonight, in parting with the year that's slipping fast,
That you helped a single brother of the many that you passed?
Is a single heart rejoicing over what you did or said?
Does the man whose hopes were fading now with courage look ahead?
Did you waste the year or lose it, was it well or poorly spent?
Did you have a trail of kindness or a scar of discontent?
As you close your eyes in slumber, do you think that God would say,
'You have earned one more tomorrow by the work you did today'?"

As you have already noticed by the local papers, your newly elected officers were duly installed March 27th. Those of you who attended need no reminder of those impressive ceremonies. The lovely escort for Sister Genie and Brother Clyde were all the more beautiful because they were so richly deserved. The beauty of the decorations was surpassed only by the beauty of the ceremonies themselves. The pastel gowns of the officers were a lovely sight to behold—as were the officers themselves, and I think that one and all will agree that the delicious refreshments served at the reception were surpassed only by the appetites of our guests.

Speaking of guests, we were especially happy to have "our distinguished East" represented by Sisters Letty Dickey, Sonoma Woodruff and Myrtle Morton. We only hope they enjoyed the evening as much as we enjoyed having them.

It would seem that now is the time to thank all those who had a part in making our Installation as perfect as they were. Sister Loretta Rippe for planning the lovely escort for our new Worthy Matron, Sister Doris Thiebolt for her beautiful work in the exacting role of Installing Marshal, Sisters Ida Kayser and Ruth Tipton and all who helped them with the lovely reception for new officers which followed the ceremonies in fact, everyone whose willing hands and hearts resulted in a lovely evening for so many.

At this time we would like to announce the committee chairmen appointed by Sister Eugenia to supervise the activities for the ensuing year. They are as follows:

Social Committee: Ida Kayser, Chairman, Ruth Tipton, Co-chairman.

Ways and Means: Mary Wright, Chairman and Edith Ball, co-chairman.

Sewing and Decorating: Ethel Kruse, Chairman and Margaret Hamilton, co-chairman.

Cheer: Helyn Good, Chairman and Mary Hamilton, co-chairman.

Registeration: Irene Warner, Chairman.

Program: Vida Wood, Chairman and Ruth Beauchamp, co-chairman.

Examining: Frances Van Swearingen and Laverne Amstutz.

Proficiency: Willadean Todd.

It would seem that that is all the news for now. Contrary to my usual by-line: "See you next month, same time same place, same column—" I'll just say, "See you in chapter" and leave you with many thanks for the courtesies you have shown me in my year as publicity chairman and one of my favorite meditations:

"There is no unbelief;
Whoever plants a seed beneath the sod and waits to see it push away the clod,
He trusts in God.

Whoever says, when clouds are in the sky,
Be patient, heart, light breaketh by and by,

The silent harvest of the future grow,
God's power must know.
The heart that looks on when the eyelids close,
And dares to live his life in spite of woes,
God's comfort knows.

This indeed is a busy time of year for all fraternal folk. And aside from those activities, who isn't eagerly awaiting the physical return of Spring, even at a cost of housecleaning, garden preparation and tax paying?

As this column goes to press, we are in the midst of the Lenten season, a time for greater emphaisis on all things spiritual. May the anniversary of the glorious resurrection at Easter time again remind us of the supreme sacrifice He made upon the Cross—the selfsame Cross upon which the Order of the White Shrine was founded.

Our scheduled activities for the year just passed are now consigned to history and we will conclude with brief mention of March events.

At the March 1st stated meeting, annual reports were given by the various officers and committee chairmen. Election of officers followed, resulting in the naming of Soj. Ruth Gearhart as Worthy High Priestess. An impressive installation was then given Sojourner Ruth, who looked lovely as she circled the cross, gowned in the High Priestess robes. Each officer seated within the cross presented her with a red rose. Later the same evening, with deep regret, we accepted her resignation from office, due to reasons of health.

By Supreme dispensation, a second election was authorized and held at the stated meeting of March 15th. Officers elected to head Miriam Shrine for the ensuing year are as follows:

Agatha Engleking, Worthy High Priestess; Aaron Gearhart, Watchman of Shepherds; Florence Stocks, Noble Prophetess; Lloyd Leas, Associate Watchman; Mary C. Brosius, Worthy Scribe; Art Hickman, Worthy Treasurer; Myrtle Glass, Worthy Chaplain; Belva Krick, Worthy Shepherdess and Mary Duncan, Worthy Guide.

Installation of all elective and appointive officers will take place at a closed stated meeting on Monday, April 5th, in our new hall located at 3201 South Clinton Street.

Your retiring Worthy High Priestess, Reuah Bixler, and Soj. Jonas Crisman, retiring Watchman, wish to thank all sojourners and friends for their loyal support this past year. Soj. Reuah wishes to pass on to you this parting message:

"I've had a lovely year,
Whose memories will never fade,
And happy thoughts abide with me
Because of you, the friends I've made."

Illness Among Sojourners: Haz Berke was a surgical patient at Par view Memorial, Ada Trovinger was hospital patient at Huntingtc Blanche Gebert is convalescing Larwill, Indiana, Dora Freyman Hicksville has been ill since Nove ber, Mabel Metzner had the flu, J Duncan and Lottie Slater were both auto accidents, Pearl Helmer is i proving, Helen Bolyard has been Ruth Gearhart is confined to h home, Lloyd Leas has been ill, Ch les Paul is improving.

During the spring convocation, the 18° will be conferred by the officers and cast of the Rose Croix. Following the custom of several years, the 17° will be communicated.

The 18° is the most religious of any degree in Scottish Rite, a distinct departure from the symbolism and teachings of Ancient Craft Masonry. It is designated the Knight of the Eagle and Pelican, and symbolizes a perfect life which every man can understand and take for the guide, inspiration and model of his own. It sets forth a law of warm and intimate human virtues — Faith — Hope and Love.

Rehearsals are being held so that we will be able to portray to the class of candidates and our members the beautiful lessons contained in this degree.

MASONRY IN ENGLAND

Wylie B. Wendt, P.C., M.P.S.

The Masonic Temple in London is considered the finest building in England. It is a very large building, and some idea of its size may be obtained when it is known that 1200 persons lived in the basement during the "blitz" of World War II. A bomb falling on the roof would have to pierce 14 feet of concrete to hit the basement.

There are 1400 Blue Lodges in London, and there are 17 lodge rooms in this great Masonic Temple, where 17 lodges meet every night in the week. The lodges in England are small in membership when compared the average American lodge, the average English membership being less than 100 members. This is done so that every brother who has aspirations to become Master of the Lodge may accomplish his ambition, and also to be intimately acquainted with the entire membership. English lodges do not meet as frequently as American lodges, and it is quite the practice in England to have 100 per cent of the members present at each communication. Not so much time and attention is devoted to "degree work," but more time to friendly association around the dinner table and the presentation on subjects of Masonic interest.

There are 652 Royal Arch Chapters in London, working under the Grand Royal Arch Chapter of England. This Grand Chapter has 1447 Chapters working in the Provinces and 304 overseas. Our English brethren consider that the Master Mason's degree is incomplete without the Royal Arch, as they define Ancient Craft Masonry as consisting of the first three degrees, together with that of the Royal Arch.

There are over 200 Preceptories of Knights of Templar in London, preceptories in England corresponding to commaderies in this country. English preceptories seldom number over 100 members.—Louisville Beauseant.

We had our Dinner Dance, March 20. Everyone seemed to enjoy it very much. After the chicken dinner, Miss Irene Meyers gave a very interesting talk on the Elex girls' European tour. After which we watched the last half of the State Finals on TV. Brother Woody Neff and his orchestra furnished fine music for the dance. It was a very nice affair. Our Junior Warden, Bro. Ed Klomp, did a very good job in managing the affair. I wish to thank Bro. Ed and the Fellowcraft club, for their efforts in the ticket sales and generally making a success of the dance.

Monday, March 22, we had three fine candidates for the Master Mason degree. We had a very good dinner at 6:00 in the kitchen. The attendance was good, which is encouraging. Your officers have been concerned about the poor attendance, we have been having, at our meetings. We hope this will be the beginning of an improvement. We will serve meals whenever it is possible.

Bro. Frank Y. Gross, of Jefferson, Wisconsin, who was a fifty-year member, passed on. We extend our sympathy to his family.

It is good to see several of our brothers, who were on the sick list, in circulation again. To all the sick members, we wish a speedy recovery.

See you all in Lodge, we hope.

If I tried to do a kindly deed,

If I tried to help a friend in need
Along life's way
If I tried to be bright and crushed

'Twould be a different today and
a different tomorrow.

The end of 1953-1954 year in Anthony Wayne Court 3 is fast drawing to a close. Each committee met for farewell dinner parties. It was difficult to decide which was best. Regrets were expressed that changes will be made for the coming year. Many pleasant memories will be cherished too.

The officers and their mates held their final dinner party and said farewells to these groups, at this time H.L. Mary Beaman president presented wrought iron baskets, through the officers group, to be used for decorations in the Court room in the future.

On April 12 reports showed that Anthony Wayne Court 3 is in prosperous and healthy condition. The Ways and Means or EmBo club have turned in a profit of $780. Besides the duties of Blue Carnation club or Social committee profit purchased two new pitchers to be used in the kitchen and two wrought iron beauty vases to be used for decorations in Court and Dining rooms.

Election followed: H.L. Alice Reece was elected Royal Matron; S.K. Harry Keller as Royal Patron; H.L. Inez Thrasher Associate Matron; S.K. Melvin Henemyer Associate Patron; H.L. Dorothy Wolever Conductress; A.L. Edith Skelly Associate Conductress, and S.K. George Beach 3rd year Trustee. These officers and those appointed will be installed Saturday, April 3, 1954 at 8 p.m. at K of P Hall, 122½ W. Washington St.

On March 26, H.L. Emma Schell R M and S.K. Robert Chevalier R.P. with the assistance of their officers initiated two more members making a total of eighteen members.

Refreshments were served in the Dining room where the new pitchers were first used. A delightful social hour with lots of fun was enjoyed by those present.

SMILE

When the world seems dark and dreary
And life's burdens on you pile
You can make it bright and cheery
If you smile, yes, only smile.

When the road seems long and weary
Every step seems like a mile
You can make the path more bright
If you smile, yes, only smile.

When alone you seem to wander
As you travel down Amaranth aisle
Sunbeams will shine down upon you
If you smile, yes, only smile.

When the darkened clouds are hovering
You can still make life worth while
If today you cease repining
And you start to smile—just smile.

Emma Schell, R.M.

This year of many activities and pleasures has come to an end. With your cooperation and willing assistance will always remain "Sweet in our Memory." We wish to thank each and every one for making this such a nice year.

On April 3rd begins a New Year for Anthony Wayne Court 3 with the Installation of new officers.

To our incoming Royal Matron H.L. Alice Reece and Royal Patron S.K. Harry Keller. We wish you God speed and may he Bless you both.

To our Brothers in distant locals, Greetings.

Upon receipt of a recent letter from Bro. Ray Reichelderfer of Marposa, Calif., I realized that most of our communications with you is through the medium of this Square & Compass. Therefore if you will keep the Secretary informed of your current address we can, from time to time, publish addresses of those living away from Harlan, and possibly it will prompt someone to call on you, if and when they are traveling near you. I know Bro. Ray would welcome a call by any Allen county Brother who might be near Mariposa and I'm sure the same is true for other Brothers living away from their home lodge.

It is a pleasure to report further on the 50th anniversary award party for Bro. Wilton (Rube) Reichelderfer. Seventy-eight Brothers and friends were present for the reception. In addition to the 50-year Gold Emblem, Harlan Lodge presented Bro. Rube with a gold headed cane suitably engraved to commemorate the occasion. For the success of this evening much credit is due Past Master Jake Amstutz and his committees.

Your Lodge continues to grow. This year to date three candidates have been elected and initiated and one member added by transfer as against one death, as reported last month, and one demit. Several Brothers are proficient in the different stations and lectures, thus we have more than your officers taking part in our work and good attendance at our meetings. Will you come also? Remember—Stated Meetings, 1st and 3rd Tuesdays.

Again let us hear from you. If you do not get the information you desire through these columns, I will write you personally.

We of Monroeville 293 mourn the loss of two Brothers who were called to the Great Beyond; Bro. John Fulton and Bro. Edgar L. Crabill. We extend deepest sympathy to their families.

Those of you who can't attend regularly keep in touch with those who can as we have two F.C.'s ready for the M.M. degree in the near future. At this writing we are not sure of the date.

We are contemplating the purchase of a new projecting machine which can be electrically operated by the lecturer.

Attend stated meetings and join in the discussions.

A. Dale Spieth, W.M.

At the March 10th meeting of Monroeville Chapter 205 O.E.S. we had the pleasure of initiating Mr. James V. Chausse into our order. We welcome our new brother, and hope he attends to our meetings as often as he can.

We also had the honor of bestowing the 25 year membership pin on Sister Gertrude Wyss. She has served the order faithfully and was Worthy Matron in 1951.

On March 27th we will have public installation of our new officers. The installing officers being, Worthy Matron; Nellie McIntosh, Chjaplain; Ann Pillers and Marshal, Ella Peckham.

May we say, "Good Luck to the new officers and keep the star shining bright."

The officers of your lodge take this opportunity to thank the craft for its support in the work of the degrees and also for the spirit of fellowship that has prevailed. It has also been a pleasure to welcome the many visitors into our lodge.

The Patron Saint of Masonry in America, George Washington, believed that the highest achievement of Masonry would be to promote happiness among the human race. The design of Masonry tends to do this because it is necessary for men to work agreeably together to carry on the various works of a lodge. They thereby put into action those noble ideals which they profess. So may it ever be and as the brothers disperse there should be a feeling of satisfaction that their bond of fellowship has been more firmly established.

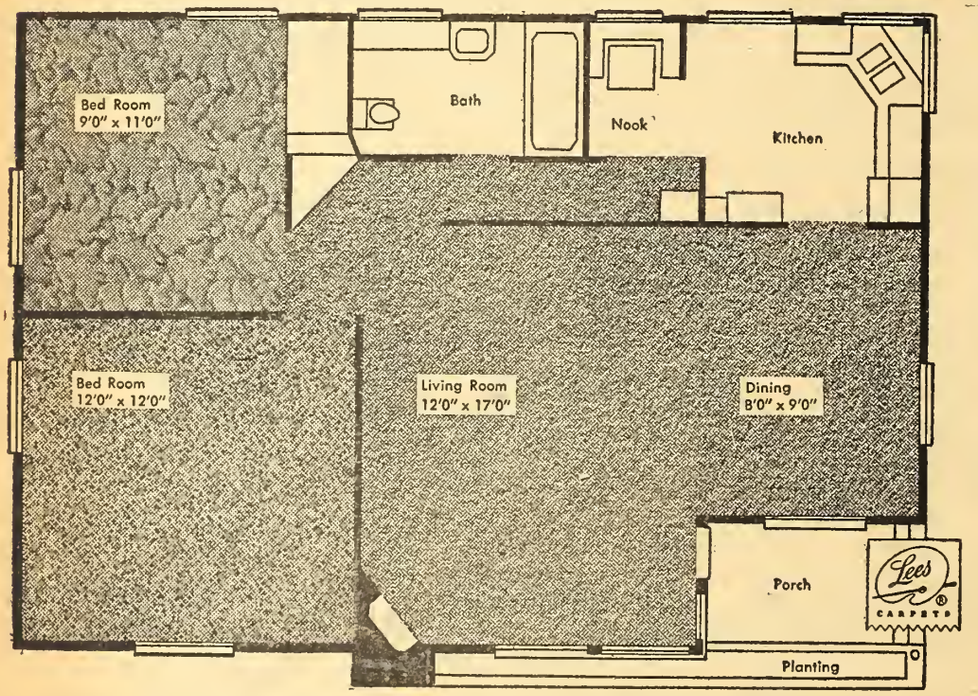
YORK RITE ASSOCIATION OF FORT WAYNE

In the March number of Square & Compass, advance notice was given of the proposed forming of a York Rite Association of Fort Wayne. A committee consisting of the three top officers of the four bodies of York Rite, had considered the advisability of forming such an association; the proposition was presented to the several bodies for consideration.



All of the bodies accepted the proposition. With this backing, a large group, consisting of all the line officers of the four bodies, was called together on Monday evening, March 22nd. It was decided at this meeting that the association should have four officers: president, 1st vice president, 2nd vice president and secretary-treasurer. Also that each of the four bodies should have one officer in the official panel. The meeting then elected Thomas Cannon of Fort Wayne Chapter as president; Carter Palmer of Fort Wayne Commandery as 1st vice president; T. E. Horton of Fort Wayne Council as 2nd vice president; and Paul Staight of Thomas R. Marshall Chapter as secretary-treasurer.

Kenneth D. Strong and Don Thrasher were appointed chairmen of the by-law and "projects and aims" committees respectively, they to select their committee members. The meeting then adjourned to meet again in two weeks.

THE SHRINER'S CODE . . .

"The Shriner's code requires him to realize that his initiation is never complete. Whatever may be his years and dignities, in this respect he stands as a perpetual novice. Without a sense of humor sufficient to include his own immediate and present misfortunes, he is not of the Shrine elect.

"He should always wear displayed the emblem of the Order, and he should always recognize it when worn by other men. There should be no formalities of introduction between Shriners.

"The Fez is his hall-mark. He must wear it on occasions in which the Shrine as a body joins. He should not remove his Fez indoors nor in salutation. He must be very certain not to wear it in any place where he could not willingly take his wife or daughter, or be seen by them.

"He is at home in any Temple, anywhere, and at any time. His privileges are equal to those of immediate membership; in fact, they are greater, and for that reason not to be abused.

"He must realize that vulgarity and honor have little in common, and his code teaches him that he may be witty and still preserve his self-respect.

"He is never to forget that while his Order is not a branch of the great Masonic profession, he himself is a part, and, however humble that part, it is within his power by misconduct to bring reproach upon that which is akin to the Holy. Distinctions and differences, to him a matter of course, are to others unknown.

"To him the emblem of the Shrine worn by a woman places her under his special care and protection, nor may he avoid the responsibility. Its presence does not license him to speak, but it does compel a constant watchfulness over her safety and comfort. He knows it to be the proud boast of the Order that a woman wearing this insignia may travel alone from the Atlantic to the Pacific free from insult and annoyance, and yet never beyond a silent, unseen, constant ward and guard."

The past month has been a very busy one for the craft, we raised five candidates. On Saturday, April 17th we visited Montpelier lodge 600 at Montpelier, Ind. After a ham, beans, and cornbread dinner; we put on the second section of the third degree in full form. The craft, under the direction of brother Jim Jewel, did a splendid job and an afternoon and evening of good fellowship was enjoyed by all. The following Saturday, April 24th lodge was opened at one o'clock on the Master Mason Degree, and we were honored to have as our guests the last lodge chartered in Indiana, Valley Lodge 738 of South Bend. We conferred the Master Mason Degree on three candidates. Valley Lodge then conferred this degree in full form on one candidate. W.M. Paul R. Bullard, his officers, and Fellowcraft Team did a very good job on this, their first visitation. Our Junior Wadren provided a roast beef dinner that was tops. Paul Bullard has many friends in Maumee Lodge and we enjoyed working with him again and the fellowship with all the brethren from South Bend. Valley Lodge has invited us to return the visit next fall, the date to be set later.

Our Chaplain, Dick English, is at his home recovering from an operation. Dick we miss you and wish you a very speedy recovery.

CHERUBIM

By Rabbi H. Geffen, 32° F.P.S.

In Hebrew the singular form of Cherubia is Cherub but, the descriptions are nowhere found. According to Aben Ezra, the word means all sorts of images in general. Several Rabbis assert that the form was that of a child. From this idea have arisen the little winged heads used in religious paintings. The etomology of the word is, however, doubtful.

The image of the lion at the cherubim symbolizes strength and majesty, the bull, constancy, firmness and force; the man, corresponding with humanity and gentleness; and the eagle, with the energy and sublimity of the Divine nature.

The Cherubim have also been compared to the griffins of the Persians-guardians of the mountain of gold. But the word Cherub has a great affinity with the word Cherub, a celebrated spirit in the Persian mythology, who is represented with wings and a sword in his hand. The first mention of Cherubim is in Genesis 3:24, where they are thus described and the cosmology of the Persian, Assyrian, undoubtedly familiar with Moses'.

The Cherubim also overshadowed the Mercy-Seat, or covering of the Ark, and between them the Shekinah rested, and thence the Bath-Kel, or voice of God, issued. The four mystical animals played a great part in the Kabbalah and the Cherubim no doubt partook of their nature in the eyes of the ancient worshippers of God. The Pass-Word of one of the High Degrees is given as Metatren, the Cherub, with Sandalphen are in the Kabblah the chief of the Angels. The Cherub, or symbolic bull, which Moses places at the gate of the Edenic world, holding a blazing sword, is a Sphinx according Pike, with the body of a Bull and a human head. This armed Sphinx represents the law of the mystery, which keeps watch at the door of initiation, to repulse the profane. Hence we have at the door the Tyler with his sword. Phile Judeas assumes that the Cherubim represents the two hemispheres; their wings, the rapid course of the firmament, and of time, which revolves in the Zodiac. "For the Heavens fly;" says Phile, speaking of the wings of the Cherubim; which were winged representations of the Lion, the Bull, the Eagle, and the Man; of two of which the human-headed winged bulls and lions, adopted as beneficient symbols of summer and winter.

Josephus says, that the Cherubim resembled no known creature, but that Moses made them in the form, in which he saw them at the throne of Almighty. Others deriving their ideas from what is said of them by Ezekiel and Isaiah, describe them as having the face and breast of a man, the wings of an eagle, the belly of a lion, and the legs and feet of an ox, which three animals with man, are the symbols of strength and wisdom. Mackey says that the Cherubim were purely symbolic. But although there is great diversity in opinion as to their exact signification, yet there is a very general agreement that they allude to and symbolize the protecting and overshadowing power of Deity. Reference is made to the extended wings of the Cherubim in the Degree of Royal Master.

When Israel was about to build its first Sanctuary in the wilderness, its architects were told by Almighty to design upon the golden cover that was placed upon the Holy Ark, two Cherubim, two Angels: "'And the Cherubim shall spread out their wings towards the heights-upward-with their faces one to another." Here we see the symbolism of Divinity demonstrated, whether it be in the wilderness, or the gorgeous Temple of Solomon, or the picture of the Degree of Royal Master.

The Cherubim in their position teach us to lift man heavenwards, to take him out of all his metallic substances, to take him away from the earthly, beastly conception of existence, from his material, physical, sensual interests and make his way to the more virtual sublime-ideal and sacred aspects of life.

The Cherubim also, Masonically, exemplifies Brotherly Love, Fraternalism, because they were represented not only as flying upward, but, "with their faces one to another." Here is typified a beautiful symbol of our Order, to turn the faces of the Masons one to another—to promote fidelity, the spirit of Fraternity and unity.

We are in need now of the teachings of that symbolism as a lesson to seek a brother's peace and happiness, to prevent misery and unhappiness of our Brethren. But to our great sorrow we witness now the growth of hatred and enmity between man and man, nation and nation. Only if we will accept the virtual symbolism of the position of the Cherubim, we'll be saved.

Be sure to notify us of any change of address.

P.M., Bro. Mel Westbrook reports that Bro. Milton H. Northrop, P.M., who has been ill for sometime, is greatly improved. Bro. Northrup would appreciate visits from any of the brethren, to help pass the time. Let's do our duty, and give our brother a little company.

Twilight funeral services were held for Bro. William C. Verbrych at 8:00 p.m., April 13. P.M., Bro. Thomas Cannon did a beautiful job, giving the service. Thanks to all the brethren for the fine turn out. We all extend our deepest sympathy to the bereaved family.

By the time you read this, your Master and Wadrens will probably be attending Grand Lodge, May 18 and 19. At the next stated meeting, we will give a report.

On Friday, May 21, at 6:30 there will be a banquet in honor of the new Grand Master. This will be a really great affair. It will be your chance to see and meet all your Grand Lodge Officers. There will be a fine meal and really good entertainment. Tickets are on sale by your officers and at the cigar counter. The price is $1.75 per plate. The affair is being planned by the officers of all seven lodges. We must pay the expenses of the visiting dignitaries, we hope to do it without any cost to our treasuries. The number of tickets, available, is limted. Get yours now! We want a capacity crowd, and anyone who misses it will be disappointed. It will be a long time before Fort Wayne is again so honored. Do it now.

We have only one candidate left for April, but we should have a nice class for May. Summer is almost here, so you had better come to lodge before vacation time.

There is a book published, entitled the "Go Giver." I don't remember the name of the author, but that is not unusual, the gist of the contents of the book is about a man who went about doing good to his fellow men.

I am glad to say we have many members in our Chapter who are Go Givers, and also go getters. The Chapter will be busy again in May and June due to the efforts of these men. The work is given well and a spirit of Happiness is exhibited by all those present. If you have not attended any of the work nites at the called meetings come down and enjoy yourself and lend your friendliness to this group.

We especially invite those members of Thomas R. who are members of Maumee Lodge to come and see us put on the work. Did you know that the three highest offices of the Chapter were filled by men from Maumee Lodge, who also does fine ritual work.

The York Rite Association is well started on its organization and reports will be made at stated meetings. If you are interested come to the meeting and get the report, perhaps you will want to participate.

Companions the time for labor to end for the Season is fast approaching. Have you brought in that petition of your Blue Lodge friend who stated he was interested in receiving more Light?

There were 194 candidates in the spring class that received the Lodge of Perfection degrees during the recent convocation.

The degree work was very well portrayed and we were happy to have two casts from out of town. The 5° was presented by the Brethren of Noble county and the 8° by members from Huntington county.

On May 18, 1954 the annual meeting and election of officers of Fort Wayne Lodge of Perfection will be held in the Cathedral at 7:30 p.m. Your officers earnestly hope that a large number of members will be present for this important meeting. While we all enjoy the convocations and ritualistic work it is also necessary that the business end of the Rite is properly administered. This can only be done by the members taking an interest in elections and hearing reports from those who are responsible for the everyday activities and functions of the Scottish Rite Bodies. Since the last annual meeting, a number of important things have happened which will be brought out at the meeting on Tuesday evening, May 18, 1954. The council and Rose Croix will also have meetings following the Lodge of Perfection. A buffet lunch will be served in the dining room after the installation of newly elected officers.

There are still some dues cards that have not been picked up from the office. Send in your $5.00 if your dues are not up to date and the card will be mailed to you.

The sands of time wait for no man, how rapidly they pass from view. It seems only yesterday that we were preparing for the April issue. Many times in the passing of a month we look back and wonder what we have accomplished. Not so! on the construction of the temple—Work has been progressing rapidly. The steps have been completed adding much to the beauty of the building. The floor of the lodge room proper is receiving its final coat of varnish. The chimneys are in the process of being erected.

To the O.E.S. for the construction of the steps, "Our humble thanks." To Brothers Allen and Graham for their part in finishing the floors; Many Thanks. To the rest of the Brethren who have so diligently labored on the Temple this past month Our sincere Thanks.

As our temple nears completion, we can not but help realize. the marvelous power of Brotherly Love. What a short time ago seemed an impossibility is now a reality. Without the ability to work with one another, without that Broherly Love it would sill be an impossibility. May we ever be able to overlook any word, deed, or action, that would mar this friendship.

We have a Master's Degree to confer in the near future. Watch for the notice and plan to attend.

Brother Butler plans to start laying the stone on the front of the temple in June. We have a few jobs to do before this time so Brothers at every opportunity plan to come up and help us prepare for this final event in the construction of the Temple.

Dear Brethren: Here we have another month passed and spring upon us, meaning of course the starting of another fruitful season both to the farmer and city folks. Out in our lodge we know and appreciate what work and hours are necessary to produce a good crop.

Even if we are not farmers we see them at work every day, or better yet we have large gardens of our own, and we know that to produce a beautiful field of corn, wheat, oats or vegetable garden, it takes days of work and thought.

We know that the farmer or home gardner can't produce a crop just because he is called a farmer or gardner; he must get out and work with his mind, hands and God. How well we can compare this to our Masonic work. We can be a Mason in name only, but what do we produce. what do we have to show?

If you are going to be Masons let's work at it and show the world what it is to be called a Mason. Again we must work with our hands, minds and God to produce the fruit that the Masonic Lodge has seeded in each of us. Think it over brethren and ask yourself if you are doing all you should.

I'm sorry to report that Brother Kieth Wolf is back in the hospital. Also Brother Frank Ivins has broken his leg. I know they will appreciate visits from each and every brother.

R.R. 1 ---------- Ossian, Ind.

After being busier than usual for several months Olive Branchers seem to have now turned their attention to work in the fields. I hope that you brothers will still try to remember our stated meeting.

It was our solemn duty to accord Masonic funeral rites for Brother E. V. Emerick this last month. Graveside rites were given at Greenlawn Cemetery. Brother Emerick was a 64-year member of our lodge and had visited lodge for M.M. degree on March 11. At that time he gave a talk and reminded the older members of our lodge about names and events long since forgotten.

The month of May brings us Grand Lodge again and reminds us of the unceasing sands of time. With our thoughts looking back on the eternal truths of our order, we move ahead with a greater certainty of direction.

Be sure to notify us of any change of address.

One nice thing about the Beauceant is that we nearly always have something special to look forward to. If not in our own assembly, there will be some big event in the Commandery which we, as the wives of Sir Knights can share in. In May, for example, the Grand Commandery holds the State Conclave in Indianapolis. This is an event we all anticipate with a great deal of pleasure. We ladies usually attend several special events and tours planned just for us and we wouldn't miss the opportunity to witness the competitive drills, in which the drill corps of the various Commanderies participate. We ladies in Fort Wayne Assembly are justly proud of the Sir Knights in the Fort Wayne Commandery Drill Corps and we wish to take this opportunity to wish them the very best of luck this year. Those of us who can attend, will be there rooting.

The Benevolence Committee will hold its regular sewing on May 20th at the home of Mrs. George Cherry, 2119 Meridian St. at 10:00 a.m. until —, All members are invited to attend —be sure to bring your lunch, the drinks are on the house.

I like to think that the increased attendance at our stated meetings is due, at least in part, to my efforts in this colunm. Well—whatever the cause, let's keep it up. It's wonderful to see you there and we hope it will become a habit, also that this habit will be contagious to others.

We are glad to report very little illness this month. Sir Knight Carl Shroyer has been on the sick list but is improved. We sincerely hope he will continue to do so.

See you in Assembly—???? Until June, Adieu.

Brethren as we enjoy the beauties of spring that God has provided for us let each one of us give thanks to Him. It is through the different seasons of the year that we can look at these rareties of nature provided by the Creator.

During the month of May we think of Memorial Day too. We put flowers on the graves of our departed loved ones and with reverance the ones who gave their lives for America.

Did you ever stop to think of the symbolic meaning of the Statue of Liberty and the flaming torch extended by the elevated hand that stands in New York harbor. This symbol to me means a free America, with freedoms Holy Light provided by the Great God our King.

Another symbol which we see each day of the year is the United States Flag. The flag should always be thought of as a symbol of the nation and reverenced accordingly. On Memorial Day the flag is flown at halfmast until noon, and then at the peak until sunset.

The memorial flower which is worn in several lands is the poppy. Which too is a living symbol to the soldiers in Flanders Field and other parts of the globe.

I haven't seen some of you brethren at lodge for sometime. Come on and enjoy the fellowship of the other brothers and learn more about what we are doing. Remember stated meetings second Monday. Be seeing you at lodge.

Well here it is time to write another column for the Square & Compass, telephone calls to make and correspondence to get out relative to the Grand Conclave and the grass needs mowing for the first once over this spring. Never a dull moment.

It was indeed gratifying that so many Sir Knights, Ladies and our friends were present at our Easter observance. In as much as our Order is founded on the Christian religion and practice of the Christian virtues it is proper that our Easter service be one of the most important activities sponsored by Fort Wayne Commandery. To all the Sir Knights and Ladies who worked on the various committees, my sincere thanks.

At our stated Conclave April 15 your Commandery voted to sponsor two boys to Camp Crosley on Lake Tippecanoe the wek of August 1 to August 8. This period at camp will be devoted entirely to boys sponsored by Knights Templars this year. This is certainly a worth while activity of our Grand Commandery Hospitalie Committee. P.E.C. Sir Knight C Doyle White is Fort Wayne Commandery's Hospitalier Committe Chairman in charge of boys camp a tivities and has served in this capacit much to his credit for many years.

When you read this column th Grand Commandery Centennial Co clave will be history and you wi have heard or read how Fort Wayn Commandery Drill Corps fared in th competitive drills May 12. I hop you hear of a commendable perforn ance. This being the Grand Con mandery Centennial year calls t mind that Fort Wayne Commande celebrated our Centennial last ye having received our Charter from th Grand Encampment September 1 1853. The Grand Commandery Indiana was constituted May 16 18 thus making our Commandery eigh months senior to the Grand Con mandery. A rather unique situation

During the past month two of ou Comrades have been called from ou midst. April Frank J. Schwartzkop and April 12 Ralph L. Jones departe this life. To the bereaved famili of our departed Sir Knights go ou sincere sympathy.

About the Beauceant. Historian never quite seem to agree on the o igin of this ancient battle flag. W learn that it was flown in Jude during the Crusades by the Templar It was of black and white cloth an its presence in battle dismayed th Infidels who fled like sparrows fro the hawk. Remarking further on i magic, one writer states, "Tis strang the power this flag had over friend and foes. By one as the talisman o victory, by the other as a thunderbo to destruction, and as long as th Beauceant flew, so long was the ba tle maintained by the Templars. The battle cry of the ancient Tem lars "Ho for the Sepulchre" with th Beauceant leading them on must hav indeed been impressive sight to b hold.

Our first meeting of the year was well attended, setting we hope, a precedent for the year. All of the new officers were in their stations and delighted us with the proficiency of their work.

The Worthy Matron announced her motto for the year: "Truth is Unchanging, Her Colors, Purple and Gold. Her Guide, and Ours, for the Year."

Think truly, and thy thoughts
Shall the world's famine feed;
Speak truly, and each word of thine
Shall be a Fruitful seed;
Live truly, and thy life shall be
A great and noble creed.

And finally she admonished us as Polonius did his son when the son was starting on his long journey: "To thine own self be true, and it must follow, as the night the day, Thou canst not be false to any man.

Our congratulations and very best wishes for a pleasant and successful year go to these new officers.

The Junior Past Matron. Sister Willadean Todd was duly initiated into the newly organized Past Matrons club in a beautiful and impressive ceremony.

At our next chapter meeting, May 7th, mothers will be honored. At the May 21st meeting there will be iniatiation and we will celebrate our chapters birthday. On June 4th we will be honored by the official visit of the district deputy.

Committee meetings in May will be as follows:

Ways and Means, May 11th with Evangeline Baker, Glennis Adams assisting.

Program, May 10th with Mary Lukens, Marjorie Simmers assisting.

Cheer, May 12th with Ida Vosburgh, Esther Kelley assisting.

Choir, May 17th with Linda Schremser.

Social and Sewing and Decorating will be announced later.

The Ne-Ca-Wa club will meet with Anita Silkworth on May 19th, Gladys Brogard assisting. We are unable to get information on the Stitch and Chatter club meeting at this time.

We are sorry to hear of the serious illness of Sister Mary Henninger's son and that of little Roxanne Smith and Linda Biggs. We hope they will be well soon. Sister Marie Anderson enters the hospital for surgery April 23rd. We wish for her a speedy recovery.

Our sincere sympathy goes to Sister Florence Amstutz and Sister Nellie Hoffman in their bereavement at the death of their mothers and to Sister Bea Werling, Sister Beulah Gratz and Brother LaVerne Amstutz at the death of their mother-in-law.

As we go to press we learn that Trinity Chapter has been highly honored in having one of its Past Matrons, Sister Gertrude Dickey appointed District Deputy for district 14. Congratulations and sincere best wishes, Sister Gertrude.

Once again we are beginning a new year of activities in the life of Shiloh Chapter, 141. AN UNUSUAL LODGE

The Lodge of St. Andrew in Boston is unique. It cannot have more than 50 members and it has seldom exceeded the present membership of 32. Only one candidate is initiated each year, and preference seems to be given to the sons, grandsons and great grandsons of former members, if they are themselves worthy. Following the meeting, a Table Lodge is convened and the talk is personal, intimate and friendly. This, as everyone should know, is what makes Freemasonry so significant in England and Scotlad. There are many Lodges, but each has a small membership.

Founded in 1736 by the Grand Lodge of Scotland, it has met regularly for 190 years. Among its famous Colonial leaders were Paul Revere, John Hancock, Gen. Joseph Warren, who fell at Bunker Hill, and John Rowe, Provincial Grand Master. There are no recorded minutes for December 16, 1773, but someone has drawn a huge 'I' on the empty page. Obviously the Boston Tea Party had priority among the members.—Eastern Star News.

"A golden year you have given to me,
With its store of radiant rays;
Its hours and minutes on which has shone.
Our light with its brightest rays.
In memory's walls there are pictures fair,
And I bring them to show to you
The record of tasks that have been performed,
Of duties and pleasures, too;
Your friendship, kindness and deeds of love
Will ever treasured be;
And the future will hold only pleasant thought
Of the year you have given to me."

On April 10th Indiana State White Shrine had a meeting in Richmond. Sixty-five members of Faith Shrine U.D. belong to this organization. A bus load of thirty members went down to the meeting. Everybody had a very good time.

During the year Sojourner Evelyn Hinton has been selling the White Shrine pin. With the profit from this sale and many left from the preceding Ways and Means committee she bought the white carpet for the queen and the white carpet to be used for installation.

Worthy High Priestess Florence Dornte appointed Sojourner Helen Lindemuth as her Mistress of Ceremonies at the beginning of her year. When Sojourner Helen took ill she did not resign from her office so Sojourner Florence could not appoint another. Sojourner Evelyn Hinton realizing the condition of Sojourner Helen, she made a trip to see her and took a miniature baseball bat out to her and on it was printed, "I will pinch hit for you, Helen." Sojourner Florence Dornte is very grateful to Sojourner Evelyn Hinton for this wonderful act of kindness to a sojourner who was indisposed due to illness and finally was called to her Eternal Home.

The Past High Priestess club will meet on Wednesday May 12th at the home of Sojourner Cornelia Betz, 4427 Kennilworth.

A large group of sojourners from Faith Shrine U.D. are sojourning to Chicago the first week of May for the sessions of the Supreme White Shrine.

We, the undersigned, want to express our gratitude and thanks to the group of hard working members who laid the ground work for our organization.

To our officers, committee chairmen, committee members and sourners; we will never forget the many, many acts of kindness and honors bestowed upon us. It is due to your efforts that Faith Shrine U.D. has enjoyed a successful and profit able year. We thank you most of all for the great privilege of electing us to serve you as your first Worthy High Priestess and Watchman of Shepherds.

To our Noble Prophetess, Sojourner Harriet Treace and Associate Watchman of Shepherds, Sojourner Ameda Alie, we wish for you happiness and success in all you undertake to accomplish in your year.

Thank you, Sojourner Elsie Heck, for the fine work you have done as our Publicity Chairman.

Sojourners Farewell.

Greetings from Wayne Lodge:

Since the last issue of the Square & Compass, your lodge celebrated its annual Homecoming and Past Masters' Night. There were eighteen Past Masters on hand to confer the Master Mason Degree; and I might add that they did a very commendable job. I would like to take this opportunity to thank all the Brethren for making the evening a success.

On Saturday, April 3, the Fellowcraft club made a trip to Hicksville, Ohio, to confer the Master Mason Degree in due and ancient form. After the work was completed, we were served a very nice lunch. We certainly thank the Brethren from Hicksville for their hospitality. To the members of Wayne Lodge who have not participated in these trips, you certainly are missing a lot of fun.

I would like to talk to you about a very serious part of Masonry, and that is investigating new petitions. There is no limit to the extent of your investigations. But you should be certain that the petitioner is worthy of the honors that will be his if accepted.

If you should be selected to serve and receive an investigation report through the mail, don't lay it aside and forget about it; but do it promptly, and show the petitioner the same courtesy that was shown you when you applied for membership. If for some reason you are unable to serve in that capacity, contact one of the officers of the Lodge immediately so that a new committee member can be appointed. Upon the faithful performance of this duty depends the welfare of the Fraternity and our Lodge.

At this time, Brother Walter Hess is in the Lutheran hospital recovering from a very serious operation; and Brother William Grover is in the St. Joseph's hospital. Brother Victor Townsend is recovering at his home on Creighton Avenue. We pray for a speedy recovery for all the sick Brethren.

Greetings brother Southgaters and to our many friends. Again as before I am wondering just where the time flies as fast. But of course as usual, a lot of things have taken place since the last writing.

I am glad to report that our Fellowcraft team is now fairly well organized, and can boast of a very good set of officers. For this time the officers were appointed by your lodge officers, but in the future they will be elected by the Fellowcraft team. The officers for this year are: Morris Adams, president; Bob McGrail, vice president; Wilbur Shower, food committee chairman; Don Smith, secretary-treasurer. I am sure they will all appreciate your help wherever you can lend a hand. I know they can use your help, so why not offer? I know the Craft officers will do their best to do a good job, but they can't do it alone. Your services are also needed. Remember you get out of Masonry just what you put into it. The more you taken part in lodge affairs, the more enjoyment you will derive of being a Mason, as I have tried to point out in previous writings. DON'T BE JUST A RING OR PIN WEARER.

We were sorry this past month of the death of Kenneth B. Thompson. He was a charter member of the lodge. We wish to extend our sympathy to his family.

How many of you enjoyed the concert given by the Shrine Band in March? In thinking over the members of the band that belong to South Gate lodge, I have come up with this list. Harry Plymale, Carey Baker Sr., Carey Baker Jr., Sam Gregory Jr., John Martindale, Ray Dahlgren, Carl Shirk, Gene Barrett and yours truly, that's quite a good representation. I hope I haven't missed any that you might like to know.

I am sure that everyone who attended our Smorgasbord enjoyed it very much. We all enjoyed the songs of Bob Cocherille and the piano playing of Ester Howard. At one time she was associated with Irving Berlin in his Chicago office, and again I wish to thank John Inches for a job well done on the Smorgasbord. Also to Mrs. Inches who made the decorations that adorned the hallroom. Those dancing rabbits were really in the thick of things. Incidently that was the Inches wedding anniversary and Bob Cocherille sang a number in their honor. I wish again to thank everyone that had a part in making the dance a success

Don't forget our Charter Nite dinner on May 24. Plan on attending this.

That's all from this corner. See you in lodge.

We are assured of degree work for the next two months, and then we will be thinking of our usual summer vacation of Chapter work, during July and August. But it is just a little too early to be thinking of that. However the Companions have been a little lax in getting in the petitions, and we have already had some vacation of Chapter work.

We are hoping that the newly formed York Rite Association will be preparing the soil for a more bountiful harvest, weeding out the misinformation and misunderstanding concerning York Rite Masonry, and then sowing the seeds of a new understanding and appreciation of what York Rite really is. There is much to be done and we are going to need a lot of help to do it.

Companion Edward Ashton has been doing a fine job in the Tyler's room. He has been wanting to be relieved of this work for a long time, but he still gave a fine and faithful has been appointed to the work, and to take over the duties of Tyler, much to Companion Ashton's satisfaction. We want to thank Ed and express our appreciation for his faithful services.

Again we want to urge our Brother Master Masons to investigate York Rite. You actually "take" and actively participate in all of the degrees. In some parts you will be alone, as in some parts of the Blue Lodge work. The form of the lodge will be the same; the furniture will be the same; you will be right at home. While there are no lectures to be learned, the further light of understanding will give you a deeper sense of appreciation of your Blue Lodge. It completes a picture and rounds out an experience you can't forget. Ask and you shall receive further information concerning York Rite; seek and you shall find the further light York Rite can give you; knock and the door of a new and satisfying experience will be opened unto you.

Now that the Easter season has come and gone, now that our faith, born in the degradation of the Cross, has been renewed, let us strive to be worthy of the great compassion that is our Lord's. Let us be grateful for the Mighty Power that is our Religion.

On Tuesday evening April 20th the Lodge had a family night party with 175 men, women and children enjoying a fine meal followed by movies. I am sure everyone had a very enjoyable evening.

We are looking forward to our Corinthian dinner to be held May 1st and then the Reception honoring the newly elected Grand Master on May 21. I know all the Brothers will want to attend this reception.

He leadeth me
In pastures green? No, not always
Sometimes He who knowest best
In kindness leadeth me in weary ways
Where heavy shadows be;
Out of the sunshine warm and soft and bright
Out of the sunshine in the darkest height.
I oft would yield to sorrow and to fright
Only for this: I know He holds my hand.

Bethel 8's activities during April were somewhat cut by an unfortunate error which cancelled our Bake Sale. We are so sorry it happened this way, especially after all the generous offers which were made.

On April 6, a stated meeting was held. Plans for Grand Council, to be held June 18-20 in Terre Haute, were discussed. Our Bethel has submitted an entry for the Miss Bethel contest. An article about Bethel 8 by Sherry Palmer, Fifth Messenger,, was submitted with the name of our Honored Queen, who is our candidate. If not familiar with Grand Council and its functions, one should come to the next meeting or contact Mrs. Joanne Drake for further information. The choir is presently working on a project to save money toward this trip. Besides the beautiful Grand Council ceremonies, there are luncheons, special program, banquets and a big dinner-dance. Grand Council is an important Job's Daughters event and of interest to each Daughter. (If there are enough reservations, the Bethel will secure a special bus.)

May 18 will be Election Night. Think before you cast your ballot! Refreshments will be served following this meeting. June 1 will be the last initiation this term. Turn in any petitions that are ready to file before May 18. June 15 will be Honorary Members' Night.

There are only four more meetings before Installation. Try to attend each one and bring a Job's Daughter friend. Each meeting brings a new inspiration to those who attend. See you there. God Bless You All

We are looking forward with pleasure to the "Recognition and Celebration Day" banquet, which will be held in the Masonic Temple, Friday, May 21st. at 6:3$ p.m. in honor of the incoming Grand Master. Plans are under way to make this a gala affair with all of the Grand Lodge Officers being present, in addition to several Past Grand Masters. Home Lodge 342 F. & A. M. will open lodge in the Auditorium for the reception of the W.M. Grand Master, his officers and other distinguished guests. P.G.M. John W. Thornberg will be the principal speaker for the evening, and the Scottish Rite Choir will be in attendance to entertain us with their usual enjoyable selections. Contact one of your officers for tickets or call Henry Hoffman in the social room of the Masonic Temple. We hope many of you may be able to attend.

Summit City is the proud possessor of a "Certificate of Appreciation" awarded by the staff at the Veteran's Hospital for service rendered. Veterans during the past year. This certificate was received in our behalf by Bros. William Schroeder and Ray E. Lee, representing our Masonic Service Committee. To the brothers who have served in this great and good work, we say "Thank you" for a service well done, in the hope that this token of appreciation will be an added reward for the time given and effort spent in giving help and solicitude to others less fortunate than ourselves.

Our Secretary, Bro. Dwight M. Myers, needs your assistance in the following singular circumstance. These brothers are missing and presumed to be lost, temporarily at least, Auburn Eugene Krieg; Rex A. Carr; Harry Claggett; Robert W. Cotton; Luther E. Gibson; William H. Schaefer; Darwin R. Rice; Donald G. Rice; and William L. Wick. Mail for these brothers has been returned so if you know of their whereabouts, please contact us at once.

Tuesday, April 6th, the Fellowcraft club, with your officers, accepted an invitation from Roanoke Lodge 195, to exemplify the Master Mason degree in their hall. As their candidate was one of his co-workers, our Senior Stewart, Bro. Edward Hatch, was given charge of the degree, and with the assistance of P.M. Albert R. Wolverton, and the craft, performed in a very acceptable manner. All who participated deserve to be commended for their fine portrayal. We heartily thank our brothers in Roanoke for their hospitality, and the lunch enjoyed by all after the degree was completed.

Walter Histed, our Senior Deacon, who has been confined at home for the past several weeks is recuperating, and we know he will enjoy a visit from you. Walter was always a pillar of strength, and I know he is fretting from inactivity, so dart a little ray of sunshine into days that are unusual for Walter, by calling at 1504 Spring Street. He will enjoy seeing you.

Others on the "recovering list" Wardrobe Chairman William Maxwell, 5721 Bowser Avenue; James (Ben) Smith, 3326 Felician St.; S. Loraine Boerger, 1014 Pasadena Ave.; Norman Seabold, 928 E. State Blvd.; Ray A. Lieber 4611 Lafayette Espl. and Merle B. Gouty, 3014 Winter Street, wil apreciate your calling. To all go our best wishhes for a speedy recovery. We welcome into Masonic Fellowship the following brothers who received their degrees during the month of April: Earl Ramey, Richard Patterson, Arthur Hanes and Samuel Gemple. Bros. Ralph L. Jones and Carl Siebel have been called to their eternal reward. We share the sorrow of their bereaved families, and to them we extend our deepest sympathy in the hope that their grief be lightened by a memory they may cherish in the years that are to come.

On May 18 and 19, your Worshipful Master and Wardens will attend Grand Lodge Deliberations. I have been honored by an appointment to serve as teller on the Election Committee.

When this is being written we are making preparations for Past Masters' Night, April 30. We are fortunate in having 25 Past Masters most of whom are living near the lodge.

Brother Wilton Reichelderfer being the oldest, he having received the 50 year award recently.

These two short poems seem to be appropriate to our readers.

He always said, "Good mornin'," An' emphaisized the "good," As if he'd make it happy For each one, if he could. "Good mornin'!" Just, "Good morn-in'," To ev'ryone he met; He said it with a twinkle That no one could forget.

He always said, "Good mornin' "; An' people used to say That one o' his "Good mornin's" Clung to you all the day An' made you always cheerful Just thinkin' o' the sound— It always was "good mornin'," 'Long as he was around.

Author Unknown

"He travels fastest who travels alone," Is an adage hoary with years; But what does the swift one do when the cliff Of trouble and sorrow appears?

It is better to travel more slowly and walk
With one's hand in the hand of a friend;
The level land's lovelier shared with another,
Hills easier, far, to ascend.

And we all come at last, traveling slowly or fast,
To the Gate of the Unknown Land,
Whose latch lifts more gently for those who have had—
And have given—a helping hand.

The officers and members of the casts were happy to exemplify the 18° to a class of 197 candidates. Wednesday afternoons are always very busy and it is necessary to have a rigid schedule in order to get thru the work in time for the evening dinner. We appreciated the splendid co-operation of the Council members who kept their degrees on time and permitted us to complete our work a little ahead of schedule.

Bro. Robert Koerber, Past Most Wise Master, again assisted us by communicating the 17°. This help and his continued interest in the Rose Croix work is always welcomed.

On Tuesday evening May 18, 1954, the annual meeting of Emanuel Chapter of Rose Croix will be held following the meeting of the Council. Officers for the ensuing year will be elected and other matters will be discussed. Your attendance is requested.

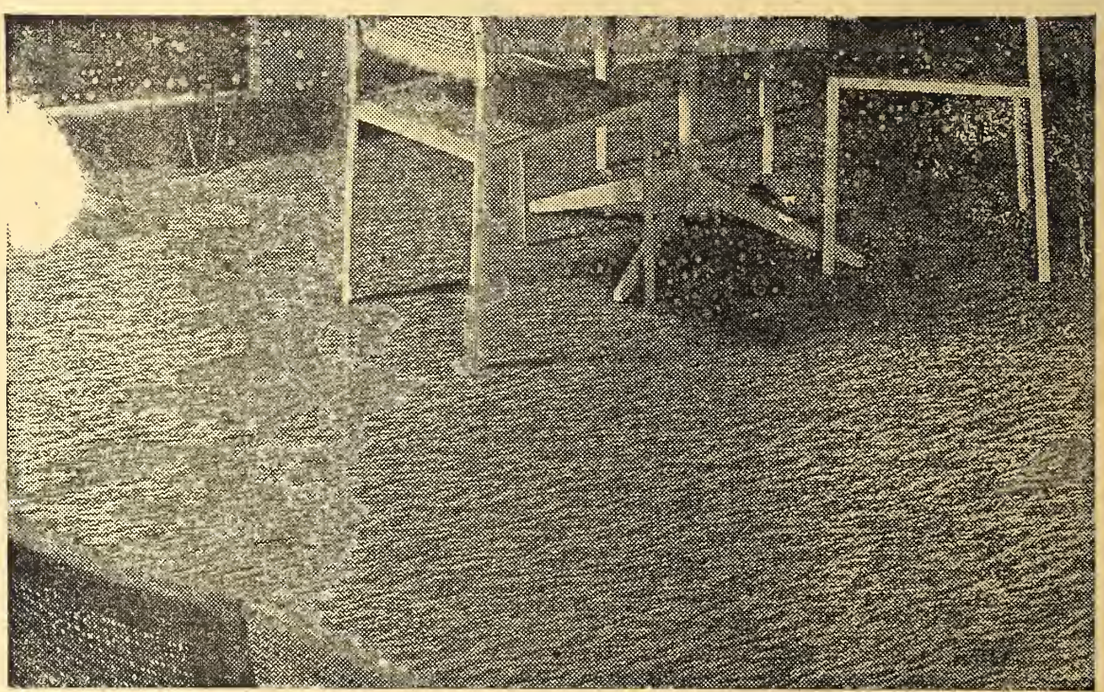
The next meeting of the Council will be held Wednesday, May 19, 1954, starting at 7:30 p.m. After a short business meting, work will be conferred on a fine group of candidates. Please plan to attend and lend your moral support in the conferring of the two fine, pleasant and instructive degrees. Light refreshments will be served in the kitchen after Council is closed.



The York Rite Association is now being formed and progress can be reported. By-laws have been prepared and adopted. The objective of the Association is of interest to all. They are intended to promote a better understanding of York Rite Masonry among Masons, promote and create a real sense of unity and harmony among the York Rite Bodies, and to promote and provide ways of stimulating growth in all York Rite Bodies.

Your Council has shown steady growth during the years and now ranks Number Six in State Membership. This has been accomplished by your loyal and faithful support and hard work. Please continue or even increase your efforts, and we could easily be one of the outstanding Councils in the State. Thus others will be able to share in the wonderful lessons portrayed in the Royal and Select Master Degrees.

ST. JOHN THE BAPTIST

A MASONIC PATRON SAINT
MASONRY'S GREAT
JUNE 24TH OBSERVANCE

By John W. Dowdy
Professor of Systematic Theology,
Central Baptist Seminary,
Kansas City, Kansas

In America the Worshipful Lodges of Free and Accepted Masonry are dedicated to the Holy Saints John. In commemoration of the Holy Saints John two festivals are observed, Saint John the Baptist Day on June 24 and Saint John the Evangelist Day on December 27. In Masonic symbolism the Holy Saints John are represented by the two perpendicular lines which emborder the Circle with the Point within. As we approach the festival day observed for John the Baptist it is appropriate that we think of his life and work.

John the Baptist was born in remarkable circumstances. His father, Zacharias, was a priest of the order of Aaron and of the course of Abijah. The promises of John's birth came after his father and mother were old. God, through the angel Gabriel, gave the promise and instructions as to the name which John should have and the way in which he should be reared. The name John (Johanan) means, Gift of Jehovah. Later he was known as "the Baptist," "the Baptizer" as a consequence of the rite he performed, which attracted universal attention, and was repeatedly used as the characteristic representative of his whole work. His parents reared him as a Nazarite which implied extraordinary and life-long consecration to God's service.

John retired to the wild region between Jerusalem and the Dead Sea for his final training and work. In the same region dwelt the Essenes. The Essenes had an exclusive organization and worship. They looked for an immediate coming of the Messiah who would deliver Israel and establish a new era. In order to be ready at the Messiah's coming to advance his kingdom, they practiced aceticism, individual poverty, self-renunciation, community of goods, and a strict schedule of worship and work. No one was admitted to their order until he had endured years of strict trials, undergone due examinations, and assumed tremendous obligations.

John lived a very rigid life. He wore the garb of the prophets of old, a cloak fastened by a leather girdle. The cloak was made of a coarse cloth woven of camel's hair. Such cloth is still worn in the East by some of the poor. A girdle was a necessary part of an Odiental's dress, being required to bind the loose robe in order to permit active labor, or rapid walking or running. His food consisted of locusts and wild honey. The locusts eaten by John were not fruits of the honey-locust tree, but migrating grasshoppers which were permitted as food by Jewish law. They are very different from what we call locusts and are still used for food by many eastern people.

The charm of John was not in his garb nor his diet. Ancient, Free and Accepted Masonry is interested in John because of his life and teachings. His public ministry started about the time he was 30 years old, in A.D. 26, and only lasted for a few months. In these few months his message and life shook the world.

John came saying, "Repent." The word signifies to change thought, and so to change the opinion or purpose. This inward charge naturally leads to a corresponding change of the outward life. He said in substance this, "You are wrong inside, you are wrong at the heart and core of things; you are wrong in your thinking, and therefore in your doing." John proclaimed that the observance of externalities with an inward corruptness of life had blighted the whole nation. Masonry stresses this teaching of the inward life. A man is not a Mason because he wears a ring, pin, or some Masonic symbol; nor because he has witnessed the degrees of Masonry. A man must be a Mason at heart before he can be a Mason outwardly. The outward life must be an expression of inward principles.

John's life was a manifestation of true humility. The people wanted to proclaim John the Messiah. Before the multitude he replied, "He that cometh after me is mightier than I, whose shoes I am not worthy to bear." He referred to the office of the lowest menial among all the slaves of a household, that of carrying the master's sandals, as when he went to the bath, or to untie and remove them when he entered the house and to wash the master's feet. It takes great force of character to exercise real humility and modesty. Someone has said, "Real humility never knows it is humble; mock humility is proud of its humility." A true Mason is glad to take the place of a servant and to perform the most menial task in Masonry. There is no place in Masonary for those who seek to exalt themselves. Masonry measures greatness by service.

John refused to save his life by compromising his moral standards to suit Herod Antipas, ruler of Galilee and Perea. John was placed in prison at Machaerus for nearly a year and beheaded. His age at death was perhaps 32 years. It is better for a man to be beheaded than for him to surrender his integrity. It is better for a man to die a free man in the cause of democracy than for him to live as a slave of a brutal andb lood-thirsty tyrant.—Detroit Masonic World.

SAMUEL S. GEAKE NEW DEPUTY GRAND COMMANDER

The Centennial of the Grand Commandery of Knights Templar of Indiana was held at Indianapolis, May 11, 12 and 13. The sessions were presided over by Paul G. Smiley of Washington, Indiana.

A feature of the year's program was the conferring of the Order of the Temple by a cast made up of those officers who had received the highest percentage of proficiency in their respective offices by the inspectors of the Grand Commandery. The candidate was Homer Earl Capehart of Washington, Indiana, who is now representing Indiana as Senator of the United States at Washington, D. C.

Fort Wayne Commandery Drill Corps won the second prize in the full sized drill corps competition.

Charles E. Cook of North Manchester was elected Grand Commander; Samuel S. Geake of Fort Wayne was advanced to the office of Deputy Grand Commander and Adam S. Riggin of Muncie was started in the line as Grand Captain of the Guard. Next year's Conclave will be held at Muncie, Indiana.

The following excerpt is from an article by Ill. McLlyar H. Lichliter 33°, editor of the Supreme Council News Letter. We think it will of interest to the membership.

The Masonic elite—Some are college graduates, others have only an elementary education; some are financially secure, others are poor; some are prominent in the community, others are unknown; some wear a 33° ring, others do not; some hold Masonic office, others march in the ranks.

Obviously, therefore, there is no register of the Masonic elite. Men who belong are recognized by their brethren by what they are, by how they conduct themselves, by their quick responsiveness to the basic idealisms of the Fraternity. Paradoxically, we may be sure that no Freemason is aware that he does belong to the Masonic elite. That very awareness would imply an egotism out of all harmony with the qualities we have mentioned. The closest analogy is in the 6th chapter of the prophecy of Micah where formalism is contrasted with the exquisite simplicity of faith: "He hath showed thee, O man, what is good; and what doth the Lord require of thee, but to do justly, and to love mercy, and to walk humbly with thy God."

The future of Masonic progress is with men of this type. They want to be educated, they are eager to learn, they are willing to serve. They are modest but able. They appreciate the relaxations of good fellowship, but abstain from excess. They are temperate in all things—including the investment of time. In a word, the concept of a Masonic elite—unorganized and unpublicized—is a spiritual and intellectual yardstick by which we may measure ourselves and it is an unformulated ideal toward which we move.

With vacation time and the summer months, when Assembly is dark, almost here, we will roll this column up with the June issue until September.

We will have initiation at the June 15th stated meeting and will be glad to see all of you there. The regular monthly sewing will be held at the home of Mrs. Don Thrasher, our Worthy President, 1313 E. Wayne St., on Thursday, June 17th.

No new illness has been reported and we are very glad to hear that Sir Knights Joe Duncan, Jack Adams and Ackerman are improving. The Paul Goldsmiths have another addition in their family. This time a baby girl. Congratulations.

We would like to extend our congratulations to Sir Knight Elmer C. Forks, as he begins his year as Most Worshipful Grand Master of the Indiana Grand Lodge, F. & A. M. Our very best wishes for a successful year.

We hear that Fort Wayne Commandery was well represented at the State Conclave and that a good time was had by all. Also the Sir Knights of the Drill Corps did right proud for themselves—by taking second place in the competitive drills. We are proud of them and are looking forward to the time when they will march on to top honors. I am still waiting to hear the true story about the Wagner's Station Wagon????

We will have a full program to work on in the fall. What with Supreme Assembly and our own Inspection by the Supreme Worthy President. More about that later. Everybody have a fine ime this summer and we'll be looking for all of you at Stated meetings in September. Until then, Adieu.

SHRINE CONVENTION AT ATLANTIC CITY

The eightieth annual session of the Imperial Council for the Shrine of North America will be held in Atlantic City, N. J., during the week of June 27. Official representatives of Mizpah Temple who will attend the Session are Carl H. Pierson, P.P.; J. Henry Curdes, Recorder; Edwin R. Thomas, Potentate; Dr. William C. Wright, Chief Rabban; Hermon Phillips, Assistant Rabban and Past Potentate, Dr. Lowell B. Gardner. The Uniformed Units of Mizpah Temple will not attend this session.

Past Potentates Kenneth G. Matchette and Lawrence E. Vetter will also attend the session at Atlantic City as official delegates to he annual session of the Royal Order of Jesters.

YORK RITE ASSOCIATION

Regular meetings are now being held the 2nd Wednesday of each month. However according to our by-laws, regular meetings will not be held in July and August, but special meetings may be called as the need arises, during those months.

One of the main objects of our association is to promote a better understanding of York Rite Masonry. But we are making haste, slowly. We think it best not to make the "whirlwind" type of aproach to our objectives, for it has been said that "those who sow the whirlwind will reap the whirlwind." While it is true that you reap what you sow, it is also true that you can only reason from that which has been reaped. So we are trying to sow the good seed for a good harvest.

We cannot help but believe in York Rite Masonry. We are hoping to lay a good and solid foundation upon which to build a future edifice of understanding and appreciation for York Rite Masonry. We hope to become good salesmen for a good product. The best salesmen sell their products only on its own merits; the best advertising creates a need and a demand. Our approach to the creating of a better understanding and appreciation of York Rite among our Masonic Brethren, will be from the "good salesmen" standpoint only. We hope to win through on our own merits.

Be sure to notify us of any change of address.

Brethren this is the last month of work before we vacation for the summer. We have had a busy year, so far.

Another Grand Lodge session is past. Your Master and Wardens attended, and will give a short report at the next Stated Meeting. It was a very interesting session and several good resolutions were passed. Fort Wayne has been greatly honored by having a Grand Master in office this year. Brother Elmer C. Forks was elected to serve for 1954. We are all proud of him, and wish him all the success in the world. The seven local Lodges had the honor of entertaining the new Grand Master and his officers May 21.

Brother Irvin L. Snyder and Brother Milton Northrop are still ill and would appreciate visitors. Let's visit them and cheer them up.

Remember, brethren June is the last month for work until September. Better come to Lodge, this month!

This is my last article till fall, so have a good summer. See you in the fall.

At our last regular stated meeting there was an application for membership in the Scottish Rite, presented from Muncie. That is really getting in on the ground floor.

We are going into the fishing and golf season with our thoughts on fun and recreation but why not let your Master Mason friends know you will be glad to turn in their applications early and have them acted upon.

Maybe you had better make sure you have an application handy for use when the opportunity comes. Do you carry one in your wallet or your office desk so you can always be of service? You can get one from the office if you are short.

Your Master Mason friends should be informed that Scottish Rite Masonry will add to their enjoyment of the craft.

It will teach them how better to understand and use the basic factors in human and divine relationships.

It will give them chances to participate in work committees. They will have enlarged Masonic fellowship.

Dates for the fall convocations are November 9-10-11th.

The annual Tri-State Reunion will be held in Indianapolis on Saturday, October 9. A fine program has been planned for your entertainment. Plan now to attend. Tom Wallheiser is in charge of arrangements for the trip. See Tom or any of the officers for reservations.

Brother Willard W. Troyer has been elected and installed as Secretary of Home Lodge 342. He is doing a fine job of getting the books in order. Please help him by turning in your reports on character before the Stated Meeting night so that he has a chance to get them in order before time to read them.

ANNIVERSARY

"Another year has passed—What has it brought?
A little deeper and a little wiser thought?
A little truer sympathy of friend for friend?
And a more earnest striving toward a common end?
If this be so, blest was this year, indeed!
And heartily we wish it now, "Godspeed!"
Another year has come—What can it give?
A little longer for us each to live,
To love, to learn, to work, and then to play,
And so grow stronger, wiser, happier, day by day."

Amy Howard Wales Bullock

Behold how swiftly the sands of time pass. It seems only yesterday that I was installed as the Worshipful Master and now the year is nearly half gone. As I sit back and think of it, I woonder. Are we improving in our work, in our attendance. Are we aware of the fact that we are living in a very great country with all of the things a man could want. Think about it!

Some time ago at the Veterans Hospital they had a program one evening at which time they awarded a "certification of appreciation" to each organization participating during the last year. South Gate Lodge is a proud possessor of one of the certificates. It was received in our behalf by Bro. Harry Frykberg.

I am sure that everyone that attended the dinner honoring the new Grand Master of the State of Indiana, had a wonderful time. The meal was good, the speech by Past Grand Master John Thornburgh, and the music by the Scottish Rite Choir, were enjoyed by everyone present. Our hats off to the new Grand Master and may his year in that coveted office be an enjoyable one.

Our hats off again to our Jr. Warden, John Inches, for a job well done. He had charge of the wonderful dinner for our charter banquet on May 24th. Thanks to the Fellowcraft club for serving it. I know everyone enjoyed the music by the Scottish Rite Choir. The speaker for the evening was R. Nelson Snyder, principal of South Side High School, who gave us a wonderful speech.

I guess that's all from this corner. See you in lodge—Monday nights.

Degree work has been proceding very nicely and those taking the various parts are turning in a very good performance. When we give the Royal Arch Degree Monday evening June 14, we will be through with Degree work for the summer. Past Master and Most Excellent Master will be given on June 7th. There has been an increasing interest in the chapter degrees, and we have quite a number of the Companions watching from the side lines. If you have not been attending lately, you should come and "retake" the degrees by watching. Changes are made in the Ritual from time to time, and if you have not seen the work since the last revision of the Ritual, you would be in for some pleasant surprises.

We were very sorry to have to accept the resignation of Companion Hutchinson in 2nd Veil on account of the press of business affairs. Wayne has turned in a very good performance and we hate to lose him; but he has promsied to help out once in awhile. Companions Shafer and Millhorn have been advanced in their respective stations and Companion Dawson has been appointed as Chaplain.

Master Masons who have not taken the York Rite degrees should make inquiry concerning them. In some countries, various parts of York Rite are included in the Blue Lodge Ritual. Masons visiting lodges in those countries, who have not had York Rite, are excluded from the lodge when work is given with which they are not familiar. Originally, York Rite and Blue lodge were very closely related; both being regarded as parts of a whole. In America, the two were made separate bodies, but the close relationship still remains. In the York Rite degrees, questions are answered; the unfinished is completed; the unexplained is made clear, and the Capstone of them all, the secrets of a Master Mason, are revealed.

Companions, if you have not been educating your Blue Lodge brethren in what York Rite Masonry can give them, you have been withholding from them something they need and should have.

My year as your High Priest will all too soon be ended. It has been a pleasure, a responsibility, a time of making new friends, of broadening and deepening my understanding and appreciation of Masonry, and withal a strengthening of the ties of Friendship and Brotherhood among my Masonic Brethren. This being the last issue of the Square and Compass for the summer, by the time publication is resumed in the fall, new officers of your chapter will have been elected and installed, I take this opportunity of thanking all those Companions who have helped me in any way to serve you, and the line of officers who have so ably assisted me. It is my hope that you will give the new officers an even better support, and help them turn in a Banner Year for Fort Wayne Chapter.

Our first Stated Meeting in May honored our past Electas and all mothers. Our first Electa, Sister Carrie Henschen, was escorted to Electa's station and occupied that station for a short ceremony honoring that Point of our Emblematic Star. Sister Lu Dimmick narrated a story of "The Elect Lady" and the Choir sang an appropriate song. The Choir also sang a song for all mothers.

Reports of Grand Chapter were given by the Worthy Matron, Worthy Patron and Associate Matron. Those attending Grand Chapter visited our guests at the Masonic Home in Franklin. Our Worthy Patron, Arthur Bowers, was appointed on the Teller Committee for the election of officers. He reports that it was a very interesting experience. Others attending Grand Chapter were Brother Ralph Roller, Associate Patron, Sisters Vera Hayden, Grace Whonsettler and Margurite Bowers.

Spring hats, gavels and spring flowers were the feature of the Past Matrons and Past Patrons dinner on the night of May 20th. At the Stated Meeting following the dinner the Past Matrons and Past Patrons assumed the officers' stations and conducted the initiation ceremony for a class of candidates. Those initiated were Sister Wilda Doty, Sister Betty and Brother Lorin Babcock. Sister Glennys Schwartz and Brother Wayne Shipley were in the East and Sister Selma Schlacter and Brother Ward Bailey were in the West. Sisters Garneta Stumpf, Grace Tribolet, Emma Welch and Clella Dellinger, all Past Matrons, furnished the initiation music.

Following the iniation a brief ceremony for these Past Matrons and Patrons was given by our Worthy Matron. They were escorted to a semi-circle behind the station of Esther and the Worthy Matron combined the 36th anniversary of the Chapter in her greetings to these past officers. Each person introduced themselves and gave the year that they served in the East and some interesting facts of their year.

On June 1st the Social Committee sponsored a Roses of June Card party in the Masonic Temple Ballroom. Dessert was served at 1:30, and table prizes and door prizes were distributed.

The Grand Conclave at Indianapolis May 12 and 13 has come and gone and I am happy to report Fort Wayne Commandery Drill Corps did very well indeed, placing second in competition. To all the loyal Sir Knights who supported our Commandery there, my sincere thanks. Also it was gratifying that so many Ladies were in attendance. It was fitting that Fort Wayne Commandery have a good representation at our Centennial Grand Conclave. From sentiments expressed from those present I judge every one had a grand time. We will be looking forward to the Grand Conclave at Muncie, May 1955. Start making your plans now to attend. Also you will want to include the Triennial in New York City, August 20-26, in your plans. I for one plan to attend every Grand Conclave in the future until the infirmities of old age prevent my attending. Thursday May 13 Charles E. Cook was installed Right Eminent Grand Commander and our own Samuel S. Geake was installed Very Eminent Deputy Grand Commander. Congratulations Sir Knight Charles and Sir Knight Sam. The time is fast approaching when Fort Wayne will be host Commandery of the Annual Grand Conclave. May 1956 to be exact. That will be a big event in Fort Wayne.

Fort Wayne was again honored Wednesday May 19 when our own Sir Knight Elmer C. Forks was installed Grand Master F. & A. M. of Indiana. This is an honor that comes to but few men and we can be proud to claim this distinguished Mason as our own. Most of us are well acquainted with our new Grand Master and agree that he is rightfully entitled to all the honors that have been or may be in the future bestown upon him.

Again Fort Wayne Commandery has been visited by the dread Angel of death. April 22 Sir Knight William F. Heine and April 24 Sir Knight William S. Grover departed this life. To the families of our departed comrades, our sincere sympathy.

In as much as quiz programs and such are much in vogue these days, try this one on yourself. "What have I done for the betterment and support of the Christian Order of Knights Templar in the past six months." Are the answers satisfactory to you? If sastisfactory, good. If not, let us proceed to do something about it.

As the vacation season is not far distant most of us are probably thinking of going places and doing things, a fishing trip at the lake or perhaps just a quiet rest at home. Whatever your vacation plans are, it is good to get away from the usual routine and do something different. Fort Wayne Commandery will be dark July and August except of course for our stated Conclaves July 15 and August 19. If you have petitions you wish to see acted upon in September you should present them no later than the Stated Conclave in August. The fall and winter months promise to be busy ones as I hear reports of several petitions coming in . And there are rumors of a social event to take place during the early fall months. And so until we meet again, a pleasant vacation to you and yours.

Fort Wayne Chapter Order of De Molay

Stated Meetings 2nd and 4th Tuesdays 7:30 P.M

Richard A. Brantingham, M.C.

Richard A. Brantigham ------ M.C.
4645 Lafayette Esp. --- H-0714
William A. Willcutts ------- Scribe
Washington Center Rd. A-50160

As usual, DeMolay's Mother and Son banquet was a success. There were four hundred and fifty present. That is quite a few for a buck and a hilf a throw, but really it was worth it. There was much more in its meaning and enjoyment than could be measured by many times that much. In my opinion, this is one of the most outstanding events our chapter has. I would even say it outdoes the hayrides and dances, wouldn't you? Thanks to all you boys for bringing your mothers. That is one of the many ways we prove that our Order is not based upon mere empty forms. Thanks, mothers and sons, for your enjoyed presence.

At our last stated meeting, we had an election of officers. I am proud to say we have a most outstanding group to carry on with the work our Chapter has to spread and teach. At the head of the Fort Wayne Chapter will be past Junior Councilor, Jerry O'Brien, who was elected as Master Councilor. His Senior Councilor will be past Senior Deacon, Jim Frey; and past Marshal, Bruce Snyder, was elected Junior Councilor. I know all these boys through working with them in DeMolay and many numerous activities, and there could not have been any better three main officers chosen to head an organization such as Demolay. Good luck, Jerry and crew, in your ensuing term, although I am sure you don't need it. Their first stated meeting will be held September 14.

It doesn't seem too long ago I wrote my first article for the "Square & Compass" and here I am now, writing my last. A lot has passed since then, and I might say it has all been most enjoyable.

Now that I am through, I don't know what I am going to do with myself every first and third Tuesday, but I suppose I'll just go down to the Chapter Room and do Jerry's worrying for him.

The kind of worry and nervousness you get from DeMolay isn't the kind that makes you get old fast (unless you don't know your work) but the kind you look forward to and enjoy. In my administration, we have slacked in keeping up our motto "Everyone bring One," but I'm sure the new incoming officers will make up for this loss. I have heard over an over this semester what a fine group of officers we had, how well the preceptors have done their work, and how precise and exact our floor work was. I have also heard compliments concerning the confident way the whole group handled themselves. Thanks, loads, fellows, for your effort in making this semester one of DeMolay's best. When these compliments were given, they weren't for me but the group of oficers. I feel very happy to be one of the group to receive such recognition with the boys heading this administration and the ones coming up. Our chapter couldn't be what it is without the so called ranks. They always say "From the ranks you come, to the ranks you shall return." Well, in DeMolay with all its outstanding members, the ranks are good enough to be the heads in most organizations; and, without the cooperation of these fellows, the Fort Wayne Chapter would be ordinary. I would like to express my appreciation to 'Dad,' Walt McCall, and Ralph Bogardus for the much needed guidance and help they have given me. Also my sincere "THANKS" to the Mothers' Circle for their many acts of kindness.

Now a word from our new Master Councilor, Jerry O'Brien.

I would again at this time like to express my thanks to DeMolays for electing me their Master Councilor. I will try to my utmost ability to fill the office of Master Councilor and perform its many duties. I also at this time want to congratulate Jim Frey and Bruce Snyder who were elected Senior Councilor and Junior Councilor. I know that I, and everybody in the chapter can count on their co-operation and help during the next term.

Since becoming a DeMolay I have had offices under Senior Past Master Councilor Mike Brutton, Junior Past Master Councilor Bill Pomp and present Master Councilor Dick Brantingham. All three of these boys have been a great help and guidance for me, and I only hope that I can fill the office of Master Councilor as well as each of these boys did.

To do this I will need the co-operation of every officer and most of all the co-operation of everyone in the chapter. I'm sure I can count on all of you for this co-operation. So now again I say thank-you to all, and I will see you next fall (September 14) our first meeting.

DEMOLAY MOTHERS' CIRCLE

The Mothers' Circle holds no meetings during June, July and August, because during these three months, there is absolutely nothing for mothers to do—Just three glorious months of wonderful relaxation.

Well—we can dream, can't we?

Sincerely though, we do want to wish every mother and her family a very happy and restful vacation.

All through the season of activities, I do not recall having once mentioned dear old dad, (just mothers), so please

We have a large class of candidates for the month of June, and from all appearances it looks as if a busy time is in store for all of us. It is our earnest hope that we may be able to fully complete the conferring of all degrees before starting our summer vacation. As this will take extra time and added effort, we would appreciate any assistance that may be given, so try to come up and give us a lift.

During the months of July and August we will hold our regular stated meetings on the first Friday as usual, but no degrees will be conferred. This will give all of us a well deserved rest from the labors of the past six months.

Your Worshipful Master and Wardens were in attendance at the Grand Lodge Communications held in Indianapolis, May 18th and 19th, and had the pleasure of witnessing the election and installation of Brother Elmer C. Forks as Most Worshipful Grand Master of Masons in Indiana. It was my pleasure to assist Kenneth E. Goller, W.M. Wayne Lodge 25, Hugh D. Kelley, W.M. Sol D. Bayless Lodge 359, Fred L. Hoffman, W.M. Maumee Lodge 725, Franklin I. Bryan, W.M. Southgate Lodge 731 and Stanley Dumford, W.M. Three Rivers Lodge 733 in the presentation of a beautiful basket of flowers to the newly installed Grand Master as a token of the high esteem in which he is held by his brothers throughout the fraternity in Fort Wayne, and of their best wishes for a happy and successful year. An additional honor of which I am distinctly proud is an appointment to serve on the Grand Lodge Charters and Dispensations Committee during the coming year.

On Tuesday evening, accompanied by our wives, we drove to the Masonic Home at Franklin, and had the pleasure of visiting our guests, Mrs. Dora Coy, Mrs. Florence Crowl and Robert McIlhaney, as well as Lenora Wagner, Shiloh Chapter 141, O.E.S. and Bertha Kaiser, P.W.M. Fort Wayne Chapter 432 O.E.S. All were delighted to see us and expressed their appreciation of our driving down to pay them a visit during the busy sessions of Grand Lodge. May our vision never be so clouded as to feel that we, as officers, are too busy to perform a service that brings a warm feeling of comfort to those who give as well as those who receive. Why don't you plan to be with us on "Masonic Home Visitation Day" next September, or drive down some nice summer day?

We are happy to inform you of the continued improvement of our Senior Deacon, Walter E. Histed, who with mechanical assistance is able to be up and around the house. May we still offer our prayers for his complete recovery.

We mourn the loss of two of our brothers, Carl C. Meiboom and William P. Hire, who were called to their eternal reward during the month of May. To their families and friends we extend our deepest sympathy.

In May, Council degrees were conferred on a fine class of candidates. Work will also be on the menu for June. The next meeting of the Council will be held Wednesday, June 16, 1954, starting at 7:30 p.m. Each Companion is urged to attend and participate in this work.

June will be our last meeting until September. June brings the vacation season and summer starts. Some will just work around the home, while others will travel, golf, garden, etc. Whatever you may be doing, it is our earnest hope that each of you has a pleasant, refreshing and, above all, a safe vacation.

See you in September.

Masonry helps men to come closer to their Maker—she does not ape the church in teaching men how to worship God, but only that God is, and that one can commune with the Great Architect without sect or creed. She teaches sympathy and understanding. She teaches tolerance of the other fellow's views. Democrat and Republican, saint and sinner, meet on the level in a lodge and forget their differences in their sameness, lose sight of all the quarrels in their oneness. All this Masonry does for those who accept her gentle ministrations.

On Saturday May 1st we were host to the Corinthian club and their ladies. This was a fine social event and I want to thank all those who worked so hard to make it a success.

On May 18th and 19th your Master and Senior Warden attended Grand Lodge and were well pleased with the reported progress of Masonry in Indiana.

The Blue Lodges of Fort Wayne were honored by the presence of the newly elected Grand Master, Brother Elmer C. Forks and other Grand officers and distinguished guests at a reception held in the Masonic Temple Friday evening, May 21st. To Brother Forks we pledge our complete support and wish for him a very successful year.

June will be the last month for degree work before we close for the summer. Won't all of you strive to attend lodge at least once during this month?

SWEDISH ROYAL PRINCES ARE FREEMANSONS BY RIGHT OF BIRTH

In 1769, a ruler of Sweden issued a decree that in the future, all princes of the Swedish royal house would by birthright be Freemasons, a decision which is unique in Masonic annals. The Swedish Constitution differs considerably on many points from that in the rest of the world, though the recognized fundamentals are there. Therefore, it is recognized by the other Grand Lodges of the world. It has always had close communication with the Grand Lodge of England. The late King Edward VII, when Prince of Wales, was initiated in a Lodge in Sweden. He subsequently became the Grand Master of the United Grand Lodge of England.—Indian Masonic Journal, India.

Greetings from Wayne Lodge:

Brethren, by the time you read this issue of the Square and Compass the year will be half over, and many of us will be looking forward to our summer vacations.

During the month of May, three candidates were taken into the good Fellowship and Brotherhood of Wayne Lodge by initiation. It is our sincere wish and hope that Richard D. Nash, Lorin J. Scantlin and Wm. P. Klingenberger will be richly rewarded in brotherly love and friendship by this experience.

Also during the past month the Senior and Junior Wardens, Secretary and Master attended Grand Lodge and participated in the election and installation of Brother Elmer C. Forks, as Grand Master. We were very proud and happy to have our own Reverend Luther Seng appointed as Grand Chaplain. We stand ready and willing to extend a helping hand and wish them every success.

I would like to remind the Brethren dues are due and payable on the first day of January of each year. To date there are a number of unpaid at this time. Please read article 6 in the By-Laws of Wayne Lodge and if for any reason in the above mentioned article you are unable to comply, please contact the Secretary and explain the circumstance. If your dues are not paid by June 1st, it becomes necessary for the Junior Warden to file charges. I'm sure you all appreciate and value your membership, so let's take care of this matter at once.

Brother Walter Hess is now at home recouperating from a long siege of illness and an operation. To Brother Walter and all other members and their families who are ill, we wish good health and a speedy recovery.

The Most Glorious Architect of the Universe has called Brother William Grover to the Grand Lodge in Heaven. To his family and many friends we extend our most heartfelt sympathy.

May is the month for flowers and they are here in all their beauty and splendor, but at this writing, I fear they are shivering a bit! At our stated meeting May 7th, the officers paid tribute to all mothers—using red and white carnations symbolizing the mothers here with us and those who have gone on.

The Ways and Means committee's first project was a rummage sale held May 17th. It is reported as being very successful. The next project will be a baked foods sale at Wolf & Dessauers on June 24th. We are requested to keep this date in mind.

At our stated meeting on June 4th we will enjoy the official visit of the district deputy, our own Sister Gertrude Dickey. On June 18th we will have a birthday party for all members whose birthdays occur in April, May and June. If you have a birthday during that time you are especially invited to attend chapter June 18th.

At this time our Worthy Patron, Brother Clyde Wood is confined to his home with illness. We sincerely hope he will soon be much better.

We have no new babies to tell you about this month, but we do have a new daughter. Sister Evelyn Frankfather and her husband have taken a little girl, eight years old, into their home with the expectation of adopting her. Congratulations, Sister Evelyn.

Our Worthy Matron and Worthy Patron and their family have the sincere sympathy of the chapter in their bereavement at the death of her mother, Mrs. Chambers.

At our May meeting the Master Mason Degree was conferred for Bro. John Mason. We were ably assisted by Bro. Freck, Past Master of Three Rivers Lodge, Fort Wayne, and Bro. Rediger of Leo and a goodly number of visitors from our surrounding neighbor lodges.

Work on our hall is progressing satisfactorily. We are now ready to begin laying stone on the front of the building. We wish to thank the Order of the Eastern Star for making the purchase of this stone possible. There will be plenty of work when the stone arrives, so come on out to work brethren if you have a few hours to spare.

ORDER OF EASTERN STAR

Spencerville OES held a called meeting on May 27 for the ceremony of initiation. We were honored by the presence of visitors from Albion, Kendallville, Mooresville, Waynetown, East Chicago, Michigan City, Indianapolis, Butler, Auburn, and Leo. We were especially happy to have as our guest Sister Hilda Hanes from Prentiss Chapter who has been chosen to serve as Grand Ruth, Indiana Grand Chapter, Order of Eastern Star. A skit titled, "The Lilies of the Valley" was presented in her honor with decorations in keeping.

This was the first time our new officers had given the work, which with all the changes, deserved many compliments. A social hour and refreshments followed.

A family party is being planned for Friday night, July 2. Pot luck supper at 6:30 p.m., followed by a movie starring Francis, the talking mule and Donald O'Conner. A good time is in store for all who can attend.

A Happy Vacation to Everyone!

Greetings to the Craft:

Since my last report to you several events of importance to Harlan Lodge have come to pass.

First may I give credit to our capable Secretary, Clem Wasson, for our last column in the Square & Compass. I don't know whether he was too modest to sign his name or the editor didn't allow him enough space. Again, thank you Clem.

On April 30, we celebrated Past Masters Night and were very pleased to have 18 of our 25 active Past Masters with us for the occasion. Our good friends and Brothers from Ossian Lodge No. 297 were our guests to entertain and instruct by means of a very fine Masonic play, "The Gift in Secret." This meeting was well attended and the progrem was enjoyed by all those present. Our thanks to W.M., Earnest Earhart and Ossian Lodge.

We were saddened to hear of the death of Brother Ross Knapp on May 11, in Rochester, Minn. Ross had been critically ill only a few days. Masonic services led by Brother Clifford Gorrell, were held for Brother Knapp at the funeral home the evening before his funeral. Ross, a brother of our J.W., Virgil Knapp, was very faithful in attendance and took an active part in our labors while among us.

It was the pleasant privilege of the S.W., Otho (Jake) Gustin and myself to attend the 1954 Indiana Grand Lodge, last month. It is a rewarding experience to take part in the annual meeting of this Grand Jurisdiction of Masons. I would urge all Brethren to avail themselves of the opportunity to "sit-in" on your Grand Lodge either as a delegate or as a visitor.

We have one more stated meeting, June 15, before our July, August recess. I am pleased to report all "work" is finished to date. We will be looking forward to seeing you in Lodge on Tuesday, September 7, 1954. Have a good restful and safe vacation. May all the fish be of a size to brag about!

This being the last issue of the Square & Compass for the season until Fall, and also the time when every man should be contemplating and easing up on his work and turning more thoughts and acts to leisure, I want to say a few words of caution to those who are going to do some traveling; Just follow the rules and example which were taught you in the ROYAL ARCH Degree.

The Companions have been busy during the last month in conferring the degrees, all work having been conducted in the finest manner. We have had an average year, but not an average attendance. Perhaps we should remember one of the important lessons taught in the Mark Master; "And the Lord said unto me, Son of man, See with thine eyes and hear with thine ears all that I have to say unto thee concerning all of the ordinances of the house of the Lord and all the Laws thereof; And Markwell the going into, the house with every going forth of the Sanctuary."

Our work is done and now we look forward to a new year beginning in the fall. Remember it is your chapter, the annual meeting and election of officers will be held in September (3, Friday). Be there and lend your support.

As the vacation season is approaching it is customary for us to pause in our labors and mark time, but the investigating committees are out and by the time you receive this communication, I suspect there will be more work. Bear with us a little longer and give your officers the same good support you have this last winter.

Grand Lodge is over and it was an excellent meeting. It was an example of the universality of Masonry and convinced everyone there of the high purpose of the institution.

The craft wishes a speedy recovery to Bros. William Jesse and David Harkless. Please notify our secretary about illness and change of addresses.

Looking back over a term full of work and fun, many thanks go to everyone who has helped to make it a success.

We started the year with a potluck for officers and mothers. It gave everyone an opportunity to become better acquainted and put the girls at ease with a good meal.

The officers gave three initiations: all were well done. We were pleased to have so many lovely candidates May they return often and receive the many good things from our work and fun.

The Mom and Dad's Night supper brought many of our members and their parents together for a well-planned supper and a well-done meeting.

Thanks go to the Council for their work on a very successful rummage sale. So many contributed, and their interest is appreciated also.

Church Sunday was a lovely affair; each officer looking so nice and the members seated in a body. Missing this event was missing one of the highlights of the term.

We were happy to see past officers and honored guests attend our meetings throughout the year. We only wish that there were more, because they are welcome at any time and on any occasion. Come again next year.

Inspection was another of the big events which everyone enjoyed. The advice and help given us by Miss Edith Spense, Grand Guardian, was a big aid to us. The Spring Hat theme made each of us realize that spring with all its beauty was here once more.

Elections for the coming term were held May 18. Pat Miller was elected Honored Queen. The best of luck hope of success, and congratulations go to her. We are sure that her term will be well remembered by all because she will surely make one of the loveliest of all queens.

Other officers elected were Faye Mathisen, Senior Princess; Judy Hallenbeck, Junior Princess; Judy Goller. Guide; and Betsy Masel. Marshall. They too are deserving of best wishes for the future.

On June 1 Bethel 8 had as their guests the officers and members of Bethel 72, Huntertown. The opening and closing were given by Fort Wayne officers and Huntertown officers gave the Initiation. The idea was a new one and most successful. Each Bethel 8 officer introduced her guest officer. The meeting was closed with both groups of officers participating in the Cross. The effect was something we shall always remember as one of beauty and friendship.

Many thanks to the Huntertown officers for their lovely work, especially with the numerous handicaps under which it was given.

June 15 was Honorary Member Night. On this occasion certificates were given all eligible members.

Grand Council begins June 18 in Terre Haute. Bethel 8 will be well represented. May all those attending have an enjoyable time.

Formal Installation of the Honored Queen elect, Pat Miller, will be held June 28 at 7:30 in the Bethel room. This is open to the public.

This will be a lovely Installation. The other officers will also be installed at this time.

Many thanks go to he officers this term. Their hard work and faithfulness is appreciated more than they realize. The work of many members on committees is also deserving of thanks. The help given by the council will never be forgotten.

The help given by members and friends made the term a success and memories of it will be forever cherished.

All of us in Fort Wayne, who wear the Square and Compass, are most happy to salute our new leader. At the 137th Annual Meeting of the Grand Lodge F. & A. M. of the State of Indiana, on May 18th and 19th, Elmer C. Forks was elected and installed as our Grand Master. Brother Forks career in Masonry and otherwise has been filled with accomplishment, and we all appreciate his work and love him. Elmer, we in Maumee Lodge wish for you a most happy and successful year and pledge to you our full support and cooperation.

This year's Grand Lodge sessions were most interesting and instructive. It was a very pleasant and profiable trip for your officers. A full report on these meetings will be given at our June Stated Meeting.

On Thursday May 20th Maumee Lodge and Summit City Lodge were the guest of Wayne Lodge. They conferred the Fellowcraft Degree on two of our candidates, along with Summit City candidates, and their own. The work was beautifully done and an evening of good fellowship was enjoyed by all. Thank you W.M. Kenneth Gollar, your officers, and the brethren of Wayne Lodge for a most pleasant evening.

Your Entertainment Committee has been busy making plans for Maumee Lodge's Family Picnic. The date is August 14th at Franke Park. Mark this day on your calendar and plan to bring the family. Harry Grabner, the committee Chairman, tells me there will be plenty of food and entertainment for young folks. He explained this by saying, this is one day we will all be kids again.

The only way we have of knowing of our brothers that are ill is by hearing from their families or friends, report to your officers if you know of any member on the sick list.

Masonic Temple Cornerstone Laying, September 16, 1879

Seventy-five years ago on Sept. 16th the corner stone of the Fort Wayne Masonic Temple located at the northeast corner of Wayne and Clinton streets was laid by the officers of the Grand Lodge of Free and Accepted Masons of Indiana.

We take the liberty of copying parts of the description of this event as it appeared in the Fort Wayne Gazette for that morning, which we found recorded on microfilm in the reference room of the Fort Wayne Public Library.

"In Feburary 1878, talk among these (Masonic) bodies took definite shape, and about the middle of the month an investigation was formed for the purpose of building a Masonic Temple and Opera House.

"On the 26th of that month articles of incorporation were recorded. The incorporators were George R. Bowen, S. B. Sweet, Wm Knight, Wm W. Fisk, J. H. Simonson, O. D. Hard, Wm Lyne, Geo. D. Crane, Wm Johnston, Jr., Jos. Whan, Wm Rogers, Wm Swinney, R. C. Bell, J. I. White, D. L. Harding, J. H. Bass and H. N. Ward, the seven last being trustees. The officers elected were President, S. B. Sweet; Vice President, R. C. Bell; Secretary, Wm Lyne; Treasurer, J. H. Simonson. The building committee consisted of H. N. Ward, O. D. Hurd, J. H. Bass, R. C. Bell and Wm Knight.

"In April 1878, the plans of T. J. Tolan and Son, of the Temple — a good idea of the elevation of which can be gleaned from the cut which heads this article — were adopted. (Editor's note: — The orginal of this "cut" hangs in the second floor social room of the present Masonic Temple)

"During the next month, the site the beautiful lot at the northeast corner of Wayne and Clinton streets was purchased.

"The gift concert and lottery given to secure funds, resulted in a net balance of $25,448.21. In addition to the returns from this scheme, the following gentlemen took stock to the amount of $500 each in the enterprise: J. H. Bass, S. B. Bond, J. M. Combs, R. C. Bell, A. C. Trentman, E. P. Williams, Chas. McCulloch, M. Hamilton, Fred Eckert, Root and Co., J. L. W. Williams, O. A. Simons, J. B. White, Evans, McDonald and Co., W. Swinney, H. G. Oeds and H. McKinnie.

"Last June proposals were received to enclose the building and the contract was awarded to Huestis & Co., of Dunkirk, Ohio, for $32,000. Soon after, they broke the ground and since then work has progressed satisfactorily. Recently it was decided to lay the corner stone with appropriate ceremonies, on Tuesday the 16th of September 1879, and that day has arrived.

"Yesterday the stone was placed in position in the northeast corner, ready for to-day's work. The inscription on the east side as follows: — Corner stone of Masonic Temple Laid with Masonic Ceremonies Sept. 16, A. D. 1879, A. L. 5879 by B. S. Sutton, G. M., F. & A. M. of Indiana.

"The stone on the southwest corner will bear the names of the architects, Thomas J. Tolan and Son and the building committee, J. H. Bars, S. B. Bond, J. M. Coombs, W. W. Fisk and R. C. Bell.

"The corner stone ceremonies begin at 11 a.m. to-day. The bodies form in the following order: — Then is noted the various officers of the Fort Wayne Masonic Bodies, the Grand Lodge of Indiana and the members of the City Council and City Officers.

"The procession will form on Court street with the head of column resting on East Main street, and march east on Main to Clinton, north on Clinton to Columbia, west on Columbia to Calhoun, south on Calhoun to Washington, east on Washington to Clinton, north on Clinton to Masonic Temple.

"The following are the:

GRAND OFFICERS

B. S. Sutton, G. M.; C. W. Prather, D. G. M.; Bruce Carr, S. G. W.; A. M. Sinks, J. G. W.; Chas Fisher, G. T.; W. H. Smythe, G. S.; John K. Pye, G. Chalpain; M. L. Humston, G. S. D.; S. B. Sweet, G. J. D.; F. Comencavish, G. T.; M. M. Smick, A. K. McCurdy, G. Stewards;

MARSHALS

Col. O. D. Hurd, chief; Capt. J. W. Harper, Col. Phil Grund, John H. Lehr and J. R. Hoagland, assistants.

"After the ceremonies the procession marches to Court street and disbands."

We are fortunate in obtaining two photographs of these interesting ceremonies.

The first a picture taken from the Masonic Lodge rooms in the top floor of the McDougal Block at the corner of Calhoun and Berry streets showing the formation of the parade. A marshal on horseback can be seen directing the various units of marchers in cluding a drum corps. On the left can be seen the trees of the Court House yard and across Court street the old fire station. On the South side of Berry street can be seen part of the Aveline Hotel, then came several buildings now torn down, their sites being now occupied by the Boston Store and Lincoln Bank buildings. The buildings starting with the one having the "Texas" sign to Clinton street are now standing. The dome of the old Post Office surrounded by trees is beyond on the east side of Clinton street. The cupola of the Clay street school can be seen in the distance. This photograph, once the property of James B. McMillen, of Summit City Lodge is now owned by his son, John H. McMillen, the night custodian of our present Masonic Temple.

The other picture which was donated to us by Past Master Levi Griffth of Summit City Lodge, was taken near Barr street between East Wayne street and the alley north, looking

west. In the foreground are the officers of the Grand Lodge, back of whom can be seen the old Fort Wayne High School, where the Paramount Theatre now stands. On the right is the Salem Reformed Church. In the upper left hand corner is the roof of the White Fruit House which has given way to the Grand Leader building.

This Masonic Temple served the Fort Wayne Masonic Bodies for about forty-five years until the bodies moved to the Scottish Rite Cathedral, while the present Masonic Temple was being erected.

Fort Wayne Chapter No. 19 R.A.M., has had a very wonderful and unusual vacation, during the months of July and August. At the June Convocation, a resolution concerning the regular Convocations of the Chapter, was presented, favorably voted on, and sent to the Grand High Priest for his decision. The resolution proposed to schedule the regular Convocations of the Chapter, beginning with the annual Convocation in September and each month to and including the following June. Or in shorter words, no meetings in July and August. Many thanks to our Grand High Priest for his favorable decision, it was received in time to call off our July and August mectings.

Last June 30th our degree team was invited to Huntington to Chapter No. 7. Five Most Excellent Masters were Exalted to the Sublime Degree of the Royal Arch, some of the candidates coming from the Wabash Chapter. While the weather was very warm, we had such a good time we didn't notice the heat. Thanks to the Huntington Chapter for a wonderful time.

We are not sure that this issue of the Square and Compass will be in your hands before the Annual Convocation in September. We are hoping that several of the Companions will remember it and be present. Yearly reports will be presented. Also new officers will be elected and installed. As a new year for the Chapter will thus start, we are hoping the Companions will continue bringing the story of York Rite Masonry to their Blue Lodge friends. A campaign of education concerning York Rite has been launched and much interest is being aroused, and we are expecting results in the form of more petitions for the degrees.

As your outgoing High Priest, I wish to thank the Companious, and the officers who have so ably assisted me, in the past year. It is my wish that you will give those who follow me, your loyal support and encouragement. Our Chapter cannot function as it should, without your interest and assistance. Lets make the coming year a "Banner Year" for Fort Wayne Chapter and Royal Arch Masonry.

Vacations are about over and we hope that our members are rested and had a pleasant summer, in spite of windstorms and thunderstorms.

The Council degree rehearsals are all set for Thursday evenings, with one exception 16° will rehearse on Friday, Oct. 8th. 15 degree Sept. 30 — Oct. 14 and 28. 16 degree Oct. 8, Friday, Oct. 21 and Nov. 4.

We will send out one rehearsal notice to members of the casts. This saves the Scottish Rite office quite a lot of time. It worked out very satisfactorily last spring and we had a good attendance at rehearsals.

A number of our members have not completed their Scottish Rite degrees and have stopped at the 14 degree. We have too many members who have not gone further. We urge these members to take the rest of the degrees, talk to these members and endeavor to get them to complete their Scottish Rite work.

It seems like only yesterday that school let out and here it is time to go back. I hope everybody had a safe and fun-filled summer. I can assure you I did. But now that school time is here, it means that DeMolay time is here again. As usual there will be a new group of officers. Senior Councilor, Jim Frey; Junior Councilor, Bruce Snyder; Senior Deacon, Mike Hartigan; Junior Deacon, Tom Adams; Senior Steward, John Lewis; Junior Steward, Bob Meister; Orotor, Keith Dixon; Scribe, Bill Willcutts; Treasurer, Keith Jocobs; Sentinel, Neil Diver; Chaplain, Terry Miller; Marshall, Jim Fuzy; Standard Bearer, Frank Schollett; Almoner, Bob Pinder, Dick Messner, Bob Rossiter, Tom Franklin, and Bob Willcutts. Congratulations to all you officers.

You can see these officers in action at our first meeting which is September 14th. The mothers circle will have surprise refreshments that night so I hope there will be a big turn our. There are many important matters to be discussed at this meeting. The 2nd meeting in the month of September will be the 28th. I hope the petitions will start coming in this meeting.

Another important date I would like to mention is October 7th. This will be Father - Son night. This is one of the outstanding events DeMolay has because on this night all DeMolays can invite their Fathers to spend the evening with them and enjoy some good entertainment together with all other DeMolays and their Fathers.

Another important event coming soon is the DeMolay Hayride October 16th. This is one of the best hayrides given by anybody. I remember last year there was a very large turn-out for this event, and I hope there will be just as large a turn-out this year. There is a lot of hard work put into this event, and one way to show your appreciation is to be sure and attend the hayride.

Now I'd like to say a few words about petitions. Most everyone knows our motto is "Each One Bring One." This term lets make a real effort to bring in more petitions for the first degree,than we have ever had before, (it will be October 26th). Remember we must have new members to keep our rating among the largest chapters in the country. There will be many Freshmen coming into the high schools this fall who will want to join DeMolay. So be sure to ask all boys who you feel are worthy of becoming a DeMolay if they want to join.

I would also at this time like to say I hope I have as successful a term as Past Master Councilor Dick Brantingham had and do as good a job as he did. Now to each officer I would like to say I will really appreciate your fullest co-operation at meetings and practices because without it I would indeed be lost. I will see you all September 14th.

Just a word from "Dad" R. At the Father - Son Nite, Oct. 7th, 7:30, Mizpah Thrime will furnish entertainment refreshments will follow "no charge". If it is impossible to bring your father bring your uncle, grandfather or family friend of DeMolay age invite him to come as your guest you may also invite his "Dad". Call me for any of your extra reservations at H-3689 this is neccessary for food requirement.

Lets start to get promises for DeMolay Hay Ride tickets now. Profits from Hay Ride to pay for "Free" Tournament Trol Dance. All officers have tickets for sale. Final Initiatory Degree is Oct. 26th. Last meeting to receive petitions for this class is Sept. 28th. It takes a month to act on a petition. This class is to be called the Jerry O'Brien class so lets make it a class to be proud of.

During the summer vacation Jerry O'Brien won the city wide Boys tennis championship. The city wide doubles championship was an all DeMolay final O'Brien and Dave Bennhoff defeated Rosenbaum and Garnette.

DeMolays as Councilors at Pokagan Boys Camp were Norm Miner, Bob Rossiter, Chuck Clarkson and Jim Fuzy. Councilors at Y.M.C.A. camp at Blackman Lake were Jim Frey, Tom Arnold, Keith Dixon, Roy Bromelmeyer, Carl Rinne and John Hiphan was also on the staff.

Bruce Snyder was a councilor at camp Lutherwald. Sorrow in our Chapter: — Brother Bill Pifer from Central is in St. Joe Hospital having received an injury while diving at Otter Lake. We are wishing for him a full recovery.

We extend our sympathy to Bro. Paul Lewark whose father passed away this summer.

It will soon be time for the fall convocation, and we of the Rose Croix are looking forward with keen Anticipation. Rehearsals will commence in October, and we trust we will have a large class to whom to exemplify the degree, with its matchless lesson of love, as taught in the New Law. We never become weary, but become uplifted each and every time, and hope and pray that we might portray the degree so that each and every wonder of the class will be deeply and indelibly impressed.

WHAT is DEMOLAY

First of all the Order of DeMolay is a part of the youth movement, which is for the betterment of young men in the formative years. Masonic organizations are proud to be sponsors of DeMolay.

The Order of DeMolay is an international fellowship of young men between the ages of fourteen and twenty-one. There is hardly a town or hamlet in North America where you will not find a DeMolay Chapter or a DeMolay.

It has for it's purpose the teachings of clean and upright living by inculcating and practicing the virtues of comradeship, reverence, love for parents, patriotism, courtesy, cleaness, and fidelity. Its supreme effort is to create leaders and develope character. It places special emphasis on love of God, love of home and love of country.

DeMolay is sponsored by recognized Masonic bodies, (although it is no way affiliated with them) but just like the churches and clubs sponsor the Boy Scouts. This sponsorship enables DeMolay Chapters to have dependable consecrated leadership and the use of Masonic buildings to house their activities.

Only Masons are permitted to attend the ritulistic work and they are welcome at all times. Most of the entertainment for the Fort Wayne Chapter is furnished by the Scottish Rite and units of Mizpah Shrine.

To join the Order of DeMolay a young man must have attained the age of 14 and be under 21 years, he must believe in God and be of good character and reputation.

The Fort Wayne Chapter is sponsored by the Scottish Rite and Mr. Herbert Dewees is president of advisory council and Harry F. Riethmiller is the advisor or better known as "Dad" of the Chapter.

Petitions are in the rack in the Masonic Temple, if any further information is desired you can phone "Dad" Riethmiller at H-3689.

Hi Everyone:

The beginning function of the new team was installation of officers held June 6. The ceremony was preceded by the retiring of Lindie Schmidt, Junior Past Honored Queen and her officers.

Those installed were, Honored Queen, Pat Miller; Senior Princess, Faye Mathisen; Junior Princess, Judy Hollenbeck; Guide, Judy Goller; Marshall, Betsy Masel; Chaplain, Barbara Bowyer; Treasurer, Sharon Hardick; Librarian, Joyce Watson; Musician, Norma Bennett and Recorder, Barbara Sills.

Others are First Messenger, Nancy Doty; Second Messenger, Marie Jo Edwards; Third Messenger, Susan Flightner; Fourth Messenger, Mary Lou Blough; Fifth Messenger, Barbara Stanbury; Junior Custodian, Sandra Cleckner; Senior Custodian, Pat Jobs; Inner Guard, Susan Allen; and Outer Guard, Sue Jones.

Sue Whitman, Past Honored Queen, presided as Installing Officer. She was assisted by other Past Honored Queens.

The Bethel room was decorated with candleabra and beautiful spring flowers.

The newly installed Queen was escorted from the altar by her father, Mr. R. Miller, and her uncle, Mr. Leroy Miller of Indianapolis.

I want to extend my thanks to all who helped to make my installation such a beautiful and inspiring ceremony.

We're all looking forward to the first meeting of the fall term, which is Sept. 7. It will be preceded by a potluck for the officers and their mothers. Be sure to bring a covered dish and your own table sevice.

A short practice for the officers will be held immediately after the potluck. A regular meeting will follow.

Looking into the future, we find that the second meeting Sept. 21, is initiation. Be sure to be at the officers practice at 6:15 P.M. with the work well in mind.

I want to remind all of you that now is the time to join the choir, remember a good choir is essential to a good meeting and we hope to keep up the record for large attendance.

The most important thing right now is our hayride Sept. 25. Norma Bennett has been appointed chairman so lets all get behind her and give her our full co-operation. It will be held at Bullerman's farm with square dancing and refreshments after your ride. You all remember the good times we had in previous years, so lets sell a lot of tickets to make this the biggest hayride ever held.

It'll be easy to remember the date for the Church Sunday because its the morning following the hayride. I'm sure you all realize how important it is to attend the Queen's church on this Sunday. Bring your parents and friends to Bethany Presbyterian Church at the corner of Boone and Fry streets.

Inspection will be Oct. 19. A wonderful program and banquet are being planned for you so circle that date on your calendar

By this time you've received your calendar. Every meeting is important so be sure to keep these dates open.

Scottish Rite Cathedral . A-6495

One of very active Scottish Rite clubs is having an officers' meeting this month to start its campaign for membership in the class of the Fall convocation. Such spirit assures a good response from that area.

The Fall Convocation dates are November 9, 10, and 11. One of the stellar degrees will be given on the stage in our new Scottish Rite Auditorium on Wednesday night, Nov. 10.

Several rituals are out this summer in the hands of brethren who are taking new roles in the work this fall. You can be assured that the conferring of our degrees in our next convocation will be up to high standard of our consistory work in the past.

Now is a good time for you to definitely plan to attend at least part of the sessions and to have a candidate or two in the Class.

Here are a few of the reasons why your Master Mason friends will be richly benefited by the added light of the Scottish Rite degrees.

Enlarges upon, explains and gives practical application to the Symbolism of Masonry.

The vast storehouse of illustration, allegory, and symbolism embraced in the 29 Scottish Rite Degrees stems from the Ancient Craft Degrees.

Presents and explains systems of philosophy, worship, and morals of all ages.

Is a mighty exponent of Freedom in Thought and Religion.

Its spiritual and moral teachings are based on reason and clothed in a beautiful mantle of Toleration.

Constantly wars against bigotry, error and vice and is a staunch advocate of intellectual and religious Liberty.

Reveals and throws the searchlight of Truth upon the history and knowledge of departed ages.

Lastly, the Rite presents broad opportunities for human service and constructive endeavor.

AFTER THE THIRD

Starting the newlymade Master Mason in the right direction should be the responsibility of the officers of every lodge. Bestowing the three Degrees alone is not enough. Much more must be given him if he is to become a credit to the Fraternity and a better man as a consequence. His first venture in a Masonic environment as a Master Mason is impressionable. Like a child, he is seeking and hearing things for the first time. These impressions are deep and lasting and will affect his future mental attitude toward the Fraternity in general, and the Lodge, in which he holds membership, in particular. They determine whether his enthusiasm will continue or whether it will die. Obviously then it becomes the indispensible duty of the Lodge officers and members to continue with the newly - made brother's Masonic indoctrination with the same zeal and warmth manifested while he was going through the process of the three Degrees.

What is done with him and for him after he has been made a brother is most important. The Degrees over with, he is now in the position to observe and think. The lodge ought to be cognisant of this change and it cannot afford to ignore this fact. Prior to this time the newly-made brother has been through an emotional strain brought on by the mysterious and exciting process of his induction into the Fraternity. He has been the focal participant of all that has transpired. A strange, fascinating, and stirring adventure in a new world, so to speak. But now, all is past and he sits in lodge, calmly watching and listening, waiting and expectant. This, then, most certainly is not the time for disillusionment and disappointment.

If the spiritual philosophy is inextricably interwoven in the pattern that is Freemasonry is apparent by the exemplary conduct of the lodge; if each member is obviously striving to become the dignified Being our Creator desires and Freemasonry advocates, the newly-made brother's impressions are as they should be. On the other hand if this not so, the lodge has failed miserably in one of its most important functions. — Gabriel Ruscitt in "The Philalethes."

Along the line of smoky hills
The Crimson forest stands
And all the day the Blue-Jay calls
Throughout the Autum Lands.
Now by the Brook the maple leans
With all his Glory spread
And all the Sumachs on the hills
Have turned their green to red.
How symbolic To Our Christian
Faith is the Glory of Fall, when even in the death of the flowers and the leaves there is beauty.

Greetings to all brothers & friends of South Gate Lodge. It has been quite sometime since our last publication and I suppose by now most of us have had our vacation and have many, many memories to tell over during the coming months. And now that vacation time is nearly over we are approaching the fall season which means once again we will be back at work. We have degree work for September so come up and help us out. The Lodge needs you and you need the lodge.

I am sorry to report that our Jr. Warden John Inches had a rather serious operation on July 24th. But he is home now and is improving. We hope he will be with us by the next Stated Meeting.

I am sorry to report also that our Sr. Warden's son had a touch of Polio again this summer, but is improving from it. We hope he is soon as good as new.

On Sunday September 19th will be the annual Masonic Home Visitation Day. May I urge each and every one of you to visit the home in Franklin on this occasion. It is actually a privilege no Mason can pass up. Every brother has my personal invitation to attend. Take your family and your friends. You may take your own basket lunch or food will be available on the grounds at reasonable prices. So lets all plan to attend.

I f any brother has any news or may know of a sick brother please contact the Master or Secretary.

I guess thats all from this corner. See you in Lodge.

DRAWING THE LODGE AN OLD CUSTOM

The old custom of "Drawing the Lodge" is one droped entirely from sight wtihin our modern lodges:

It was the custom of early brethren to meet at various taverns, and the name of the lodge was derived from the tavern in which it met. In these taverns the floors were often sanded, just as they are today in some of the old out-ow-way inns.

The tyler drew the designs that we now show by means of the chalk or charcoal. The figure employed was an oblong square representing a building with various Masonic emblems. Of course, the two pillars always had the most prominent place. In addition there were the Seven Steps, Tesselated Pavement, the Dormer or window, the Flaming Star, the Letter G, the Tomb of Hiram, the Square, the Plumb Rule and the Laced Tuft.

These figures were carefully depicted in black and white, the floor having been often whitened to form a strong contrast. This was the origin of the modern Tracing Board of our Lantern Slides.

The emblems were much more carefully explained to the candidate than they are today. After he had received his first Masonic lesson he was handed a pail of water with a "mop" and directed to rub out the drawing on the floor, lest some "cowan" or intruder might by chance see the "drawing on the floor" and so learn the secrets of Masonry. The old French rituals described it as "The Mysterious Picture," thus drawn on the floor.

The tyler usually received a small sum—say 1s.6d., for "Drawing the Lodge." In the old cash books we find frequent entries such as "Paid Tyler and Drawer"; "Tyler's Fee for four Makings."

One of the first entries made of the purchase of "pails" in Old Wapping Lodge was in 1766: The first purchase of a "mop" was recorded in 1793. The last mop bought was in 1808.

Lawrence Dermott, in his "Address to the Reader," makes sarcastic reference to this old custom when he says "Nor is it uncommon for the tyler to receive ten or twelve shilings for drawing "Two Sign Posts" with chalk, etc., and writing "Jamaica Rum" upon one, and "Barbodoes Rum" on the other; and all this (I suppose) for no other use than to distinguish where these liquors are to be placed in the Lodge."

The lodge in those days referred, not to the room in which the brethren met, but to the actual "Drawing on the Floor" of the various Masonic signs and emblems. In the "Consecration of a Lodge," as practiced today, the brethren who sign the petition for the warrant are placed around "The Lodge," that is. around "The Tracing Board of the First Degree," and the consecrating officer in his perambulation performs certain acts symbolical of the tenets of the Craft; so that as late as 1820, the Tracing Board was referred to as "The Lodge."

Drawing the designs on the floor with chalk and charcoal must have been quite some task, so that later metal or tin templates, cut to the shape of the object required to be delineated, were used. This saved the tyler a great deal of extra work and gave better results. From this grew the expression, "Framing the Lodge." Tape was also used for the outer lines of the design or to serve as a guide for the draughtsman.—The Masonic World.

By many lovely tokens,
September days are here,
With summer's best of weather
And autumn's best of cheer.

We go back to chapter Friday evening, September 3rd, with a pot luck supper. We hope there will be a nice turnout. But before we discuss the interesting activities of the coming month, let us glance back into the summer.

We have several new potential Eastern Stars: Sisters Marie Bojrab and Sarah Belle Sprowl have new baby boys and Sisters Monette Whetsil and Mary Zingrabe have baby girls. Sister Jessie Self has a new granddaughter. Heartiest congratulations to these parents and grandparents.

Sister Mary Hawkins' little son suffered severe burns when his clothing caught fire from a bonfire. He spent many weeks in the hospital, but is now well on the way to recovery. Sister Ida Mae Scott has endured a bout with an abcessed ankle and at this writing seems to be winning. Sister Lulu Farmer has been in the hospital for surgery and at this time is recovering nicely. Brother John Welch underwent surgery during the summer and is completely recovered.

Sisters Lillie Shroyer, mother of Brother Carl Shroyer, Sister Mae Haney and Leo Blair, husband of Sister Cecelia Blair and father of Sister Donna Bobay have passed away since our last meeting. Sincere sympathy goes out to the families of these departed ones.

The Chapter is saddened by the loss of our beloved Worthy Patron, Brother Clyde Wood, who was taken in death August 2nd. We extend deepest sympathy to the grieving family.

Death is but a path must be trod,
If man would ever pass to God.

Our second meeting on September 17th will be Master Masons night. I will let you in on a little secret: the program committee is giving us a minstrel show presented by the Crescent Avenue Church choir. We are told this will be a rare treat. Let us have a large and appreciative audience.

Saturday evening, September 18th, Trinity Chapter will honor the district deputy, Sister Gertrude Dickey, past matron of our chapter, with a reception on the mezzanine floor. The hour is 7:30. To attend a reception like this is a privilege we may not often have, and we hope every one is able to come.

On October 15th, Trinity Chapter will observe Friends night. Keep this date in mind. It is an occasion for meeting old friends and making new ones—a pleasant evening for everyone.

The Ways and Means Committee is sponsoring a rummage sale on October 18th. Please get out your rummage. Call Mary Wright, A-67553, for information.

There will be a card party October 25th. Attendance prizes given by the members will be very much appreciated.

Brethren, by the time you read this issue of the Square & Compass, we will be started into the month of September . . . and the last mile of 1954. We start the month with one candidate for the Entered Apprentice Degree and hope to be busy the full month.

There is a lot of activity planned for September and October. There will be a dinner served Thursday, September 23. There is also a fifty-year award to be made.

On Saturday, October 2, we will hold our Annual Dinner Dance and evening of entertainment. On October 23, Malta Lodge from Michigan will visit Wayne Lodge and portray the Fellow Craft Degree. I understand that this is something to see. If you remember the last time they were here and portrayed the Master Mason Degree, they did a beautiful job. So mark these dates on your calendar for this fall and be sure to attend.

On Sunday, July 18, your Fellow Craft club held a stag party at Past Master Brother Ray Overmeyer's farm . . . and did we have the eats! Brother Paul Scott prepared the beef donated by Brother Ray, and it was delicious. I would like to take this opportunity to than Brother Ray and Ruth for their generous hospitality. I am sure all the fellows enjoyed the day's outing.

Brethren, why don't you make it a habit of attending Lodge this fall and participating in your Lodge's activities. I am sure you will enjoy the fellowship that prevails.

Remember the Master Mason dinner that will be prepared and served by the Fellow Craft Club on September 23. Try to come.

things you like best. We are looking forward to seeing you come September 7th. Pot luck in the kitchen will precede the meeting.

The first important event this fall will be the Supreme Assembly at Oklahoma City, September 28th thru October 2. As many as eight of our Beauceant members along with Sir Knight husbands are planning to attend. We wish for them a really wonderful time.

Our Assembly has been very fortunate thru the summer months in having no serious illness. Our sincere sympathy is extended to the family of Sir Knight William Clyde Wood who passed away August 2nd. Those of us who were acquainted with him know what a fine person he was and we shall miss him a great deal. Our sympathy also to Sir Knight Grant Michaelfelder who lost a brother.

Look for more news next month as we get into the swing of the fall and winter activities. Until October —Adieu. Willadean Todd, Publicity Chairman.

A very beautiful Memorial service was given in memory of Sisters Gypsy Dent, Marie Fry, Donna Becraft, Katherine Mitchell, Mildred Koster, Viola Adams, Bertha Dressel and Florence Moller and Brothers Clarence Comincavish and Hugh Mayne. The setting for the Memorial service was a Garden of Memory with Sister Nellie and Brother Harry Emerson narrating "Beyond the Sunset" accompanied with special music by the choir.

The father of Sister Ruth Uebelhoer, mother of Brother Clarence Seslar and the son of Sister Fern Otis were reported as being ill and the brother of Sister Carrie Laisure passed away. Sister Vera Louis Housel has a new daughter and Sister Mabel and Brother Max Poorman have a new son.

Our Worthy Matron has chosen very able and willing members for the Visiting and Decorating Committees and for the Choir and other committees. Chairmen and their assistants were announced in the May issue, and now we wish to list the committee members.

DISCOVERING A FRIEND

If trouble never happened and sorrow never came,
The only thing you'd know about your neighbor is his name.
If all your days were bright and fair, and certain was your place,
You'd only know a fellow by the features on his face.
Acquaintances upon this earth are all you'd ever own,
If care had always passed you by and grief you'd never known.
Time was I used to nod at one who lived across the way.
I knew his name and he knew mine; we passed the time of day;
But nothing did he mean to me, and nothing I to him,
Until one morning sorrow came and all my world was grim.
I saw his face, I felt his hand and knew he'd come to lend
The strength I needed, and right then I found I had a friend.
Tis not in sunshine friends are made, but when our skies are gray,
The splendid souls that men possess are never on display;
We can not tell what lies behind the hasty nod or smile,
Nor what of worth will come of it in just a little while;
We only know that when we face the cares that life must send,
We realize the passerby has changed into a friend.

—Selected

Brethren as the summer and vacation seasons are drawing to a close and the fall activities are soon to start, won't you make an extra effort to attend your meetings.

Sunday, September 19th is visitation day at the Masonic Home at Franklin. Last year a very large crowd was in attendance.

This is the day when every member has the privilege of touring the grounds and are able to see how well our Older Folk are being cared for. Many vast improvements have been made in this past year and many more are to be made.

I had the opportunity last year of attending and was very much impressed and think each of you would be too.

The Grand Master and his committee have a very fine program planned for this occassion.

Refreshments can be purchased on the grounds very reasonable and there are plenty of facilities for those who wish to take a picnic lunch.

September 20th, 7:30 p. m., called meeting for Entered Apprentice Degree.

October 4th. 7:30 p. m., called meeting for Fellowcraft degree.

October 11th, 7:30 p. m., stated meeting.

October 14th, 7:30 p. m., (Thursday), there will be a Lodge of Instructions at Ossian. Ossian lodge will exemplify the Master Mason Degree with Bluffton Lodge No. 145 and Three Rivers Lodge No. 733 to receive instructions by observation. There will be refreshments after lodge.

Please try to attend these meetings.

Now that vacation time is over, Maumee Lodge is looking ahead to the very busy fall and winter months. Let me urge that you check each month for these interesting programs, and then come down and work with your officers and Fellowcraft Club to help make them a success.

On Saturday August 14th about four hundred people enjoyed our family picnic at Frankie Park. This outing proved that our lodge is full of talent. Some of the Mizpah Masquers, who are members of Maumee, furnished the music for dancing and listening pleasure. They were Brothers Ed. Miller, Ira Brown, Pete Fall, and Bob Huff with Harry Grabner calling for Square Dancing. Every outing for kids should have a clown and we had the best in Brother Rusty Miller as Pete the Pie Man, he kept kids and grown-ups alike entertained all afternoon. We sure owe Harry Grabner and his committee for this event a very special vote of thanks. So many members worked to make this outing the success that it was that I will not attempt to name them all. I do think that Bob Kinney should get a pat on the back for his job of preparing the food, Millard McClintock for organizing the games for the kiddies, and Ed Miller for the entertainment. Thanks again to all who worked.

Past Master Bill Schwartz reports that the plans for our Past Masters Night Banquet are progressing, and a delightful evening is in store for Wednesday September 29th. Brother Les Helms will act as Master Of Ceremonies for the evening. Rev. Elmer E. Voelkel, of the Plymouth Congregational Church, will be the speacher; his topic will be Fun in the Minestry. Rev. Voelkel is an outstanding speaker and an exceptional program is being planned. You will not want to miss this one.

Tuesday October 12 th at seven o'clock Assistant Grand Lecturer Harry C. Anderson will hold a Lodge for Instructions. This is a joint meeting of Wayne, Sol D. Bayless, and Maumee Lodges. Wayne Lodge will exemplify the Fellowcraft Degree. Maumee and Sol. D. Bayless Lodge will not be expected to give any degree work, but are to be present to receive instructions by observation. All officers and as many of the craft as can should be present.

On Saturday, November 6, Maumee Fellowcraft Club will make a visitation to Valley Lodge No. 738 of South Bend. These trips are always pleasant, keep this date open and plan to go with us.

Last June 1st Brother John Clay, a member of Maumee Lodge, was elected to Honorary Membership in Porter Lodge No. 137 of Valparaiso. This honor was given in recongnition of his regular attendance as a Visiting Brother, and of his willing assumption of duties assigned him by the Lodge. We are pleased to receive information of this kind.

Our vacation was saddened by the loss of two of our Brethren. Brother John H. Miller and Brother Harry C. Kley. The officers and members of Maumee Lodge extend their deepest Sympathy to the families and friends.

Time really flies! The vacation season is nearing an end, and here I am writing my last article for the Square & Compass as your Illustrious Master.

I hope that each of you had a pleasant and refreshing summer, and, as September begins, we will all be ready to get back into harness to attend and participate in the various functions of the Council. Our next meeting will be Wednesday, September 15, starting at 7:30 p. m. It will be our Annual Meeting. Annual reports will be read, and we will have election and installation of officers. Please arrange to attend. It will be appreciated by your officers.

It has been a real privilege to have served your Council as its Illustrious Master. The confidence which you have placed in me will never be forgotten. I would like to express my appreciation and thanks to each for the help which has been given in making the past year one of the highlights of my life. Thanks also to the finest group of officers anyone has ever been privileged to have.

Fraternally,
Kenneth D. Strong

Vacation season is over and we have returned to our labours after enjoying a pleasant rest during the months of July and August. We hope all of you had a wonderful time on that trip or enjoyed the fishing and other pleasures that were available during the summer months.

We will have no degree work during the month of September, but the highlight of our program will be the visitation of Walter French Lodge No. 557, of Lansing, Mich., Saturday, September 25. Dinner will be served in the dining room at 6:30 p. m., and the Master Mason degree will be exemplified in the Auditorium at 8 p. m., by the Fellow Craft Team from Lansing, on one of their candidates, in accordance with Michigan Ritual. A ticket is your reservation, and you can obtain these from your officers or by contacting Henry Huffman in the social room of the Masonic Temple. Please try to do this no later than Monday, September 20, as we would like to complete arrangements after that date.

A fraternal welcome to Robert J. Clymer, Albert R. Custard, Robert L. Galbreath, Dallas W. Girardot, Thomas Moorehead, Jr., Darwin G. Norton, Donald E. Wilkerson, Gordon T. Wilkerson, Harold E. Wilkerson and A. Duncan Whitaker who received the degrees of Masonry during the month of June. Also to Bill G. Quillen, Peter J. de Voogt and Gilbert R. Moorman who affiliated by transfer.

We regret the passing of Bros. August C. Koehn, Charles P. Lake, William Carlton Link, Howard L. Morrison and Carter I. Bowser. To their families we extend our deepest sympathy.

Remember Sunday, September 19, the annual Masonic Home visitation day. It is a pleasant drive to Franklin, Ind., which will be worth the time spent in seeing what is offered for the comfort of our guests, Mrs. Dora Coy, Mrs. Florence Crowl and Brother Robert B. McIlhany. They will enjoy and appreciate your calling.

Brother Harry C. Anderson, Ass't. Grand Lecturer, will hold a lodge of instruction, Wednesday, October 13, with Summit City Lodge No. 170 as host to Home Lodge No. 342 and South Gate Lodge No. 731.

Craftsmen, Greetings,

As we return to our Masonic labors after the summer recess, I trust each of you has had a relaxing, refreshing vacation. I know many of you have fished new waters and traveled to far places and may have new experiences to share with us this fall.

Two important notices have come to me during the summer and I will use this column to pass on these announcements. Please take special note of the following:

(1) Masonic Home Visitation Day, Sunday, Sept. 19, 1954. Every Mason with his family and friends is invited to be a part of this great Masonic assembly at Franklin on this date. You will want to inspect your Masonic Home in action, view the recent improvements, visit the permanent guests, and enjoy the entertainment to be provided for young and old. You may bring a picnic dinner or purchase food, at reasonable cost, on the grounds. Plan to be present on Sept. 19, for this is a privilege no Mason can afford to miss.

(2) Lodge for instruction, in the hall of Leo Lodge at 7:00 p. m. Thursday, October 21st. Leo Lodge No. 224 is to exemplify the Fellow Craft Degree. This is your opportunity to receive instruction in the ritualistic work and to meet Brother Harry C. Anderson, Assistant Grand Lecturer.

Before the above mentioned dates, our stated meetings will again be convening on the first and third Tuesdays of September and succeeding months. Your officers will be there to greet you.

To give all our members a chance to keep abreast of events in the lives of our Brothers residing in other locales, I invite any of you to write us a letter for these columns.

Hello Brethren;

Here it is almost time for lodge to start again after a full summer. I hope that everyone had a great summer and an enjoyable vacation.

Although we have no candidates for this fall, it is hoped we will have several before the end of the year. But, we do have some other work to do at once.

It has been noted by several Brothers that our By-laws are in need of a good overhauling. Your Master has appointed a committee which will have a set of reversions made up to present to all the brethren at our first meeting.

Any changes in the by-laws will affect each and every brother, so it is your duty and privilege to attend any meetings where there might be a change. So be sure to come and voice your opinions and ideas. That is the only way we can satisify the majority.

I'm sorry to report that Brother Duane Shedler has been moved to Erie, Pa. with his company. I know we will all feel his loss, both as a brother and our treasurer.

So, as you can see brothern, there is a lot of work to be done, so attend every meeting this fall and help out.

Scottish Rite Cathedral . A-6495

Starting in September we will again have our stated meetings on the first and third Tuesdays of the month at 7:30 o'clock in the Scottish Rite Cathedral.

Plans are going forward for the fall convocation which will be held on November 9, 10, 11, 1954. All the degree work except the one given on Wednesday evening Nov. 10th will be given in the present Scottish Rite Cathedral. The Wednesday night work will be conferred in the Auditorium at 411 W. Berry St. The present plans call for the 31° to be given at that time.

The membership committee will have a meeting on Tuesday evening, Sept. 14th for the purpose of organizing plans to obtain candidates for the fall class.

We are happy to announce that an architect has been chosen to prepare plans for the new Scottish Rite Cathedral adjoining the auditorium and also to make the necessary changes in order to confer all the degrees there when the new building is completed. Several meetings have been held with the building committee and continued progress will be made towards construction of the new cathedral.

Recently a letter was sent to all members who have life memberships in the Rite inviting them to participate in the Scottish Rite Benevolent Fund work. The response has been gratifying and we know that all the life members will want to share in assisting to build a much needed hospital at the Masonic Home. All donations to this benevolent fund are deductible from your income tax.

If you would like to join the group of workers who puts on the degrees at convocations, we can find a place for you. Notify the office of your desire to either work in the degrees or on several of the committees that are necessary for a successful reunion. Your help is always needed and you will get more pleasure out of your membership.

Now is the time for all good Scottish Rite Masons to come to the aid of their Blue Lodge friends and invite them to join the fall class. Petitions can be obtained from the office.

ATTENTIVE EAR

The listening (attentive) ear is one of the three precious jewels of a Fellow Craft Freemason. In the Hebrew language, the verb pronounced shaw-mah signifies not only to hear, but also to understand and to obey. Hence, when Jesus said, after a parable, "he that hath ears to hear, let him hear," he meant to denote that he who hears the recital of allegories should endeavor to discover their hidden meaning, and be obedient to their teaching. This is the true meaning of the symbol of the listening ear which admonishes the Fellow Craft not only that he should receive lessons of instructions from his teacher, but that he should treasurer them in his breast, so as to ponder over their meaning and carry out their design.—Mackey's Revised Encyclopedia of Freemasonry.

BRETHREN:

By the time you read this, we will be back at work. We have, only one candidate for September, but we will get back in stride. Why not start, this month, to attend Lodge, regularly?

Sunday, Sept. 19 is "Masonic Home Visitation Day". There will be entertainment for young and old. Bring the family and spend the day. You can have a picnic, see the Home, be entertained, and really have a wonderful day. It will do you a lot of good to see the wonderful Home and how well the members are cared for, you will be proud that you help maintain such a wonderful place. This Visitation Day is really an occasion in Franklin. The Grand Lodge officers handle the affair, and are really, concerned in having a large attendance. Will you be there?

We have lost seven brethren by death, recently. To the families of all the deceased brethren, we extend our deepest sympathy.

To all the brethren who are ill, we wish a speedy recovery.

I, surely, hope to see all of you in Lodge. My year is, rapidly, drawing to a close and I hope to have much better attendance, after vacations, than we had before.

Here we are again at the start of another fall season. For a lot of us this means that vacation is over and we are back at the old grind for another year. Butthis is also an opportunity to renew old aquaintances as we resume our lodge activities.

Home Lodge No. 342 has been visited by death several times during the summer months. Brothers who have died during this period are: Albert H. Theye, George A. Dehm, Clarence B. Garling, Fred L. Clark, William C. Wood and Eugene Wells. To the bereaved families of these deceased Brothers, the officers of Home Lodge No. 342 offer their sincere expression of sympathy.

Sunday, Sept. 19 has been selected as the date for the annual Masonic Home Visitation Day. Plan to visit the Masonic Home in Franklin and see for yourself the wonderful home that has been established for the permanent guests of our fraternity. P.G.M. John E. Baldridge is general chairman of the program for the day and he promises a very enjoyable day for all who attend. You may bring your own basket lunch if you wish or you may buy your lunch on the grounds at a nominal cost.

A date to remember — Sat. Oct. 9th, the date of the annual Tri-State Reunion to be held at North Park Lodge in Inlianapolis. Contact Bro. Tom Wallheiser for reservations.

The Grand Lecturer has designated Wed. Oct. 13 as the date for a lodge of instruction for Summit City Lodge No. 170, South Gate Lodge No. 731 and Home Lodge No. 342. Summit City Lodge No.170 will exemplify the Master Mason Dergree.

Greetings from Huntertown Lodge No. 689. Although July and August are normaly dark months for us as well as most Lodges this year we have taken one candidate who has recently been returned from the Marine Corps and who is going on to school in the southwest. The MM° was held on Aug. 14th at 4:00 A.M. with a ham and egg breakfast at 7:30. Approximately 50 brothers turned out for this sunrise work.

Our fall and winter calendars are crowded with many events which should prove interesting to all, so look for your card.

The Job's Daughters Bethel have their new officers installed. Our own Roscoe Bockman, Senior Custodian of the Grand Council being the installing officer. They are busy planning their fall and winter sessions.

The Eastern Stars are planning their fall and winter work and are looking for your support.

Come to lodge and enjoy your Masonic affiliations.

While a crippled child must be sponsored by a Shriner, Masons should feel free to refer cases of crippled children to any Noble or the Recorder of the Shrine Temple.

If you know of a crippled child under 14 years of age a family not financially able to pay for expensive orthopedic treatment, ask your Recorder or the nearest Shriners Hospital to send you a set of application blanks for admission. Then visit the family and see that the blank is filled in completely all questions answered. There is a parents' or guardian's agreement to be filled in and signed, and an operation permission form to be signed. The child's birth certificate, along with the certificate which you as a Shriner must sign, and the above mentioned papers are to be forwarded to either your Temple Recorder or to the Director of the Shriners Hospital nearest you. Any available photograph which might help describe the case may also be included.

Keep in touch with the case and lend your help when needed. Most of our Hospitals have waiting lists, but your case will be handled in due time if it qualifies. It will be a thrill to you personally to follow the progress of your own sponsored case through the Shriners Hospitals.

Someone has said, "We cannot hope for imortality in this lifc. Sometime, somewhere, we must all leave this life." This statement is true for everyone, and like all High Priests of RAM I too must leave the Chair in the East and step down for my successors in line. I am extremely grateful to members of this Chapter for the Honor which has been conferred upon me, and I wish to commend each and everyone of you who have taken part in the many stated and called meetings of thc Chapter. It is indeed a pleasure to retire from the East and have the feeling and knowledge that my successors arc fully prepared to assume a higher station. During my year of being your High Priest I have had the finest of co-operation any officer could ask for from his assistants. The chapter is in good shape, the line officers know their work and like it. Progress has been made and will continue.

During the last part of August your chapter has bee working conferring degrees and enjoying an hour of Fellowship after the work. We have work for the first part of this month (September) and on the Stated meeting night we have the annual election and reports. Each of you should be present and hear the accounting and participate in the electing of officers for the coming year. Grand Chapter Session will be October 27 and 28, an announcement will be made of this in future issues.

Again I say "Thank you" for your Honor conferred, and I will be seeing you in the sessios to come.

Hollywood Carpet, of nubby texture, is a gay and scintillating base for decorating your rooms. You must see it in its lovely colors in order to fully appreciate what it can do for your home.

FALL CONVOCATION, NOVEMBER 9, 10 and 11

Final plans are being made for the all convocation of the Fort Wayne Scottish Rite Bodies which will be held on November 9, 10, 11, 1954. All of the degree work except the 31° will be given in the present Scottish Rite Cathedral. The officers of the Consistory have arranged to portary the 31° at the newly acquired Auditorium on west Berry Street, Wednesday evening November 10th at :00 o'clock.

In the Lodge of Perfection five degrees will be given on Tuesday afternoon and evening. The 9° will be given by a cast from DeKalb county, with the other degrees given by local members.

Recently the dues notices were sent out for 1955. This is the first time in many years that these notices have gone out so far ahead of the first of the year. As was stated in the last issue of the Scottish Rite Standard, this was done for the reason that a large number of members start to send in their annual dues at this time of the year and not remembering that the dues have gone up to $10.00 instead of $5.00 they would mail in only the customary $5.00 which would necessitate the office advising them that an additional $5.00 was needed for a 1955 card. There has been some misunderstanding regarding these notices and we hope that this explanation will tend to clear up the situation. If you received a statement for dues amounting to $10, it is for your 1955 dues card. While these are not actually due until the first of the year, the cards are ready in case you wish to pay them now. We regret that some of the notices were sent out without the year 1955 on them but was thought that a member seeing the amount of $10.00 would know that the statement was for next years card.

Remember that Tuesday evening, October 26th is the last date to get petitions in for the fall class. Also remember that stated meetings of the Lodge of Perfection are held on the first and third Tuesdays of each month at 7:30 o'clock in the Scottish Rite Cathedral.

Ill. Brother Rev. Howard J. Brown, 33°, will be our Banquet Speaker on Thursday, November 11, as a high light of the Fall Convocation, November 9, 10, and 11.

Ill. Brother Brown, Pastor of the Church of the Saviour at Cleveland Heights, Ohio, was formerly pastor of Forest Park Methodist Church in Fort Wayne and was active in the work of the Fort Wayne Valley and has hundreds of close friends in our Valley. He has traveled in the Middle East during the past summer and will relate some of his interesting experiences including a visit to a most unusual Masonic Lodge in ancient Lebanon.

One of our spectacular degrees, the 31°, will be presented on Wednesday evening, November 10, in our new Scottish Rite Auditorium on Berry Street at seven-thirty.

A large cast of enthusiastic workers have a part in this degree to impress the lesson of "A Guilty Conscience is its Own Reward." Ill. Brother Melvin G. Honeck, 33°, who revamped this degree a few years ago, is director of its work with Attorney James R. Newkirk presiding. This degree is to be taken to South Bend on October 30, to be given as a part of their Convocation in repayment for their splendid exemplification of the 20° in our Spring Convocation.

There will be plenty of comfortable seats available and you will want to make it a point to witness the rousing and colorful 31°.

The 23° with its very dramatic portrayal of the two elder brothers, will be presented Thursday afternoon and followed by the 32°.

Our orchestra and choir will both have a prominent part in the Thursday evening banquet.

The year is fast drawing to a close only two months remain and I have not accomplished near all I set out to do. One thinks at the beginning of a year, twelve months lie ahead, plenty of time for every thing. Alas the months pass all too quickly proving "it is later than you think."

We have openings in our Drill Corps for Sir Knights who are seriously interested. We are now making plans for the State Conclave at Muncie, May 13 and 14 and the Triennial Conclave in New York, August 20 to 26, 1955. To enter competition at New York we must first win at Muncie. Our Grand Commandery has voted to sponsor an A team of 31 Knights and a B team of 24 Knights. They will allow approximately $125 per Knight competing at New York. So if you are interested in seeing Fort Wayne Commandery win at Muncie and go on to New York, make your wishes known, come and join our ranks and soon. We drill every Tuesday evening and will be getting in extra practice sessions in the near future. Commandant P.E.C. Haller promises a winning team if he has the support of a sufficient number of Sir Knights.

September 28 to October 1, Sir Knights Putman, Wagner, Thrasher and your Commander accompanied our Ladies to Oklahoma City to attend the Supreme Beauceant Assembly. As far as business of the Beauceant was concerned we Sir Knights making the journey were just so much excess baggage, but can report a good time was had by all.

At this writing it is uncertain if we will have work in the Commandery in November. Regardless we will be in the Commandery room every Tuesday and Thursday night practicing for our inspection December 9. This you will want to attend.

Indiana York Rite

The Fall meetings of the Indiana York Rite bodies will start with a called conclave of Indiana Priory No. 8, K.Y.C.H., at 7:30 P.M. Monday, October 25th. Harold H. Spaulding of Madison will preside as Prior.

The annual assembly of Indiana Council of Royal and Select Masters will open Tuesday afternoon October 26th, continuing on until Wednesday noon. Lenis N. Firestine of Indianapolis will preside as Illustrious Grand Master.

The annual convocation of the Grand Chapter of Indiana of Royal Arch Masons will open Wednesday afternoon and close Thursday noon. William T. James of Brazil will preside as the Grand High Priest.

THE COMACINES

Centuries before Christ and the founding of Rome, a race spread along the Mediterranean shores and afterwards became known in Syria and Asia Minor as "Hittites" (mentioned in the Bible), in Greece known as "Pelasgoi," and in Italy as Etruscans. The hittites were engaged in building the Temple at Jerusalem and the fame of that building spread far and wide.

The Romans learned their art of building, decorations, pottery, etc. from the Etruscans, who were the same race as the Hittites and carried with them some of the Hittite traditions. In Rome here were developed Collegia of Artificers and in early Christian days these had traditions of King Solomon. At the downfall of Rome and its sacking by barbarians, the guild of artificers left and settled in the district of Como where they fortified and held the island of Comacian, in Lake Como, for hundreds of years. Known as Magistri Comacini, or Comacine Masters, they spread their influence as Master builders all over Western Europe and finally reached the shores of Britain, where later they merged into the great Masonic guilds of the Middle ages. As these guilds died out their forms and ceremonies were preserved to a great extent in our Masonic Lodges in England, from where they were brought to America.

Such in brief is the history of the Comacines, as a link in the chain which has brought Masonry down the ages. Anyone desiring more information on the subject is referred to "The Comacines" by W. Ravenscroft.—Square & Compass.

Listed below are the newly elected and appointed officers of Thomas R. Marshall Chapter No. 161 R.A.M.: High Priest, R, G, McKibben; King, J. S. Andrew; Scribe, N. Jett; Secretary, R. B. Jones; Treasurer, S. E. Evans; Capt. of the Host, J. Kurtz; Principal Soj., H. O. Martin; Royal Arch Capt., F. L. Ruoff II; Master of the 3rd Vail, L. Koch; 2nd Vail, Mansfield; 1st Vail, McMeekin; Chaplain, Meyers; Director of Work, E. P. Staight.

Companions, under the careful Guidance of our Past High Priest, Paul Staight, we have just completed a very successful year, and now we stand at the threshold of a new year. We can think of no better way to have a successful new year than to imitate the worthy examples of those who have vacated their stations for us. The Calling of a companion to become an officer is a high honor and we should never derogate from it. Let us remember always that loyality to home, to our country and to our fraternity is expected of us at all times.

When in seriousness of purpose we cross the threshold of our Lodge it should become for us a sacred place. Let us give careful attention to some of our duties. When we come to Lodge let us be clean in mind, come with our mental faculties free from distracting thoughts. Let us seek to set aside all prejudice and any spirit of antagonism. Let us be pure in heart and put away evil thoughts of every kind. If we do these things, we can't help but be successful.

To the many worthy companions of Thomas R. Marshall, the newly elected and appointed officers of your Lodge, extend to you a hearty welcome to come visit with us as often as you can. We need and will accept very humbly, your careful guidance.

DeMOLAY NOTES

Just a word from "Dad" R.

On Tuesday November 21th "Dad" Land, Secretary General and founder of DeMolay will be in Fort Wayne and will be the specker at the Indiana Tech. commancement excises. Mr. Archie T. Keene, president is extending to DeMolay a cordial invitation to be present at this event. I think it would be fine if the Fort Wayne Chapter had a large representation. I have heard "Dad" Land and I think it will be an insperation for you fellows to hear him and see the type of man who would found an order such as DeMolay. The class of November 23rd will be known as the "Dad Land" class in honor of Dad Land's visit to Fort Wayne. Lets all co-operate and have a class of 50 so that he will be impressed and can never forget the Fort Wayne Chapter.

We will need some understudies for the main parts in the DeMolay Degree and if you are interested in trying out for these parts mention it to Jerry or "Dad" R.

Congratulations to Bill Berg in winning the city wide Junior Golf Championship.

Dues are due and don't forget to invite your friends to petition DeMolay. We really have something to offer.

DEMOLAY MOTHERS' CIRCLE

On the DeMolay card, the first item reads, September 14, Important meeting-FOOD-ALL COME. It seems to me, that almost ALL did come, because the following committee of mothers served refreshments to 125 boys; Mrs. A. Wuebbenhorst, Mrs. James Blair, Mrs. D. L. Corbitt, Mrs. Richard Franke, Mrs. Mahlon Hutchison, Mrs. Eldon Mee, Mrs. Fred Shapell and Mrs. Paul Stiverson.

It certainly does our hearts good to see so many young fellows take an active interest in the DeMolay meetings.

Our Circle opened the fall activities September 27th, with a potluck dinner at the Sears Pavilion.

October 25th, the Circle will be entertained by the following hostessess: Mrs. Roger Stroble, Mrs. Gerald Barry, Mrs. Ora Boone, Mrs. H. E. Burch, Mrs. Fred Clark, Mrs. Lesile Cox, Mrs. N. C. Dimmich, Mrs. Guy Fardal, Mrs. J. Fuzy, Mrs. Florence Gibbs, Mrs. Froncie Gutman, Mrs. Lloyd Harshman, Mrs. Dave Lansky, Mrs. Willian Nern, Mrs. George Scott, Mrs. W. C. Stephen and Mrs. Ralph Bromelmeier.

I HELP THE DEAF HEAR!

YOU will be excited, too, just as hundreds of others have been, about the way I can give *you* power to hear clearly and *Understand Every Word* in church, the movies, business meetings, parties, on the radio, television, telephone.

I'LL PROVE IT — free of cost to you. Let me fit you scientifically to a *"New Ear"* by *Audivox*, successor to *Western Electric* Hearing Aid Division. Here is no ordinary hearing aid — no old-fashioned vacuum tubes, no cumbersome, expensive "B" batteries — but an instrument perfected from a development of world famous Bell Telephone Laboratories, featuring the tiny, magical transistor.

Bring Me Your Hearing Problem, great or small, new or of long standing. With this sensational new scientific instrument, you will hear *more*, hear *better* than you ever have before. I can help you!

MASONIC TEMPLE

Besides having finished the pointing of the stone work of the building, all of the windows and frames have been painted, the ball room floor refinished, the kitchen ovens re-lined, the plastering repaired, all of the wood work and some of the lodge room walls washed. The walls of the front stairway will be washed and new plastering painted during September. How do you like our front lawn? New electric switch boards have been installed in the four lodge rooms and a televivision will soon be in the social room.

U. S. PRESIDENTS AS MASONIC OFFICERS

A number of presidents have been active in Masonry. Others than those mentioned have of course, been members of the Craft, but as far as is known these are the only ones who have held Masonic office.

James Buchanan was a District Deputy Grand Master of Pennsylvania and was Master of No. 43, of Lancaster, in the same jurisdiction.

Andrew Jackson was Grand Master of the Grand Lodge of Tennessee. He also officiated as Deputy Grand High Priest when the Grand Chapter of Tennessee, Royal Arich Masons, was instituted.

James K. Polk was Junior Warden of Columbia Lodge No. 31, Columbia, Tennessee.

James A. Garfield was Chaplain of Garrettsville Lodge No. 246, of Garrettsville, Ohio.

Franklin D. Roosevelt was New York's Right Worshipful Grand Representative to Georgia.

Harry S. Truman is a Past Grand Master of Masons in Missouri.

PRESIDENT OF JUDEA WROTE ABOUT CHRIST

The following descripition of Christ was written by Publius Lentullus, president of Judea in the reign of Tiberius Ceasar, to the Monarch of Rome, and first appeared in the writings of Saint Ansel, of Canterbury in the eleventh century:

"There appeared in these our days a man of great virtue, named Jesus Christ, who is yet living among us. a prophet of truth, but His own disciples call Him the Son of God. He raiseth the dead and cureth all manner of diseases.'

"A man of stature somewhat tall and comely, with very reverend countenance, such as the beholders may love and fear. His hair of a color of a chestnut full ripe, plain to his ears whence downward it is more orient and curling and wavering about His shoulders: in the midst of His head is a seam or partition in His hair after the manner of the Nazarites His face without spot or wrinkle beautified with a lovely red; His nose and mouth so formed as nothing can be reprehended; His beard thick. ish, in colour like his hair, not very long, but forked; His look innocent and mature; His eyes grey, clear and quick."

"In reproving He is terrible, in admonishing, courteous and fair spoken pleasant in conversation, mixed with gravity: It cannot be remembered that any have seen Him laugh, but many have seen Him weep."

"In proportion of body excellent His hands and arms most delecate to behold. In speaking, very temperate modest and wise."

"A man for His singular beauty surpassing the children of Men."—Temple ⟡ Builder.

After noting the large attendance at our September meetings we believe that the summer vacation was indeed renewing for our members and highly recommend Summers and particularly vacations. Everyone returned with vigor and spirit to the work of our Order.

Our Chapter has received a very generous contribution from the Social Committee of last year, while Sister Hope Dumford was Worthy Matron. Sister Fay Brennan was chairman of the committee. They presented four beautiful palms and a pair of candelabra. To complete the gift, the atellites presented white candles, candle savers and two snuffers. The Chapter sincerely appreciates these gifts.

On September 16th Resolutions were read in memory of Sisters Clara and Mattie Cretcher and the Charter was draped for thirty days.

The report of the Visiting Committee of sickness and distress is much shorter, for which we are grateful. Members ill are Sisters Louise Webb and Lillis Blombach and Brother Charles Marker, who was injured in an auto accident. The mother of Sister Hazel Gramling and Brother Paul Cecil are ill, and also the sons of Sister Harriet Welsch, Sister Adine and Brother Norman Budde and Sister Celia Stabler, the fathers of Brother Nelson Gifford and Sister Frances Bruce and the brother of Sister Francis Kline.

We have had no deaths in our Chapter but extend our sympathy to Sister Emma Welsch whose sister passed away and to Brother Earl Souers whose father died recently.

We extend our heartiest congratulations to the new parents. Sisters Catherine Ray, Grace Benton and Patricia (Souers) Cain all have new daughters and Sisters Marie (Lewellyn) Dennis and and Alice (Rodemeyer) Chandler have new sons. Of the proud grandparents of Sister Alice's son are Sister Selma and Brother Art Rodemeyer.

The theme of our Friend's Night was "Wishing" and the decorations featured real wishbones for the corsages and pictures of them on the programs. Our Friend's officer corps, under the direction of the Worthy Matron, Anna Kessler and Worthy Patron, Walter Pohler of Star-of-the East Chapter initiated a class of our candidates. The meeting was well attended and we were glad to again greet and entertain our Star Friends in this manner.

Fort Wayne Chapter has been invited to attend Friend's Nights at various chapters in this District and several of our officers will fill Stations for the meetings. On September 20th our Treasurer and Electa were the special guests of Bluffton, and October 6th our Secretary and Chaplain were guests at Roanoke. On October 12th our Worthy Matron will fill that Station in Star-of-the-East Chapter and our Prompter will journey to Larwill to assist in the ceremonies of Cardinal Chapter. There are also two visitations for October 13th when our Associate Patron and Treasurer will be guests at Markle and our Adah will visit our friends at South Whitley. On October 14th our Conductress will be a guest of Shiloh Chapter. It is always most heartening for our Officers to have a "fan club" of our own members and Fort Wayne Chapter has always been most loyal in attending Friend's Nights where we have officers visiting. This list is being presented to help you remember the invitations that are read in Chapter. Transportation arrangements are generally made in advance so that no one member needs to drive alone, and if you are going to visit arrange to take someone with you or advise the Conductress that you can take someone with you.

On October 24th our Chapter will make it's annual Caravan to the Masonic Home at Franklin. The date was arranged by our Home Contact Chairman, Sister Helen Herrick and the Caravan is in charge of our Worthy Patron, Brother Arthur Bowers. The caravan will form at the end of West Washington Boulevard in Swinney Park at 7:45 A. M. Sunday morning, October 24th. The Worthy Patron is planning on having an appropiate marker for each car. All those who are planning to drive are asked to advise if they can take extra persons and arrangements will be made accordingly. The members families are cordially invited to participate in this visit to the Home. A potluck dinner will be served at noon and coffee will be furnished by the Social Committee. Each family is to bring a basket dinner and their own table service. A program by Chapter members is being arranged by Sister Mary Knauer as a feature of the afternoon. Our own member at the Home, Sister Bertha Kayser, Past Matron of Fort Wayne Chapter, will be our special guest for the day.

At this time plans are moving rapidly forward in anticipation of the visit of the Worthy Grand Matron, Sister Carrie May, on November 12th at which time the annual inspection of our Chapter will be made. The plans are being made in conjunction with Star-of-the-East Chapter for the joint inspection visit. Let us all do our part to make this an occasion of which we can be proud.

Our Worthy Matron has chosen an excellent motto for this year to which we should strive. "We have committed the Golden Rule to memory — Let us now commit it to life." Many people have a "do them, before they do me" attitude which makes for much unhappiness, strife and suffering in this much 'smaller' World of today. It is not too late in our Worthy Matron's year to start practicing this motto, nor is it too late in your life to start committing to your living each day, using her Watchwords: Faith, Love and Hospitality. Remembering the old Dutch axiom: "Too soon I grow old, too late I grow smart," your reporter feels the sooner we start practicing the Golden Rule, the smarter we'll be, before it is too late to make this World a better place for all mankind.

"I Made a Friend"

If I could find a friend today, I would not ask for greater store; If just one soul would come and say, "We shall be comrades evermore," I would not need to count my gold Tonight, when busy labors end — My heart a greater wealth would hold, If I could say, "I made a friend!"

If I today a friend could find, Amid the labor and the stress, Some toiling brother, kindred mind, Some hand to clasp in tenderness, It would not matter what reward, The hours had brought me on the way, If I could say, "I thank Thee Lord, I know I made a friend today!"

Schell, Grand Royal Patron of the Indiana Grand Court conducted the installation ceremonies and was assisted by Past Grand Royal Matron Mary Ellen Sible as Grand Marshal, Past Royal Patron Robert Chevalier as Aide, and Past Grand Royal Matron Esther L. Cook as Grand Prelate. Thank you, H.L. Elive, for your gracious acceptance to take over this office for the remainder of the year; and our heartiest congratulations to you.

Also, to H.L. Elizabeth West, our heartfelt thanks and appreciation to you for assuming the duties of Decorating Committee Chairman, due to the resignation of H.L. Dull.

Much credit should be given to H.L. Gertrude Knight and her up and a-coming Program Committee for the preparation and presentation of their "Latest in Fashion" Style Show which they presented on September 24th. It was an evening well spent.

R.M. Alice is also appointing each and every Honored Lady and Sir Knight on the Membership Committee Our ritualistic degrees are most impressive, and our social activities are getting better and better. So let us all invite our friends to join with us and to share with us, these wonderful things we have to offer. Our membership is unlimited, and any lady or man of Masonic affiliation is eligible to become members.

Official visits of the Grand Royal Matron H.L. Wilma I. Binns and Grand Royal Patron S.K. Alfred O. Schell for October are: Evansville Court, October 5th; Indianapolis No.9 Cctober 19th; Gary No. 20, October 22nd; Indianapolis No.1, October 27th; Logansport, October 29th. Why don't you all try to make a special effort to attend some of these officials? You'll be glad you did, and the Honored Ladies and Sir Knights over the State will be most happy to have you.

By the way, have you heard of the new "Natures 'Wonder Drug"? "Laugh and Live Longer". It's safe — pleasant and doesn't cost a cent. So — just a word to the wise — 'Laugh with folks, not at them'.

So-long, see you in Court.

In the last issue of the Square and Compass, I stated that on October 2, we would hold our Annual Dinner Dance. It has been changed to November 20. Joe Rehling will do the calling with the Rhythm Rascals furnishing the music. Dinner will be served at 6:30 P. M., so circle that date on your calendar and come out for a full evening of fun.

On October 22, the Fellowcraft Club is sponsoring a Halloween party at the large pavilion in McMillan Park. There will be refreshments, square dancing, movies for the children and prizes for the best, funniest, and most original costumes. So dig in the old rag bag and fix yourselves up. Be sure to attend.

On Saturday, October 23, Malta Lodge will visit Wayne Lodge and confer the Fellowcraft Degree. Dinner will be served at 6:00 P. M. I am sure this will be something that you will want to see. You may get your tickets for the dinner from any of the officers or from Henry at the Cigar Counter in the lounge. Last August 29, the Fellowcraft Club sponsored; and we had a very fine time and wonderful eats. I am sorry that everyone couldn't be there and enjoy the Fellowship.

Sunday, September 19, was Visitation Day at the Masonic Home at Franklin, Indiana. Your Worshipful Master and Mrs. Goller spent the day there visiting with the guests of the home and seeing the wonderful place they have to live in. At the present time, there are three-hundred and sixty guests at the home. Brother George McDonald is very well. He enjoys taking walks everyday around the town of Franklin. He certainly was pleased to hear first-hand news of Wayne Lodge activities. He asked about many of his Brother Masons.

Brother Victor McFarland also was enjoying good health and visitors. We were sorry to find Brother Homer Moses in the hospital . . . not too well. Hope to find him better the next time we visit. Please remember them and drop them a line. You really can't know how they appreciate it until you talk to them.

I would first of all like to say I really appreciate the turn out we had at the first meeting. According to the attendance book we had 125 members at the meeting. I know I can say for all the officers and myself that this really means a lot, because we feel we are accomplishing something. I also want to thank the mother's circle for the very nice refreshments they had for us after the meeting. We really appreciated them. Our next meeting, at the time of this writing, which is September 28th will be the deadline for petitions for the first initiatory degree. I hope there are a lot of petitions turned in.

The first event on the calendar in October is the Father-Son and guest night which is the 7th. There will be some good entertainment that night and food will be served afterwards. I hope everyone will make an extra effort to attend this event.

The first meeting in October is the 12th. Petitions will be voted on at this meeting and also dues will be due this night. October the 16th is really an important date for all to remember. The Fall Moul Hayride is on this night. Tickets are on sale right now. I know everybody wants to go to DeMolay's Hayride, so lets really sell a lot of those tickets. The Hayride this year again will be held at the Bullerman Farm, and there will be a weiner roast and a square dance. I know everyone had a swell time last year and I am sure that it can be a great success again this year. Remember a large turn out is the best way to show your appreciation for the work put into the hayride.

The last important date in October is the 26th. The Initiatory Degree will be conferred upon the first class of candidates this night. Even though you have seen the degree before come on down to the meeting. It won't hurt anyone to see it again, and it gives the officers more confidence to know the members are supporting them. Refreshments will follow meeting.

The first meeting in November is a called meeting and its on the 4th. There will be no meeting on the 9th the regular date, because of Scattish Rite convention.

Again I would like to say I really appreiate the large turn out at our first meeting and I hope we have many more just like it. And as a last reminder, don't forget our motto "Everyone Bring One".(Candidate)

Now that fall is with us oncemore, our activity schedule is full. The Entered Apprentice degree was conferred upon William North on September 23. There will be called meetings on October 7, for conferring of the Fellowcraft degree, and October 21, for conferring of the Master Mason degree.

Just a reminder that on October 18, at 7:30 p.m. Bro. Anderson will hold a Lodge of Instruction on the Master Mason degree at Decatur. This includes Monroeville, Poe and Decatur. Decatur exemplyfying the Third degree.

Our Worshipful Master, Don Chaffin, has been confined to his home by illness, but during his absence, the work of the Lodge has been very ably handled by the other officers. We wish him a speedy recovery and hope he can soon be with us.

Bro. William Jesse has recovered from a serious illness and was present at our last meeting.

Just a few words about St. Marys, 203, Order of the Eastern Star. Sister Gertrude Dickey will visit us on October 11, and we cordially invite all members to be present and give her a warm welcome. Our attendance has been good but there are still faces we haven't seen for sometime. Refreshments will be served after chapter.

September is of the past and summer is again just a memory, so we can only reminisce, and then start planning our activities for the fall season.

Worshipful Master Ralph Smith and his brethren of Walter French Lodge No. 557, Lansing, Michigan, were our guests at a banquet, Saturday, September 23. After enjoying a delightful dinner, we proceeded to the Auditorium, where the visiting brothers exemplified the Master Mason Degree in its entirety according to Michigan ritual. Over two hundred were in attendance to enjoy the fellowship during the hours of their visitation, and the pleasure of witnessing the degree as portrayed by the visiting brethren. Our compliments to all who participated for their excellent work.

Your Worshipful Master and Mrs. Williams accompanied Worshipful Bro. Kenneth E. Goller of Wayne Lodge No. 25 and Mrs. Goller to Franklin, Indiana, Sunday, September 19, for the annual Masonic Home visitation. I am pleased to report that our guests enjoyed our visit very much and again voiced their appreciation of your efforts in providing such a wonderful home for them. Mrs. Dora Coy was recovering from an operation to remove cataracts from her left eye, and as this was successful we can expect to receive more of her fine letters in the near future. Bro. Robert McIlhaney welcomed us in his usual cheerful manner, although we know he has considerable pain and discomfort caused by arthritis which forces him to use a wheel chair on leaving his room. Mrs. Florence Crowl was unusually pleased by having her niece travel all the way from Los Angeles, California, to spend two weeks with her. We will always marvel at their display of courage and their philosphy of life.

A lodge of instruction will be held in the Ionic Room at 7 P.M. Wednesday, October 13, with Summit City Lodge No. 170 being host to Home Lodge No. 342 and Southgate Lodge No. 731. Bro. Harry Anderson, Asst. Grand Lecturer will be present to give instruction on the Master Mason degree. You are invited to attend.

Plans are nearly completed for our annual Homecoming, which, as usual, will be held in the Temple banquet room with dinner being served at 6:30 P. M. Friday, October 29, is the day and you will receive a card to be returned for your reservation. We hope you can be present and if so, please sign the card, and return same at your earliest opportunity.

The Grand Architect of the Universe has called Bro. William F. Rippe into his presence. To his family we extend our sympathy.

The first meeting of the fall term was held Sept. 7. The meeting was preceeded by a pot-luck for the officers and their parents. A warm thanks is extended to all of our Mothers for the wonderful food.

I want to thank the girls for the big attendance at the meeting. We were proud to see so many there.

Right now the big news is the hayride. Lets all get behind chairman Norman Bennett. We must sell all of the tickets. Remember the wonderful time we always have and be sure to mention this to your friends.

Everyone be sure to come to church Sunday the morning after the hayride. This is one of the few chances you have to show people the kind of organization Job's Daughters is and the kind of work we do.

Oct. 5 is Past Queens, Past Guardians and Past Associate Guardians Night. We always look forward to seeing our old friends on this night.

October 19 is the date for inspection and the formal banquet. This is one meeting we all look forward to, so girls please circle this date in red and be sure to come.

I'm sorry to have to report that one of our daughters, Hanna Haney, was stricken with polio, but I'm happy to hear that she has been progressing favorably. Her address is 644 Florence Street and I know that she would appreciate a card from all of her friends in Bethel 8.

Greetings brother Southgaters and to all of our many friends. I dont have much news this month, but I shall strive to try to keep you up to date on the news that I do have.

I do want to make a comment on the recent visitation to the Masonic Home. It was my first visit to the Home and I really enjoyed it. To be able to visit with the guests of the Home was very enjoyable. The oldsters really enjoy talking to their many friends. The boys and girls take great pride in showing you their quarters. The Home superintendent Brother Dill is doing a marvelous job there and is to be commended. The girls at present are all housed in one building as are the boys. The girls quarters has just recently been redecorated and with new furnishings it looks very attractive.

During the afternoon the visitors were treated by a drill team performance. Also by some very fine band music, and music by the Job's Daughters. Most Worshipful Grand Master Elmer Forks gave an inspiring message as well as Past Grand Master Oswald Tislow. In all it was something worth traveling a great distance to see.

We have no degree work for October so we have called Fellowcraft meetings for the evenings of October 18 25 and November 1. See you there Our craft needs the practice and you need the craft. So lets get together

Mark these two dates on the calendar. On October 16th we are having a family night dinner. Bring the wife and kiddies. A fine entertainment is being planned so be sure to attend. Also December 4th will be another smorgasboard. This should be a must on your entertainment program

Guess thats all from this corner See you in lodge.

JUDGE KINDLY

Don't expect perfection in a man just because he is a Mason. If you do, you will be disappointed. Masonry makes men better, but no human agency makes them perfect. If he is a Mason, you have a right to presume he is fairly a good man, but do not condemn Masonry even if a few Masons turn out bad. Even the Great Teacher himself had a Judas. The aim and purpose of Masonry is to receive none but good men, keep them good, and make them better. Judge the Institution, not by a few failures, but by the average of its successes. That average is high and it consequently gives standing to its members, but cannot be an infallible guide.

The fraternity may decide to do something which you, as an individual member, may oppose, but do not feel that you must condemn the action on that account. You may be right but do not pull away. Even you are infallible and the Institution has stood for so many years, you may feel assured that its average performance will be good.—New Castle Trestle Board.

At its regular stated meeting Sept. 17, the Chapter entertained the Master Masons. We enjoyed a very fine minstrel show presented by the Crescent Avenue United Brethren Church. This program was, indeed, a real treat, as we had been promised it would be. A vote of thanks is due the program committee chairman, Sister Vida Woods for procuring this entertainment for us. We regret to say there were not as many brothers present as we had hoped for, but it was their loss. Delicious ham sandwiches, too!

The reception for the district deputy the next evening was a delightful affair, and well attended. Again the program committee "did themselves proud" by coming up with a clever little skit in honor of Sister Gertrude. The table on the mezzanine was beautifully decorated with yellow asters and the candles were yellow to commemorate Sister Gertrude's first station as Ruth. Sisters Loretta Rippe and Doris Thiebolt presided at the punch bowl.

The past matrons club entertained their husbands, past patrons and their wives on Sept. 11th at Sister Carmen and Brother Harold Utterback's cottage on Oliver Lake. The report is: a delicious pot-luck dinner and a pleasant day spent in conversation and cards. The club meets quarterly and the next meeting will be at the home of Sister Loretta Rippe on Oct. 27th.

The worthy matron and a number of our members went to Franklin Sunday Sept. 19th to attend open house at the Eastern Star home. She reports a pleasant trip and an enjoyable and instructive tour of the home They especially enjoyed the program, Vesper services conducted by the Grand Chaplain and the handiwork of the residents of the home. The current projects are the redecorating of the cottages and of course the new hospital. There was a good attendance from all over the state, and each one gave the new Superintendamt a vote of thanks for the splendid work he is doing.

We congratulate Sister Eleanor Baker on the occasion of the birth of a baby boy. Sincere sympathy is extended to Sister Anita Silkworth in her sorrow at the death of her grandmother. Sister Helen Spindler's son was struck by a car while riding his bicyle. He suffered a severe garh on his knee and at this time is not able to be about. We hope he will soon be on his feet again.

Please do not forget the rummage sale Oct. 18th. Call Mary Wright A-67553 to have rummage picked up. Also plan to come and bring a table to the Broomstick Bridge party Oct. 25th. There will be a style show and of course — eats. The ways and means committee is depending on us all to bring candy or baked goods to sell, or an attendance prize. Let us get behind the committee and make these events successful.

YORK RITE ASSOCIATION

After a vacation period, the officers met and mapped plans to further the objectives of the association. It is the feeling among those who have the interests of York Rite Masonry at heart, that the average Master Mason is not sufficiently informed concerning the York Rite, and in too many instances does not know of its existance.

Recognizing this situation, the York Rite Association was formed to meet it and do something about it. A systematic approach to the solution of this problem has been started. But all the efforts in this direction should not be left to the officers of the association. Every York Rite Mason has any number of Blue Lodge buddies who should be considered prospective petitioners. BLUE LODGE MASONS: Make it your business to find out about York Rite; find out what it has to offer you, what it can do for you. If you have not as yet been approached, you are not purposely being passed by; we are not an invitational organization, we are not a closed-membership society. All Master Masons are eligible.

Regular meetings of the association will be held, 2nd Wednesday of each month, Egyptian Room, 8:00 o'clock. Besides the four regular officers, the three top officers of the four bodies comprising the association are members of the governing group. We are all interested in the success of this organization.

Another month has passed and we are hard at work. We had three candidates in September and the officers are doing a very good job on the degree work and the lectures that follow. Come down and meet the new Brothers and at the same time see how well the officers are doing.

Brother P.M. Fred Krueper has informed us that the program is again under way in which the seven symbolic Lodges take turns visiting the Veterans Hospital every Monday night during the months of September through May. Arnold Landis is the chairman of the committee representing Home Lodge. Please contact Arnold if you care to serve on this committee and visit the Veterans Hospital every seventh Monday from 7 to 9 p.m. The purpose of the visits is to help entertain the veterans who are unable to go downstairs to the social room.

The date for "Family Night" has been set for Tuesday, November 30. Plans for the affair have not been completed but you may be sure of an enjoyable evening. Plan now to be there.

Another summer is past and the Fall season is here with its change of scenery. The falling leaves and ripening corn, warning us of the coming of Winter with its cold and snow.

The Lodge is increasing in attendance since the summer vacation, but there is still need for more members to attend; however we are looking forward to a successful Fall and Winter with several candidates taking the work. We already have one application for the degrees which is a beginning at least.

It will not be long until the election of officers and the installation of the new officers for next year. The present officers can look back to a rather successful year and hope that the next year will be much better.

We will have Lodge for Instruction with Leo and Huntertown Lodges at Leo on Thursday October 21 which as many members as possible should attend.

Brethren, reserve Monday, November 22, for Sol D.! We will have our Past Masters and Old Timers night then. We are planning a big affair. Grand Master Eimer C. Forks will be guest of honor and speaker. A good meal and entertainment are planned. We will have some 25 year awards, too. You will receive reservation cards, please send them in, on time. This is an opportunity to honor our wonderful group of Past Masters. We don't plan any work for that night, so we can devote the whole evening to having a good time. Let's have a real turnout!

Since we have no candidates for October, we will not have any work until October 18, when we hope to confer the Fellowcraft Degree.

We have had two deaths in October Brothers Adrain G. Hendrix and Miles H. Hagerman. Twilight services were held for Brother Hendrix. We extend our sympathy to the bereaved families.

It will soon be time for the fall convocation, and we of the Rose Croix are looking forward with keen Anticipation. Rehearsals will conomence in October, and we trust we will have a large class to whom to exemplify the degree, with its matchless lesson of love, as taught in the New Law. We never become weary, but become uplifted each and every time, and hope and pray that we might portary the degree so that each and every wonder of the class will be deeply and indelibly impressed.

DeMOLAY PROJECT

The Order of DeMolay has moved into the field of assistance in the matter of Community welfare and expansion. The step was taken at the 1954 Supreme Council meeting in Dallas, Texas. The first step in the newest DeMolay project will be to attempt to devise ways and means of reversing the youth migration trend to the large urban centers.

Frank S. Land, Founder and Secretary General of the Order of DeMolay, says the Order will attempt to promote annual Youth Achievement Fairs to encourage boys and girls to exhibit anything they make or produce. Prizes would be offered by Community leaders and the Fairs would be open to all young people. Community leaders would be encouraged to take all possible steps to show young people that the opportunities where their roots are embedded are just as good—and frequently far better—as in the large cities.

The Supreme Council also approved formation of Senior DeMolay Guilds, and the first to be set up will be for lawyers. Also approved was encouragement of formation of a Mothers' Circle for each chapter.

Carl W. Gustkey, Wheeling, W. Va., a leader in the world glass manufacturing industry, was elected Grand Master, and Washington, D. C., was approved as the site of the 1955 meeting.

MASONIC DATES

EXAMINATION COMMITTEE

We have heard considerable discussion concerning our duty towards a visitor to our lodge, such as giving him a friendly and brotherly welcome, and doing everything possible to make him feel at home. While it is necessary that he stand examination before being permitted to enter the lodge room, we find that in far too many instances the committee appointed to examine him fails miserably in the performance of its duty.

The one and only duty of an examination committee is to make sure that the prospective visitor is a Master Mason in good standing in a regular lodge. The amount of evidence necessary to prove this is usually left to the judgment of the members of the committee.

How extremely unfortunate it is that those composing the examining committe sometimes exceed their authority and either go out of their way to embarrass a visiting brother by putting him through a difficult quiz, full of trick questions or else assume an attitude towards him that kills all sense of welcome.

Let it be remembered by all of us that an examining committees's only function is to discover whether or not the visitor is a Mason, entitled to visit a lodge, and not to discover how much he knows about Masonry. —Orphans Friend and Masonic Journal.

A MUCH TATTOOED MASON

Of all the weird and bizarre stories that the sprinkled through the history of Masons of California, surely none surpass the story of the first Masonic funeral in 1849.

Full details of this strange funeral, performed upon on unknown Mason found floating in San Francisco Bay, were carried in the May 27 edition, 1868, of the Sacramento State Capitol Reporter. Says this journal:

" . . . on the body of the deceased was found the silver mark of a Mason, upon which was engraved the initials of his name.

"A little further investigation revealed to the beholders the most singular exhibition of Masonic emblems that were ever drawn by the ingenuity of man upon the human skin. . . .

"Beautifully dotted on his left arm, in red andb lue ink which time could not efface, appeared all the emblems of the Entered Apprentice. . . . On his right arm, artistically executed in the same indelible liquids, were the emblems pertaining to the Fellowcraft, viz: the plumb, the square and the level. There were also the five columns representing the five orders of architccture, the Tuscan, Doric, Ionic, Corinthian and Composite.

"On removing the garments from his body, the trowel presented itself, with all the working tools of operative Masonry, besides all the emblems peculiar to the degrees of a master Mason. Conspicuously on his breast were the lights of Masonry.

"Over his heart was the pot of incense. On other parts of his body were the bee-hive, the book of Constitutions guarded by the Tyler's sword, the sword pointing to a naked heart, all-seeing eye, the scythe, the 47th problem of Euclid, the Sun, Mcon, Stars, and Comet, and the three steps emblematic of youth, manhood, and age."

And the Sacramento State Capitol Reporter went on to enumerate the host of other Masonic emblems indelibly needled into the skin of what history calls "the much-tattooed Mason." He was buried with Masonic honors in the Yerba Buena cemetery.

WASHINGTON MONUMENT

The cornerstone of the Washington monument was laid with Masonic rites on July 4, 1848. Due to a shortage of funds and the approach-war between the states, work stopped in 1859 at the 156-foot level and was not resumed until 1880. The monument was dedicated February 21, 1885. The cost, in round numbers, was a trifle under $1,200,00, of which sum $300,000 had been raised by the Washington National Monument Society and the remainder by the federal government.

Statistics show that the foundation consists of a mass of concrete 126½ feet square and 13½ feet deep. The monument is 555 feet to the apex of the pyramidion. It is 55½ ft. square outside at the base and 25 feet square inside. The taper of the shaft is about one-fourth inch to the foot or one inch to each four feet, or one foot to each 48 feet, which means that at the top of the shaft at the base of the Pyramidion, it is a trifle less than 35 feet square outside. The walls at the base are 15 feet thick and at the top 18 inches. The top lookout is reached by an elevator capable of carrying 35 passengers, but it can also be reached by a stairway of 898 steps. There are landings at each of the 10-foot levels.

In the monument 188 stones, suitably engraved and coming from states, municipalities, fraternal orders, and patriotic societies, are to be seen at the various levels. Each stone measures about 4 feet by 2 feet.—Oregon Freemason.

CHURCH ATTENDANCE

"What a great force we would be if each Mason would attend regularly the church of his choice as a living testimony to his faith and trust in God, a privilege for which so much blood has been shed to preserve. In so doing we would not only become better Masons but likewise, better men.

"When we seek to know more about God's great plan for us, sincerely and earnestly, thereby being able to live and walk and act more of Freemasonry daily, then we, as Freemasons, become one of the greatest stablizing forces in the world today against evils of atheistic Communism that are attempting to destroy these very principles for which we have shed so much blood to preserve." —Scottish Rite Bulletin (Southern Jurisdiction).

SOMEONE HAS SAID

Freemasonry has taught its votaries to bow with the deepest reverence before the adorable name of God. It has placed the Holy Bible upon the altar as the inflexible Rule of our faith. It displays those principles and virtues about which no diference of opinion can exist and whose foundations are as immutably fixed as the throne of Heaven. It imparts the gentle spirit of kindness and charity. —Texas Grand Lodge Magazine.

THE BIGGEST MASON

To the uninitiated a "Big Mason" is so referred as a member of the Masonic fraternity that has attained the higher Masonic degrees or a member holding one of the more exalted offices in the fraternity in the state or nation.

In terms of stature, the largest of all Masons—and the largest man known in medical history for that matter—now lies buried on the farm of Will Donivant near Life, Tenn.

This member of the Masonic fraternity was Mills Darden, a former citizen of Lexington, Tenn., and during his adult life, weighed between 1,000 and 1,100 pounds. His death occurred in his 58th year at Lexington in 1857.

The following obituary appeared in The Lexington Progress, a weekly paper, and the clipping from that newspaper has been retained in the family:

"The funeral sermon of Mr. Mills Darden, who died at his residence in Henderson County, will be preached on the fourth Sunday in this month, five miles southwest from Lexington, Tennessee. The Masonic fraternity will be in attendance in full regalia, on this occasion.

"The deceased was, beyond all question, the largest man in the world. His height was seven feet, six inches, two inches higher than Porter, the celebrated Kentucky giant. His weight was a fraction over one thousand pounds. It required seventeen to put him in his coffin. Took over 100 feet of lumber to make his coffin. He measured around the waist six feet and four inches. Mrs. Darden, wife of the large man, weighed only 90 pounds."—Ohio Mason.

BETTER NOT RUSH

During the past few years, we have noticed too frequently a candidate being rushed through the degrees in Masonry. A reasonable time should elapse between the conferring of the several degrees. We should recommend at least one month, and longer time would not be out of the way.

In order to properly instruct a candidate, considerable time is required, and it takes time for a candidate to thoroughly assimilate that which is given him. Attempting to confer all three degrees of the symbolic lodge, in less than two weeks, as is quite often the case in some lodges, cannot result in anything but poor preparation on the part of the candidate. It has a tendency to take from him a genuine interest in what he is passing through.

While it is true we are living in a very fast age, there is no reason for injecting the same spirit into Masonry and attempting to carry everything through in a grand rush. By portraying the great lessons of the Craft with dignity and deliberation, we will have better Masons and more interesting meetings.—Orphans' Friend & Masonic Journal.

WOODLING

The famous baseball player Gene Woodling was recently made a Mason in Ivanhoe No. 88 (N.J.) and the second section was exemplified by Grand Lodge Officers, led by Grand Master Adrien B. Hommell. — Oklahoma York Rite.

KNIGHTS TEMPLAR

The first recorded naming of a Knights Templar was in St. Andrews Royal Arch Lodge of Boston on August 28, 1769, when the order was conferred on William Davis, Past Master of Glittering Star Lodge 322, attached to a military lodge of Boston soldiers.

JOHN PAUL JONES

John Paul Jones, the first Revolutionary naval hero and our ideal naval commander, was made a Mason in Scotland before he added the name "Jones." He was the first American to receive a foreign salute to the American flag.—Ohio Mason.

THANKSGIVING DAY — NOVEMBER 25

Scottish Rite Ambassadors of Song

Whatever the call, no matter what the weather, Fort Wayne's Scottish Rite Male Chorus responds to the request. Now a veteran singing group, its members contribute a great deal to the growth of the Fort Wayne Valley with their concrets throughout the jurisdiction, and add immeasurably to the effectiveness of the degree work during each convocation.

To give you an idea of the "man-hours" involved during a years effort, each rehearsal requires at least 2 hours, once a week from September until June Concret trips consume from 4 to 8 hours each, a convocation demands at least 16 hours per average vocalist. Last year, there were 30 rehearsals, 20 concert trips, 2 convocations. This totals to 236 hours per man, or 7,080 hours for the 30 men who now comprise this group. This does not involve travelling time for out-of-town members, coming from Pierceton, Auburn, Andrews, and Geneva.

Rehearsals are most important, and attendance is watched closely. Two absences without a very good reason will place the singer on the waiting list, replaced by a brother who has had his qualifications approved. Thus a highly competitive spirit exists, resulting in the high quality of their singing.

The characteristics of Scottish Rite masonry must be observed and followed at all times. This means that the conduct of the men, and the type of program presented must be of the highest caliber; dignified, yet entertaining, so that any member of Fort Wayne Valley can be proud to bring his friends and family to any affair at which this chorus appears and be certain that they have met and heard true representatives of Fort Wayne Scottish Rite.

These men have labored unselfishly for our valley, sacrificing working hours, nights away from their homes and families, and their efforts are appreciated by all. We want to say "Thank You, brothers" to the following members;

Robert L. Blue, Clell G. Boerger, Harry D. Brattain (accompanist) Lewis G. Davison, Robert K. Drake, Don Eckels, Leslie H. Emmerson, Arthur G. Gardt, Robert B. Hire, Don C. Hirons, Melvin G. Honeck (business manger), Claude Howard, C. Edw. Johnson, Henry A. Kilpatrick, Clarence E. Kreischer, John A. Lindeman, Fredk. G. Meissner, Walter J. Muth (Geneva), Richard L. Nichols, Edw. H. Purcell, Ivan R. Osterman, Clyde G. Rosenberger, Edger F. Sentman, Robert F. Shambaugh (director), Carl Shinkel, (Andrews), Robert E. Showalter, Tourist W. Thompson, Elmer S. Before this program, at 1:30 o'clock Noble Land, who is the Secretary General of the Order of DeMolay, will give a short talk in the Shrine Ball Room to the DeMolay boys of this area. After which the members of DeMolay will go in a body to the Scottish Rite Auditorium, where a section of seats will be reserved for them.

Our report was accepted by the Grand Chapter. We brought back a copy of the report and it will be read at our stated convocation on November 19th.

Hobart Chapter No. 165 reported a gain in members of over 10% each year for the last three years. A resolution was made and accepted that the 110th annual convocation be held in Terre Haute, Indiana. There were several addresses by distinguished guests and then the election and installation of Grand Chapter officials for next year. The Grand Chapter was then closed. The Convocation was very successful and educational. We have more to report to you at our next stated convocation, so try to be there. We are very proud of our new line of officials who, we are sure, will carry on the traditions of Thomas R. So come down and meet them.

For all Thy mercies sure;

Lord God of Hosts, we proffer praise,
Direct us on our way;

With legs to take me where I'd go,
With eyes to see the sunset's glow,
With ears to hear what I would know,
Oh God, forgive me when I whine,
I'm blessed indeed, the WORLD IS MINE.

Above is the last verse of a well known poem by Dot Aaron of Chicago Illinois, one which is indeed appropriate for this Thankgiving season. Let us all remember our comforts and blessings while giving a little thought and consideration to the welfare of our less fortunate brethren, their widows and orphans who formerly travelled the same walks of life as ourselves, but now are in need of a good home with the proper medical care and hospitalization when deemed necessary.

There is an urgent need for an additional five hundred thousand dollars to complete the amount necessary to start plans for the building of a two hundred bed hospital for the Masonic Home at the cost of two million dollars. This is our problem, brethren, and we are attempting to raise the amount by voluntary contributions, so don't let us down. Send your check or cash to Dwight M. Myers at the address listed above. You may be paying for your own security in the years that are to come.

Our annual "Homecoming Celebration" held in the Masonic Temple, Friday, October 29, was well attended, over five hundred being present to partake of a delicious dinner and enjoy the festivities of the evening. Bro. Elmer C. Forks, Most Worshipful Grandmaster of Masons in Indiana gave an interesting and appealing talk on the new hospital at Franklin, and later presented the Grand Lodge fifty-year awards to Brothers William J. Adams, P.M., Edwin Ball, Jr., Charles W. Bassett, Jacob Reiber, Herbert G. Slater and William C. Slater. Assisting in the presentation were Orvis A. Dellinger, P.G.M., Lester E. Stevens, P.M., George D. Jones, P.M., Robert E. Lee, P.M. and John Reiber, the latter having the honor and pleasure of decorating his father with this distinguished emblem. Brother Robert Koerber, Sr., was not able to be present to receive his award. Our own "Summit City Four" — Fred Bloemker, Wilbur Gidley, Ted Haberkorn and Earl Siebold, accompanied by Herbert Siebold at the piano, entertained the gathering with their usual delightful harmony, and the evening was completed by Dr. Charles A. Keith, Past Grand Master of Masons in the Commonweath of Kentucky, who gave an inspiring talk on "The Rejected Stone."

Brother Albert Munson journeyed to Cincinnati, Ohio, Wednesday, P.M., met Brother Keith Thursday morning, then drove to Fort Wayne entertaining him as his house guest until Friday P.M. He was then the guest of Brother James Mayes until Saturday morning, when he was driven to Cincinnati to catch a train for his home in Richmond, Kentucky. I am sure all of you will join with me in extending a token of our appreciation to each of these loyal brothers for a service that extended far beyond the length of his cable-tow.

We welcome into the fellowship of Summit City Lodge, James Brickey and Elmer Wanstall who received their degrees during the month of October.

The Grand Architect of the Universe has taken into his care, Bros. Charles Mead and Eric Olsen. May they partake of the joys which have been prepared for the righteous.

The Indiana Grand Council met in annual convocation October 26th and 27th in the Masonic Temple at Indianapolis. Your I.M. was unable to attend although Fort Wayne Council No. 4, R. & S.M. was ably represented by P.I.M. Edward Klomp as proxy.

Several Companions have expressed a desire to witness the Super Excellent Degree which hasn't been conferred in this Council for several years. This degree requires much preparation and practice for proper portrayal and if you would like to see it conferred this current year let your wishes be known to one of your Council officers in the immediate future. If sufficient interest is manifested we'll get to work.

Concord Lodge on October 6th acted as the host lodge for DeKalb Lodge of Auburn and Garrett City Lodge for the inspection that was conducted by Brother Harry Anderson, the assistant lecturer of the Grand Lodge of Indiana.

On October 20th we were entertained by the Fort Wayne Scottish Rite Choir in our new Masonic Temple.

Our Temple has not been completed. We are planning a dedication ceremony in the early part of 11955. You will hear more of this in the next few months.

Election of officers at December meeting. Come out and elect the men of your choice!

Bro. Butler, we are glad to see the stone going on the building!

At our November meeting we observed Friends Night with officers from many neighboring chapters filling the stations. We were especially surprised to see such a large delegation from Star of the East Chapter.

Sister Sonoma Woodruff, member of the Intimation Eastern Star Temple committee and Past Grand Matron of Indiana Grand Chapter, was escorted East and given Grand Honors. Also escorted were Sister Dorothy Claxton, Harmony No. 67, of Garrett, and Bro. Harold Whitson of Noble Chapter, Kendallville, who served as guest matron and patron for the evening.

Necessary business was transacted, after which our guest officers conferred degrees on Sisters Ardas Kreager and Gloria Steward. An addenda entitled "Logs in Our Fire" was presented.

Chapter closed in form, followed by a social hour and slides of our International Temple, shown and narrated by Sister Sonoma. Refreshments were served by the committee.

Our sick list includes Sisters Elsie Fisher and Clara Bratton, Lerene Laux, daughter of Sister Virginia Laux, and Jim Fumish, son of Sister Garnett Fumish. To those who are sick, we wish a speedy recovery.

On December 17th, we will be inspected at Butler by our Worthy Grand Matron Sister Carrie S. May. This is jointly with Butler and Auburn chapters.

The members who attended the annual Tri-States Reunion at Indianapolis had a very enjoyable trip. The food was very good and the program was excellent. At the committee meeting, after the program, it was announced that Danville and Indianapolis are withdrawing from the group. The other three lodges are to continue with the annual reunions. The next one is to be held in St. Louis in October 1955.

The date for the annual stated meeting of Home Lodge No. 342 will be Tuesday, December 7. Come down and hear the annual reports and assist in electing your officers for the coming year.

Be sure and send in your reservation for family night November 30, as soon as possible. Brother Thomas Wallheiser must know now many to prepare for. Be sure your card is filled out properly when you send it back to Tom. Brother Cles. Erb is chairman of the Entertainment Committee and has arranged a fine program for your enjoyment. The program will consist of "The Capehart Choraleers," a fine group of local singers, and Carol and Corkie from WKJG-TV. This promises to be a fine program for young and old alike.

YORK RITE ASSOCIATION

At recent meetings of the officers of the Association, it was decided to discontinue the observation of "Past High Priests' Night," which the two Chapters of Royal Arch Masons have jointly been observing in the past. In its place will be, "York Rite Association Night." It was thought best to make this change because of the recent organization of the York Rite Association, which includes, in addition to the two Chapters of Royal Arch Masons, the Council of Royal and Select Masters, and the Commandery of Knights Templar. In this way all York Rite Bodies will be represented.

A competent speaker has been engaged, a speaker capable of presenting and explaining the "York Rite Route" to a broader, deeper and more satisfying understanding of Masonry. The date is January 29 1955, at the Masonic Temple dining room; $1.00 per plate, time 6:30.

As before, this dinner meeting is open to all Master Masons. It is urged upon the members of the various York Rite Bodies, to make a special effort to contact and invite their "Blue Lodge" friends to this dinner; better still, bring them as guests. But interested Masons need not wait for an invitation; tickets will be on sale at the cigar counter in the social room on the 2nd floor. All who attend this dinner will be repaid well for the effort made. You will be among friends and brothers, which always means, where ever Masons are gathered, that your time will be well spent.

Remember the date; mark it on your calendar now. Remember the place, the price, and the entertainment offered. And always remember to investigate what "York Rite Masonry" has to offer, before you decide what additional degrees you will take.

Brother Robert Koerber, Past Most Wise Master, again assisted us in communicating the 17°. We appreciate his cantinued interest in Rose Croix.

We know that all of our members will join in giving Thanks on Thursday, November 25th, for the many blessings that we have received during the past year.

HE WANTED TO DIE A MASON

The Grand Lodge of Oregon received a report from the Grand Master on the granting of a dispensation permitting a Lodge of confer the Master Mason Degree upon a Fellow Craft who was bed-fast in a veterans' hospital. The patient was conveyed by ambulance to a nearby Masonic Temple for the ceremony. A few days later the brother passed away having realized his ambition.

JOSEPH BRANT

Do you know that Joseph Brant, a Mohawk Indian, was initiated in a lodge in London in 1776. While he was in command of some Indian troops in the British service, who were prepared to torture Captain McKinsty, an offfcer in the Colonial Army, he noticed the mystic appeal in the hour of danger, whereupon he interposed and saved his Brother from impending fate. He rescued McKisty, took him to Quebec, and placed him in the hands of English Masons, who eventually returned him, uninjured to the American outposts. A bit of history—yes—but more important tangible evidence that Masons of old were as of today ever ready to extend a helping hand to brothers in need.

As our Thankgiving Season draws near, let us be mindful of the many blessings we share,
Thank Thee, God, for love that crowds each busy day,
And thank Thee, too, for simple things we find along Life's way.
For Friends to greet, loved ones near,
For songs to share — perchance a tear;
For strength to work, for gift to play,
For fireside at the close of day
Thank Thee, God, for all the lovely simple things
Our each day brings.

The days and weeks have passed so swiftly, it hardly seems possible that we are once again thinking of Thanksgiving. Neverthcless it is on its way and we must be thinking of our Fall and Winter activities.

Shiloh began its busy schedule October 14th by observing Friend's Night with a very nice crowd. Distinguished guests who were introduced and escorted to the East were Sister Sonoma Woodruff, Past Worthy Grand Matron of Indiana Grand Chapter and Past Worthy Matron of Star of the East Chapter, Sister Lettie Dickey, Worthy Grand Ruth of General Grand Chapter, Past Worthy Grand Matron of Indiana Grand Chapter and Past Worthy Matron of Shiloh Chapter and Sister Myrtle Morton, District Deputy No. 14. The guests officers who gave the initiatory work were:

Elsie Melching, Worthy Matron, Ossian; James Clements, Worthy Patron, Huntington; Betty Reed, Associate Matron, Columbia City; Robert Heinzelman, Associate Patron, Columbia City; Secretary, Evelinc Best, Markle; Treasurer, Marie Hill, Decatur; Conductress, Vera Hayden, Fort Wayne Chapter, Associate Conductress, Merle Aspy, Poe; Chaplain Lura Zollinger, Star of East; Marshall, Ruth Wehr, Mt. Etna; Organist, Alice Hinton, Roanoke; Soloist, Fern Berry, Roanoke; Ada, Carolyn Wyatt, Trinity Ruth, Ruth Grogg, Monroeville; Esther, Roberta Gillion, Bluffton; Martha, Velma Thompson, Fort Wayne Chapter; Electa, Jeanne Padgitt, Avilla; Warder, Cora Wilson, Geneva; Sentinel, Esther Fry, Harlan.

That weather done it again. I hope even though the Hayride was postponed for a week that everyone had a nice time. To everybody who couldn't attend I want to say I am sorry but you just can't predict the weather.

As usual the Father-Son Night turned out to be a great success. There was a large group attending and the entertainment put on by the Shrine was the best yet. I again want to thank the Mothers Circle for the refreshments they served after the entertainment. They really put the finishing touches to a wonderful evening.

On October 19th the Angola chapter asked us to come up there and give the Flower Talk and the Symbolizum of the Pin. Even though we were a little late getting there because of a mix up in time, Norm Miner who gave the Flower Talk and Keith Dixon who gave the Symbolizum of the Pin did a wonderful job. Also several other boys from the chapter went up and made the trip a real success. Thanks a lot fellows, especially to Norm and Keith.

I would like to mention at this time that on the November 4th meeting, which is a called meeting there will be an Initiatory degree given to bring in the candidates that will be unable to attend the October 26th Initiatory degree.

After the November 4th meeting it will be awhile before the next meeting which is the 23rd of November. However on Sundayp November 21st "Dad" Land will be at the Scottish Rite Auditorium and all DeMolays are urged to attend. This might be your only chance to hear "Dad" Land give a talk so be sure to be there.

November 23rd is really a big night. The Initiatory and DeMolay degrees will be given on this night. Chapters from all around the surrounding territory will have candidates there and I am sure you will all want to attend. The Chevalier Degree and the Flower Talk will be given on the following night the 24th, this change is due to basketball conflictions, time 8 p.m. The public is invited to this event. The Chevalier Degree is one of the most beautiful degrees given and with the Flower Talk also being given that night it will be a night you won't want to miss. The Flower Talk will be given by Norm Miner and for you who haven't heard him give it yet, here is your chance.

I also want to thank everybody who put out an added effort to bring in petitions. When some fifty petitions come in on one night it sure makes you feel good, so thanks a lot fellows and I will see you all at our next meeting.

Brother Bill Pifer has been taken to his home, don't forget a card or call, it really helps.

Just a word from "Dad R."

You all know about "Dad" Land's visit to our city, let us leave him know that his founding of the Order of DeMolay was really something.

Plans are for all DeMolays to meet in the Shrine Ball Room at 1:30 p.m. when "Dad" Land will give a short talk to DeMolays only. We will all go to a reserved section in the auditorium. This affair is a must for all DeMolays.

On November 24th at 8 p.m. we will have the Chevalier Degree and the Flower Talk. The Chevalier Degree will be conferred on Brothers, William Pomp, James McGraw and Carlton Sheets. The Flower Ceremony will be given by Brother Norman Miner to over a hundred boys who have been initiated since October 26th. The "public is invited" bring your parents and friends, so they can get an idea of our organization. Lets fill the Cathedral Auditorium to capacity.

Honors have come to members of our Chapter, at South Side, Richard Brantingham elected president of the Senior class, John Lewis president of the Junior class, Terry Miller is Vice-President, James Fuzy Social Council chairman, Kip Ormerod, Vice President of Sophomore class and Dave Matheis Secretary-Treasurer.

North Side, Larry Wible, Secretary-Treasurer of Senior class, Tom Adam Social Council, Dick Snyder and Bob Merster Social Council of Junior class. Sophomore class, Austin Brooks president. At Huntertown Gary Muncy president of Hi-Y and Dave Young Vice president.

October 7th, DeMolay Father-Son and guest night, approximately 280 were served refreshments by the following committee of mothers: Mrs. Ora Boone, Mrs. H. E. Burch, Mrs. Fred Clark, Mrs. Guy Fardal, Mrs. J. Fuzy, Mrs. Froncie Gutman, Mrs. William Nern, Mrs. W. C. Stephen, Mrs. M. F. Snyder, Mrs. A. E. Brooks Mrs. F. W. Newell, Mrs. R. D. Vass, Mrs. M. B. Pontoni, Mrs. William L. O'Brien, Mrs. True Sheets, Mrs. Ralph Day, Mrs. Robert Passwater, Mrs. Harry Riethmiller and Mrs. Ross Strodel.

November 22nd, the following hostesses will entertain the Mothers' Circle: Mrs. J. G. Beckstein, Mrs. Ray Auginbaugh, Mrs. Dale Beighly, Mrs. Robert Cherrington, Mrs. Ralph Day, Mrs. Richard Dean, Mrs. William Hanselman, Mrs. Warren Jackson, Mrs. Harold Knox, Mrs. James Kocher, Mrs. Florence Norris, Mrs. Harry Norton, Mrs. Ralph Pettit, Mrs. Charles Pierce, Mrs. Arthur Vonderau, Mrs. Ray Wolfe and Mrs. Dale Sims.

GIVING THANKS
by Virginia K. Oliver

Giving thanks is something greater
Than just mere words we can say,
More than just grateful expressions
Voiced on each Thanksgiving Day.
Giving thanks is something deeper
Than perhaps we are aware,
Even when each head is bowed
And in every heart a prayer.
Giving thanks must hold true meaning
Far beyond one day each year
Not just recalling our blessings
When Thanksgiving Day is near.
Giving thanks is living daily
In such a fine, worthy way,
That each new dawn brings the morning
Of its own Thanksgiving Day.

Once again brother Southgaters I welcome you from this corner. As I have said before, the news is not too plentiful, but I shall try my best too keep you up to date on what has transpired.

On October 16th we had our first family night dinner. It turned out to be a huge success with nearly three hundred in attendence. I think that I can vouch that every one that was there had a good time. Thanks again to our Jr. Warden for a meal well planned. I think those chicken and noodles made a hit with everyone. The entertainment was enjoyed by everyone, both young and old. To those of you that missed it, we were entertained by the Mizpah Masquers. They are better known as the "Out House Ensemble." at times they had the audience in stitches, especially brother Miller with his chow of tobacco and his plea to the labor union. The dancers were quite something to see also.

I'm awfully sorry to report that we did have a misfortune during the meal. Louis Rhodes and his wife both suffered heart attacks during the evening. We hope they have a swift recovery.

One of our past Masters was honored recently by being elected to receive the 33rd degree. Our hats off to Herb DeWeese for an honor well deserved. We have always looked on Herb as being the "daddy" of our lodge and now we can be just that much more proud of him. Congratulations Herb.

Our Chaplain, David Loyd, submitted his resignation recently, much to our regrets. We hate to lose you Dave. He has been replaced by Don Smith. Don, you will remember is the secretary-treasurer of the fellowcraft club.

Speaking of the fellowcraft club. The lodge, having no degree work the past month, had no use for the lodge room, so it was turned over to the fellowcraft club for their meetings and rehearsals. So in the near future we will look for some good team work from them. The craft does need some help. Why not offer your assistance. I'm sure they would like to have you join them. You will also enjoy their fellowship. Don't wait to be asked. Offer your services.

Don't forget the next Stated meeting the second Monday in December. It will be our annual meeting with the election of officers. Keep this in mind and plan to be there.

On Saturday evening December 4th we have scheduled another Smorgesboard. There will be both round and square dancing following the meal. Come out and enjoy an evening of fellowship with all of us.

I'm glad to report that Bill Kemp is recovering nicely from an operation on his leg.

See You In Lodge.

What is a Friend?

What is a friend? I will tell you. It is a person with whom you dare to be yourself. Your soul can be naked with him. He seems to ask of you to put on nothing only to be what you are. He does not want you to be better or worse. When you are with him, you feel as a prisoner feels who had been declared innocent. You do not have to be on your guard. You can say what you think, so long as it is genuinely you. He understands those contradictions in your nature that leads others to misjudge you. With him you breathe freely. You can avow your little vanities and envies and hates and vicious sparks, your meannesses and absurdities and, in opening them up to him, they are lost dissolved on the white ocean of his loyality. He understands. You do not have to be careful. You can abuse him, neglect him, tolerate him. Best of all, you can keep still with him. It makes no matter. He likes you. He is like fire that purges to the bone. He understands. Though it all and underneath he sees, knows and loves you. A friend? What is a friend? Just one, repeat, with whom you dare to be yourself. By C. Raymond Beran

October has again brought the glorious Autumn coloring that causes us all to exclaim: "Ain't God good to Indiana!"

Our Friends' Night is over but the memory of fine fellowship is with us yet and our Chapter is indeed grateful for all of our Friends who so graciously came to visit us. The register was signed by 265 members and guests, and with the officers and Social Committee members, about 300 persons were in attendance. New members initiated by the guest officers are Sisters Carol Doty, Evelyn Haynes and Carrie Goodman.

On October 21st Resolutions in memory of Brother Joseph Obenour were read and the Charter was draped.

On November 4th the Non-Pariel Club entertained after the regular Chapter meeting and served refreshments.

The Worthy Grand Matron, Sister Carrie May, will visit in Fort Wayne early in November. On November 12th she will inspect our Chapter in conjunction with Star-of-the-East Chapter at 7:30 p.m. A banquet at 6:00 p.m. and a Baby Dedication at 7:15 p.m. will precede the Called Meeting.

At the Stated Meeting on November 19th the Social Committee will sponsor a Thanksgiving Card Party at 8:00 p.m. in the main dining room of the Masonic Temple. There will be table and attendance prizes and refreshments will be served.

Through the generous contribution of the 1953-1954 Social Committee, which served while Sister Hope Dumford was Worthy Matron, a new edition of the Chapter Constitution and By-Laws with a new Roster of Membership as been printed. Members may pick up their new copy at the register on Chapter nights and soon copies will be mailed to out-of-town members. This is the same committee that presented the palms and candelabra to the chapter in September.

Attention is again called to the notice that was sent with the request for address verification, notifying members of the increase of dues. 1955 dues are now payable and are now $3.00 per year.

We again regret to have such a long list of illness and bereavement reported by the Visiting Committee. Members ill are Sisters Ida McDole, Julia Troyer, Thelma Carter, Lulu Hargan, Clara Hoch, Lena Buckley, Dorothy Johnston, Virginia Curtis, and Bernell Sims and Brother Fred Braun.

The son of Sister Celia Stabler is still in serious condition with polio and the sister of Sister Marguerite Bowers was injured in an auto accident. The son of Sister Dorothy O'Brien, father of Sister Frances Bruce and the husbands of Sisters Marie Ehle and Mae Husted.

Brother Joseph Obenour passed away on October 6th. Our most sincere sympathy is extended to his wife, Sister Florence Obenour, who also lost a brother and a brother-in-law in the same week. The brother-in-law was a brother of Brother Joseph. Sympathy is also extended to his two daughters, Sisters Mildred Wilson and Evelyn Tribett. Our most sincere sympathy is also with Sister Blanche Rufner, whose father passed away.

Some new "stars" have arrived!! Sisters Patsy Henkle, Katherine Hartnup and Betty Beaman all have new daughters. Sister Louise and Brother Robert Biedenweg have a new son. Proud new grandmothers are Sisters Velma Hartnup, Alice Warner and Thelma Gale and Sister Charlotte Price is a new Great-grandmother.

We had a fine, large group drive in the Caravan to the Masonic Home on October 24th and the Home Contact Chairman, Sister Helen Herrick and our Worthy Patron, Arthur Bowers wish to thank all who helped to make the Caravan a success. A variety program was presented by our own Chapter members and everyone enjoyed the wonderful "pitch-in" dinner at noon.

"In order to make your dreams come true, you must be wide awake."

The past month has really been a busy one for chapter activities. The visit of our District Deputy and also a wonderful Friends' night are nothing more than pleasent memories for most of us. However, there are some who must still remember the hard work and long hours they spent to make them the successes they were. To all of these people, whose names never seem to be mentioned, our Worthy Matron expresses her deepest thanks and appreciation.

FIRST MASONIC LODGE ON THE ISLAND OF FORMOSA

The light of Masonry first shone on the Island of Taiwan (Formosa) on August 24, 1953, when Liberty Lodge U.D., under the jurisdiction of the Grand Lodge of F. & A.M. of China was inaugurated. The occasion was graced by the presence of M.W. Brother T. F. Wei, Grand Master of Masons in China; R.W. Brother Ralph A. Ward, Deputy Grand Master; M.W. Brother David W. K. Au, Past Grand Master and Grand Secretary, and several brethren from Hong Kong. The 26 signatories to the petition for a dispensation to erect the lodge, consisted of seven Americans and nineteen Chinese, all veterans and mostly evacuees from the mainland of China, residing in Taiwan, now known as Free China.—Square and Compass, Denver. OBLONG SQUARE

It is interesting to note that Sir Walter Scott, in Ivanhoe (written in 1819) begins a sentence descriptive of the space in which a tournament was held: "The form of the inclosure was an oblong square."—Ohio Mason.

When the frost is on the punkin and the fodder's in the shock,
And you hear the kyouck and gobble of the strutin' turkey cock,
They's somethin' kindo' harty-like about the atmusfere
When the heat of summer's over and the coolin' fall is here
O, it sets my hart a clickin' like the tickin' of a clock,
When the forst is on the punkin and the fodder's in the shock.

At our regular stated meeting tober 1st, Brother Bob McClure was cted Worthy Patron to fill the cancy left by Brother Clyde Wood o passed away last August. Sister brence Amstutz was elected con- ctress to replace Sister Velma lch who resigned. Sister Ethel royer was appointed to the office of rtha left vacant by Sister Florence extend congratulations to these w officers.

On October 15th we observed ends night. It was a gala occasion eral distinguished guests, Sister noma Woodruff, Sister Letty Dickey d Brother Ben Bennett were present. ter Sonoma recited a beautiful ndship poem and Sister Letty ke to us in her inimitable fashion, her delight in again being with oosier Eastern Stars", We enjoyed another of Brother Ben's humorous stories. Sister Gertrude spoke of her pride in her chapter and its officers and her enjoyment of the evening. The work presented by the guest officers was most enjoyable. It is thrilling to see officers from so many different chapters work together as proficiently as though each were in her own chapter room.

Sister Mary Wright, chairman of the Ways and Means committee reports the baked goods sale and the rummage sale in the month of October as being highly successful and wants to take this to thank all those who helped make them so. Such cooperation from members in these money making projects is greatly appreciated.

Robert White, son of Brother Bill and Sister Lillian is suffering with a severe case of tonsilitis and at this writing his condition is not very much improved. We hope he will soon be better.

We regret to report the death of Sister Mae Keiser. Sincere sympathy is extended to the bereaved family.

Our Worthy Matron is a proud grandmother of three new little grandchildren, two girls and a boy. To the mother of one of the little girls, Sister Mary Tobias, I wish to make my apologies for being so late with my announcement. Her baby was born in September. Congratulations Mother and Grandmother.

By now our hayride is a thing of the past, but we're still laughing and talking about the wonderful time we had. Nearly a thousand tickets were sold and I want to take this opportunity to thank Norma Bennett, chairman and her committee for the excellent job they did in promoting the hayride. I'd also like to mention that our Church Sunday, September 26, was fairly well attended by both Jobs Daughters and friends. I was especially proud of all my officers.

By the time you read this, Inspection will be over, but now we're all looking forward to meeting our Grand Guardian, Alda Kemp, and our Associate Grand Guardian, Mr. J. Homer Roveall.

The next date you'll want to ring on your calendar is November 2. This is Mom and Dad's Night. A supper is being planned that I know you'll all enjoy, so be sure to come and bring your parents.

Its not too early to start thinking about election of officers. Everyone try to come so that you can vote for the candidate of your choice.

These clear frosty mornings and the turning of the leaves remind us that we are fast approaching the close of the year. But don't go away, we have more important and interesting events yet to come.

The regular monthly sewings will end with the November meeting. Announcement will be made later as to the place, the time is the third Thursday and don't forget your sandwich.

Fort Wayne Assembly has been honored with a Supreme Appointment. Sister Genevieve Wagner is Appointed to the Supreme Jewelry Comm. Congradulations, Genevieve and we know that, as always, you will make us proud of you.

Two more initiations are in the offing. One in November and the last will be on the occasion of the Official visit of the Supreme Worthy President, Mrs. Andrew White, of Columbus, Ohio on December 21st. Mrs. White has been in our Assembly on two other occasions and we are looking forward to this time as a fitting climax to the years work. Lets give our Worthy President and her officers our enthusiastic support. Plans are being made for a dinner to precede the meeting of Dec. 21st and as usual the Sir Knights are invited.

No illness has been reported among our members. The Mother of Sister Genevieve Wagner is Recovering from surgery. Our very best wishes are extended to her. The Brother of Sir Knight Grey Wagner passed away this month. Our sincere sympathy is extended to him in this sorrow.

This just about winds up the news for now. Remember, we will be looking for you at the meetings. Until next month, Adieu.

Greetings from the Hall of Wayne Lodge No. 25. On September 19, the Annual Visitation Day at the Masonic Home was held. Your Worshipful Master and Mrs. Goller accompanied by Mr. and Mrs. Leon Williams visited our very wonderful home at Franklin, Indiana, and got acquainted with some of our guests there, and also visited with Brethren from Wayne Lodge. I would like to report that Brother McDonald is in wonderful health and enjoying life. Brother MacFarlan, of course, is getting up in years, but he still gets around very well. It certainly is wonderful to know that our aged people have a place such as this to go to. The sad part is that there is such limited room.

Now there is a program underway to build a new hospital in the very near future, which will make room for more guests. I understand the new hospital will be a two-hundred-bed structure. The present hospital accommodates seventy people; and at the present time, there are forty guests that should be hospitalized. So there is a need for more room. This new hospital is going to cost about two million dollars; and the only way this can be accomplished is through the efforts of Masonic and Eastern Star bodies. So when you pay your dues this fall, include a generous contribution for this very worthy cause, or just send your Secretary a check anytime and tell him what it is for.

To those of you who have never visited the Masonic Home, I would recommend that you take time and some Sunday, or anyday when you are just taking a ride, head for Franklin, Indiana, and see for yourself what a wonderful place it is. I am sure you will be more than welcome.

By the time this issue of the Square and Compass reaches you, it will be the latter part November and only one month will be left in 1954. So why don't all you Brothers that haven't attended Lodge this year make it a point to attend the last month of the year and get acquainted with your old officers and help elect the new ones for next year. And give them your moral support.

At this time, we have confined in hospitals Brother Coony Bayer and Brother Walter Adams at the Lutheran Hospital and Brother Melvin Lew at the St. Joseph. All are doing well.

On Saturday, October 23, Brother Homer Moses was laid to rest in Lindenwood Cemetary. To his many friends and relatives, we extend our heartfelt sympathy. To all the sick, we pray for a speedy recovery.

See you in Lodge!

Greetings from Huntertown! This will be a busy month in our lodge. EP° on the 11th; FC° on the 18th, and MM° on Saturday, the 20th. Plan now to attend them.

We will be going visiting again this month, so come to lodge and make arrangements to go along.

Last month we were at Monroeville twice, once for the 50-year pin presentation, and another for MM, to do the lectures. We also went to Auburn, Garrett, Avilla, Leo, Spencerville.

Don't forget election of officers the first Thursday in December.

Huntertown Chapter OES had the Friends Night, October 12. Guests were invited from Crurubusco, Avilla, and Prentice Chapter of Albion. We were happy to have Brother Cecil Sible, Past Grand Patron of Indiana Grand Chapter, and Sister Lettie Dickey, Past Grand Matron of Indiana Grand Chapter, as distinguished guests for that evening. After an entertainment, bunco was played and prizes awarded, then refreshments were served.

The Chapter had funeral services October 31 for Sister Lois Epitler, who had passed away. We are saddened at the loss, and extend sympathy to her family.

Several of our officers have been guests at other chapters' Friends Nights. This is always an enjoyable experience, and many new friendships are made.

The committee has the ladies' hand bags and the Christmas cards now, for our orders.

Greetings from Harlan Lodge.

As we go from one passing season to the next we view with delight the variety of scenes each teason displays to the discerning eye. As we walk through the fields and woods and feel the rustle of falling leaves it reminds us how swiftly time flies and how short our life span is. We should all take time to contemplate the glorious works of the Great Creator. Man works long and hard to enjoy the creations of man and thinks he owns them. But when at last his weary feet shall have come to the end of their toilsome jaurney and from his nerveless grasp drops forever the working tools of life, he awaits to find that he no longer owns them. So let us spend a little more time fitting our bodies as living stones for that spiritual building, that house not made with hands, eternal in the heavens.

Brethren, we are happy to have received a petition for the degrees of Masonry. A fine young man, namely: Roland Dorsey, has been elected to receive them. This Entered Apprentice degree will be conferred on November 16, 1954.

We also have other very important business to vote on. It is in regard to the annual dues of the lodge. We would like to have all members that can possibly attend to be present, so remember the date, Tuesday night, November 16th.

On November 2, 1954, Past Master B. J. Friedline was presented a gold pin in recognition for fifty continuous years as a Master Mason. The presentation was made by P.G.M. O. A. Dellinger, who gave a very fluent and impressive talk on Masonic obligations in general and especially the Indiana Masonic Home at Franklin, Ind., for the aged and the orphans.

We were reminded that the per capita assessment was not sufficient to expand and maintain according to the growing need for added space and modern equipment to effectively and efficiently care for those less fortunate.

We have purchased a visual education strip film projector to be used in our degree lectures. We hope this will stimulate stated meeting attendandce and encourage degree work participation, especially among our younger members.

The fall convocation recently held proved to be one of the best in many years. More than 160 candidates finished the work through the 32°.

The Lodge of Perfection work started at 1:15 Tuesday afternoon with the class of candidates receiving the preliminary ceremonies before entering into the degree work. Four degrees were given before dinner and the inspiring 14° with several innovations was presented with Ill. Bro. William S. Mossman, 33°, presiding. A cast from Dekalb county conferred the 9°.

We wish to thank the members for their response to the early notice for the payment of 1955 dues. Generally these notices are mailed out at the end of the year, but due to certain circumstances it was deemed advisable to get the m out before the fall convocation.

The next issue of Scottish Rite Standard will have information regarding coming events. Please read it carefully so that you will be informed as to what is going on.

The building committee reports progress is being made on the plans and before long we can expect sketches that will give us some idea of what our new cathedral will be like.

We are still receiving donations toward the Benevolent Fund, and after the first of the year the committee will be ready to make a report on the progress of this important work.

November, the month of Thanksgiving. We may all be thankful that we live in a free country, free to worship as we please, free to earn our daily bread in a manner of our choosing, and free to join those fraternal and social orders of our choice. Not all the peoples of the earth have this freedom. I give thanks among other things for the privilege of being a Mason and a Knight Templar. To me they have lighted the way to a new life, a richer and fuller life.

Saturday, October 23, twenty-two Sir Knights of Fort Wayne Commandery journeyed to Kendallville and conferred the Order of Malta in full form in Apollo Commandery No. 19 on a class from Kendallville and Angola. Am happy to report the cast presented the Order in their usual credible manner and I wish to thank all who had a part in the work for their efforts. Believe I can say without contradiction that the Sir Knights comprising the cast of the Order of Malta enjoy going on the road (especially when there is feed before or after the degree work) and are open for future engagements.

October 30 a meeting was held to make preliminary plans for the Grand Conclave in May, 1956, which without a doubt will be held in Fort Wayne. Those attending were Grand Commander Charles E. Cook, Deputy Grand Commander Samuel S. Geake, P.C.C. Howard F. Christner, Grand Captain of the Guards Adam S. Riggin, and Fort Wayne Commandery Officers. This coming Grand Conclave will be a big event for Fort Wayne Commandery and it is not too early to be giving it serious consideration. An immense amount of work lies ahead. Fort Wayne Commandery has the reputation of doing things as they should be done and in this obligation if your name appears on one or you are called upon for assistance, please accept it if at all possible and give your best effort to make this Conclave a success.

Fort Wayne Commandery No. 4 and the Social Order of the Beauceant will again hold an open installation of officers this year. The date has been set for Thursday, December 30, 7:00 p. m. A reception for the newly installed officers of both bodies following the installation ceremonies is being planned. Plan to attend this important event. The Drill Corps under the command of P.E.C. Harry Haller has promised to present an excellent drill between the Beauceant and Commandery installations

Although we have no work of conferring Orders this month we have not been idle. We have been using the time to advantage preparing for our annual inspection which will be Thursday, December 9, 7:30 p. m. A dinner is planned. We are informed by our Grand Commander that the Order of the Temple will be conferred at the Grand Conclave at Muncie in May, 1955. This Order will be conferred by a picked cast from the different Commanderies of the State, so we hope to receive a good grade at inspection in order that Fort Wayne will be represented in the cast.

Fort Wayne Chapter No. 19 will be at labor conferring degree work after our stated meeting in November. As we have been dark during the month of October, we are anxious to get back to work.

After attending the Grand Chapter meeting in Indianapolis on October 27, 28 and seeing how the business of the Grand Chapter was conducted you can be mighty proud of belonging to a chapter of York Rite Masonry

What is York Rite Masonry? York Rite of Free Masonry begins with the Blue Lodge with which you are familiar. The additional series of degrees and orders expand and enlarge upon the philosophy, the symbolism, the historical significance and the great truths inculcated in the symbolic or Blue Lodge. We do not consider these added degrees as Higher Degrees, but as a continuation of our Masonic instructions or education.

These added York Rite degrees remove and dramatize and expound upon many Masonic fundementals in a manner that clarifies them. All of this is accomplished with a minimum effort on the candidate. So companious keep talking to that Blue Lodge Brother and get him to sign a petition and remember to keep January 29th an open date more on that later. See you in the chapter.

A man who wants to join a fraternity because his father belonged is good material. As his father was a Mason he probably was a good man. If the applicant desires to imitate a good man and thinks we can help him, his motives are worthy. The man who wants to become a Mason to stiffen his religious belief is not a good candidate. Masonry demands no religion of its applicants, merely a belief in Deity. A man with religious convictions which are slipping and who looks for something to prop them up, should go else where than to the Masonic altar. Asking nothing but a belief in God, we have a right to demand that that belief be strong, well grounded, unshakeable and beyond question.

On October 18th. many of the Brothers traveled to Sturgis, Michigan and again presented the Masonic play "A Rose upon the Atlar" in connection with their Past Masters' night.

At our Lodge of Instruction held recently at Ossian Brother Anderson, Assistant Grand Lecturer, was extremely pleased with the Lodge records and praised our Secretary, Bro. Ora Myers very highly for the excellent job he has done this year. Our Grand Secretary is holding a one day session at Indianapolis for all Secretarics and others who wish to attend that they may become more familiar with some of the problems which confront them. It is hoped that your Senior and Junior Wardens may attend this meeting as well as your Secretary.

The calendar for the coming weeks:
Nov. 9th., Stated Meeting, 7:30 p.m.
Nov. 16th. E.A. Degree, 7:30 p.m. Refreshments after Lodge.
Nov. 23rd., F.C. Degree, 7:30 p.m.
Nov. 30th., M.M. Degree, 7:00 p.m. Refreshments after Lodge.

The work during December will depend on petitions at our next stated meeting.

Keep in mind, Brothers, that the Stated Meeting in December will be election of officers for the coming year. Give much thought to your ballot and cast it not for friendship, not from a feeling of obligation, but only for the good of the Fraternity.

As we approach the holiday season — November with her Thanksgiving, Christmas with the Brithday of our Christ, let us not forget that we can be thankful for our heritage only because those who have gone before us have guarded well the heritage that was theirs. They cherished it. They preserved it for us. May we be ever watchful, ever diligent so that those who follow after us will have a heritage as rich, as deep, as fine as ours has been, as ours is today.

Brethren, you will be receiving a letter requesting a contribution for the Masonic Home Nursing Hospital. Please give it due consideration, and give. Sol. D. has always come through on these worthy causes, and I know, we will, again. The hospital facilities are desperately needed, and must be built. Without everyone's help, it cannot be done. There are a great number of old people, who need hospital care, and no room for them. The Home Board cannot go into debt, without knowing the money will be available. All contributions are deductible from Federal income tax. Let's give till it hurts.

Don't forget November 22, Past Masters night, we are planning a really big affair. Please send your reservation in promptly. It takes time to plan the amount of food. Brother Ed. Klomp, our Jr. Warden, has a good meal and entertainment planned. We will have several 25 year awards, with P.M. Harl Bradley, who was Master in 1929, to present them. You will bear an inspiring speech, by our Grand Master. Let's all come, and honor our Past Masters. Don't forget to return the reservations!

We have lost another brother, Clifford O. Whearley. We extend our sympathy to the bereaved family.

The Fellowcraft Club is starting out on a new program. They have asked your Master to be their coach. They intend to become, really, active. Anyone who has been, or is interested in the Club, please come and get to work.

Another colorful Convocation is over and we look toward our winter events and Spring Convocation, which will be held April 19, 20 and 21.

The newcomers to our Scottish Rite bodies were named the Wilbur E. Neuenschwanders in honor of late Ill. Brother Dr. W. E. Neuenschwander, 33°, who was active in all branches of Masonry for many years before his death in Jenuary this year. Dr. Neuenschwander was Worshipful Master of Sol D. Bayless Lodge in 1921 and a member of the York Rite as well as Scottish Rite bodies and in 1943 was the Ill. Potentate of Mizpah Temple; and in 1947 was the Grand igh Priest of the Grand Chapter of Royal Arch Masons of Indiana.

Ill. Brother Rev. Howard J. Brown, 33°, gave a strong message as our Banquet Speaker. His warm and friendly attintude added to the strength of his address. Ill. Brother Brown, now pastor of the Church of Our Savior at Cleveland Heights, Ohio, formerly held pastorates in several churches in the Fort Wayne valley and was active in Scottish Rite work for a number of years. He has many close friends in our Valley who were happy to greet him and to hear of his unusual experiences in his recent visit to the Orient.

On Wednesday evening of our Convocation the 31° was presented in our new Scottish Rite Auditorium on Berry Street. There had been many rehearsals by the large cast under the direction of Ill. Brother Melvin G. Honeck, 33°, and the excellence of the work rewarded the effort that had gone into its preparation.

The effectiveness of the action of this degree is a forecast of the pleasure we will have when all of our work is given at a later time on the very large stage of our new auditorium.

The 31° with Attorney James R. Newkirk presiding and with its large cast all intact made a journey to South Bend on Saturday, October 30, to present that impressive lesson of "A Guilty Conscience is its Own Reward," as part of the Fall Convocation of the South Bend Valley. The South Bend Brethren demonstrated their appreciation by a fine fraternal welcome and entertainment of our Fort Wayne brethren in South Bend.

The 23° was given on Thursday afternnon just ahead of the 32°. Its dramatic teaching of "The Work of Virtue is Nobler Than Any Work of Genius," with Herbert C. Foreman presiding and with Ill. Brother Knowlton H. Kelsey, 33°, and Arthur L. Aiken having two of the very strong parts which they have given for more than 25 years, was well attended and enthusiastically received.

The first section of the 32° was given entirely upon the stage in preparation for the time when the entire action will be carried to the the stage in our new auditorium.

During the past month our schedule has been a busy one and it has been a pleasure to see some of our youngest members taking active parts in the degree work. Also during this last month our visits to Decatur and Monroeville were very enjoyable as well as instructive.

We are nearing the end of our fiscal year and your secretary reminds us that dues are payable on or before January 1, 1955. The last two stated meetings of the year are very importanr and we would like to see as many brothers in attendance as possible. Come and take some interest in the business of your lodge.

St. Marys No. 203 O. E. S. will have a stated meeting December 13. This is our Christmas meeting, so be sure to come for the fun and tell every member you see to do the same.

Hello Brethren: Here it is another Fall and I hope it has been a fine summer for all of you. As for lodge news, I'm pleased to announce Leo Lodge had Lodge of Instruction last month. Leo played host to Harlan and Huntertown and I beleive I can say everything went over well. I would like to thank Senior Warden John Berely for acting as Master in my absence, everyone said he did a swell job. Also I would like to thank all the brethren from Harlan and Huntertown, they were lots of help.

On October 28 we had our first Entered Apprentice for the fall. He was a fine candidate and we will give him Fellowcraft on the eleventh. Hope lots of you come.

Don't forget brothers, the lodge can't go on without the help of each and everyone of you. So, why not try to attend the next meeting. We will all be glad to see you.

We were very fortunate to have our Grand Master, Brother Elmer C. Forks, present for our annual hamecoming banquet. Our Grand Master also delivered an address that was greatly appreciated by all in attendance.

November 23, Ossian Lodge will present the Masonic play, "A Gift in Secret" at Decatur Lodge No. 571. Also, Decatur Lodge will make the presentation of 25 year pins to those eligible.

December 6th is the date for our Christmas Party. This year we are very fortunate to have the Scottish Rite Choir to be with us to present a musical program. The Scottish Rite Choir of Fort Wayne is known throughout Indiana and several surrounding states for their good music under the direction of Robert Shambaugh. Please make this night reserved to be present. The program will be at the Methodist church.

December 13 stated will be the occasion for election of officers.

It looks like we will have a very busy month in November as there were eight petitions for degrees read at our October stated meeting. On Monday November 1st our Fellowcraft Club will travel to Kendalville to portray the Second Section to the Master Mason Degree, and on Saturday November 6th we have a visitation to Valley Lodge No. 735 at South Bend. By the time you receive your Square and Compass, these vistations will probably be over so come to lodge and enjoy working with the Craft again. We need Your help.

Wednesday, December 1st is our Annual Stated Meeting, when facts and figures will be totaled up for the past year and election of Officers will be held. Be present to vote for your Officers for 1955.

The Committee on Finance of the Indiana Masonic Board for the new Nursing Hospital, informs us that $500,000 is still needed to build this hospital. The only source of raising this amount is by voluntary contributions from the members. If each Maumee Member would contribute one dollar, when they pay their dues, this would mean over one thousand dollars for this fund. Think of your obligation to your brethren their widows and orphans and give what you can to their relief.

At this writing we have had no reports of sickness in our Lodge. If anyone knows of a sick brother please make it known to one of your Brothers.

NEW MASONIC HOME NURSING HOSPITAL MAY BECOME A REALITY

By Grand Master Forks

Pictured on this page is the Masonic Home at Franklin, Indiana, the pride of thousands of Masons in the Grand Jurisdiction of Indana. Members of the Fraternity who have had opportunity to visit this sanctuary for those distressed members of the Craft, their widows and orphans, and members of the Order of the Eastern Star, have left profoundly impressed by the charitable and benevolent work that is carried on by the 180,000 members of 544 Lodges, and the 120,000 members of the Order of the Eastern Star.

A highly qualifed Superintendent and a well-trained staff care for more than 360 members at the home, 56 of whom are boys and girls. There were 75 persons whose applications have been approved to enter the Home and who have been placed on the waiting list, but there is not enough room for them and therefore they must be cared for elsewhere. Likewise, there are five hospital cases that have been approved for admission, but there is no room in the hospital, and they likewise are being cared for elsewhere.

Confronted with the condition aforementioned, the Masons of Indiana have now launched the biggest project ever undertaken in this Grand Jurisdiction by preparing plans for the construction of a New Nursing Hospital. Presently, the old hospital will handle only 70 persons, and the facilities for proper care are wholly inadequate. There are approximately 40 persons housed in other buildings at the Home who should be hospitalized, but there is insufficient room for them.

The plans for this new hospital will provide facilities to handle 200 beds, thereby releasing some of the present quarters for the admission of those who are on the waiting list. Unfortunately, however, some of those now on this list may pass away before they can be admitted.

While it is hoped that construcion can be started early in 1955, this hope can only be realized if the necessary funds are on hand, or are definitely pledged at the time contracts are awarded.

TheBoard of Directors of the Masonic Home is a Committee of the Grand Lodge and is specifically prohibited from incurring any indebtedness which the Grand Lodge might be required to pay.

The present estimates of cost of construction and furnishing the New Nursing Hospital are approximately $2,000,000.00.

There has been pledged or paid to this project: approximately $1,573,000.00.

There remains approximately $500,000.00 that must be raised by voluntary contributions from the membership, the only remaining source from which funds can be raised.

An appeal has been mode by the Grand Lodge to all Symbollic lodges in Indiana to solicit their members for contributions to this fund.

The Worshipful Masters and officers are presently engaged in this work of raising funds, and every Master Mason is urgently requested to contribute as generously as he can. The response to these appeals has been commendable and has proven that when the brethren know the need, and the facts, they respond generously.

All Master Masons are urged to send their contributions to their lodge immediately, and their Lodge will receve credit in the Grand Lodge records as soon as they remit the funds.

If everyone in Indiana will get behind this program and support it to the best of his ability, his new Nursing Hospital that is so urgently needed, can become a reality. And then, we can truly justify our claim of being a charitable and benevolent Order, that is devoted to the care and welfare of our own distressed Brethren, their widows and orphans.

If any member has already paid his dues for 1955 and has not made a contribution to the New Hospital, it is not too late. Will you please send your check today to the Secretary of your Lodge. Remember that Hospital Contributions are deductible from Federal Income Tax.

Brethren, by the time you hear this article our new officers will have been elected. Let's have a real turnout for their installation. Show them we are all for them. They are a wonderful group of men and deserve all the support and co-operation we can give them. Knowing they have the wholehearted support of the Craft means everything to the officers. They are giving their time and labor to us and the least we can do is to attend lodge every Monday and help them in every way. Think it over! I know you will come through.

Our Past Masters Night was a nice affair. Some 325 members were present and enjoyed the fellowship and renewed acquaintances. Brother James Timmons gave a very entertaining demonstration of memory by association. He has been doing this work for several years and does a wonderful job. Thanks very much, Jim! Our Grand Master, Elmer C. Forks gave a beautiful speech. At the close Brother Forks was presented a certificate of honorary membership, to Sol D. It was a very enjoyable evening. Sorry every member could not be present.

Brother J. Ross Cameron passed away Tuesday morning, November 23. Sol D. held twilight services on Wednesday evening at the Klaehn funeral home. We extend our heartfelt sympathy to his bereaved family.

Brethren, since this is my last article I would like to try to express my deep appreciation for the honor of having been your Master. It is the greatest honor I have ever received or ever will receive. It hardly seems possible that my eight years are through. It has been a lot of work, but the most enjoyable work I have ever done. My officers have been wonderful, nothing I ever asked them to do was too much. We are indeed fortunate to have such a fine line of officers. You need have no fear entrusting the lodge to their care. I can't thank them enough for all they have done for me. To the officers and members of the Fellowcraft club I am greatly indebted for their degree work, helping at the dinners and their wonderful attendance at funeral services. To Brother Don Eley and his men, the Vets Hospital Visiation Committee, thanks for a wonderful job. Thanks to the Past Masters, and all you brethren who have been so much help. Thanks to Brother Mel Ehrman for starting me in the line of officers. I hope you haven't been too disappointed, Mel. Finally, thanks from the bottom of my heart to the entire membership for these wonderful eight years.

My best wishes for a Happy Christmas and a Prosperous New Year!

See you in Lodge!

Companions don't forget inspection on the Past Master's degree, Tuesday, December 14th, by our Grand Lecturer, Lloyd W. Young. It will be a joint inspection with Thomas R. Marshall opening and taking the work as far as the allegory, and then Fort Wayne chapter will take over and put on the allegory. Thomas R. Marshall will then close. Let's all be there.

We should also keep in mind that on January 24, 1945, at 6:30 p. m. we will have our York Rite Association Banquet. We will have a fine speaker, and tickets are onil $1 each. Plan now to attend and bring along a Blue Lodge member.

We now have three petitions and are planning degree work in January. We will have more on this later.

Don't forget stated convocation on December 17th, and try to be there. We are sure you will enjoy it.

We of Thomas R. Marshall now take this opportunity to wish everyone a very happy holiday season.

For the month of December, Fort Wayne Commandery has a very busy schedule. First comes the conferring of The Illustrious Order of the Red Cross, followed by the Order of Malta in short form. Thursday, December 9, will be our annual inspection. Eminent Sir Knight Adam S. Liggin, Grand Captain of the Guard, will be our inspecting officer. It is expected that our Grand Commander, Right Eminent Charles E. Cook, and our Deputy Grand Commander, Very Eminent Samuel S. Geake, will be our guests. Dinner for Sir Knights and Ladies will be at 6:15 p. m., and inspection on the Order of the Temple starting at 7:30 p. m.

Thursday, De cember 16, is our annual Stated Conclave and Election of Officers. Come and help elect our officers for the coming year.

Thursday, December 23, the Fort Wayne Commandery will observe the birth of Our Blessed Emmanuel. This will be our first Christmas Observance, so come to the Asylum, take an hour from the busy affairs of the world and join us in honoring Him this Christmas time. Services start at 7:30 p. m., and light refreshments will be served following the Observance.

The final and culminating event of the year will be the installation of officers of The Social Order of the Beauceant, Assembly No. 139, and Fort Wayne Commandery No. 4, on Thursday, December 30. In order that you may be out at an early hour the installation ceremonies will start at 7:00 p. m. A reception for the new Officers of both bodies will be held on the mezzanine following the installations.

It is expected that we will have four candidates to vote on at our Staed Conclave December 16, but due to the busy schedule over the holiday season, those elected will be held over until Thursday, January 6, 1955.

At the completion of the foregoing events the affairs of Fort Wayne Commandery No. 4 will have been concluded for 1954. The duties of your Commander as pertains to the duties of his office will have come to an end, and it is not expected that I will be writing this column in the future. It was a pleasure to have had the opportunity to serve you and the Fort Wayne Commandery.

Illustrious Brother Howard J. Brown, Pastor of the Church of the Saviour, Cleveland Heights, Ohio and our friend of any years standing, gave us all an emotional and spiritual uplift to cap the success of our Fall Convocation. His ringing address at the closing banquet was filled with stirring sentiment that will carry on in our hearts.

Your Consistory officers thank every member who had a part in any station of the Convocation. Many of the "old timers" who attend the Convocations year after year have told of their satisfaction in the portrayal of the degrees and the conduct of all parts of the sessions.

The attendance at the Auditorium on Berry Street for the 31° was most gratifying. The attitude of the audience and the impressive exemplification of that degree fortells the added pleasure for all of us when the Auditorium comes into full usage.

The members of the Class of Candidates had a right to be proud of the talk at the banquet by their orator, Brother Charles Leslie Eads, Pastor of the First Baptist Church of Fort Wayne. His profound observations and sincere gratitude for the lessons of the degrees expressed well the attitude of his classmates. His remarks will long be remembered.

The officers of the Wilbur E. Neuenschwander Class were — Dr. Mahlon F. Miller, President; Leewell H. Carpenter, Vice President; George F. Rogers, Jr., Vice President; Arden Poor, Secretary-Treasurer and Rev. Charles Leslie Eads, Class Orator.

In the spirit of another lovely Holiday season, your Consistory officers join with all of the other officers of the Scottish Rite in the hope that you and yours will enjoy an exceptionally Merry Christmas and may the New Year bring you a full measure of **health happiness, all good fortune.**

We make a point of fitting every suit or outer-coat as though our reputation depended on it. Because, of course, it does.

All good things must come to an end and another year is mearly over with your Worshipful Master soon to take his place among the Past Masters who have gone before him, paving the way for any success he may have enjoyed during the year of 1954.

As you read this, the officers who will guide the destiny of Summit City Lodge during the coming year, will have been elected or appointed, and to them, we offer our congratulations, knowing they will carry on in the best Masonic tradition and make our Centennial Year one to be remembered well into the future.

"How swiftly the sands run." It seems such a short time since I was appointed by Past Master Sam S. Shinaberry to serve as your chaplain in 1947. It is said that the years with the most pleasure seem to fade into the past more rapidly than others and these eight years have been no exception.

I have enjoyed the experience and am proud to be among those who have received the highest honor that one could be accorded by the brethren of his lodge. May I ever show my appreciation by a continued service to those who made it possible for me to carry on and without whose loyalty and assistance I would have been unable to advance through all the trils and vicissitudes which were present along with the enjoyable pleasures and privileges.

The mistakes I have made were the result of a sincere desire and a conscientious endeavor to benefit our lodge, the lodge of which I am distinctly and justly proud. If I have been negligent in the accomodation of my brethren, it was caused by the press of other duties and not intentional, and I hope the majority of my actions throughout the year was taken in the spirit intended rather than as it may have seemed to others.

With a fond farewell, I now take leave of you only from the monthly editorial column, to continue whatever assistance I may be able to give toward the continued success of Summit City Lodge. May God bless you and keep you.

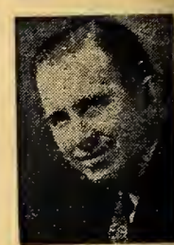
At our Convocation in November we elected candidates for the degree work, and petitions were presented, so we will be busy conferring work in the Chapter for a couple of months.

Keep up the good work. Companions, and keep those petitions coming in.



Once again the Yuletide season is coming to us. The officers of Fort Wayne Chapter take pleasure in wishing you all a Merry Christmas and a Happy New Year, and hoping you will make a resolution to attend the Chapter more often.

On December 14th we will be inspected jointly with Thomas R. Marshall Chapter on the Past Master degree.

Saturday, January 29th will be York Rite Association night banquet dinner at 6:30. We have a wonderful speaker for the evening on York Rite Masonry. You will want to be sure to hear it. All Master Masons are invited to come. The admission will be $1.00 per ticket. Companions, let us buy an extra ticket for our Blue Lodge member and bring him along as a guest.

A fine class of candidates was received and welcomed into the Scottish Rite ranks at our November Convocation. Plans and preparations are already going forward for the Spring Convocation which will be held on April 19, 20 and 21. The Sovereign Grand Commander will be our honored guest and banquet speaker and it is hoped that the membership will put forth some extra efforts to provide a large number of candidates for this Convocation in view of this fact.

It is expected that the Trustees of the Scottish Rite Benevolent Foundation will make our first contribution to the Indiana Masonic Home Hospital Building project shortly after the first of the new year. Many members who have not yet paid their 1955 dues can help to increase the size of this first contribution by paying at their earliest convenience.

It is probable that a preliminary report from the architects who are drafting plans for the new building and auditorium will be submitted to the Building Committee within the near future and our membership can be given further information at that time as to the progress being made.

The officers of the Lodge of Perfection wish to convey to the members their sincere wish for a happy holiday season and properous and peaceful New Year.

How swiftly the sands run, as another year has passed and so little has been accomplished in proportion to our plans for the year.

Thiswill be my last messageto you, my Brethren, in Square & Compass, and if through these writings I have helped to make someone's burdens less heavy, if I have brought a smile to someone's face, if I have brought new hope to someone discouraged, then I have been well repaid for my labors.

It has been a grand year for me, and an experience which can never be duplicated. The loyalty and cooperation of my officers, given many times under adverse circumstances, have given me through the tenets of Masonry a renewed faith in mankind.

May we, your Worshipful Master and his officers, express our thanks to you our loyal Brethren for the privilege and opportunity of serving you.

As we enter the Christmas season may I leave you with this: In the rush of our peparation for Christmas let us not lose sight of the significanc of Christmas Eve, the birthday of ou Christ. Are we omitting the name o our Christ from our Christmas lis Are we forgetting the undying pri ciple of Christmas?

A gift for my Savior, now what sha I bring
To pay tribute to Him, my Redeem and King?
In remembering His birthday I wi have a part
If I bring to Lord Jesus a true lovin heart.

GOD'S GIFT
By Agnes D. Bond.

The Christmas stars are gleaming
In distant skies tonight;
But one alone is beaming
With a distinctive light.

Tha star that led the Wise Men,
That led and guided them,
Upon that midnight journey—
The Star of Bethlehem

The Star that still reminds us
That years ago one morn,
An Infant in the manger
Unto the world was born.

And so we have our Christmas,
A day of kindly thought,
Of peace and loving kindness
That Christ's sweet presence
brought.

A day of self forgetting,
When all mankind seems kin,
Because the Christlike spirit
On this day enters in.

This gift unto all nations,
The gift of God's own Son,
Makes each returning Christmas
A glorious precious one.

Brethren, this is possibly the last time I will address you through the Square & Compass, and I would like to take the opportunity to thank each and every one for the privilege of serving as Master of Wayne Lodge. I assure you that the pleasure has been all mine. I only hope that you have enjoyed the association as much as I have. I would like to say that I will continue to serve the Lodge to the best of my ability.

By the time this issue reaches you in December, you will have elected your new officers for the year 1955. Now, get behind these men and support them with your presence in Lodge and your moral support and physical help; because it is these men, down through the ages,, that have kept the wheels of Masonry rolling and made it possible for you and me each to be a part of this wonderful organization. So attend your Lodge and participate in its activites. Be proud hat you are a Mason.

Don't forget to contribute to the Masonic Home Hospital fund.

We do not wish to belabor our fine trip to the Masonic Home on October 24th, but at the time that we went to press for the November issue we did not have the personnel of the program of the day. We are indeed grateful to the two Choir members, Sisters Jerry Cook and Alta Warner for singing several numbers. We are also very appreciative for Brother Max Poorman bringing his brother and sisterin-law, Jhon and Norma Poorman and Miss Crystal Blocker. They played and sang several songs, and John played a variety of instruments. The Chapter purchased a case of candy bars, and these were distributed to the guests at the Home.

We regret the ommission of the names of Sisters Jama Humbarger and Lena Brosius from the list of new members on our Friend's Night. Those listed were new candidates and Sisters Jama and Lena are newly affiliated with our Chapter.

The annual visit of the Worthy Grand Matron is always the high point of the Chapter's year. We were indeed happy to have Sister Carrie S. May, Worthy Grand Matron, for the Inspection on November 12th, in conjunction with Star-of-the-East Chapter, No. 514.

Brother Justin F. Graves, Worthy Grand Patron, was also present. At the banquet preceding the meeting, the tables were beautifully decorated in Sister Carrie's colors, pink and blue. The favors were small dolls with blue dresses and a bastket of pink flowers. Pink rose buds in bowls and pink candles completed the decorations. Sister Thelma Roller and her committee hand painted the dolls and we must say that it was a big task and very well done.

Immediately preceding the meeting the Worthy Grand Matron performed a beautiful Baby Dedication ceremony and twenty babies of Star-of-the-East and Fort Wayne Chapters members were dedicated to the principals of our Order. She was assisted by Sister Sonoma Woodruff, Past Grand Matron, Sister Anna Kessler, Worthy Matron of Star-of-the-East Chapter, Sister Eythel Smiley, our Worthy Matron, and Brother Cecil Sible, Past Grand Patron. Due to the difference of Daylight Saving time, Brother Justin Graves did not arrive in time for the Dedication.

Fort Wayne Chapter performed the opening ceremony and immediately thereafter, with Chapter at ease, the escorts were made. The East was very beautiful, with a pink and silver stairway to the stars on which was Sister Carrie's motto, "A Prayer, A Deed, A Smile" against a blue background. The mobile silver stars twinkled very realistically. Around the East were many pots of pink and white mums with the motto repeated in white letters against a background of palms. In the West the mums and palms were used as a background for a blue heart with a center of pink rosebuds and pink satin streamers. Behind the station of each point was a beauty vase of pink roses.

While the Worthy Grand Matron was being escorted to the Altar, Sister Pat Walker played a flute solo "Open the Gates of the Temple." As she was escorted East the Choir sang appropriate words to "My Mission." Twenty Sisters of the two Chapters, carrying thirty-foot long blue veils formed an escort, and the two Adah Points greeted her in unison and presented her with a sword, the blade of which was covered with one dollar bills, a gift from the Chapters. They also presentedwith honorary memberships to each Chapter. She was introduced and given Grand Honors in the East.

The Worthy Grand Patron was then presented at the Altar, escorted East introduced and given Grand Honors. His escort was composed of six Brothers from each chapter. The Brothers were in academic caps and gowns. Brother Bill Brown, Past Patron of Star-of-the-East Chapter and Brother Clayton Herrick, Past Patron of Fort Wayne Chapter then presented him with honorary memberships to each chapter. His cash gifts were rolled into the certificates.

Sister Sonoma Woodruff, a Member of the International Temple Committee of the General Grand Chapter and a Past Grand Matron of Indiana was then presented at the Altar and escorted East. The Choir sang "Stay as Sweet as You Are."

Brother Cecil Sible was then presented at the Altar and escorted East.

Elective grand officers were then escorted East and introduced. Those present were Sister Velma Vanderkolk, Associate Grand Matron, Brother Virgil King, Associate Grand Patron and Sister Mary Louise Little, Grand Conductress.

Appointive Grand Officers escorted to the East were Sisters Glendora Davis, Grand Adah, Hilda Hanes, Grand Ruth, Leona Fahr, Grand Martha and Lela Huish, Grand Warder.

With our own District Deputy Sister Gertrude Dickey there were two other Deputies escorted to the East, Sister Martha Robinson, District Two and Sister Anna Kesler and Brother Leonard Fletter, Worthy Matron and Worthy Patron of Star-of-the-East Chapter were then escorted East and introduced. They presided for the Initiation Ceremony for the Conferring of the Degrees on Sisters Ruth

Best Wishes to all for a Very Merry Christmas and a bright and prosperous New Year.

Did you know that an Indiana state law, passed in 1891, prohibits a non-member from wearing rings and emblems of fraternal organizations? It is not necessary to be trying to profit personally from such a false representation. The mere wearing of the ring or other emblem by a non-member is a criminal offense.

A resident of Cass County, in Indiana was recently arrested for wearing a Scottish Rite ring although not a Scottish Rite Mason. He claimed he had merely found the ring and had tried it on his finger. Since it fit, he had kept it there. The court fined him $20 and costs. The ring was turned over to the county sheriff with instructions to try to find the owner. —Scotish Rite Messenger.

Behold, there came wise men from the east to Jerusalem saying, Where is He that is born King of the Jews? for we have seen His star in the east and are come to worship Him.

Our Worthy Grand Matron, Sister Carrie S. May, made her annual inspection of Trinity and Shiloh chapters, Saturday evening, November 13. A banquet was given in her honor at six o'clock in the dining room. The table was beautifully decorated in blue and white with a centerpiece of blue and white chrysanthemums and pink rosebuds.

In the Commandery room at 7:15, the Worthy Grand Matron presented a fifty-year jewel to Sister May Ringwalt, of Shiloh Chapter.

At the group inspection which followed, Shiloh Chapter exemplified the opening ceremonies in a very creditable manner. We were very proud of our officers who conferred the degree. Sister Carrie complimented both chapters for the proficiency of their work and for the reverent manner inn which the work was exemplified.

The room dacorations were lovely. In the east, bright stars twinkled, lighting the stairway which extended up into the "sky." On the steps of the stairs could be seen the Worthy Grand Matron's motto: A Deed, A Smile and a Prayer.

,Other distinguished guests present were Sister Somona Woodruff, of the Indiana Grand Chapter; Brother Cecil Sibyl, Past Grand Patron of the Indiana Grand Chapter; the Associate Grand Matron; the Grand Conductress; Grand Adah, Grand Ruth, Grand Esther, and Grand Electa. We were especially happy to have with us the District Deputy of our district, Sister Gertrude Dickey, and Brother Elmer Forks, Worshipful Grand Master of the Indiana Grand Lodge; and the Past Matron and Past Patron of Trinity Chapter.

It was a very pleasant evening, instructive and inspiring, and our Worthy Matron wishes to thank all those who helped make it so.

Hearticst congratulations are extended to Sister Jane Bitsinger and Sister Lillian and Brother Bill White, mother and grandparents of little Cindy, who arrived very recently; to Sister Shilrey Grabowski and Sister Katherinc Dunlap, mother and grandmother of Steven Dean, a new member of their family; to Sister Carmen and Brother Harold Utterback, the grandparents of Erik Bryan, a new arrivel; and to Sister Eloise Etter upon the occasion of the adoption of a little girl.

Sister Rosa Pinkerton has suffered an appendectomy recently and at this time is recovering nicely. Sister Lillian White underwent surgery for thyroid in November 1st, and has a good start toward convalesence. These Sisters have our very best wishes for a speedy recovery.

We extend sincere sympathy to Sister Norris Potts in her bereavement at the death of her mother.

We hope to see a great number of our members out to Chapter, December 17th. The choir will entertain with a Christmas program at that meeting.

In December the committees will all meet at the home of the Worthy Matron on their regular dates, with the exception of the ways and mean committee which will meet at th home of the Associate Matron, Siste Frances VanSwearingen, 1221 Dela ware. The choir will meet at Siste Eugenia's home, and the NeCaW club will meet with Sister Lorett Rippe, 817 West State Street.

As I take my pen in hand for this my last issue for the Squarc & Compass, I am at a loss for words. There are so many things I want to say tha I will probably leave one or more o them out. Like all of the other issues that I have written for, I have waited until the last minute to write it, thus the sudden forgetfulness.

Our lodge has had a very busy year in both degree work and social activities. We have raised a total of 17 Master Masons this year, which kept us fairly busy. Our Charter Night Banquet, our Family Night Dinner, and our two Smorgasbords rounded out our social activities as far as our lodge was concerned. Of course in the past, yours truly and my two right hand men have been included in invitations to dinners and social func-

tions that our six sister lodges have had throughout the year. I want to extend my heartfelt thanks and very good wishes to the Masters and officers of the other lodges It has been wonderful working with you throughout the years that I have been an officer in our lodge. Thanks again from the bottom of my heart.

It was also a privlege afforded very few Masters to have had the pleasure of having the Grand Master of the Grand Lodge of Indiana serving in our fair city. I feel highly honored to have been able to serve under him during my year. My best wishes tlso go out to Elmer and his family.

Our Fellowcraft club is one now that any Master would be proud to claim as his. My thanks go out to the Craft and to its officers for the wonderful work that they have performed during the year. Morris Adams, president; Bob McGrail, vice president; Don Smth, secretary-treasurer; and Wilbur Shown, food committee chairman, are the officers of your Craft. Thanks, fellows, for making my job so much easier during the year.

I cannot but compare my life as one of your officers to part of the Master Mason stereopticon lecture, that part concerning the hour glass and the scythe. In thinking back over the many memories that I have had as one of your officers, I remember the night that Past Master Ed Fleck appointed me to the line. Much water has passed over the dam since that night. The hour glass is an emblem of human life. Behold, the sands have run very swiftly as my life as one of your officers is drawing rapidly to a close. I cannot without astonishement behold the small particles which are contained in this hour glass, how they pass away almost imperceptibly. Each one carries with it a small memory of my association with you. And then along comes the scythe of time and cuts the thread that has united me with you for so many years. If I may, I would like to make the following summary of a Master's life, which I have formulated.

Any man who joins himself to a brotherhood of other men with similar aims, hopes, and ideals gives outward indications and declarations of his purposes. More than this, there takes place within him, privately and in the deepest recesses of his consciousness, a kind of ceremony peculiar to himself. The pattern of this ceremony followed by each individual is determined by the threads of his heritage and his environment. It is colored by the emotional spectrum which makes up his intense feelings. It is a pledge within himself to give his utmost to attain to the finest standards and ideals embodied in the brotherhood. It is his dedication to his individual interpretation of all for which the brotherhood stands and it is his authorization to his conscience to evaluate all of his actions, preferably in the contemplated stage.

Contemplated actions evaluated in the light of the best to which a man is dedicated, result in the most satisfactory manifestations of his purposes. It is these manifestations which comprise all of life henceforth. A man's regard for the attitude toward his work, the emotional climate which he helps to create within his home, his estimation and cultivated understanding of his fellow beings, his loyalties to the vows of the brotherhood, his reverence toward God, all these and more are manifestations of the expanding and changing ideals which follow dedication.

They do expand and change—these ideals for which men strive together. They become more inclusive, more compelling, more deserving of effort and sacrifice as the years in pursuit of them increase. It is in these pursuits that men grow to their fullest stature in sympathies and appreciations.

After energetic work and maximum effort toward a goal, there is, wholesomely, always a time when it is good to ponder and evaluate the manifestations evident in a man's behavior in any given situation. Such meditation may not always be entirely gratifying but it is always a process by which a man can measure the road over which he has come—its beginning, its grade, its contour, its altitude and its ultimate destination.

Thus, you have the three steps, dedication — when a candidate first joins lodge; manifestation — his working thru the lodge; and meditation — when his work is all completed and he sits back to survey his work.

In closing, I should like to congratulate your officers and mine for a job well done this past year. I want to thank my Sr. Warden, Jim Meeks for releiving me of some of the tension that goes with a Master's job. Our Jr. Warden John Inches has done a wonderful job of his duties this year. Our two Deacons, Clarence Carlson and Robert Marshall have filled their duties without a falter. Our two Stewards, Maurice Bulter and Clarence McIntosh and our Chaplain Don Smith have done a fine job. And our always faithful Tyler, Henry Haesert is always at hand when needed. Not to mention our Secretary, Ward Milton and our Treasurer, Carl Tewksbury. They have done a wonderful job in handling the lodge business this year.

By the way, the Fellowcraft Club is planning some out of town visits in the very near future. Why not join them in the craft work and enjoy their fellowship. I'm sure that you will profit greatly from your experience. The craft can use your help. Won't you offer your services to a worthy cause?

I would like to take this opportunity to wish you and yours a very very Merry Christmas with the best of wishes for a Happy and Prosperous New Year.

See You in Lodge.

The year is rapidly drawing to a close. By the time this article is printed you will have elected your officers for the coming year. At this time I wish to thank all the committees and brethren who have helped make our path a little smoother, and urge that they continue to help the new officers in the same splendid way.

We are very well pleased at the way the voluntary contributions for the Masonic home have been coming in. Keep them coming. This is a very worthy cause.

Home Lodge was visited by death twice during October. Bro. Herschel Mauk died Saturday, October 16th and Bro. Thomas L. McGee passed away Saturday, October 30.

Fellowcraft team rehearsals are now being held each month after lodge has been closed on the fellowcraft degree. The night for rehearsals was changed with the idea in mind of getting a better attendance at both meetings. Come down and see how well your officers do their work in this degree, and join in the rehearsals that follow.

As this is my last article I wish to thank Home Lodge No. 342 for the privilege of serving as an officer during the past several years.

This is the last time that I will have the honor of writing to you in this column. During the year I have had the pleasure of working with a fine group of brethren in Maumee and in all of the Fort Wayne Blue Lodges, and I shall always treasure the memory of these experiences.

I wish to thank all of the Officers, Past Masters, and the entire Craft for their cooperation and support during the past year. Especially the members of my various committees who relinquished many a leisure hour after a hard day's work to help make his year a success.

By the time you receive this issue you will have selected your officers for 1955. I want to congratulate all the newly elected and appointed officers and wish them a happy and most successful year.

On November 1st your Fellowcraft club journeyed to Kendallville where they raised three candidates and renewed their friendship with Clarence Jacobs a former officer in Maumee Lodge. On November 6th we returned a visitation to Valley Lodge No. 738 at South Bend. We raised one candidate and they raised one, after which we had a wonderful dinner and enjoyed fellowship with W. M. Paul Bullard, his officers and Craft. Brethren, your Fellowcraft Club is made up of a grand bunch of fellows and they sure have great times together. If you are not enjoying this fellowship with your brethren, plan to do so during the coming year. Your appreciation and love for Masonry, like anything else, is in direct proportion to your participation in it.

Our Tyler, Bill Lower, is recovering from an operation on his eyes. Bill, we hope you will see us in lodge real soon. Tom Bohen has returned home from the hospital and will be confined there to rest for a while. Both of these brethren would enjoy visitors.

Let's not forget our contributions to the Masonic Home Nursing Hospital building fund. Do this when you pay your 1955 dues.

Come to Lodge and see your new officers installed at the stated meeting on Wednesday, January 5th.

To each of you and your families, the Officers of Maumee Lodge extend Season's Greetings — A Very Merry Christmas and a Prosperous and Happy New Year!

ST. JOHN

St. John the Evangelist, one of the two patron Saints to whom Masonry is dedicated, typifies the side of life. His Scriptural writings emphasized the gospel of love. John, one of the Sons of Thunder, was born about 4 A.D. and was one of the earliest disciples that The Master gathered about Him. In his young days he was very decidedly a man of action, but the mellowing influences of his divine association and the passing of time turned his whole thoughts to brotherly love. He became Bishop of Ephesus and because of his alliance, John was subjected to great persecution and exiled to Patmos, where he wrote the book of Revelation as a result of the vision that came to him in exile. He was previously the author of the Gospel and the Epistles of John. The great disciple died at the great age of 99.—LaPorte Trestle Board.

With the Thanksgiving Turkey safely under our belts, we can give some serious thinking to the coming annual election of officers which will be held on Wednesday, December 15th. All members are urged to attend and select by ballot the officers for 1955. This is your lodge and your election. Exercise your priviledge and right by attending.

With the Christmas season approaching may we take inventory of the blessings which God has seen fit to bestow upon us and may we be reminded to aleviate the burdens and magnify the joy and blessings of those less fortunate.

We of Monroeville Lodge No. 293 wish to extend Holiday Greetings to all where ever dispersed over the face of the earth.

A. Dale Spieth, W.M.

At the stated meeting of the Monroeville Chapter No. 205 O.E.S. on October 28th we were honored by a visit from our District Deputy Sister Gertrude Dickey. We wish to thank her for the gracious way she helped us with all of the new changes, and corrected us as we went along, thereby making a more lasting impression of how it should be done.

On November 10th we observed Friends Night. We were happy to welcome our friends from the other Chapters, and we do hope they will come to visit us anytime. Our meeting nights are the 2nd and 4th Wednesday of each month.

Due to sickness in the chapter we had to have some pro-tems for each of these meetings; our thanks to them for filling in and helping us out.

It was reported that sister Carol Lochner who now lives at 1510 North West 15th Place, Fort Lauderdale, Fla. is critically ill. The last report from there is that she will have to have 60 pints of blood to put her on her feet again. Since we can't supply the blood lets all remember her in our prayers.

A social hour was enjoyed after each of these meetings refreshments were served.

As this last issue of the year of the Square & Compass goes to press, I look back on an unforgettable year, and scenes truly dear to my heart,

There is a certain something that one finds in Masonry that is very difficult to explain, a certain something that you do not find anywhere else. Maybe it's the warmth of friendship of affection of a smile, but this we know, that one gets out of Masonry just what he puts into it.

This will be a busy month in our lodge, with business or degree work every Thursday night.

Don't forget Past Master degree on Wednesday, December 29th in Fort Wayne. Installation of officers at Huntertown is tentatively set for January 1st at 1:00 p. m. We will ge you home in time to see the ball game.

Huntertown Chapter O. E. S. had a program in keeping with the Thanksgiving season. All the ladies who had ever held the station of Ruth were presented little golden cornucopias filled with gold flowers, and the decorations throughout were of gold cornucopias, turkeys and symbols of this bountiful season.

The Christmas party will be after the first meeting in December. There will be a business session, then the members and families will have an entertainment and potluck.

Et Homo Factus Est
There's a song in the air!
There's a star in the the sky!
There's a mother's deep prayer,
And a Baby's low cry;
And the star rains its fire while the beautiful sing
For the manager of Bethleham cradles a King!
There's a turnult of joy,
O'er the Wonderful Birth,
For the Virgins sweet Boy
Is the Lord of the earth.
Ay, the star rains its fire and the beautiful sing
For the manager of Bethleham cradles a King!
In the Light of that Star
Lie the ages impearled;
And that song from afar
Has swept over the world.
Every heart is aflame and the beautiful sing
In the homes of the nations that Jesus is King.

I want to thank all my officers for their wonderful co-operation during the last month. On October 26th we put on the initiatory degree and took in about thirty candidates. All the officers did a superb job. On November 4th we again put on the initiatory degree and brought in another thirty candidates. The officers again did a fine job.

On November 21st we were honored by having the founder of DeMolay Frank S. Land, better known to us as Dad, give us a talk in the Shrine club house. His talk was very impressive and everybody who was there enjoyed it a lot. Also after his talk the Indiana Tech. College here in Fort Wayne presented us with a portrait of Dad Land to hang in our chapter room. I want to thank the Indiana Tech. College for this fine gift.

The initiatory and DeMolay degree were given on November the 23rd. There were candidates from chapters out of town as well as from our own. Altogether there were around a hundred-fifty candidates. To put on both degrees on one night is a very hard task, but every officer worked hard and co-operated to his fullest extent. Therefore, I want to personally thank all of them for their fine work.

The next night the Chevalier Degree was conferred on six DeMolays. Three were from our chapter and the other three were from the chapter in Auburn. The three from Fort Wayne were James MacGraw, Carlton Sheets, and Bill Pomp. After the Chevalier Degree, the flower talk was given, by Norman Miner who did a very fine job.

A very important meeting is coming up in December, the election of officers. The date is the 14th, and I hope every member is there that night because this is the night you pick the boys who will head your chapter for the next term. Be thinking over in your mind who you would want and try to be there.

Also in December there is the White Christmas Formal on the 28th. This is a dance sponsored and payed for by the Scottish Rite. All you need is your 1955 dues card to get in. I hope everybody will come because that is the best way to show your appreciation for the dance.

The installation of the DeMolay officers for the next term will be January 6th.

Now I would like to say a few words about one of our members, Bill Pifer. Last summer Bill had an accident while swimming and was in the hospital for a long time. He is now at his home and I am sure he would appreciate a visit from any fellow DeMolay. His address is 2315 Pittsburg Street, if you want to send him a card or visit him.

Just a word from "Dad" Riethmiller.

I also want to thank every one who contributed to the sucess of our activities at Thanksgiving time.

White Christmas Formal Dance, Tuesday night, December 28th, 9 to 12 P.M. Woody Neff's Orchestra. "Dress", Ladies Formal — Men optional. Admission Free but "1955" dues card is required for active members and Senior card for Senior members. Card to be presented at door.

Installation, Thursday night January 6th, 8 p.m. Invite your parents and friends to attend this ceremony.

January 11th the newly elected and appointed officers will preside and this is the "Deadline" for petitions for the first Initiatory class on February 8th. Lets have a large class for the new officers.

December 14th is last meeting to pay 1955 dues before first of the year this is the only meeting in December you can mail them to H. F. Riethmiller, 450 Englewood Court.

If interested in DeMolay Jewelry, Pins, Rings, etc. mail for catalogue to International Fratenity House, 3509 Warwick Blvd., Kansas City (11) Mo.

No Jewelry is sold in Fort Wayne.

Our 1954 Convocation is history. The Council degrees were put on in excellent form. It has been said that the Council degrees were outstanding. The credit goes to all the workers from top to bottom.

Illustrious H. Howard Etzold, 33°, did his usual fine work in the 15°. Merl Barns and W. Carl Huber were tops in their parts, as were George Winchell and Clarence Stroup. Zeus Campbell was excellent in his part.

The Satraps and guards, Wayne Beman, J. W. Dickens, Samuel Fishman, Earl Siebold, Ancel Richards, Emmett O. Bliss, Ralph Watts, Leon V. DeRemer and Roy Spurrier, are to be commended for their faithfulnesss and attention in putting on the degrees and attending rehearsals. Our good friend and faithful brother, E. A. Hoffman, was ill and could not take his usual part in the Convocation.

In the 16°, Albert R. Spencer, our High Priest, outdid himself in doing his part as King. Robert E. Lee did some nice work in his part. Arnet K. Bickel, Earl Siebold, Mose Bedree, Emmett O. Bliss and our candidate, Charles Phelps, were very earnest in doing their various parts. Cyrus Senger, Robert L. Kaag and Don Weis did their different parts in an admirable manner.

Our thanks to George Hacker, our Senior Warden, and Zeus Campbell, our Junior Warden, for their work in directing the degrees. Also our thanks to the makeup section and the robing room members Don Thrasher, Guy Laurents, Earl Hart and Ray Leiber, a new recruit in the makeup department. Our especial thanks to Robert Shambaugh and his competent choir for their assistance in putting on the Council degrees.

We as Masons and Americans do know the meaning of December 25, which is the birthday of the founder of Christianity. One of our duties at Christmas is not to let all of the beautiful decorations and beauty of the season hide out the reality of the Supreme Personality of the Man who blossomed like a balsam nineteen hundred years ago.

There is no denying the evidence that St. Nicholas possesses a powerful personality. So let us invest our minds to be loyal to this important tradition to the children of the world. With laughter and love we can perceive rightly the true meaning of the Wise Men of the East. With laughter and love we can prepare aurselves for a Merry Christmas, a Joyful Christmas, a birthday party in honor of the Master whose presence dispels all gloom and sorrow.

January 3, 1955, 7:30 p.m. will be installation of officers. I would like to urge each of you to be present and witness these ceremonies. As customary in the past the oyster supper will follow after closing of lodge.

May all of the blessings of the Yuletide Season be with you. May the Grand Architect of the Universe bring His peace and contentment to you, and to yours, throughout a prosperous and very enjoyable 1955.

Thanksgiving is now over and we are fast approaching Christmas and the end of the year. I hope that all the brethren had a good Thanksgiving and I'm sure we all had plenty to be thankful for.

With the end of the year we must think of our election of officers. The election will be on the first Thursday of December. So I will depend on all you brethrens being there and putting the best men in office.

We will also have Master Mason on December 16th, of course this will be pot-luck and I hope you will all came with well filled baskets.

The next issue of the Square and Compass will have the artical written by our New Master. I would like to take this last occasion to thank all the officers and members who made my past year such a pleasure. It's a good feeling to a Master to have a group of brethren upon whom he can count, and I certainly had a group whom I could depend upon.

Of course we all must remember that we will have a public installation of officers on January 1, 1955. We will have the traditional oyster stew and pot-luck. Leo is known for it's good feeds, so brethren don't forget to bring lots of food to go with the stew.

Well brethren thanks again to all of you for the fine cooperation in the past year. It hasn't been a big year that will go down in history in glowing letters but I can't help but beleive the Great Architect of the Universe has watched over and guided us.

Happy New Year Sir Knights! Reckon you have all made your New Year's resolutions by this time and I sincerely hope that attendance at the meetings of your Commandery is high on the list.

December 23rd we held our first religious Christmas observance. There were approximately sixty-five Sir Knights and Ladies present. Though the attendance was not large it was impressive and encouraging. The general impression was that it should be continued. We were honored in this service by having Sir Knight Charles E. Cook, Grand Commander of the Grand Commandery Knights Templar of Indiana, present and giving a very sincere and impressive talk on the meaning of Templarism. It is indeed regrettable that every Sir Knight and his lady did not hear this wonderful message.

December 30th a joint installation of officers of the Social Order of the Beaucant Chapter 139 and Your Commandery was held. The following officers of your Commandery were installed:

Emminent Commander, Carter D. Palmer; Generalissmo, Stanley R. Putman; Capt. General, Grey I. Wagner; Senior Warden, Donald K. Thrasher; Junior Warden, James P. Johnston; Recorder, George Gable, Treasurer. Edward R. Klomp; Standard Bearer, Shubble Boggs; Sword Bearer, Curtis E. Connin; Warder, Carl W. Huber, and Sentinel, L. L. Johnson.

The following were installing officers: Sir Knight Harry Haller, P.C. as Grand Commander; Sir Knight Paul E. Bullard, P.C. as Grand Marshal; Sir Knight Harl Bradley, P.C. as Grand Warder; Sir Knight Robert T. Beck, P.C. as Grand Prelate. It was Sir Knight Bullard that knighted your Commander, Sir Knight Haller, that appointed me into line, Sir Knight Bradley and I first met when his son and I were members of the "Y" swimming team, and Sir Knight Robert T. Beck is Pastor of the First Christian Church and personal friend of your Commander.

Sir Knight Charles E. Cook, Grand Commander presented Sir Knight Utterback, P.C. with his Past Commander's Jewel. It was under Sir Sir Knight Cook's instructorship that Sir Knight Utterback and his lady Carmen received their High School education. It was Sir Knight Cook that installed Sir Knight Utterback as Commander so it is more than fitting that Sir Knight Utterback should receive his Jewel from the one with whom he has been so closely associated through the years.

I wish to take this opportunity to personally thank the Drill Corps, the Beaucant, and all of those Sir Knights that had a part in making this installation service so impressive.

Remember Sir Knights, Drill practice every Tuesday night. We are now drilling to win at Muncie. Come up and Drill. There are still a few openings left and the recreation will do you good.

Don't forget Stated Conclave January 20, 1955. There is a whole year of work ahead of us.

May that faith which plans and labors for the highest results be our magic word for this new year for Scottish Rite Masonry in the Fort Wayne Valley.

Faith is a happy, hopeful word which goes hand in hand with strong ideals, steadfast belief in our brethren and the determination to do our individual part in bringing about an outstanding record of achievement.

Faith was the key note of President Eisenhower's inaugural address which electrified our Nation. He said "Whatever America hopes to bring to pass in the world must first come to pass in the heart of America. The peace we seek, then, is nothing less than the practice and fulfillment of our whole faith among ourselves and in our dealings with others. This is the hope that beckons us onward in this century of trial. This is the work that awaits us all, to be done with bravery, with charity and with prayer to Almighty God."

Our Spring Convocation, April 19, 20 and 21, will bring our Most Puissant Sovereign Grand Commander George E. Bushnell, 33°, and other illustrious members of his staff as well as our Indiana Deputy W. Henry Roberts, 33°, as our guests to make that occasion as an historic event.

We are planning to present our largest and strongest degrees in that Convocation.

Let us start thinking about our Blue Lodge brethren who should be candidates in that spring class. It will be a notable occasion for them and one in which we may all take pride in our part.

At the last Stated Meeting Maumee held its annual election. I wish to speak for all your officers when I say that they, like me, are deeply mindful of the honor and responsibility placed upon them as your duly elected officers for the year 1955. We pledge ourselves to do the very best we can do to uphold the fine traditions and discharge the responsibilities of the offices to which we have been elected. In order to make it a successful year we are going to need your help for the degree work and attendance at stated meetings.

January will be a busy month, with 113 petitions to be voted on.

During the month of December Maumee lost three Brothers in death: Brother Merlin H. Farrell, December 14; Brother Frederick M. Christoph, December 21. Twilight services were held at the McKee funeral home in Garrett, Wednesday, December 22, for Brother Christoph. George Maloley passed away December 23. We extend our heartfelt sympathy to the bereaved families of these three brothers.

Let us keep in mind the sick and shutins. Make visitations and keep your officers well informed.

At our Stated Meeting on December 15, 1954, four Companion Royal Arch Masons were advanced to the rites and honors of a Royal Master, and admitted to the Secret Vault as Select Masters, in due form. Companion Lloyd W. Young, Grand Lecturer, was also on hand to inspect your officers in the ritual work of these two degrees. A goodly number of Companions were on the sidelines, and a fine lunch and time of fellowship following the meeting was enjoyed by all.

Companions! If you haven't made reservations for the York Rite Association dinner on Saturday evening, January 29th, see one of your Chapter or Council officers for tickets. Be sure and bring that Blue Lodge friend whom you would like to interest in York Rite Masonry.

Remember, too, our next stated Council meeting, Wednesday, January 19th, at 7:30 p.m.

A Happy New Year to you all, and may God's richest blessings be yours throughout 1955.

This is the first article I have had the pleasure of writing, and I want to thank you for electing me as your Worshipful Master for 1955. I will certainly exert every effort to be worthy of this office. I, also, want to thank you, on behalf of your other Officers, for their election.

Your Officers for this year are: John Inches, Senior Warden; Clarence Carlson, Junior Warden; Carl Tewksbury; Franklin Bryan, Secretary; Robert Marshall, Senior Deacon; Maurice Butler, Junior Deacon; Clarence McIntosh, Senior Steward; Donald Smith, Junior Steward; and Chancey Shirey, Chaplain. Elected Trustee for a three year term, Jerry Forst. Residing Trustees, William Turner and Henry McIntosh. President of the Fellowcraft Club, Morris Adams; Vice President, Robert McGrail.

The Fellow Craft Club is doing a fine job, and the interest they have shown has made it possible to get invitations to put on work at other lodges. On December 6th the Fellow Craft Club conferred the second section of the Master Mason degree at Kendallville Lodge. Brothers who would like to work with the Fellow Craft Club should contact Morris Adams, and I am sure he will be able to put you to work.

Brethren, the New Year has started and you may be interested to know what social activities are in store for you and your families. Due to our success the past two years, plans are being made to have two Smorgasbord, Round and Square Dances guests invited. Also, Charter Members Banquet and we have had some discussion for a Family Night dinner. Any comments or suggestions you may have in this regard will be appreciated.

Last, but not least, Brothers, as the year is in full form your Officers would appreciate your attendance at each meeting. Remember, stated meetings are the second Monday of each month, and degree work the first, third and fourth Mondays. The Officers will do a much better job if you attend all meetings.

Thank you for your support and cooperation.

Companions, we sincerely hope that all of you had a very merry Christmas and a happy turning of the calendar. Now let us make a resolution to carry that fine holiday spirit and fellowship on into the new year. The best way to do this, we think, is to live by the Golden Rule. Do unto you. Let us also resolve to try and make each and every day better than the one before.

We are Starting off the new year right by having condidates to confer the work on. So on January 7th we will confer the Mark Master degree; on January 14th we will confer the Past Master and Most Excellent Master degrees, and on January 21st we will confer the Royal Arch degree after Stated Convocation.

Some of you Companions who don't get down to Lodge very often should try and come this month and see what a fine line of officers you have and how capable they are in putting on the work.

Here's another reminder of our York Rite Association Night, Saturday, January 29th, at 6:30 p.m. Tickets are only $1.00. Come and bring along a Blue Lodge member. Let's make this a banner year for York Rite Masonry.

Nebraska approved a decision by the Grand Master that a man who can not hear and has to depend entirely on lip reading can not meet the physical requirements for initiation.

PRAYER FOR THE NEW YEAR

I went to the throne with a quivering soul—
The dear old year was done.
Dear Father, hast Thou a new leaf for me?
I have spoiled this one.
He took the old leaf, stained and blotted,
And gave me a new one all unspotted,
And into my sad heart smiled,
Do better now, my child.

Now that the magic of Christmas is still a sweet memory, and the dawn of the New Year is upon us, let us all renew our obligation, and may each and every member strive to uphold the beautiful precepts of Truth, Wisdom and Charity.

Plans are being started for the Spring Convocation of the local Scottish Rite Bodies which will be held on April 19, 20, 21, 1955. The outstanding event will be the presence of our newly elected Sovereign Grand Commander, Ill. Bro. George E. Bushnell of Detroit, Mich. It will be his first official visit since assuming the high honor and we are going to give him a reception commensurate with his position. This will mean the best efforts of all of us and a large class of candidates.

A meeting of the membership committee will be held in the near future and an extra effort will be put forth to secure an exceptionally large number for the class. If you have a Blue Lodge member who has been thinking of joining our ranks, now is the time to talk to him and tell him of the convocation this spring. The very nature of the occasion will help you in getting his petition.

There are two events coming up in February you will not want to miss. On Saturday evening, February 19th will be held the annual George Washington ball. This is for all Blue Masons and their ladies in and around Fort Wayne. For our members, we are having the 20° (George Washington degree) portrayed on the 22nd of February in the Scottish Rite Auditorium at 411 W. Berry St. New scenery has been purchased for this and every one attending will be assured of a comfortable seat in that large auditorium. A splendid cast is now in rehearsal for this degree. This is what a number of members have asked for and we hope that large numbers will be with us on the 22nd of February.

The Secretary reports that the 1955 dues are coming in from the statements recently sent out. Send in your ten dollars for your card and have it with you for the coming events.

My diary of events as Master of Sol D. Bayless Lodge started on the very first day of the New Year. The public installation was conducted impressively by Illustrious Brother Elmer C. Forks, Grand Master, and it was witnessed by a number of members and friends.

My sincere thanks to you, Bro. Forks, and also to Bro. Thomas Cannon and the Rev. E. Stanley McKee for having a part in the installation ceremony.

Other Officers installed with me were Edward W. Klomp, Senior Warden; Clayton L. Herrick, Junior Warden; Charles E. Fuchshuber, Senior Deacon; Ralph D. Thomas, Junior Deacon; Ercil Steward, Senior Steward; William I. Butz, Junior Steward; Melvin Ehrman, Treasurer; Arthur C. Slane, Secretary; Vernon D. Frazee, Chaplain and Donald B. Evans, Tyler.

A very special bit of sentiment attended the presentation of the gavel which will be used as the official gavel of authority during the coming year.

Through some diligent planning Mrs. McGraw and Bro. Hugh Goodwin were able to secure a piece of a log from the old log house in which both my father and myself were born and which stood on the old farm homestead until recent years. Bro. Hugh Goodwin turned this piece of log into a beautiful and useful masonic symbol. As I use this piece of sentiment I will cherish many fond remembrances and I am most grateful to my dear wife and to Bro. Goodwin for their part in making this possible.

My family and myself greatly appreciate the good attendance of the officers, members and friends of the lodge at the reception held in our home following the installation.

May the same spirit of co-operation and fellowship, which characterized this day, prevail throughout the coming year.

ARAB MASONRY

It is not generally known that the Arabs of Egypt and Asia Minor still practice a primitive Masonry and have a Legend of its origin at Solomon's Temple, but they have no division of instruction into degrees such as is practiced in Europe. They have not only the signs of the first three degrees, but many beyond them. The son of an Arab spends his entire youth in preparation and learning before he is "made a Mason," and given the "Charge of Solomon." The Arabs say that all Masons under the ancient Charges were allowed to make Masons of any worthy true descendant of a worker on the Temple, and further relate that Masonry was carried into Europe by the original craftsmen, their sons and grandsons who finally began to make Masons of certain of the nobility, in order to gain their protection and eventually of others not "true descendants."

M. Edmond Demoulins in his work Anglo-Saxon Superiority, says that in all the Oases or Deserts, under Moslem rule, Secret Brotherhoods (Zalouahs) exist. They have their passwords, signs of recognition, and are ruled by an official hierarchy which starts from the Grand Master or Khalif, and ends with subaltern agents as messengers, banner-bearers, guards, etc. There are General Assemblies for receiving instructions from the Khalif, or for the initiation of fresh members. Amongst the Moslems throughout the world, there is a very ancient secret society which claims to derive from the Koreish, or guardians of the Kaaba, who were a superior Arab race and the descendants of Ishmel, and of which Mahomed was a scion.—Masonic News."

We hope that all of you had a Merry Christmas and wish you a Happy New Year.

We are making tentative plans for a short convocation to pick up members who have gone no further than the 14th degree. The 15th and 16 degrees will be exemplified. Friday evening February 11, 1955 with the other degrees the following week. That is if we can get at least 50 candidates.

If you have received the Scottish Rite degrees up to the 14th, we urge you to make an effort at this time to complete your Scottish Rite work. We would like to have a nice class and we know that you will enjoy the work. After the degree work we are planning a light lunch in the dining room.

IRELAND

In 1830, workmen engaged in rebuilding the Baal bridge near Limerick, Ireland, found beneath the foundation stone a metallic square bearing the date 1517 and also the following inscription:

'I will strive to live and love and care, upon the level, by the square.'

This indicates strongly that medieval operative Masons attached to the square the same symbolic meaning we do today.—Exchange.

ROBERT E. ANDERSON

We regret to record the death of Robert E. Anderson, which occured in his California home December 18. He belonged to a pioneer Fort Wayne family and when living here was employed by the United States Postal Department.

Besides being a member of the Fort Wayne York Rite and Scottish bodies he was a member of Sol D. Bayless Lodge, who conducted his funeral service December 24th. His unmarried daughter, with whom he lived, accompanied his body to Fort Wayne.

Besides having endowed his dues in both Sol D. Bayless Lodge and Fort Wayne chapter, Brother Anderson also gave the Masonic Temple his valuable collection of United States medals. This is one of the few complete collections of all the special medals that have been struck by our Federal Government. He also gave us the beautiful stand, executed by Brother V. Hugh Goodwin, which occupies a very prominent place in the social room of the Fort Wayne Masonic Temple.

ACTUAL PAST MASTERS

The Annual Meeting of the Actual Past Masters Association of Northeastern Indiana was held Wednesday December 29th at the Fort Wayne Masonic Temple.

The actual Past Master degree was conferred upon twelve newly elected Worshipful Masters by the officers of the Association under the direction of Samuel S. Shinaberry, the President. Summit City Lodge acted as the host for a delicious dinner at which a very well constructed and interesting talk was given by Most Worshipful Elmer C. Forks, the Grand Master of the Grand Lodge of Indiana.

The officers elected for the coming year are: Alvin A. Tharp, of Leo, President; Clifford Gorrell, of Harlan 1st Vice President; Melvin V. Ehrman, of Sol D. Bayless Lodge, 2nd Vice Presdent; Past Grand Master Orvis A. Dellinger, Treasurer; and W. Arthur Rodemeyer, of Home Lodge, Secretary.

COURTESY

Courtesy is a Masonic virtue. There is certain courtesy which is always maintained in the Masonic Lodge room which is not observed outside the tile precincts. Masons should be just as courteous to one another as they are when they get in lodge. In fact all the virtues of Masonry were intended for use every hour of the day. More Masonic courtesy during the seven days of the week will go a long way toward making Masonry worth while.—Masonic Light.

FREEMASON WOMEN IN ENGLAND

A correspondent of The "Freemason" wrote:

"I enclose a clipping from "The Manchester (Eng.) Evening News":

Freemason Women at Funeral.—There was a large attendance of women Freemasons at the funeral, at Crewe today, of Mrs. J. Leach, one of the founders of the Crewe Lodge of Women Freemasons.

"Although I was aware there have been a few women Freemasons, I did not know there were any in actual operation. Could you give any information on this clipping? Are they recognized to hold Lodge?"

The editor of "The Freemason" answered the inquiring Brother with the following comment:

"Co-Masonry evidently had its origin in France, Mlle. Maria Desraimes, a writer on humanitarian subjects and the rights of women, is said to have been initiated, on January 14, 1882, into the 'Lodge les Libre Penseurs,' at Pecq, in the Department of Seine et Oise.

"In March and April of 1893, this lady, with the planning or assistance of a Dr. George Martin, initiated, passed, and raised 16 female candidates. This was in Paris. The next development was the institution of mixed lodges, and this system was set up in Great Britain in 1902. Some three years later, such organizations took on the title of Universal Co-Freemasonry.

"Some 20 or more Lodges of this type have been setup in England, and doubtless the clipping refers to one of such bodies. Needless to say, this so-called Masonry is not recognized by the United Grand Lodge of England."—Canton Bulletin.

IS IT A GOOD THING TO VISIT SICK MEMBERS?

Kansas Masonic Digest

This is one of the finest things a Mason can do. It not only gives the sick brother a "lift' but it does something inside of the visitor. It is surpaising what a binding thing our fraternity is when you visit a sick brother you have never met and find how close you feel to each other through the Masonic tie.

We are now in a new year 1955, and we hope it will be a Happy and Prosperous one for all of you. Your new officers have been installed and are now doing their duty. They are as follows:

Cles Erb, Worshipful Master; Tom Wallheiser, Senior Warden; Ray Girardot, Junior Warden; Melvin Druckemiller Treasurer; Willard Troyer, Secretary; Elmer Barcus, Senior Deacon; Arnold Landis, Junior Deacon; Donald Stoneman, Senior Stewart; David Mills, Junior Stewart; Francis Ray, Chaplain and William Slyby, Tyler.

Brothers we need your help, come to lodge as often as you can because that is the only way you can hope to learn the lessons taught to you in masonry. The past year has been a difficult one for Brother P.M. Rolla Durbin. He did a fine job, however; and, we compliment him for it. The year 1955 should be a good year and with your help it cannot but be a success.

The Fellowcraft Club needs you. The success of a Lodge depends upon the Fellowcraft Club. It is the backbone of everything that goes on in the Lodge. The best way you can help is by being a part of it. We have a Fellowcraft rehearsal at the close of our Fellowcraft degree which is on the third Tuesday of each month.

I, as the Master of this lodge, want to thank you for your vote of confidence, and will do my best to serve you throughout 1955. We have a good group of officers, and you can be proud of them. Remember it is your lodge and we are your servants. Let us renew old acquaintances.

FREEMASONRY

One grand peculiarity about Freemasonry is that it will stand investigation; the deeper the research, the more extensive the knowledge of its hidden art and secret mysteries, the more highly it is appreciated. A man who merely takes his degrees in a listless careless sort of manner, who attends lodge meetings and considers the customary refreshment at the close a the best part of the proceedings, may think that Masonary differs little from other societies. But the man who delves deeply into Masonic literature takes a lively interest in every part o the ceremony, and moral bearings o its symbols, cannot possibly fall into such an error. To him Masonry ha a refining and elevating influence no to be found in the ordinary run o Societies. To bring his influence to bear on every member of the Craft and to direct them to the systematic study of freemasonry, should be the great aim of every true Mason who has the welfare of the Craft and his Brethren at heart.

— Kansas Masonic Digest

THE DIGNITY OF MASONRY

Masonry was not invented; it grew Today it unfolds its wise and good and beautiful truths in three noble and impressive degrees, and no man can take them to heart and not be ennobled and enriched by their dignity and beauty. The First lay emphasis upon that fundamental righteousness without which a man is not a man, but a medley of warring passions—that purification of heart which is the basis alike of life and religion. The Second lays stress upon the culture of the mind, the training of its faculties in the quest for knowledge, without which man remains a child. The Third seeks to initiate us symbolically, into the eternal life making us victors over death before arrives.—Joseph Fort Newton.

Now that the holidays are over, nothing left but the pleasant memory and the bills, we are back in the normal swing of things. I hope many of us made New Years resolutions to attend chapter more often.

At our last stated meeting in the year, the choir entertained with a Christmas pageant depicting the Shepherds and the Wise Men following the Star to the stable wherein the Christ Child lay. It was a beautiful and reverent portrayal of the Holy Night After the program, refreshments were served by the officers. The tables were tastefully decorated with little white Christmas trees red, green and silver paper and evergreens. Little Christmas tree ornaments were given as favors.

Our first meeting in January will be obligation night and the second meeting, January 21 will be past matrons night. There will be a dinner at 6:30. Reservations may be made by contacting Sister Ida Kayser or Sister Frances VanSwearingen. The social committee with Sister Ida as chairman promises us some good eats and hopes there will be a large number on hand to do them justice.

Our sincere sympathy is extended to Sister Mary Zingrebe in her bereavement at the death of her father and to Sister Betty Fortmeyer in her sorrow at the loss of her grandmother.

David Thiebolt, son of Sister Doris is painfully ill at this time with tonsilitis and sinus infection. We hope he will soon be well. Sister Minnie Martin underwent surgery recently and at this writing is slowly recuperating. Sister Anna Mueller is in the hospital receiving treatment for diabetes. We wish for these sisters a speedy recovery.

I suppose you all know by now that your new officers are Norm Miher, Master Counciler; Terry Miller, Senior Counciler; and Jim Fuzy, Junior Counciler. I want to again congratulate them and wish them a very successful term.

To my own officers who worked very hard all term to make it a success I want to say thank you. Without their find support I am sure I would have been lost.

I also want to give my heartfelt thanks to the Mothers Circle for everything they did for us this term. Especially I want to thank them for the candle lighter and the refreshments they served after many of the meetings.

I also want to thank "Dad" and Mrs. Riethmiller for their wonderful help they gave me during my term. I really appreciated it.

At our last meeting our chapter presented to Dad a DeMolay Advisor pin on behalf of all DeMolays in our chapter.Carlton Sheets had the honor of presenting Dad with the pin.

The first meeting of the next term is January 11th. This will be the deadline for petitions for the first Initiatory Degree next term. Lets try to get a lot of petitions in for Norm's first class.

It seems as though I wrote my first Square and Compass article a couple of weeks ago and here I am writing my last. I would like to say it has been a deep honor for me to write them.

Again I want to wish Norm and all his officers a successful term, and again to all who helped make my term what it was, I want to say thank you.

And now a few words from your new Master Counciler, Norman Miner.

Fellows, the first and most important thing I have to say, is thank you. Thank you for giving me the opportunity to serve so fine an organization as DeMolay and as swell a bunch of fellows as its members. I am looking forward to a most successful, prosperous and progressive term. However, the story of the coming term will be determined by the combined efforts and cooperation of all the members.

I pledge the cooperation of your officers and look forward to your help in another great year for our chapter.

Congratulations to Senior Councilor elect, Terry Miller and Junior Councilor elect, Jim Fuzy. The order has made a fine choice, I can think of no more industrious competant men than Terry and Jim. Again, my congratulations and heartiest wishes for a good year for both of you.

May I enjoin upon all the new officers the responsibilities of holding an office. You have been vested with the time, reputation, and public opinion of one of the best DeMolay Orders in America. DeMolay is in the public eye and you represent DeMolay. May we let our actions speak as loudly as our words and in the same realm of ideals. However, ideals are thought of as above ones grasp, but what we uphold is within our grasp. Let's take it.

From the East to you, God's speed.
Norman Miner, M.C. elect.

JUST A WORD FROM "DAD"

I also want to congratulate the newly elected officers for their acceptance of their responsibilities of leading the Chapter for the next term and I know with their enthusiasm and efforts together with that of your Dad; it will be another fine year in our Chapter. I want to call your attention to the first initiatory degree exemplified by the new officers, on Tuesday February 8th. I know it will be given in a fine manner and the membership should give their new officers their loyal support.

Each member should know a friend who they would like to have join DeMolay so invite them to join. If you need a petition phone me at H-3689 and you will have it the next day.

The Chevaliers of the Fort Wayne Chapter met at the Colonial for a Holiday get together and dinner. The Chapter has 17 Chevaliers and the following were present, Ronald Meeks, Hal Elzea, Tom Bell, Robert Hinton, Louis Mangels, Michael Brutton, Donald Rife, Dan Somers, Robert Strodel, Edward Clark, William Pomp, Carlton Sheets, and James McGraw. Robert Locke is in service in France and Kenneth Bradley resides in Pheonix, Ariz. Jerry O'Brien Master Councilor and Norman Miner, Master Councilor elect were invited as guests.

DEMOLAY MOTHERS CIRCLE

The Mothers Circle acquired approximately 65 new members during the past year. Our membership now totals 212 DeMolay mothers.

ORIGIN OF "MOTE" AND "HELE"

Mote, in the phrase, "So mote it be," is an Anglo-Saxon word derived from "motan," which means "to be allowed," and means in Masonic usage, and according to its tense, "So mote it be."

The word hele, pronounced heal, is of similar origin and means "to cover up," or "conceal." This word is still used in its original sense in parts of England. For instance, one authority says that "in Sussex a house with a new roof is said to be newly heled."—Masonic Light.

We are most happpy to welcome our new members, Sisters Jean MacAllister, Virginia Quillen and Helen McClintock, who were initiated November 18th, and Sicter Mary Louise Morrow and Brother Trevor Lovett, who were initiated December 16th.

At the Stated Meeting on December 2nd, the Choir and Officers entertained after Chapter with a program entitled, "This Is Your Life—Eythel Smiley." The choir, with cooperation of our Worthy Matron's family, presented a very fine story of Eythel's life. The living pictures were formed in an oversized frame by members of the Choir, while appropriate songs were sung by chior members.

At the meeting on December 16th the officers formed a cross with lighted candles and Sisters Jerry Cook, Pat Walker and Ruth Uebelhoer sang "Noel." Sister Eythel and Brother Arthur, Worthy Matron and Worthy Patron, presented each one present with a candy cane and wished each a Merry Christmas. The members on the sideline were escorted out of the Chapter room through the aisle of officers formed at the close of their retiring march.

At the December meeting of the Past Matron's Club, Sisters Lillis Blombach was elected president; Glennys Schwartz, vice president; and Helen Herrick, secretary-treasurer. Marian Gaff installed the officers in a very lovely ceremony. Marie Glaub gave "Let's Keep Christmas" by Peter Marchall. At their January meeting, each Matron is to invite her Patron and his wife for a pot-luck dinner at the Rose Manor at 6:30 p. m. January 11th.

On January 6th, Stated Meeting, 25-year members and charter members will be honored with a urogram. Those having affiliated with the chapter, knowing that they may be eligible for 25-year honors, should contact their original chapter for confirmation of their initiation date.

The Brothers will entertain Chapter after the Stated Meeting of January 20th, Men's Night. Brother Arthur Bowers, Worthy Patron, will be assisted in arrangements by Brother Ralph Roller, Associate Patron. Brother Art has appointed Brothers Bill Knauer and Paul Hayden as co-chairmen of the Refreshment committee, and Brother Del Proctor as chairman of the entertainment committee. Brother Ralph will issue the invitations to all men of the chapter.

The Social Committee is having a Rummage Sale on January 17th and 18th, and all available clothing should be given to any member of the committee before that time, or contact Sister Gladys Gifford.

Two February dates to be saved by members and committees are the 12th and 18th. On February 12 the Entertainment committee and the Social committee are combining for a pot-luck supper and square dance in the dining room. The pot-luck dinner is for members and their husbands or wives and can be by reservation oniy, so the committee will know how many to prepare coffee for and how many places to set at the tables. The square dance is for the public by ticket only that can be obtained from members of either committee or officers.

On February 18th, members of all committees and the officers will have a pot-luck dinner in the dining room at 6:30 p. m.

O God, Father of Mercies and author of all good, whose providence for thy children never faileth, and whose continual blessings are unnumbered; grant that with devotion and gratitude we may live in the fellowship of work and the brotherhood of thy family, enjoying thy bounty with rejoicing hearts; through Jesus Christ our Lord. Amen.

Having been elected Master. I am indeed humble and appreciative. I shall strive to do my best to keep the fine high standards which have been entrusted to my hands by you. Lodges are more than the officers. Some one hundred committee members and officers are only about 7% of the membership. We need your attendance at our meetings and I am sure that all of the officers will endeavor to make you most welcome.

Masonry is what you make it. Do you practice the lessons you have been taught, or practice them only when more convenient? How many times have you really gone out of your way to say a kind word or have stretched out the hand of fellowship to a worthy brother?

My heart would ask this as I kneel to pray
That all good things may come to you today—
To fill your cup full to the very brim
Of tenderness and peace and love from Him.
May all your day-dreams find a cherished goal
And may all sorrow fail to touch your soul,
While beauty finds its way into your heart
And golden friendships play a tuneful part,
May blessings come to banish all your tears
On this—and each day through many years.

John L. Lare, worshipful master;
Darwin P. Bryan, senior warden;
Clarence S. Lutter, junior warden;

THE CREED OF THE MASONS

We regard the whole human species as one common family—the high, the low—the rich and the poor—inhabitants of the same planet, are sent into the world to aid, support, and protect each other. On this principle Free Masnory unites men of every country, sect, and opinion, and brings true friendship among those who might otherwise remain at a perpetual distance. —Masonic Craftsman.

Your Worthy Matron sincererly hopes you had a very Merry Christmas and wishes for you everything good in the New Year.

The New Year has started merrily on its way and many activities are in store for us at Star of the East. Our December meetings were something to remember. At our first meeting the Choir all shining with silver and glitter, presented two beautiful songs to the Chapter. Special music by Hertus Helmuth, violin; Leonard Fletter, organ; and Audrey Helmuth, piano, was enjoyed while each member and guest walked to our beautiful Christmas trees for a little gift. All joined in singing Silent Night. After Chapter closed, 29 Rainbow Girls from Churubusco gave their initiatory work, which was lovely. Refreshments were served later on the mezzanine. Our second meeting was our Christmas initiation.

So — December has faded inth the past, and before us we have a bright New Year.

"Ring out the old, ring in the new,
Ring happy bells across the snow;
The year has goie, let him go;
Ring out the old, ring in the new."

YORK RITE ASSOCIATION

Plans are going forward for the Association Banquet for January 29, 1955. Committees have been appointed to carry forward the necessary arrangements. The ticket sale for the reservations will soon start, and with the full backing of the four organizations represented, a large crowd should be in attendance. This dinner succeeds the former Past High Priest's Nights held by the two chapters of Royal Arch Masons. The usual custom of inviting Master Masons will be followed. Lay members of the various bodies of York Rite should make it a point, when buying their own dinner ticket, to buy one or more for those Blue Lodge friends, to get them interested in what York Rite Masonry has to offer them. Master Masons: Do not wait for a personal invitation; if interested, you may get your ticket for dinner reservation at the cigar stand in the social room. The speaker of the evening will be Stanley A. Raymer of Elkhart Ind., a Past Master Illustrious Grand Master of the Grand Council of R & SM of Indiana.

Four officers will be elected in such a way that each body is represented by one officer. With the four officers are associated the three high offices in each body, as a governing group. However, at the January meeting for the purpose of electing officers, a larger group is eligible to attend. All Past High Priests of the two Chapters of Royal Arch Masons, Past Illustrious Masters of the Council of Royal and Select Masters, and Past Commanders of Fort Wayne Commandery No. 4. These should all plan to attend. Egyptian Room, 7:30.

The officers of Emanuel Chapter, are planning to confer the 17° and 18° upon a class of candidates on the evening of February 18th. BOOK OF EDICTS

The Grand Lodge of Pennsylvania, unlike other American jurisdictions, does not permit its members to join the Order of the Eastern Star.

Another peculiarity of this Grand Lodge is that it claims perpetual jurisdistion over re-elected petitioners.

However, applicants who were rejected there, frequently apply for and receive the degrees elsewhere, having met the requirements of the other jurisdiction.

Such a Mason can never be recognized in Pennsylvania unless a waiver has first been secured from the Keystone State.

In order to protect themselves against visitation by such Masons, Pennsylvania publishes a book of edicts, containing name of every person who has been "edicted," or declared ineligible to visit in Pennsylvania lodges.

This book is supposed to be available at all times in every constituent lodge, so that if one who has been edicted attempts to visit, his record can be quickly ascertained, and the right of visitation denied.

While such a practice may seem strange to those in other jurisdictions, we withhold comment as to its advisability, merely presenting it as a bit of interesting information that shows how Masonry has proceeded along divergent lines in different localities.—The Masonic World.

KNIGHTS TEMPLAR

Perhaps you have been puzzled by the title you bear, "Knights Templar," often incorrectly spelled Knight Templars . . . History informs us it came about in this wise. After the capture of Jerusalem from the Moslems in 1099 Baldwin II then King of Jerusalem in 1118 granted the Knights in return for their valuable service quarters in a structure on Mount Moriah known as Solomons Temple, (not the original Solomons Temple of Biblical and Masonic fame) a Byzantine Church which had been transformed into the Mosque of Omer. It was from this Temple that the Knights took the name of Knights of the Temple or Templars and finally Knights Templar.

STARS IN MASONRY

Square and Compass (Denver)

Often times we hear the remark, "I wonder who of the movies are members of Masonry?" Here is a partial list of those who are Shriners:

Movie Stars — Bud Abbott, Gene Autrey, Warner Baxter, Monte Blue, Joe E. Brown, Clark Gable, Jean Hersholt, Harold Lloyd,, Victor McLaughlin, Conrad Nagel, Dick Powell and Red Skelton.

Directors, Producers—David Bitler, Cecil B. DeMille, Mervyn LeRoy, Harry Rapf, Jack Warner and Daryl Zanuck.

CHINESE 4,000 YEARS AGO HAD IDENTICAL MASONIC SYMBOLS

Sandusky Masonic Bulletin

About 4,000 years ago the Chinese people had a symbolism identical with the Masonic Craft. An altar in the form of a perfect cube was used to typify the earth. The N.E. and S.E., were relatively used to imply beginning and end of an object in view. Aprons were worn which bore emblems denoting religious office.

One of the oldest words in the Chinese language is literarlly "square and compasses" and signifies right conduct.

Confucius (471 B.C.) said: "A Master Mason in teaching his apprentices makes use of the compasses and square; ye who are engaged in the pursuit of wisdom must also make use of the compass and square."

A STRANGE PROPHECY

The folllowing inscription may be found on a 500-year-old tombstone at Church Comsie, Essex, England, and is prophetic of the present crisis:

"When pictures look alive with movement free,
When ships like fishes swim below the sea,
When men outstripping birds can scan the sky,
Then half the world deep drenched in blood shall be."

— Masonic News, Montreal.

OLDEST MASONIC JEWEL

Limerick Lodge No. 13 of Limerick, Ireland, proudly possesses what is claimed to be the oldest Masonic jewel in existence. It consists of a small brass square on which is engraved the date, 1519, with the words, "I live with love and care, by the level and on the square."—Montreal Masonic Light.

THE BEST WAY

(Exchange)

The best way for any Mason to wear his apron is to keep it pure and unspotted; and as he wears it to study its symbolism and try and try to understand what it means. Why it is turned down and why it is turned up we are told; but underneath is far more than you find in language.

At the annual meeting of Harlan Lodge held last month the following officers were elected to serve for the coming year: Otho E. Gustin, Worshipful Master; Virgil D. Knapp, Senior Warden; Jack D. Lineberry, Junior Warden; Walter W. Love, Treasurer; Clem Wasson, Secretary; Frank E. Love, Senior Deacon; Robert G. Hissong, Junior Deacon; Harry A. Wann, Senior Steward; Kenneth Stotler, Junior Steward; Eugana Poisel, Chaplain; Carl W. Roberts, Tyler; and Past Masters ,Zenno Branden, Carl W. Roberts and Ralph I. Rogers, Trustees.

The Secretary's report showed that we have 130 members, all well and hearty. We conferred the Fellow Craft degree, Tuesday, January 4th upon a candidate.

TONGUE OF GOOD REPORT

Being under "the tongue of good report" is equivalent, in Masonic technical language, to being of good character or reputation. It is required that the candidate for initiation should be one of whom no tongue speaks evil. The phrase is an old one, and is found in the eighteenth century.

In these early rituals the tongue is called the key to the secrets of a Freemason; and one of the toasts given in the Lodge was in these words: "To that excellent key of a Mason's tongue, which ought always to speak as well in the absence of a brother as in his presence, and when that cannot be done with honor, justice or propriety, that adapts the virtue of a Mason, which is silence."—Coronado Trestle Board.

DUTY TOWARD A PETITIONER

Upon filing out a petition for the degrees of Masonry a man must answer certain questions satisfactorily; he is called upon to make certain declarations. Having truthfully done this, part of the agreement, for the moment, ends there.

Most lodges require that two members sign the petition as recommenders. Too frequently this is done without giving the matter much thought. Of course, those recommenders must also be truthful as they comply with the requirements. A true Mason would not think of recommending one whom he did not consider worthy of becoming a Master Mason.

The responsibility of the two Masons who recommend the petitioner does not end with the signing of their names. Their duties have only begun. Should the petition be voted upon favorably and the proposed candidate takes his first step in Masonry, it is the duty of those recommenders to assume some responsibility for his proper training.

If at your home there is being held a gathering, it is the duty of the host to see that a stranger among his guests meet all the other guests and that he be made welcome and comfortable. That is nothing more than the common courtesy which is due him. If he does not deserve this, you should never have invited him in the first place.

The man whom you recommend to Masonry is entitled to the same courtesy as is shown the stranger in your home. Since you signed his petition you are, in a sense, responsible for his being there. You are his sponsor, and it is your duty to assist him with his work and take an interest in his progress. It may be that you can assist those who are active in conferring the degrees or you may be able to help with the coaching. Your duty toward your friend is to help him in any way possible. Satisfy yourself that he is receiving that for which you recommend him. Such consideration on your part is not only a courtesy—it is also a Masonic duty.—Orphans Friend and Masonic Journal.

Following the installation service an oyster stew supper was served in the social room.

There are two candidates taking the degrees at the present time with Master Mason degree to be in February, probably before the February issue of Square and Compass is printed. One candidate received his Entered Apprentice degree on December 27 and the other on January 8.

A PROPHETIC UTTERANCE

Freemasonry is the most remarkable and altogether unique institution on earth.

Will you tell me of another that girdles the world with its fellowship and gathers all races and the most ancient religions, as well as our own, into its brotherhood?

Will you tell me of any other that is as old or older; more brilliant in its history; more honored in its consistency; more picturesque in its traditions?

Today it lies in the hand of the modern man, largely an unused tool, capable of great achievements for God, for country, for mankind, but doing very little.

For one, I believe that circumstances may easily arise, when the highest and most sacred of all freedoms being threatened in this land, Freemasonry may be its most powerful defender, unifying all minds and commanding our best ctizenship.—Bishop Potter, of the Episcopal Church, U.S.A. (1901).

In these difficult times, and times when the kindly courtesies of bygone days seem to be fading away in the struggle for existence, the Mason often finds himself presented with opportunities for rendering kindly help. Not necessarily the giving of alms, that of friendly counsel, loving sympathy, and a willingness at times to render aid when properly called upon. The giving of a kindly hand of help to a mother with young children on an escalator, the call at a neighbor's when serious illness has occurred, and other small acts of courtesy and kindness in daily life are factors which distinguish the Mason from others.

...WORSHIPFUL

It is interesting to note that our friend Samuel Pepys made a pertinent entry in his famous Dairy under date of August 4, 1661, where it is recorded that a clergyman addressed his congregation as "Right Worshipful and dearly beloved." This was in the parish of "my Cousin Roger," who was a member of Parliament for the town of Cambridge. Probably the presence of such persons of distinction was the reason for the expression employed by the preacher.

Again the formal saluation at the commencement of an address delivered by Grand Master Paul Revere in 1769. Notice will be taken of the method of addressing the Wardens:

"Right Worshipful Master, Worshipful Wardens, and Respected Brethren."

It was in the reign of Elizabeth that the chief officer of the Crafts began to be called Master; and in the time of James I, between 1603 and 1625, the Guilds were generally governed by a Master and Wardens.

It is not, therefore, improbable that the government of the Masonic Lodges by a Master and two Wardens was introduced into the regulations of the Order in the seventeenth century, the "new article" in 1633 being a statutory confirmation of a custom which had just begun to prevail.—The New South Wales Freemason.

The Council degrees will be presented, February 25, 1955 at 7:30 at the Scottish Rite Cathedral followed by the chapter degrees two weeks later. We are making an effort to pick up some of the members who have received the Scottish Rite degrees up to the 14°.

We are grieved to report the passing of our good friend and brother, Frederick W. Krueper, a Past Master of his lodge and Past Sovereign Prince of Darius Council, Prince of Jerusalem. He was nominated for the 33° and would have received the honor in September. He lived the life of a true loyal friend and eympathatic brother. His Brethren of the Masonic Fraternity unite in mourning his death and to his family we convey our deepest sympathy.

The month of January was a very busy month for our chapter. We conferred the Royal Arch Degree two times besides the other three degrees. If you failed to attend any of these meetings, you should try to attend the next ones, for the officers in the line do a wonderful job of putting the degree work on and they all enjoy it. So companions keep talking to your Blue Lodge Brother and keep those petitions coming in.

Our York Rite Night on January 29th was a huge success. Those that were present will be thinking for some time of the address that was given by Stanley A. Raymer and those that did not attend, missed a very enjoyable evening. You will be hearing more and more about the York Rite Association as they expect more activity. Fort Wayne chapter will have as their guests, February 17th, Wayne Lodge No. 25 as usual in the kitchen. Hope to see you there.

I am happy to report our lodge attendance for the month of January was splendid. On Master Mason night we had an unusual number of visitors, eight of which were members of out of state lodges.

I want to express my appreciation for the work and interest of the Fellowcraft Club and report that the officers for this year are; John Battrick, President, Delmar Proctor, Vice President; Leon O. DeRemer, Secretary-Treasurer; Bro. Hugh P. Keley, junior past Master, is serving as coach for the degree work.

The standing committees for the year are; Charity, the master and wardens; Masonic Home, M. V. Ehrman, C. E. Kreischer, Don Evans; Auditing, Kenneth Redding, Richard Van Camp, Wayne Cooley, John Battrick, Delmar Proctor; Sick Visitation, Ed Klomp, Melvin Westbrook, Ollie Linn; Proficiency, Donald Anderson, Clarence Stroup, Ralph Bumgardner, Leon O. DeRemer, Claude Reynolds; Veterans Hospital, Don Aley, Richard VanCamp, Ed Goodrich, Jerry White, Walter Close, Glen Bordner, Otto Saxon, Harold Waltemath; Publicity, Chas. Fuchshuber, Richard Spaw, Ercil Steward.

Voluntary contributions to the Masonic Home Hospital Fund are coming in nicely. Approximately 450 contributions have been received which total 69% of our goal. Thank you kindly. If those who have not sent a contribution will do so promptly I am sure the W.M. is going to be mighty proud of Sol D. Bayless lodge in the Grand Lodge report.

Bro. Edward Schacher is in the Lutheran Hospital favorably recovering from an operation.

Please report any sickness that should be brought to the attention of the lodge. Calling on the sick is so easily overlooked when proper reporting is not done.

We extend sympathy to the bereaved families of Jasper E. Wolf and Robert E. Anderson who passed away in California and Walter R. Heyman in Oklahoma City.

The month of February promises to be a busy one. See you in Lodge. We need your help.

SENSES

By Rabbi H. Geffen, 32° F.P.S.

The five senses of hearing, seeing, feeling, tasting and smelling are introduced into the lecture of F.C., as a part of the instructions of that Degree.

In the earlier lectures of the eighteenth century, according to Mackey, the five senses were explained into the first degree, as referring to the five who make a Lodge.

Their subsequent reference to the winding stairs, and their introduction into the second Degree, were modern improvements.

As these senses are the avenues by which the mind receives its perceptions of things exterior to it, and thus becomes the storehouse of ideas they are most appropriately referred to that degree of Masonry, whose professed object is the pursuit and acquisition of knowledge.

The Kabbalists count seven senses, they add Understanding and Speech.

The Mystic Jacob Boehmen says that the soul of man, or his inward holy body, was compounded of the seven properties under the influence of the seven planets.

Our senses are forces given unto us by God, for purposes of good; that they are given us to be the means' by which we shall be strengthened and incited to great and good deeds, and are to be widely used, and not abused; to be made useful instuments and servants.

Pike says that our senses are mysteries to us, and we are mysteries to ourselves. Philosophers tell us that our senses make known to us only the attributes of substances extension, hardness, color, and the like; but not the thing itself that is extended, solid black or white; as we know the attributes of the Soul, its thoughts and its perceptions, not the Soul itself which perceives and thinks.

The first two senses, seeing and hearing, are the main ones; the more important, because they serve the soul too.

Through them man is able to gain religious truth, morality, ethics, justice and righteousness, knowledege and wisdom. Therefore, shall the Mason always take advantage of those two senses to use them in the proper and right way.

So, the Mason shall always Mobilize his senses, according to the teachings of the voice of sublime instruction and emanational doctrines, to the ideas and ideals, which Freemasonry stands for, not to false atheistic irreligious preachings, or vulgar talking. The Craftsman must always exert to see the progress of benevolent and charitable activities; he shall not look for profane entertainment; and the same with the rest of his senses; they shall always serve him piously, and lead him to the right path of noble grand excellence and sublimity; he shall not be led by them under the dictates and influence of his passionate evil desires.

Nebraska approved a decision by the Grand Master that a man who can not hear and has to depend entirely on lip reading can not meet the physical requirements for initiation.—Exchange.

YORK MASONS

A brief account of the York Constitution by John Turnough, Liverpool England, 1788. It is characterized by the uncritical historical attitude of the time, but it is interesting as giving the York legend upon which English Freemasonry is founded.

Previous to the invasion of Britain by the Romans (55 B. C.), and under the Druids, who were the priests of the Celts and Cymri and had amongst them many customs, like those of Masons, the history of our Order is obscure.

The wars between the Romans and the Britons gave a check to its increase It revived, however, under the Emporer Carausius, who shook off the Roman Yoke. He held the Masons in great estimation and made his Steward Albanus, who was the first to suffer martyrdom on account of the Christian Religion in Great Britian, Superintendent over their Assemblies.

Under him, Albanus, the lodges of the Fraternity were regularly carried on, and through his influence a Charter was obtained from the Emporer Carausius to hold the general council, to which the name Assembly was afterwards given, at which he presided in person as Grand Master, so that the first Grand Master, so that the first Grand Lodge was held at York, Roman name Eboracum, in Britain, in the year A. D. 287. From this time to the year A. D. 925, due to the constant wars with the invading Jutes, Danes, Scandinavians, and Saxons after the Roman troops had been withdrawn from Britain by the Emporer Constantine. Masonry sometimes flourished, at others not. In this year the King Athelstan began to reign. He appointed his brother, Prince Edwin, Patron of the Masons. He granted them likewise a charter, empowering them to meet annually at York; and in this city the first Grand Lodge of England was formed in the year 926 A. D., at which time Prince Edwin presided as Grand Master.

The reason for it, the Grand Lodge, being formed at York was that Athelstan for a considerable time kept his court there and received Embassies from foreign Princes in that city. From this time to the revival of the Grand Lodge in the year of 1717, Masonry was sometimes patronized, sometimes persecuted, and sometimes neglected.

Lodges, however, met in different parts of England, particularly at York, under the charter granted them by King Athelstan; now and then they held communications; but York being in a remote part of the Kingdom, it was many years ago thought proper, for the convenience of the Fraternity to move the Grand Lodge from York to the Metropolis.

In the reign of Queen Anne, Masonry being at low ebb, the annual festivals, communications, etc. were entirely neglected. On the occasion of George I, the Lodges, zealous for the welfare of the society and anxious to see it under proper direction, resolved to unite under a new Grand Master, to be elected annually as in former times; to revive the festivals and communications; to regulate the ancient usages and customs of the Fraternity and to establish such modes only as might correspond with the practices of the members, of which the Lodges were principally composed and the Grand Lodge was revived. Anthony Sayer, Esq., elected Grand Master, June 24, 1717. Since which time, patronized by men of first Rank and most amiable characters, Masonry has flourished, and is now, 1788, propagated and reverenced throughout the whole world. —Iowa Grand Lodge Bulletin.

A SACRED TRUST

A sacred trust is imposed upon a member when he is appointed upon an Investigating Committee and each one so appointed owes a solemn duty, to himself, to his Brethren, to his Lodge and to our Fraternity as a whole to make a full and complete investigation. Ample time . . . is allowed for investigation and the investigation should not be limited to the references given by the petitioner himself, or to the recommenders, but should be thorough and complete. Any member who is unwilling to devote the time necessary for such an examination is not worthy to be a Mason. — W. B. Jack Ball, Grand Master Tevas Grand Lodge.

Plans are going forward by several committees towards the coming convocation which will be held on April 19, 20, 21, 1955 in the Scottish Rite Cathedral at which time our Sovereign Grand Commander, Ill. Bro. George E. Bushnell will be our guest for the three day reunion. Ill. Bro. Bushnell will be the speaker at the convocation banquet speaker on Thursday evening April 21st. Many other distinguished Scottish Rite Masons will also attend.

Another issue of the Scottich Rite Standard will be reaching you very soon. Please look it over carefully as there are many items of interest for our members. A schedule of the degrees to be given is also included in the paper.

Our membership committee is very busy securing petitions for the class this spring. You can help the work of the committee by contacting your Blue Lodge friends and tell them of the visit of our Sovereign Grand Commander and that this will be an outstanding reunion and they will want to be a part of it.

The Trustees of the Scottish Rite Benevolent Foundation are happy to announce that the initial payment of $15,000.00 was sent to the Masonic Home recently. This will be used to help construct a new nursing home at Franklin. The amount represents $2.50 from each member, who has paid his dues to date along with donations from life members and others.

If you desire to take a part in the degree work this spring, please contact the office and make your desires known and a place will be found for you. You will be serving your Scottish Rite and will also get a great deal more from your membership.

Scottish Rite News

Every American has a warm spot in his heart for the great American game of basball and the men who play it. When they are also brothers in the Craft, we are even more interested.

Among those known to be Masons are Casey Stengel, manager of the four time champion Yanks of New York. Gene Woodling of the same team and Ewell Blackwell, formerly of the Cincinnati Reds, and Andy Seminick of that team.

Then there is Hal Newhouser of the Detroit Tigers and Paul Trout and Bob Swift of the same team, all three of them members of Friendship Lodge No. 417, Detroit.

And there is Eddie Robinson of the Philadelphia Athletics, and William Howard Southworth, scout for the Milwaukee Braves; Nick Altrock and Olswald Bluege of the Washington Senators; and Branch Rickey, now with the Pittsburgh Pirates.

And there's Jimmy Dykes, manager of the Philadephia Athletics; and Stan Harris of the Washington Senators; and Rogers Hornsby of the St. Louis Browns. And A. B. "Happy" Chandler, former Baseball Commissioner, is also a member of the Craft. There are undoubtedly many more.

Among the 62 men in the Baseball Hall of fame 11 are known Masons . . Ty Cobb, Christy Mathewson, Tris Speaker, "Pie" Traynor, Mickey Cochrane, Eddie Collins, Jimmy Foxx, Lefty Grove, Walter Johnson, Herb Pennock and Rogers Hornsby. There may be many more.

Ball players do not flaunt their Masonry; nor do they rely on it to get by. Instead, the players who are Masons today all have fine player records that they work hard to maintain.

Bethel No. 8's activites for the new term have started out with much success . After my very inspiring and beautiful installation I feel that I'm really ready to go to work this next term.

The theme of the installation was "Stardust." I was escorted to the alter by my dad, Mr. Kermit Mathisen. and a very, very special friend of mine, Ben Dixson. Upon being escorted to the East several of my friends presented me with pink carnations. They were, Eilene Spaw, Jim Tipton, Jan Mosel, Lynn Rothenbulher, June Gause and my brother, Bob Mathisen. During the escort Mrs. Evelyn Shuster sang the beautiful, "Three Coins In The Fountain" while Delores McCaskey dropped coins into the wishing well. The little crown bearer, Virginia Seely, piped up with two of the most magical words of the whole ceremony. Just as installing honored queen Betti Briggs was reaching for the crown Virginia looked up at me with, "Hi Tasysey," needless to say this brought a hearty laugh.

While introducing the installing officers, council, escorts, choir, and friends. I was very ably assisted by the two older Seeley sisters, Barbara and Sherrill, who helped with the presentation of gifts.

At this my brother, Bob, gave a very heart warming speach along with the presentation of my beautiful gavel.

Heaps of thanks to my mother and dad and all those who made my installation a tremendous success.

The first stated meeting of this term was January 4th. The officers and their mothers met before the meeting for a potluck supper. Thanks to all the moms who made our potluck so delicious.

On January 18th, we had our first initiation practice, and I was very proud of all my officers. They all have been working very hard and they all did a grand job. February 1st our Bethel gave its ceremonies for the Beauceant. We thank them for this opportunity and their hospitality we all enjoyed ourselves so much.

February 5th proved to be our first money making project of the year. Bethel No. 8 had a bake sale at Wolf and Dessauer. We thank all who contributed time and merchandise.

February 15th is to be our Valentines Party. and I'm sure that if everyone enjoys parties as much as I do, we'll have at remendous crowd.

Although we've had pretty good attendance, we still would like to see more of you girls at the meetings. Do come down!

God be with you all . . .

For February we have four candidates to be voted on which looks like a busy month, and we will need all the help available. The Fellow Craft Club is invited to put on Master Mason degree at Rome City Lodge on Thursday evening, February 17th. At a later date we have planned a visit to Marco Lodge and Huntertown Lodge. The Fellow Craft Club is doing a fine job putting on the second section of the Master Mason degree, and we have enjoyed very much the luncheons they have been serving after our Entered Apprentice and Fellow Craft degrees.

I would like to thank the Worshipful Masters and Oficers of Rome City. Marco and Huntertown Lodges for their invitations.

On January 10th, the first stated meeting of the year, we were honored to have our Most Worshipful Grand Master, Brother Elmer Forks, whom we presented with an Honorary Membership for South Gate Lodge No. 731. It was, indeed, a pleasure to have Brother Forks present for this occasion.

I received a letter from the Finance Committee that I would like to pass on to you for your consideration. This letter was written for the purpose of informing each Master Mason of the need for his donation so the construction of the New Nursing Hospital at our Indiana Masonic Home can be a reality.

The total estimated cost of construction and furnishing the hospital is approximately $2,000,000. The approximate contributions so far totals $1,487,901, so you see they will need approximately $500,000 more in donations before they can award contracts and start work.

"An average of $3.00 per member must be raised!" Some can give $25.00 or more, others less, but all can give something if but a dollar or two. A deep satisfaction will come to you with the realization that your lodge met this great need as a result of a sincere effort on your part. So, Brother, if you have not already given the Secretary your contribution, please do so at once for this worthy cause.

I would like for you to make plans for our Smorgasbord Round and Square dance on March 12th. We are expecting a larger turnout for this affair than we have had in the past. You will receive a card at a later date to remind you of this affair. Guests are invited.

Attend your lodge and enjoy an evening of fellowship and relaxation. Just remember one thing, that you only get out of the Masonry what you put in.

Zero temperatures prevail, and it certainly looks as though old Mr. Groundhog seen his shadow.

But, regardless, plans are being made for End of the Year parties, and Miriam Shrine events.

Looked forward to, with great anticipation is the 33rd Brithday Party to be held February 7, 1955. A lovely dinner for the Sojourners is being planned by the Social Committee. Charter members and Past Worthy High Priestesses and Past Watchmen of the Shepherds of Miriam Shrine will be honored guests of the evening. This night will also be to welcome presiding Worthy High Priestesses and Watchmen of Shepherds from other Shrines.

February 21, Memorial Services will be held in memory of Sojourners who have gone to that Great White Shrine above — Etta Bowlin, Mildred Koster, Charles Paul, Ada Trovinger and Carol Lochner.

January 24, Soj. Mary Micu entertained the Program and Decorating committee at her home where a lovely meal was served to the committee and a gift presented to the W.H.P. Agatha. Everyone had a marvelous time.

On the same evening the Cheer committee, met and presented a lovely gift to our W.H.P.

February 28 the Officers will entertain in honor of our presiding officers. More about this later on.

25 Sojourners from Miriam Shrine attended Mary Martha Shrine's official inspection by the S.N.P., Agnes Searson.

This winter's blast has caused considerable sickness in Miriam Shrine. Florence Nahrwold, publicity chairman has been seriously ill with the flu; Veretta Schaefer, at Parkview Memorial; Mary Wilson, ill at home; Mary Keppen, ill at Kokomo; Inez Thrasher, at home with low blood pressure; Tom and Armilene Flickinger have had pneumonia; Sarah Rousseau, flu; Art Hickman, flu; Robert Quinn has been ill. The sons of Dorothy Byers and Louise and William Wilkerson have been ill, but are improved. Mildred Brock is better.

Soj. Anna Brase, charter member, died January 10 at the age of 87. The Mother-in-law of Edna Biddle died January 12 and the Mother of Candace Fenstermaker died. The brother of Ruth Hickman and the sister-in-law of Mable Scheid died January 17 and January 20. Miriam Shrine No. 4 extends its heartfelt sympathy to the bereaved.

Soj. Eva Foster and her husband celebrated their 60th wedding anniversary this January. Congratulations!

See you at the 33rd BRITHDAY CELEBRATION!

WAYS OF A MASON

Masonic labor is purely a labor of love. He who seeks to draw Masonic wages in gold and silver will be disappointed. The wages of a Mason are earned and paid in their dealings with one another. Sympathy begets sympathy, kindness begets kindness, helpfulness begets helpfulness — and these are the wages of a Mason.

Let us be first to give a friendly sign to nod first, smile first, speak first, and—if such a thing is necessary—forgive first.

Rehearsals are underway for the exemplification of the 20° in our new Scottish Rite Auditorium on Berry Street at eight o'clock on Tuesday evening, February 22nd.

Your loyalties will be inspired and your Masonic faith quickened by the dramatic power of this degree.

With George Washington, great patriot and Mason, as its central figure it is especially appropriate that the 20°, or George Washington degree as it is often called, should be presented on Washington's birthday. It is the date when special Masonic meetings are held all over the United States to honor the memory and high Masonic spirit of George Washington.

You should plan to be among those to use the comfortable and commodious accommodations of our new auditorium to witness the stirring 20° on Washington's birthday.

A good many of the brethren are attending bastketball games and hockey games in groups this winter. The results have been most gratifying to the management and inspiring to the players in those two branches of sport in Fort Wayne. Why not get up a group of your fellow employees or Masonic neighbors to attend the exemplification of the impressive 20° on Tuesday night, February 22nd?

We are notified by our Sovereign Grand Commander, Illustrious George E. Bushnell, 33°, that he will come from a convocation in Little Rock direct to Fort Wayne to attend our Spring Convocation, April 19, 20 and 21.

Brother Frank Rarick, of Warsaw, who has been a leader in obtaining petitions in Fort Wayne Valley in recent years told of talking to a 70 year old mason recently, who has been a member of the order for many years and who declares he has never had Scottish Rite Masonry really presented to him. He has signed a petition to be a member of the Spring Class.

You will render good service to a brother Mason by telling him of the beauty and power of the lessons taught in the Scottish Rite degrees and urge his petition for the notable Spring Class in April.

Companions, we just finished conferring the work on "Dick" Darnell. At our stated meeting last Friday night we voted in three more candidates. Unless you are notified otherwise, we will confer the work on these candidates in March.

I was reading thru some of my Masonic literature the other day and I ran across an item entitled "When is a man a Mason." This paragraph was written by Joseph Fort Newton. I wonder how many of us has thought of it just like this.

"When is a man a Mason? When he can look out over the rivers, the hills, and the far horizon with a profound sense of his own littleness in the vast scheme of things, and yet have faith, hope, and courage—which is the root of every virtue. When he knows that down in his heart every man is as noble, as vile, as divine, as diabolic, and as lonely as himself, and seeks to know, to forgive, and to love his fellow man. When he knows how to sympathize with men in their sorrows, yea, even in their sins—knowing that each man fights a hard fight against many odds. When he has learned how to make friends and to keep them, and above all how to keep friends with himself. When he loves flowers, can hunt the birds without a gun, and feels the thrill of an old forgotten joy when he hears the laugh of a little child. When he can be happy and high-minded amid the meaner drudgeries of life. When star-crowned trees, and the glint of sunlight on flowing waters, subdue him like the thought of one much loved and long dead. When no voice of distress reaches his ears in vain, and no hand seeks his aid without response. When he finds good in every faith that helps any man to lay hold of divine things and sees majestic meanings in life, whatever the name of that faith may be. When he can look into a wayside puddle and see something beyond mud, and into the face of the most forlorn fellow mortal and see something beyond sin. When he knows how to pray, how to love, how to hope. When he has kept faith with himself, with his fellow man, with his God; in his hand a sword for evil, in his heart a bit of song—glad to live, but not afraid to die! Such a man has found the only real secret of Masonry, and the one which it is trying to give to all the world."

Brethren — Again it is time for another message and I wish to call to your attention that the lodge work is well underway with good attendance. but your officers and I would enjoy having even a better turn out of members; so come down to the temple to meet with old friends and to make new ones. At this writing February promises to be a very busy month, so make a special effort to attend lodge.

Among the sick is Brother Faye Phillips who is confined to Parkview Memorial hospital. We hope Brother Faye will have a speedy recove y. If you know of any other brothers who are ill, please notify one of your officers.

We mourn the loss of Brother Charles Hoagland January 2, 1955. His way of life was a good example of Masonic principals. We extend our sympathy to his family.

Please allow me to remind all of you who are assigned to investigating to be as prompt as possible in having your reports ready as it is of the utmost importance.

Your continued support of the craft team will assure better degree work from which we all will benefit.

I wish to stress to all that if you become proficient in any of the lectures or degree work, however large or small, let one of your officers know; and we will give you an opportunity as quickly as possible to give the part you wish.

The first event of the year will be a Smorgasbord and square dance February 19, 1955 at 6:30 p.m. in the dinner room of the Masonic Temple. The next event will be our Past Masters Night, and the awarding of 25 year buttons. This will be March 22, 1955. Dinner will be at 6:30 p.m. Just what the program will be, has not been worked out yet, but you can rest assured that our program chairman, Brother Wallheiser, will have something pleasing to all. So mark your calendar right now and be with us on that night.

The Fellowcraft team has rehearsal following the close of the Fellowcraft degree, February 15, 1955, at about 8:30 p.m. We would like to have any of you brothers interested in this fine work to come and join us.

Brother Don Stoneman is chairman of the Veterans Hospital Visitation Program. Anyone wanting to help on this Visitiation, which takes only one Monday night out of seven, get in touch with Brother Stoneman.

Anyone knowing of a sick Brother, please contact our Secretary or Brother Stoneman, Chairman of this committee also. We cannot visit our sick Brothers if we don't know who and where they are.

The 1955 dues are due, and when you send in your check, be sure to include your donation to the Masonic Home. Give as generously as you can.

I think Brother P.M. Harold Utterback, Brother P.M. James Farrer, and Brother P.M. Harold Martin for the fine job they did installing the officers on January 4, 1955. I also want to thank Brother P.M. Harold Utterback for the hand made gavel, which he presented to me on installation night. I will cherish it always.

Florence Palmer ------ Recorder
2625 Wells St. ---- A-56632

Everyone was much pleased with the fine attendance at our first meeting of the year. Gertrude Knight, our program chairman, gave us a preview of what we can expect for programs this year and it sounds wonderful. You won't want to miss one meeting.

We have the program committee of Amaranth presenting a comedy style show at our second meeting in January and thanks to the Job's Daughters for doing their initiatory service for us at the first meeting in February. I'm sure all members will enjoy the Past Presidents banquet and program on February 15th.

The Day Group sponsored by the benevolence committee met at the home of Sister Ida Kayser for a dessert luncheon Monday, January 17. The date for a meeting of the Evening Group will be announced later.

We are happy that Sister Mary Miller is improving. Best wishes to Sister Alma and Sir Knight Ward Bailey who left in January to make their home in Arizona.

Rosters have been distributed. Come to the next meeting and get yours.

The first meeting in January the Chapter was entertained by the Drill Team, a program everyone looks forward to. We can always count on a good laugh when the new take over on Mason's night, January 25th, being the date.

A party honoring our Worthy Matron, Anna Kesler and Leonard Fletter, Worthy Patron was given January 18th. They were presented gifts from the committees which followed a banquet in the dining room. A skit by the officers and music in "Hit Parade," fashion by the chair kept everyone in good spirit throughout the evening.

Month of spatter, splash and thaw,
Dreariest month I ever saw—
Dirty, wet and tiresome, very—
"FEBRUARY"

The poet who penned those few lines knew nothing of the activities ahead at Star of the East, I'm sure. On February 8th we will have our annual election and the big Birthday party taking the spot light on February 22nd. So dow your boats and woolens and come take part in our February events.

EDINBURGH

Lodge of Edinburgh, No. 1 sometimes known as Mary's Chapel, is believed to be the Lodge with the oldest records in the world, and tradition says this Lodge was formed by skilled craftsmen drought from the Continent by King David the First to build Holyrood Abbey in 1128. Its oldest minute is dated the last day of July, 1599, but at that time the Lodge was in a florishing condition and a going concern. There is in existence a list of the apprentices of the Lodge, with the names of their fathers and mothers dated 23rd December, 1584, and the Masons who composed the Lodge at that time were incorporated in a society known as "The Freemasons and Wrightsof Edinburgh." From the earliest time it was the custom to admit non-operative as well as operative members.

With the Stated Conclave of January 20th your Commandery is back on schedule and working. At present writing we have work scheduled through February. So make good on those New Year's resolutions. Visit your Commandery. Get into the swing of things. You need your Commandery and your Commandery needs you. We have a very busy year ahead of us.

I wish to announce the following committee appointments: Auditing, Stanley Putman, Grey Wagoner, Fred Ackerman and C. D. Palmer; Suspensions and Demits, Stanley Putman, Don Thrasher, Ed Klomp and George Gable; Finance, Carl Shroyer, Charles Morrow, Jack Adams and Ed Klomp; Religious Observance, George Winning; Hospitaler, Doyle White; Sick, Harl Bradley, Art Walda, Orman Garrison, Virgil Holzworth; Publicity, Harl Bradley; Entertainment, Don Thrasher and Curt Connin; Patriotic Committee, Harry Haller, Phillip McCaque, and Paul Goldsmith; Quarter Master, Don Thrasher and George Cherry; Stage, Earl Lyman.

Plans are now in the making for the reception to be held in May immediately following the State Conclave at Muncie. Special Committees for this event will be announced in the very near future. Our desire is to make this an outstanding event in Fort Wayne Masonic History.

On January 15th four Sir Knights and their ladies journeyed to South Bend to witness the conferring of work by the South Bend, and Lansing Commanderies. They report a very good time. These visitations between various Commanderies are good both for Templarism and the Commanderies which take part.

The Drill Corps is busy drilling to win at Muncie and are showing good progress but we still need some more Sir Knights to fill out the line. Come up Tuesday night. Drill starts promptly at 7:45.

That's all for this time Sir Knights. Be seeing you on the 5th floor.

"The mansions in the sky are not being built with the bricks we throw at other people" — a fact that may well apply to members of the Order of the Eastern Star, as to those of another race, another religion, or another nationality. We cannot be forever vindictive, for "brick trowers" will ever epitomize us as the character of a proud man who is like an egg — "So full of itself there is no room for anything else."

Fort Wayne Chapter is saddened by the loss of it's first Worthy Matron, away on December 31st. Twilight services were held on Sunday evening, January 2nd. Fort Wayne Chapter Order of De Molay
Stated Meetings 2nd and 4th Tuesdays, 7:30 P.M.
Norman A. Miner, M.C.

Norman A. Miner ---------- M.C.
123 McKinnie -------- K1209
William A. Willcutts ------- Scribe
Washington Center Rd. A-50160

DeMolay has begun the new year with it's usual thrust of good spirit and accomplishment. December 28th was the date of the annual "White Christmas Formal Dance." I am not exaggerating when I say, that it was a big success. The decoration committee was made up mostly of DeMolays home from college. PMC Mike Brutton was the chairman with Don Rife, Bob Strodel, Carlton Sheets, PMC Louis Mangels, PMC Jerry O'Brien and yours truely lending competent aid. The ceiling of the ball room was covered with over four hundred red,green and white balloons. The band backdrop was dark blue with silver stars and was outlined by fresh green and white Christmas trees. Woody Neff took the musical honors for the evening. The room was darkened with the usual number of lights. There was a grand crowd with over 300 couples in attendance.

The first event of the new year took place on January 6th. It was the installation of officers. This was a very impressive meeting and open to the public which, in it's ceremony outlined and brought out the purposes of our order to the public. Mr. Emery Tucker, member of the Advisory Council did another splendid job of installing the officers. He was assisted by Chev. Carlton Sheets and Chev. PMC Hal Elzea with PMC Dick Brantingham as Marshall for the ceremonics. Dick also presented Jerry O'Brien with his Past Master Councilor Pin in a presentation speach which made us especially proud of both Jerry and Dick. Refreshments were served by our ever faithful DeMolay Mothers Circle.

And now, we move on through a hectic five days of memory work and practice to our first meeting, January 11th, First let me congratulate the officers on efficiency, poise and a good job. The ritual work was not perfect and many of the "boo boos" came directly from the East, but now we know our errors and pledge ourselves to perfection from here on out. This meeting was the deadline for petitions for the first initiation on February 8th. Several petitions were brought in and voted on and accepted. There will be 20 candidates for the first class. I would like to remind you that we have a big record to fill as far as new members go and I am certain that there are many desirable fellows not yet in DeMolay that would like to join. New blood came into the schools at the beginning of the new semester perhaps some of the best of this can be transfered into our Chapter. I believe that every member should make it his goal to bring in at least one new member each term, you will find that it is a pleasure to sponsor a good friend into as fine a cause as DeMolay. March 22nd is absolutely the final date to bring in a petition if you want your petitioner to be initiated during this term of DeMolay.

We have begun one big and good addition to the stated meetings in the form of entertainment. At the January 11th meeting the Chapter discussed this idea and decided to adopt it. A committee has been appointed and programs for the open dates are being set up at the present time. Some of the proposed attractions are a F.B.I. man to speak to us and Police Chief Al Fiegel, also Sargeant Dileo to give a Judo exhibition.

The talent of our Chapter was brought together in the form of a band under the baton of Bro. Don Yaney. The members of this group were Carl Simon, trumpet, Ron White, trombone, Dick Heiny, trumbone, Jim Fuzy, Alto-sax, Terry Miller, alto-sax, Don Arney, trombone, Larry Blair, tenor-sax, Dave Spears, drums and Dean Dausher piano. This newly formed band represents the cream of the crop through out the city. They played their first time January 24th for the Mother's Circle and again January 25th at the stated meeting for the DeMolays. I am sure you will all agree with me we heard the "Sweetest music this side of Heaven."

Not far in the future DeMolay will have another dance. It is a little early for very much facts on the "Tournament Trot", but at this time a committee has been appointed and Woody Neff and his band will play. We should all begin to push this dance and set aside March 4th as a date not to be missed. In the past years attendance at this dance could have been better. This year let's have a capacity crowd. Its up to YOU. DeMolays will be admitted FREE by presenting their 1955 dues cards and your friends are invited to join the evenings pleasure with us for a small cost of $1.00 per couple.

On Devotional Day which is Sunday March 20th it is the duty of all members of each Chapter to attend Church in a body, usually the Church of the Master Councilor. So be sure and attend church on March 20th with your Master Councilor at the Trinity English Lutheran Church. We will meet in the annex entering the church at the east entrance at 10:40 a.m.

I am looking forward to seeing you at the future meetings and if possible present petitions for new members.

Godspeed from the East to you.

DEMOLAY MOTHERS CIRCLE —

Since many of the Mothers were not familiar with their sons meeting place, it proved to be both a most enlightening and enjoyable evening. MASONIC SEAMEN

Because they were able to flash a Masonic signal, which was picked up by a ship's captain who understood the signal, six Washington, D.C., fishermen were saved after having drifted helplessly for nine hours in a 16-foot boat on Chespeake Bay, according to an item in a recent issue of the "Virginia Masonic Herald." The ship's captain, unable himself to make the rescue, radioed a coast guard station and stood by until help arrived.——Oregon Freemason.

The end of the year is fast approaching. By the time you read this new officers will have been elected. Every one is busy planning the Past Matrons and Patrons night, the Points party year end parties and installation. More about all of these next month.

The chapter is the grateful recipient of some lovely new cords for the officers' badges, presented by the NeCa-Wa club.

Congratulations are in order for Sisters Lois Donalson and Nellie Larmore, mother and grandmother of little Lois Anne, a very new member of their family.

Sister Wanda Rippe had the misfortune to fall and injure her right arm. She is much improved at this time. Sister Yvonne Gudakunst suffered a fractured leg some time ago and recently fell and broke the leg again. She is confined to her home and will be for some time.

Greetings to the Members and Friends of Wayne Lodge.

Brethren, I am happy to report that as of this writing the Members of Wayne Lodge have contributed $900 toward the new hospital to be erected at the Masonic Home, Franklin, Ind. To those of you who have made this possible the Lodge is very grateful. If you haven't contributed as of now and you desire to do so, send your contribution to our Secretary, Darrell Good, address above. This is indeed a very worthy cause and we will appreciate your cooperation in helping Wayne Lodge meet their share.

January was a busy month for your new officers, who were installed January 6, 1955. We had the pleasure of raising two new Brothers to the Sublime Degree of a Master Mason. We have two new petitions for February and at the present time, one for March. The Officers met at the home of the Worshipful Master to set up a tentative program for the year 1955. From the outcome of this meeting it looks like we will have a very eventful year. The program planned for the year consists of Square Dances, Homecoming Past Master's night, etc. The Fellowcraft Club will keep you posted from time to time.

"Si" Hartsing, President of the Fellowcraft Club announces the degree team will hold a practice session each Fellowcraft night after lodge to be ready for the several visitations to neighboring lodges planned for the near future. Why not come up and assist with the work.

The Worshipful Master made the following appointments to the various committees for 1955:

Masonic Home Committee, B. Keith Erwin, Eugene Roush and Roy Laws.

Audit Committee, Donald Keppler, Donald Trebra and Eugene Walborn.

Veteran Hospital Committee, Kenneth Rayl.

Releif Committee, E. Kronmiller, B. Smith and N. Neuman.

Publicity Committee, B. Smith and D. Marvel.

Refreshment Committee, N. Neuman, K. Goller and the Fellowcraft Club.

Entertainment Committee, B. Smith.

Visiting the Sick Committee consists of: Brothers Allreidge, Haver, Bailey, Goller, Rayle, Scott, Monroe, Kaufman, Swayne and the Officers of the Lodge.

Brethren, if you know of any member who is ill, please notify one of the officers.

See you in Lodge next Thursday.

Greetings Brethren: The month of February again reminds us that we owe homage to two Great Americans, George Washington, whom we honor as a Mason and Abraham Lincoln, whom we honor as an exponent of Masonic Virtues.

We cannot all expect to achive world renown, but, each of us can well remember that, "The brotherhood of man depends on the manhood of the brother."

February and March promises to be busy months, with several candidates already started. Watch for those announcement cards and lets give those new brothers a real welcome. Many of our newer brothers are conferring degree work with very good proficiency, come in next meeting and see for yourself, better still, how about you getting started, always room for one more.

Brother Edgar Myers P.M. recently moved to 429 W. State Blvd., Fort Wayne and has been ill for the past several weeks. We wish him a speedy recovery.

YORK RITE ASSOCIATION

The first York Rite Association banquet held Saturday evening, January 29th at the Masonic Temple, was pronounced to be a great success. Those not there missed a wonderful time.

A very unique part of the dinner, seldom seen at any Masonic gathering, was the attendance of the four Grand Officers of the four Grand Bodies: The Grand Master of the Grand Lodge, the Grand High Priest of the Grand Chapter, the Deputy Grand Illustrious Master of the Council, and the Grand Commander of the Grand Commandery, also, a representative of the Indiana Priory of the Knights York Cross of Honor. Many other officers of the various Grand Bodies were in attendance.

Colors were posted by a color guard of the Fort Wayne Commandery. The oath of allegiance to the flag was given, followed by the Invocation by Dr. Gerald Jones, Pastor of Wayne St. Methodist church and a Past Grand Chaplain of the Grand Council of Royal and Select Masters.

Dinner was prepared and served by the ladies of the Social Order of the Beauceant.

The address of the evening was given by Brother Stanley Raymer, of Elkhart, a Past Grand Illustrious Master of the Grand Council of Royal and Select Masters of Indiana. He gave a very intimate view of the various degrees of York Rite Masonry.

Brother Elmer Forks, Grand Master of the Grand Lodge gave a brief summary of the progress being made in raising funds for the new hospital to be built at the Masonic Home at Franklin.

The Reddy Kilowatts, a quartet composed of Master Masons, was the entertainment feature. Their own program, supplemented by group singing led by their leader, was very well received.

The dinner program ended with the Benediction being given by the Rev. Luther Seng, Grand Chaplain of the Grand Lodge,

The sponsors of the dinner meeting, the Fort Wayne York Rite Association, consisted of the two Chapter of Royal Arch Masons, the Council of Royal and Select Masters, and the Commandery of Knights Templar, are very much gratified by the attendance, the Masonic fellowship, and the many expressions of appreciation, of this first effort of a "York Rite" dinner. It is hoped that as this is only the beginning, that there will be many more, each better than the last.

Friendship, my friend, is like the weather,
Sometimes for days and days together
There's not a cloud — the sun will shine,
For I'm your friend, and you are mine.
So let's cheer up, forget and smile,
It can't be sunny all the while.
Look up and laugh through tears and rain,
Forgive, and let's be friends again.

Hi! A quick glance at our calendar tells us although our chapter year is coming to a close, there are still many special events to come. You will want to be free to attend, so get your pencil and calendar and take a note.

We hope to see a great number of our members out to Chapter January 24th. when the men will entertain after chapter. Let's surprise the men and have a nice crowd.

Annual election of officers will be held at our regular stated meeting on February 10th.

On February 24th stated meeting with Northeast Special section entertaining after chapter on the mezzanine.

Special Note: End of the Year Party at the Y.W.C.A. March 1st at 6:30.

There was a good turn out for our stated meeting January 13th even tho the weather was bad. This night was also a surprise party for our Worthy Matron, it being her birthday. Sister Edna was really surprised when Sister Florence Wolverton escorted her to each point where she was presented a hankie in the form of a bouquet. Later on the mezzanine floor a very nice birthday party was planned. Cup cakes and coffee were served and Sister Edna was presented with a beautiful robe. She thanked all those who had a part in her "surprise" and everyone wished her many many more HAPPY BIRTHDAYS.

THE UNITY OF MASONS

It is stressed again and again in Masonry that an Institution which stands for individual thought cannot govern the thinking of its members.

It is true that every Mason declares his belief in God. His declaration is a reaffirmation. In the same manner, his expressed duties to God to Country, to humanity and to himself are those which he has accepted as a morally responsible person.

Beyond these primary requirements the Mason is a free agent, one who is capable of thinking, acting and praying according to his own dictates and decisions. Masonry accentuates these virtues, and through unity of purpose and association with those of kindred minds and hearts, the Mason grows in moral strength.

It is here then that we must look for the unity of Masons into one sacred society of friends and brothers is the strong bond of Love which results from mutual respect and understanding from a common adherence to Right and an unswerving loyalty to Country.

Masonry does not call for a unity of thought save in those matters which are consistent with universal laws of morality.

We approach the subject: The Unity of Masons. But in fact it defies description.

I pass you on the street and see that you are wearing a Masonic Emblem. Perhaps we have never met, but still I know you, I know the reality of a unity that is inexpressible.

—Masonic Messenger of Georgia.

ETHICS

The sum of Masonic ethics may be expressed in three common words: Faith, Hope, and Charity; Faith in God, Hope in Immortality, and Charity to All Mankind.

Albert Douglass, of Ottawa Lake, Mich., who served the Court as Royal Matron and Royal Patron during 1948, presided during the conferring of the degrees. Both sent their regrets, and wished for us a most pleasant evening. At 6:30, the Social Committee served a most delicious banquet, with all past officers as honored guests, and each was given a lovely gift as a memento of the occasion. Preceding the opening of the Court, our Grand Royal Matron H.L. Wilma I. Binns and Grand Royal Patron S.K. Following the session, a reception was given by H.L. Hazel Dehler, at her home on East Washington Blvd. honoring S.K. Albert and H.L. Murial Douglass and Grand Royal Matron H.L. Wilma I. Binns of Lafayette, Ind.

Brethren, we have candidates for this month and also some for the month of March. The Craft is rapidly becoming proficient and all the Brethren are helping in the degree work. We still have many opportunities for workers, so come and get acquainted. You will get more out of your Masonry if you will put something into it.

Wednesday, February 23, we will celebrate George Washington's birthday with a dinner. The Lodge will open at 4:00 p.m. on the MM degree and will be called to refreshment about 6:30 at which time we will have our dinner and an appropriate speaker. After dinner the MM degree will be continued. You will be notified soon so you may get your reservations in early. We hope to see all the Brethren present for this our first knife and fork degree.

FIRST MASONIC GRAVE IN AMERICA

The oldest Masonic grave in this country has the date of 1680 on the gravestone. This stone is at the Old Burying Ground in Charlestown, Massachusetts, and marks the last resting place of Sergeant Richard Ketell, 71, years, who died in the year mentioned. Also engraved on the stone are angel's wings, an hourglass and Masonic emblems. It is told that the Grand Lodge of England ordered that no other stone be erected showing Masonic devices in such numbers. This stone is of great interest to many people. — Contributed by Harold R. Kohl from a New England newspaper. The Governors of the 13 original colonies were all Masons.

The first dinner meeting of the York Rite Association, Saturday evening January 29th was a complete success so far as the officers and working committees are concerned. It was very well attended, and apparently the program was well enjoyed by all those present.

Ercellent Companion Stanley A. Raymer, a Past Illustrious Grand Master of the Grand Council of Royal and Select Masters of the State of Indiana, gave a very interesting and informative address on York Rite Masonry that was most enlightening to all present.

Urge that Brother Mason to take the York Rite degree NOW while the highlights of those beautiful degrees are still fresh in his memory.

Next stated assembly of your Council will be Wednesday, February 16th, 7:30 p.m., and we will confer the Royal and Setlect Master degrees. Refreshments following the meeting, too!

THE NINE MUSES

Masonic History contains many references to the Nine Muses. England has a Lodge of Nine Muses; France had its Loge des Neuf Soeurs in Paris; the United States had at least one organization bearing this distinctive title.

The jewels of the English lodge have been placed on display recently in The Grand Lodge Museum; they were designed by Bro. Giovanni Batista Cipriani in 1777; they are handpainted on copper and mounted in silvergilt oval frames, each jewel depicting one of the Nine Muses as was famed Francesco Bartolizzi.

Benjamin Franklin is said to have assisted in initiating Voltaire in the French Lodge of that name in 1778.

The Nine Muses were the nine divinities of Greek Mythology, and all daughters of Zeus. They had perfect pedigrees! These Muses were: Calliope—Epic Poetry, Clio—History, Erato—Amatory Poetry, Euterpe—Lyric Potery, Melpomene—Lyric Poetry and Elopuence, Terpsichore—Dancing, Thalia—Comedy, Urania—Astronomy.

It is significant that the names of the Nine Muses appear quite often in Adoptive or Female Masonry.

Our Calendar of events includes our Stated Meeting on March 8, the monthly Fellowcraft Club Square Dance March 12, Entered Apprentice Degree, March 15, Fellowcraft Club Stated Meeting March 21, Fellowcraft Degree on March 22, and our Stated Meeting on April 12. We are very pleased to announce that we have several candidates for the various degrees. Therefore called meetings will be necessary and your Lodge urges you to attend as many of these metings as possible. Your attendance is not only requested so that it might make the proper impression on the candidate, but also for the edification of each member present.

At the time of this writing, we have lost one of our most active elder Brothers. A special event to keep in mind is the 50 year pin presentation to Brother Glenn Warier. This date is not yet definite, but a fine program is being planned. There will be no ritualistic work at this event. It will be strictly a social night and a large attendance is anticipated. When a definate date is set, return cards will be sent to all members asking for their intentions.

MIZPAH TEMPLE COMPLETES EXTENSIVE IMPROVEMENTS

New Arabian Room Opens

Dr. William C. Wright, Illustrious Potentate of Mizpah Temple announces that the extensive improvements to the Shrine Clubhouse property have now been completed. The Ballroom has been redecorated and much improved affording an excellent room for both meetings and large banquets. The Recreation Rooms all have new floors, Phillipine mahogany board walls, new lighting, air-conditioning and new furniture.

Another popular place is the beautiful new dining room now known as the Arabian Room. The New Arabian Room is perhaps the nicest place to dine in the central states. It is not a public dining room but is open to Shriners, their families and their guests. Noon luncheons are served from 11:00 to 2:00 and dinner from 5:00 to 9:00 Monday through Friday and dinner only from 5:00 to 9:00 on Saturday. This attractive spot is closed on Sunday.

In addition to the Arabian Room there are also rooms for private dinner parties. Reservations for private dinners and banquets may be made through Mr. Frank Arens the manager of the dining and recreation room facilities, at phone Anthony 9283.

Dr. Wright also announced that the Spring Ceremonial of Mizpah Temple will be held on Friday, May 6, 1955 when another large class of novices will be accepted into membership in the Shrine.

We are making elaborate plans for the spring convocation at which time our Sovereign Grand Commander, Ill. Bro. George E. Bushnell, 33° will be the honored guest and speaker at the banquet to be held on Thursday evening, April 21, 1955 at 6:30 o'clock. Many other distinguished Masons will also be present including the Deputy for Indiana, Ill. Bro. W. Henry Roberts of Indianapolis, and Ill. Bro. Frank C. Zaieck, Active for Indiana.

At the last stated meeting of the Lodge, the by-laws were changed so that only one stated meeting will be held each month instead of the customary two. This meeting will be held on the first Tuesday and the new by-laws pertaining to this will go into effect starting the month of April. A regular stated meeting will be held on Tuesday evening March 15, 1955 at 7:30 o'clock.

A number of petitions have been received and presented to the Lodge for the spring class. While the membership committee is very active in this effort, you as a member of the Rite can help by getting your Blue Lodge friend to be a member of the class. You need not be a member of the committee to do this. Let each one of us make ourselves a committee of one to insure a good class for the reunion which will be held on April 19, 20, 21, 1955. The last date to receive petitions for the class will be Tuesday evening, April 5, 1955. These will be voted upon at a special meeting which will be held on Tuesday evening April 12, 1955 at 7:30 o'clock.

We have been advised by the building committee that a meeting will be held with the architects on March 21, 1955 at which time they will get some idea of what the new cathedral will be like when constructed on the lot next to the Auditorium on west Berry st. Only sketches will be shown, however, it is the first meeting where actual drawings will be viewed.

If you have not sent in your $10.00 for the 1955 dues, why not do it before the convocation and save time for yourself during this busy meeting?

Companions, we have just completed a very successful month in which we conferred the Royal Arch Degree on these candidates, Paul W. Phillips, Harold Korn and Don Fry. It was certainly an honor and a privilege to confer the work on these gentlemen and from their expressions we are quite sure they enjoyed it very much. We had the largest attendance last Friday nite in over 7 years. This was achieved mostly by the hard work of the officers and members of Thomas R., who are determined to keep York Rite Masonry forging ahead.

Thomas R. Marshall would like to extend a hearty welcome to all Blue Lodge Masons to join our fraternity. Here is a brief explanation of what is in store for you. The Chapter work is calculated to impress upon our minds a firm belief in the being and existence of God—and it teaches a due reverence for his great holy name. It also brings to light some of the most important secrets of the Craft—which have lain buried in the darkness from the death of our Grand Master Hiram Abif to the erection of the Second Temple—and without which the Masonic character is not complete.

The Degree of the Royal Arch is founded upon the destruction of the first and the building of the second temple. The ceremonies of this degree have an interesting and graphic historical setting—and a profound and reverential moral significance.

The Royal Arch Degree is the complement of the Masters Degree —The unfolding into a second volume—The history of that which was lost to its final recovery. Without the Royal Arch—The Masters Degree is like a song half sung—A tale partly told—or a promise unfulfilled. Think it over.

Petitions can be secured from the Temple or from any Chapter member.

To the officers and members of Thomas R. don't forget the York Rite association meeting on Wednesday, March 9th., also our stated convocation on Friday, March 18th.

Thank you, Craftmen, for your attendance and interest during February. We should also have a very busy month of March. Let's have a few more working in the Craft. You will find it interesting and will never regret the extra work you put into Masonry.

We recently sent a letter to the entire membership, the purpose of which was three-fold. First, we wanted to thank those who had made contributions to the Masonic Home Hospital Building fund. Second, to express best wishes and the blessings of Diety to those who are financially unable to contribute. Third, to remind those who had not as yet sent a voluntary contribution to do so promptly. Since the Grand Lodge fiscal year ends Mar. 31st, therefore, all monies that will be credited to our present Grand Master's year must be sent in before that time.

Some have responded to our letter by giving information your secretary and Worshipful Master should perhaps have known but didn't. Even if your letter should be one of criticism we would still look upon it with favor. We do appreciate hearing from you.

After our last fellowcraft luncheon Bro., Melvin Westbrook showed colored slides of scenes taken on his vacation trip in California which everyone enjoyed. Thank you, Mel., the pictures were splendid and your explanation most informative.

We wish speedy recovery to all the brothers who have taken time-out recently on account of sickness. Also our very best wishes to the brothers who are confined because of prolonged illness. May you have the healing touch of the Almighty Hand.

UNPREDICTABLE. That's March, "creature" of changing moods. Thirty one days to try men's souls. A smell of spring. An extra jolt of winter. Lions in the morning and lambs in the afternoon, just to test the patience of those over-tired of winter. To the stout heart and open mind, March is the year's salt and pepper and spice rolled into one appetizing month. Taken in stride when men dream of gardens and fishing and a round of golf, and the ladies who take the breeze and blossom as a sign of fairer days ahead.

Those who attended the exemplification of the 20° on the stage of our Scottish Rite Auditorium on Tuesday evening February 22 were impressed and entertained by an excellent performance. The dramatic incidents of that patriotic drama were portrayed with an effectiveness that proves the possibilities in performing all of our degree work in the most distinct feature on the stage of our auditorium.

H. Howard Etzold, 33°, who directed the work of the degree, is to be commended upon the strength of every part and the new members of the cast are to be congratulated for the strength they brought to the presentation. The rapt attention of the audience proved the interest in the power of the action.

On Wednesday evening, April 20, the 27° will be presented by the brethren from Grant County on the stage of our auditorium. This is one of the very large degrees in its cast and one of the most stirring in the ritual and the brethren from Grant County have been working faithfully in their rehearsals to make it an outstanding part of our coming Convocation.

A high light of the Spring Convocation will be the visit of our Sovereign Grand Commander Judge George E. Bushnell of Detriot. The Sovereign Grand Commander will be accompanied by Mrs. Bushnell and will reach Fort Wayne Tuesday evening and remain for the entire Convocation.

We are also assured that Ill. Brother W. Henry Roberts of Indianapolis, Deputy for Indiana, and Active for Indiana, Frank C. Zaieck, of Evansville, will also be here, accompanied by their wives for most of the Convocation.

Thursday morning, April 21, following the class organization the 21° will be exemplified with Ill. Brother Edwin R. Thomas, 33°, presiding.

The power of that degree is best expresed by the fact that there will be 19 of our Illustrious Brethren taking part in its action. It is one of the few times that any Consistory has ever attempted to present a degree with a cast made up almost entirely of 33° members.

Immediately after lunch Thursday afternoon the 20° will be exemplified followed by the 32°. The Convocation Banquet at six-thirty will be addressed by our Sovereign Grand Commander, George E. Bushnell, 33°.

ZEDEKIAH

By E. George Lindstarm, P.M.

Zedekiah, son of Josiah, King of Judah in 597 who reigned 11 years, was placed on the throne after Nebuchadnezzar, on his second taking of Jerusalem. He entered into an alliance with Pharaoh-Hophra, King of Egypt, and revolted against the Chaldean Monarch, who thereupon laid seige to Jerusalem. The prophet Jeremiah pleaded with Zedekiah to save the city by repenting and to give up his evil ways but with no avail. He disregarded the advice, maintained the defense of the day, proved false to his friends while attempting to free his people from the foreign yoke. The Egyptians came to his relief; but on Nebuchadnezzar offering them battle, they retreated to their own country, and after Jerusalem, undergoing a seige of 18 or 19 months, in the midst of a great and serious famine, the city was taken 586 B. C. The inhabitants suffered great hardships, the city was gutted in the dead of night. The Chaldean army entered the city, killed many of the inhabitants. The king and court was in session and were warned of the oncoming army but paid little attention to the warning. The King, his wife and household fled the temple in the dead of night. The Chaldean army that led to the plains of Jericho. He was pursued and overtaken, condemned to behold his sons slain before his eyes; after which his eyes were put out, and he was carried, bound in chains or fetters of brass, and the people led into captivity to Babylon where he died.

He followed the footsteps of two other previous kings, that of Jehoiakin and Jehoiakim who suffered similar fates. Zedekiah was the 20th and last King of Judah. Josiah was the first born, Jonathan the second Jehoiakim the third and Zedekiah the fourth,—Masonic Outlook.

Summit City Lodge No. 170 F. & A.M.

Stated Meeting
First Friday

Dale W. Lucas, W.M.

Dale W. Lucas ---------- W.M.

Dwight M. Myers ..... Secretary
1217 Packard Ave. H-3628

A wise man, perhaps of occasional poor judgment, once said, "Happy the people whose annals are tiresome." Even if this effort at the production of a brief history of a great fraternal body should result in wearied readers, the happiness prevailing in Summit City Lodge on the joyous occasion of its centennial is but supplemental to the genuine joy which reigns suppreme.

It is the acme of elation and satisfaction shared by hundreds of men who before a sacred altar pledged the sharing of happiness, and by consecrated lives dedicated themselves to actions assuring peaceful tranquility, thus giving practical effect to the time-honored adage, "Actions are best which procure greatest happiness for the greatest numbers."

Thus so constituted and so dedicated, Summit Lodge has reached the 100th Anniversary of its founding. Thus again are we in contact with history triumphing over time. A century is greater than the bibical span of human existence. Thousands of persons have appeared, cast their lights and shadows upon Mother Earth, left their indelible imprint upon the sands of time, and finally, having come forth as a flower, were cut down, leaving behind them their influence, which now furnishes us with the traditional background of our present activities.

An historical review is a pageant, not really a philosophical treatise. As such it naturally lends itself to a series of epochs each sufficient unto itself, but each constituting an inseparagle link in a golden chain now cherished by more than 1500 proud Masonic bretheren and the members of their families who unite with them in celebrating this auspicious anniversary. The epochs of our history are interwoven with the development of a community, the contributions of which touch a city, a state and a nation. These are not recorded in minutes nor found in visable records, but add to the elements making up a great social order, which we are pleased to call our democracy.

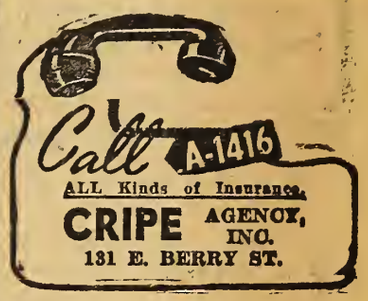
EPOCH I. It was on the eleventh day of May 1854 that a group of citizens of Fort Wayne, attesting that as regular Master Masons having the "prosperity of the Fraternity at heart," they were willing to "exert our best endavors to promote and diffuse the genuine principles of Free-Masonry," petitioned the Most Worshipful Grand Master of the Grand Lodge of the State of Indiana for a dispensation empowering us to meet, organize and work as a regular Lodge, U.D. and thereto discharge the duties and enjoy the privileges of a Lodge in a legal manner."

In the petition were named Bro. Charles Case, P. M. as Worshipful Master. F. S. Aveline as Senior Warden and Y. Day as Junior Warden. The petition so earnestly submitted, was honored and the petitioners met on the ninth day of June, 1854, for the purpose of organizing the new Lodge under the dispensation which was dated May 31, 1854.

It is rather interesting to note that the petition to the Grand Lodge gave as one of he reasons to justify it the fact that "Wayne Lodge No. 25 situate in our city now contains near eighty members and there is in our jurisdiction near twenty non-affilliated Masons; some of whom would join a new Lodge if formed here." Contrast these numbers with the combined membership of these two lodges today.

Thus we had our beginning—more than a century ago, but a few years after the publication of the Sentinel and nearly ten years before the first publication of the Gazette in Fort Wayne, a beginning in "the Hall" of Brother Peter Kiser's building. Fort Wayne had been incorporated as a city only 14 years, and had a total population of about 4300. In this same year. The Ohio and Indiana Railroad was completed, linking Crestline, Ohio and Fort Wayne. It was truly an early age in which hearty, courageous pioneers only survived. Theirs was the spirit of adcenture. Our early brethern were so constituted as true Masonic pioneers.

On June 16th, 1854, a lodge of Master Masons was opened, this being the first regular meeting of Summit City Lodge. The petitions of A. L. Hanna and W. H. Withers were received. Brother Hanna was the first Master Mason raised in the new Lodge.



At this point, we would be remiss in our duty if we did not acknowledge a debt of gratitude to Wayne Lodge No. 25 for the considerable help so willingly given to Summit City in its inception and during it early formative years. Brother Sol. D. Bayless, then the Worshlpful Master of Wayne Lodge No. 25, was of immeasurable assistance in presenting the original petition to the Grand Lodge and on his behalf of the Grand Master, Henry C. Lewrence, installed the first officers of Summit City. It is interesting to note that the By-Laws of Wayne Lodge were adopted as the first By-Laws of Summit City Lodge.

On June 30, 1854, the first order was drawn on the Treasurer in the amount of fifty cents to purchase fans for the lodge room. It would appear that the purchase was justified by the heat of their labor since the records show that nearly forty degrees were conferred during the first year.

It was on June 8, 1855 that the meeting was held for the purpose of organizing Summit City Lodge No. 170 under the charter granted by the Grand Lodge at its annual meeting. Again Brother Sol. D. Bayless acted as a proxy for the Grand Master to install the officers of Summit City. At the end of its first year of existence, the membership numbered twenty Master Masons; thus, the membership doubled from the original charter membership of ten members. By June, 1856, the membership had increased to thirty-three and by the next year to forty-three members. Summit City Lodge was indeed prospering.

Subsequent issues of the Square & Compass will trace further the development of Summit City Lodge No. 170. More current events prompt us to announce that your Centennial Committee is planning a Centennial Ball for May 7. We are contracting a "name band" to celebrate this auspicious occasion and be the next issue of this publication we will announce the name of the orchestra. All Master Masons and their Ladies are invited to attend and participate in the celebration. Mark your calender for the date May 7; it will be a gala occasion.

Another month has rolled around, and reminiscing over the past several months' activities, I was wondering if I had used TIME to the utmost advantage. As we will all agree TIME passes by very fast. You have probably heard many say, "If I had this to do over, I would take more time and do it right." I believe, if and when we say this, we are making excuses, because whatever we set out to do, whether it be our job, something for our family, for a fellow brother or friend, we must do it well. A phrase to go with the Golden Rule, "Do unto others as you would have them do unto you, and do it well."

While you are reading this article, Brother, STOP and reminisce over TIME, and remember, from the youngest Enter Apprentice in the northeast corner to the Worshipful Master who resides in the east, with reverence most humbly bow and give your blessing for "TIME" to do your duty to God, your country, your neighbor, your family and yourself.

The Fellow Craft Club put on the Master Mason Degree at Rome City February 17th, and had a very ejoyable evening. The Fellow Craft Club is to be complimented on their performance. I would like to again thank the Worshipful Master and Officers of the Rome City Lodge for this invitation, and invite them to visit us.

I regret to inform you of the passing of two of our Brothers during the month of February, Brothers Joseph Shoemaker and A. D. Connelly. Our sincere sympathy to their families.

Brothers join the Fellow Craft Club and enjoy masonry. See Morris Adams or Robert McGrail if you would like to participate.

See you Monday evening.

Two Companion Royal Arch Masons received the Council Degrees at our stated assembly in February, although we missed our usual refreshments following degree work and will have to issue a rain check on that part until a future meeting.

We have been somewhat disappointed at the scarcity of petitions since the recent York Rite dinner and hope that we may yet have a deluge of work this Spring.

Just in case a York Rite all-degree day become possible in late April we will hold up any and all petitions received for such an event unless of course the candidate specifically requests the work at a regular assembly.

See you all in Council at our next stated assembly March 16th.

IT'S A BEAUTIFUL RING

A resident of Cass county was recently arrested for wearing a Scottish Rite ring although not a Scottish Rite Mason. He claimed he found it, tried it on, it fit and he kept it on. The fine was $20.00. An Indiana state law, passed in 1891, prohibits a nonmember from wearing rings and emblems of fraternal organizations.

Our lodge enjoyed a very large attendance the 11th. After the routine business a vote was taken on a motion to raise our dues from $5 to $7. The motion was carried. Also voted on was a motion to raise the initiation fee from $30 to $50. Motion did not pass. A committee was appointed by the W.M. to make the proper changes in the by-laws.

After the business meeting we were fortunate in having the Fellowcraft Club from the Ossian Lodge No. 297 to put on the play, "A Gift in Secret." I might say at this point that it was very evident that much time and effort had been devoted to perfecting this play. These Brothers did a remarkable job and I am safe in saying that it was enjoyed by the entire body. After the play a collection was taken which will be sent to the Home in the name of the Fellowcraft Club of Ossian and the Poe Lodge.

Immediately after closing refreshments were served and everybody had a chance to get better acquainted. Lets have as good attendance the rest of the year.

Be sure to keep the following dates open, March 24, March 26, April 16. 1955. Thursday, March 24 will be our annual home coming and Past Master's night. The Past Masters will fill the chairs on both the first and second sections of the Master Mason degree. Dinner will be served at 6:30 p.m. Brothers Paul Elzey, P.M. and Nile Hake, P.M. are making the arrangements for this night. The Past Masters have done an outstanding job the past years, and I'm sure you will enjoy seeing the several Past Masters working again.

Saturday, March 26, we will hold our first square dance of the season, we usually have a full house at these dances, so make up your set and come down, tickets are available from the officers or Fellowcraft Club.

Saturday, April 16, Wayne Lodge will be host to Malta Lodge of Grand Rapids, Michigan. The Brothers from Malta Lodge will exemplify the Fellowcraft degree in full form on their candidate. Lodge will be opened at 5:00 p.m., dinner at 6:30 p.m. followed by the degree work. Malta Lodge visited Wayne Lodge three years ago and did a wonderful piece of work exemplifying the M.M. degree. This should be a must on your calendar. You're sure to enjoy it.

February was another full month for Wayne Lodge. We conferred the degree work on Brothers Whitacre and Newell. After lodge on Fellowcraft night, Fort Wayne Chapter No. 19 R.A.M. treated those present with very tasty refreshments. We had a very good dinner on our Master Mason night served by the Fellowcraft Club.

The following members were reported ill: Clifford Patterson underwent an operation, he was at the Veterans' Hospital. Past Master Vern Robinson will enter the St. Joseph Hospital February 20 for surgery. Harry Mitchell is in room No. 475 St. Joseph Hospital as of this writing. To each of these Brothers, we wish them a speedy recovery.

The Officers and members of Wayne Lodge extend their deepest sympathy to the family and relatives of our late Brother W. Adams and Brother Vic McFarland during their bereavement.

February 10th we knighted four candidates and were through by 10:10 P. M. which proves that we can get things done if we want to. There will be no work till March 24th. We should then begin work on three candidates. Your officers and drill corps will put these dark nights to good use with rehearsals.

At the Stated Conclave February 17th Eminent Sir Knight John Lombard, P.C. was appointed General Chairman of the reception to be held May 21, 1955 in honor of Eminent Sir Knight Samuel S. Geake. Sir Knight Stanley R. Putman was appointed to represent the Commandery on that committee. Eminent Sir Knight Lombard has selected his committee and is hard at work on that program. He promises us an event that will be outstanding in local Masonic History. Better put a big red circle around May 21st.

Plans are also going forward for our annual Easter sunrise service On Easter Sunday, April 10th. Organ prelude at 6:45 A. M. with the service starting promptly at 7 A. M. Let me emphasize that this service is open to all Master Masons, their families and friends.

The Drill Corps is hard at work preparing for the competitions at the State Conclave in Muncie. It is wonderful relaxation and there is still room for six more Sir Knights on the Drill Floor. The parade and competitions at Muncie will be held on Saturday so practically every Sir Knight will be able to attend and take part.

Your Commander has been thinking about holding an all Order day in the early part of June. just prior to closing down work for the summer. The York Rite Association is planning an all degree day the last of April. These are trial balloons with the idea of probably all York Rite bodies holding York Rite Days later in the year. Think it over. Talk to that Chapter man that does not have the Temple. Talk to that Blue Lodge friend that has none of the York Rite. If the response is favorable and we have sufficient candidates to warrant it, we will see what we can arrange.

February 26th a group of Sir Knights and ladies journeyed to Columbus Ohio. The Sir Knights to witness the confering of the Order of Malta. the ladies to attend a meeting of the Social Order of the Beaucant.

That is all for now—See you Tuesday and Thursday nights at 7:30. Things are happening up there on 5. Come and See.

MASONRY AND BUSINESS

(Masonic News)

There are those who contend that Masonry is one thing and business another. Masonry, however, is honest business., good citizenship and correct living. A Mason will apply his Masonry to his everyday life, else he is not a good Mason. It is not only good Masonry, but it is good business for Masons as far as possible to have business dealings with each other, for when you are dealing with a brother Mason you have every reason to expect a square deal, and you are pretty sure to get it. There are exceptions, it is true, but they are few. Moreover, when a brother Mason's goods and prices meet those of his competitor, he is Masonically entitled to your business, and to the patronage of those dependent upon you.

Brethern—This being the month of February, we remind ourselves of the Father of our Country who was a Master Mason in every way. His life as it is written in history proves this fact.

Your lodge is going forward with three candidates this month. And your officers and myself have enjoyed the wonderful attendance of the membership. Good attendance helps everyone. So again may I say, come on up, you are sure to see and talk with someone you haven't seen for sometime.

At this writing March promises also to be a very busy month, so make Tuesday night a lodge night to enjoy the fellowship of assembly and inspiration of the degree work.

I am now able to inform you that we are planning social events April 5th and April 23rd that we know you will enjoy. You will be informed of these events by cards and announcement so please keep these dates open.

Let me remind those of you who have not paid your dues that it is important to take care of this as soon as possible and our membership membership one hundred per cent in which we need for the Hospital Fund. Do your part to make our lodge membership one hundren per cent in donations.

Now allow me to add this bit of thought befitting any Mason—"The ability and willingness to ignore petty and unwarranted criticism is one of the most noble and distinguishing traits of a truly great character."

Will see you in lodge.

"And now abideth, faith, hope, charity, these three: but the greatest of these is charity.—I Corinthians3 13:13.

With these words—"Faith, love, Hospitality"—taken from the above Scripter, as Watchwords, our very gracious Worthy Matron opened her year. To the present time she has had a very successful and harmonious year and she has given so very freely of her time, her love, her courage and of just "herself", as I am sure that all who have had occasion to call on her for help have discovered. And, I am sure that all our members will join me in saying "Well done."

Perhaps for the next issue I will be able to secure a "Statment" from our Worthy Matron and Worthy Patron—if they have time to grant me an interview.

We wish a very speedy recovery to our many members who are ill, Sisters Virginia Curtis, Clara Hoch, Ruth Weikel, Carrie Goeglin, Ruth Patrick, Francis Kline, Margaret Jones, Fern Otis, Ethel Chandler, Theresa Harsch, Lorena Brown, LuWilda Doty, Vera Marti, Hellen Brokaw and Bertram Sanders and Brother Ed Wooldridge. The husbands of Ruby Baumgartner, Gertrude Fleming and May Bean, the mother of Ethel Stine, a son and a daughter of Celia Staber, a daughter of Lulu and Harry Henline, a brother of Esther Schaberg and the wives of Glenn Bowen and Traverse Chandler have been ill and to them our wishes for a return to good health. Mary Brokenstein and Carries Geoglin each has a new grandson and Christine Tew and Velma Sesslar each has a new granddaughter.

Our Chapter mourns the loss of Sister Ida McDole who died on January 21. We also extend our sincere sympathy to Marguerite Bowers who lost her father in death, and to our Worthy Patron Arthur Bowers in the loss of his father-in-law, to Luclla Carter whose sister died recently and to Harriett Weish who lost a son by death.

At the Stated Meeting on Junuary 20th Memorial Resolutions were read for Brother Fred Krueper, who died on Januarv 5th, and the Charter was draped. The Committee on Resolutions was Sisters Clela Dellinger and Lillis Blombach and Brother Edward Uebelhoer and the Resoiutions were read by Brother William Schwartz.

The Resolutions Committee for Sister Ida McDole is the following Sisters, Garneta Stumpf, Esther Cook and Fern Shannon.

The annual election of Officers was held on February 3rd and Sister Helen Howard was elected Worthy Matron and Brother Ralph Roller was elected Worthy Patron. Vera Hayden and Paul Hayden were elected to the respective offices of Associate Matron and Associate Patron. Re-elected to the offices of

Hi again:

I would like to start the report this month by thanking the Sociability Committee for the hamburgers and cokes after the February 15th meeting. They sure tasted good.

The officers did a grand job at our March 1st meeting. It was our second initiation and I certainly was proud of all the girls. The candidates were all very lovely and I'm sure they will be an asset to our organization.

We all enjoyed having our Moms and Dads visit our Bethel on their night and we keep hoping they will visit us more often. This is the one night when members get to meet other members' parents and it all proved to be very interesting. The supper before the meeting was very delicious and enjoyed by all I'm sure. Thanks to Barb Stanberry, Rosalie Good, and Ann Jenkins who did such a beautiful job on the decorations.

Girls, I want you all to promise me your best behavior until after the latter part of June, because I'm looking forward to many of you accompanying me to Grand Council. Really start saving those pennies because June will come quicker than you realize. I do hope a lot of you will be able to go because one of my mottos is "the more the merrier," and I'm sure you'll all have loads of fun.

Brothers, we hope you will decide to visit lodge soon. Your officers need your support.

This month we will have Past Masters Night on March 22, 1955. Dinner will be at 6:30 p.m. in the Masonic Temple Dining Room. Our speaker for this event will be Our Most Worshipful Grand Master Brother Elmer C. Forks, who is also a Past Master of our lodge. We hope every member will be present.

Our Fellowcraft team has changed its reheasal night to the third Thursday of the month, which this month will be March 17, at 7:30 p.m. We would like to have more of you brothers take part in this fine work. Contact Brother Wayne Hutchison, president of Fellowcraft Team.

We extend our deepest sympathy to the bereaved families of the following Brothers, who have been called Home by the Supreme Archtect of the Universe. Brother Fred Krueper died January 19, 1955; Brother Samuel Parr died February 6, 1955; Brother Robert Welsh died February 7, 1955; and Brother John H. Glidewell died February 13, 1955 at Evansville, Indiana.

It is not too late to send in that contribution to the Masonic Home Nursing Hospital Fund. Do it now. Give as generously as you can.

One of the high lights of the year was our Past Presidents meeting February 15th. Under the leadership of Helen Brecount, Thelma Jones and Ann Ackerman, a delicious banquet was enjoyed. A program honoring all Past Presidents was presented and after the meeting members of the program committee displayed their histrionic ability with a comedy skit.

We are sorry that Eva Mosier is still suffering the results of a fall, and happy that Thelma Ratican has recuperated from one.

The afternoon sewing group will meet at the home of Dorothy Lyman April 6th. Thanks to Margaret Hamilton and Bessie Cherry for opening their homes to the group in February and March. The evening group was entertained by Thelma Ratican and Margaret Hamilton in January and February and will meet at the home of Isabelle Masel for the March 28th meeting. All members are invited to these meetings. The afternoon group sews all day (bring your own sack lunch), and the evening group cuts and folds cancer dressings. It is a warm and pleasant feeling to help those who are in need, so here is your chance to do your part.

We are looking forward to the Home Demonstration at the Leisure Electric Home arranged by the Ways and Means Committee for April 12th.

January 21st was Past Matrons and Past Patrons night at Trinity Chapter. The dinner preceding the meeting was one we will rememeber. The food was delicious and plentiful and was served up piping hot. We doff our hats to Sister Ida and her committee.

Past Matrons and Past Patrons of Trinity who served as guest officers were:

Loretta Rippe and Robert McClure, Worthy Matron and Patron; Ida and John Kayser, Associate Matron and Patron; Doris Thiebolt, Conductress; Willodean Todd, Associate Conductress; Elmer J. Forks, Secretary; Edson Dickey, Treasurer; Dorothy White, Chaplain; Gertrude Dickey, Marshall; Carmen Utterback, Organist; William S. White, Warder and Flora Barlow, Ruth.

Those from other chapters were:

Mary Ellen Sible, Huntertown Chapter, Adah; Ethel Williamson, Fort Wayne Chapter, Esther; Marion Goff. Fort Wayne Chapter, Martha; Marie Glaub, Fort Wayne Chapter, Electa, and Isabelle Winefer, Star of the East, Prompter.

It was thrilling to see our past matrons and patrons put on the work, many of them back at their old stands, and we appreciated the work of our guests from other chapters. A distinguished guest present was Brother Cecil Sible, Past Grand Patron of the Indiana Grand Chapter and distinguished members present were Brother Elmer Forks, Most Worshipful Grand Master of the Indiana Grand Lodge and Sister Gertrude Dickey District Deputy of District 14. Each spoke of his enjoyment of the evening and Brother Forks told us of the progress of the hospital and the splendid contributions received from the Eastern Stars.

On January 31st, the mezzanine floor of the Temple was the scene of a gala occasion: the annual Points Party. The tables were decorated with the Worthy Matrons colors, purple and gold, and the centerpiece was a group of little "chior girl" dolls and their director in honor of Sister Eugenia who was our choir director for several years. After refreshments were served, we were entertained by the South Side High School choir. A vote of thanks is due this group of students and their director for the very enjoyable music furnished us and to Sister Marjorie Simmers who brought them to us.

Election of officers occurred February 4th. Those elected were:

Frances VanSwearingen, Worthy Matron; LaVern Amstutz, Worthy Patron; Florence Amstutz, Associate Matron; Neil Glock, Associate Patron; Eugenia Wood, Secretary; Mary Henninger, Treasurer; Edith Sherwin, Conductress, and Marjorie Simmers, Associate Conductress. Congratulations and very best wishes are extended to these new officers elect.

Our last meeting of the year will be on March 18th. At that meeting there will be initiation and the NeCaWa Club will entertain. The last meeting of the year, initiation and entertainment — three inducements for every member to be present that can be. The NeCaWa Club promises good eats, too.

Installation of officers will be March 28th. Installing officers will be:

Gertrude Dickey, Installing Matron; Willodean Todd, Installing Marshall and Loretta Rippe, Installing Chaplain.

Sincere sympathy is extended to Sister Dorothy and Brother Elmer Spar in their grief at the death of Sister Dorothy's mother.

Remember — dues are due and will be delinquent after April 1st. That date is coming very near.

A Lodge in Cork, Ireland, No. 27, met June 24, 1751, to celebrate the anniversary of St. John the Baptist; twenty-four brethren were present. The Lodge records report:

The evening was dedicated to Mirth and Jolletry, no more business was transacted. When Din'r was served up, a Band of Musick, consisting of Trumpets, Hautboies, Violins, &c continued their performance for the remaind'r of the Evening. Every Toast was proclaimed to the other Lodges of the City by a discharge of Cannon procur'd for that purpose. Nothing could give a Clearer Idea of the happyness of ur Society and the Comforts accruein from so noble an institution than the Harmony and affection which was so mutually defysed thro' the Whole Fraternity on this occasion. Ab't 12 (p.m.) the Brethren retired w'th decency and regularety.

Give me a friend, and I'll worry along. My vision may vanish, my dream go wrong; My wealth I may lose, my money may spend,but I'll worry along if you give me a firend. Brethern, we are a proud group of Masons here in Waynedale, for on February 23rd we raised our first three men to the Subline degree of Master Mason in our Lodge Hall. There were 33 members present for our George Washington dinner and many more for the degree work that followed.

We have candidates for this month and also for the next month. Our Lodge will be in darkness during the month of May when Grand Lodge meets to consider our desires for a Charter. When our Charter is granted our Secretary will send each member a form to submit to his Lodge applying for a Demit.

Our Lodge furniture is now complete with Columns and we welcome all the Brethern to come and take an active part in our Masonic work.

While this is not geing written by the Worshipful Master it seems that one of the problems that confront each Master is the bugaboo of attendance.

Recently a poem concerning the subject was brought to our attention and we would like to pass it on to you,

Are you an active member,
The kind that would be missed,
Or are you just contented
That your name is on the list?

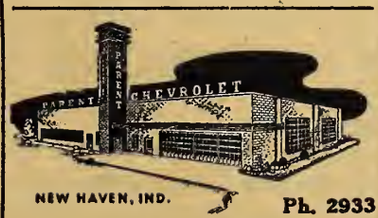
Do you attend the meetings
And mingle with the crowd,
Or do you stay at home
And crab both long and loud?

Do you ever go to visit
A brother who is sick
Or do you leave it to just a few
And talk about the clique?

Think it over, Brother,
Are you right or wrong,
Are you an Active member,
Or do you Just Belong?

Another excuse sometimes given for not attending is the lack of friendliness among the members but we must realize that it is the duty of all of us to extend the right hand of fellowship and not wait until it is extended to us.

Members of Harlan Lodge make an effort not only to be friendly to the members but also with visitors making them feel welcome.



Brother Gustin our Worshlpful Master is trying to make the meetings interesting so let us all help by attending as much as possible.

Remember your contribution to the Masonic Home Hospital Fund.

At our stated meeting in Feb., we presented 4 petitions. It looks like at our next stated meeting we will be very busy in the Chapter. The Chapter is making plans for an all degree day. More about that in the next issue.

Companions keep talking to your Blue Lodge brethern and explain what York Rite Masonry can give them and what they should have. Just a reminder to all the companions of Fort Wayne Chapter, if all the members would get just one petition we would have to confer the Royal Arch Degree approximately 160 times. Maybe that is asking a little too much. Our next stated meeting March 21st, 1st day of spring, so please try to attend.

ANDREW JACKSON

Andrew Jackson once said: "It has been one of the boasts of my life, though not often expressed, that in Masonry I belong to an association which, though not political, embraces principles which are not confined to particular localities or countries, but which have a marked universality, and embraces within the grasp the whole human race, making us all brothers."

YORK RITE ASSOCIATION

At the February stated meeting the following officers were re-elected for this year. Thomas W. Cannon, President, representing Ft. Wayne Chapter No. 19; Carter Palmer, 1st Vice President representing Ft. Wayne Commandry No. 4; E. T. Horton 2nd Vice President representing Ft. Wayne Council No. 4. Due to the impossibility of carrying on the duties of the Secretary - Treasurer, Nicklois Jett, was elected to succeed Paul Straight in that office, as the representative of the Thomas R. Marshall Chapter No. 161.

A resolution to amend the By-laws to admit all line officers of the various bodies as members of the over all groups which governs the association, was passed on 2nd reading.

A motion was made and passed that an all-degree day be held for the two Chapters and the council, with the consent of the Commandery. The proposition of an all degree day to be first submitted to the various bodies for their acceptance. If the various bodies accepted the idea of an all degree day, the date was tentatively set for April 30th. At this writing, it can be reported that not all of the bodies accepted the proposition, and the idea will have to be abandoned. However at the next regular meeting March 9th, plans for an all degree day or days, in which all bodies of York Rite will participate, will be sometime in the Fall or early Winter, and will be announced later.

Brother Master Masons: begin making your plans now, to advance your appreciation and knowledge of Masonry, by taking all the degrees of York Rite. The Blue Lodge is York Rite Masonry; and the degrees in the various York Rite bodies build directly on what you already have.

1st, is the Chapter of Royal Arch Masonry with four degrees. 2nd is the Council of Royal and Select Masters with two regular degrees and one elective, which will be given next fall. Third the Commandery of Knights Templar with three Orders, the third of yhich, the Order of the Temple, is said to be the most beautiful in all Masonry.

There are two Chapters of Royal Arch Masonry meeting in our Temple, Ft. Wayne Chapter and Thomas R. Marshall Chapter. You can choose the one you wish to join. Watch for future publicity on the fall meeting of the York Rite Bodies.

GRAND LODGE OF EGYPT

"Mohammed Refaat Bey, 33°, Grand Secretary of the Supereme Council of Egypt and also Grand Secretary of the Grand Lodge of Egypt, states that Masonry in the Arabian Countries under the jurisdiction of the Grand Lodge of Egypt is prospering and has much financial stability. There are 450 children being cared for in Masonic Homes under the Grand Lodge.

There are 28 Symbolic Lodges in Cairo, 22 in Alexandria, 13 in smaller towns, 4 in Palestine, 8 in The Lebanon, 1 in Transjordan, making a total of 76 Lodges. In Syria, under a Provincial Grand Lodge of Egypt located at Damascus, of which Atta El-Ayvoubi Bey, ex-President of Government, is Grand Master, there are 7 Symbolic Lodges. There are also a great many Free-masons belonging to the National Grand Lodge of Egypt who reside in Iran, Iraq, Arabia and Kuait on the Persian Gulf, but there are no Lodges there. Among the Masons in all these Lodges are Frenchmen, Greeks, Syrians, Turks, Italians, Armenians and others, but the majority are Egyptians, and harmony prevails among them all."

Redoubled activity in every department is preparing all of the Scottish Rite Bodies for the visit of our Sovereign Grand Commander Ill. George E. Bushnell, 33° at our Spring Convocation. Ill Brother Bushnell will arrive in Fort Wayne on Tuesday and will attend all three days of our coming Convocation on April 19, 20 and 21.

We are elated that Sovereign Commander Bushnell is paying his visit to the Fort Wayne Valley so early in his administration. He has said that he accepted our invitation to pay an early visit to our Valley because of the high rank in membership and activity of our Valley in the Northern Masonic Jurisdiction and because he has heard of our excellent work in our degrees.

If conscientious effort in rehearsal will bring results, we are sure that the head of the Supreme Council will be pleased with his entertainment in Fort Wayne.

The Consistory degrees will start on Wednesday evening the 20th when the brethern from Grant County will confer the 27° on the stage in our new Scottish Rite Auditorium on Berry Street at 7:45. This spectacular degree has a very large cast which has been in rehearsal for many weeks to make their first exemplification on our large auditorium stage a memorable one.

After the class organization on Thursday morning, April 21, Edwin R. Thomas will preside over the 21° at 10:30 a. m. in the Washington Street Cathedral. A very unusual feature of this degree, which has always been a strong one in the Fort Wayne Valley, is that the large proportation of its cast will be made up of Illustrious Brethren of the 33°.

After lunch the thrilling patriotic degree, the 20°, will be exemplified at 1:30. It will be followed by the 32° at 3:15.

The Convocation Banquet will be given at 6:30 and will be addressed by Sovereign Grand Commander Bushnell anl Ill. Brother W. Henry Roberts, 33°, Deputy for Indiana.

Plans for the Spring Convocation to be held on April 19, 20, 21, 1955 are nearing completion. Rehearsals for the degree work have been going on for weeks and a splendid presentation of the degrees in all the bodies is looked for.

As we have announced before, the honored guest will be our Sovereign Grand Commander, Ill., Bro., George E. Bushnell of Detroit who will give the address at the banquet on Thusday evening April 21st.

A change is being made in the seating of the speaker's table at this reunion. Instead of having it against the south wall of the cathedral, it will be moved to the west wall and elevated to a height where it can be seen through both banquet rooms. We believe that those attending will appreciate this innovation.

A large class is expected to start the work on Tuesday afternoon, April 19, when the Lodge of Perfection degrees will be confered. A convocation program is being sent to each member and it is hoped that you will read the schedule of degree work and other articles of interest in the program.

The officers and different Committees will welcome you and your candidates to this reunion.

To any Companion petitioning the Council at this time who does not wish to wait until the York Rite "all-degree" session planned for early Fall, we will be happy to confer these degrees at our May or June meeting—both if necessary.

To all Companions a joyous Easter Season.

MORMONISM AND MASONRY

Samuel H. Goodwin, 33°, Past Grand Master of the Grand Lodge of Utah (now deceased), was one among many authors who have written upon this subject.

One cannot help but notice that many of the Morman emblems are Masonic and that the square and compass dangles from the watch chain of that Utah tycoon, Brigham Young, in his portrait which hangs in the church offices in Salt Lake City. Porter Rockwell, John Doyle Lee and other devout servants of the church believe themselves entitled to display the same insignia, so it may be of interest to recount, briefly, how it all happened.

Several of the Mormon leaders. Hyrum Smith, Heber Kimball and Bringham Young among the number, were members of the Masonic order prior to their affiliation with Mormanism. In the year 1841, when the star of the prophet Joseph Smith was decidedly in the ascendancy, and his political power was waxing daily, a communication was addressed to Boadly Lodge No. 1, of Quincy, Ill., asking for the usual recommendation for a lodge to be established at Nauvoo. Boadly Lodge protested against such a grant, but the Grand Lodge of Illinois was then less than one year old, and Grand Master Jonas was a practical politician and a candidate for the legislature. He granted the petition and was elected, and the lodge at Nauvoo was, to use the Masonic terminology, "set to work."

The work was carried on with enthusiasm—in fact, with entirely too much enthusiasm. Other lodges in the state protested that the ritual had been tampered with; that the prophet Joseph Smith had been hurried through the three degrees in a single ceremony and that the only requirement for membership was that the candidate must be a Morman male in good standing in the church. The Grand Lodge of Illinois recalled the dispensation, inasmuch as a charter had never been granted, and the lodge was declared to be clandestine.

The prophet Joseph Smith countered with a claim made in his defense that certain mysteries long lost to the fraternity had been revealed to him by the Almighty and that he had merely inserted this lost work into the ritual together with other mysteries and new secrets given him by special revelation.

Prophet Smith's attitude upon being expelled from Freemasonry was apparently that he had been kicked out of better places, and he promptly transferred the ceremonies of his clandestine lodge to Mormonism, adding all the new frills that he had received from Yahveh. From Masonry, he appropriated its grips, the five points of fellowship, many of its emblems—the all-seeing eye, the beehive, the clasped hands and many others; much of its symbolism and almost the exact phraseology of many of its passages.

Joseph Smith was killed on June 27, 1844. The walls of Nauvoo were leveled on Janurary 2, 1845, when the satate legislature repealed the famous city charter and the municipal court was no longer the one of last appeal. Bands of four or five hundred gentiles moved about the country, closing in gradually toward Nauvoo and leaving behind what had been prosperous Mormon homesteads. As the gentile lines closed about the city, Brigham Young and his counselors realized that a move was inevitable. The Saints were advised to sell their property and invest in wagons and supplies for a long journey overland. Young sent word to the governor and the enemies of the Mormons in general that they would leave Illinois as soon as they could dispose of their property.

One thing is certain about the exodus of the Mormons from Illinois and their migration to the valley of the Great Salt Lake; neither the Saints nor their leader knew where they were going. Lorenzo Snow, one of the twelve and later president of the church described the beginning of the westward heigira as "four-hundred wagons moving to—we know not where."

This explanation may be of interest to those of you who have visited the Temple grounds in Salt Lake City and observed the Masonic emblems carved upon the walls of this building.—The Masonic News (Ill.).

WAS KING TUT A MASON?

The unrapping of the mummy of King Tut revealed that when many layers had been unwound from the middle of the mummy they found the Masonic apron. Were there Masons —"Speculative" Masons—inEgypt of old?

Many students claim that Masonry originated in Egypt, passed from there to Greece, then north to Italy and from there to France to finally reach England, from which it passed on, in the form in which we know it, to the entire civilized world.

Doctor Kinnamon expressed the opinion that Masonry came from Egypt in the days of the Pharaohs "Maybe from India, where it had com from the continent of Mu." Many bulky tomes have been written to prove that Masonry, as we know it, is but a modified form of the "mysteries" of Isis and Osiris.

For the readers' benefit we reproduce the article from "The Compass:"

"Masonry did not have its beginning in Europe in the seventeenth century. I do not know where or when the principles of Masonry had their beginning. But years of archeological study in Egypt shows that it came into Egypt in the days of the Pharaohs maybe from India, and there are signs it came to India from the land of Mu."

"Dr. Kinnaom related that in 1950 B. C. the ruler of Egypt sought to educate his people and when he found it was not practical he summoned a group of young men and taught them personally in his palace; that a secret order along the lines of Freemasonry was evolved; that in 1200 B. C. other lodges were formed in other countries and that in 1000 B. C. Solomon came to Egypt from Palestine to study, married a daughter of the Pharaoh, carried the idea of their order back to Jerusalem and built the famous temple in Jerusalem. This temple was almost identical to ancient temples found in Egypt."—Canadian Freemason.

Well, fellows, another month is now history and I want to thank you again for your attendance and interest. We will have another very busy month during April and will expect the continuance of your fine cooperation.

Bro., Don Aley, chairman of our Vet's Hospital Visitation Committee, reports we are having some very interesting sessions on our visitation nights at the Veteran's Hospital. Our next visit will be on April 25th. Thank you, members of the committee, for your participation in this noble work.

Our Special Committee is planning a Sol D. Bayless family night on April 29th. There will be a dinner at 6:30 P. M. and an entertainment following. Robert Wedertz and his mechanical character, Joe Sefus, will entertain us as one of the features. Bob has an outstanding program and we know you will be more than pleased. You will be reminded of this event by mail so please respond promptly and mail back your reservation. Don't forget to mark April 29th on your calendar. Do it right now.

I am happy to report that we have been able to forward to our Grand Secretary a total of $3,050.00 toward the new Hospital at the Masonic Home. Thank you. brothers, for your contributions. We are confident our entire goal will be easily met.

To our brothers who are on the sick list we wish you a speedy recovery.

Brethren—As we meet. I am glad to say we again have nad very good activities in our lodge in the past month. Your attendance and interest is very commendable.

Recently at a social event of one of our sister lodges, I was priviledged to hear our Grand Master give a speech which was very inspiring and encouraging to all of us; so don't hesitate to bring a friend with you.

Plans for our Spring Banquet, April 23rd are well underway. Let us all help make this a success.

At this writing the month of May promises to be a very busy month; and your officers and myself want to thank you for your past interest and attendance, and we say,—keep up the good work.

Don't fail to let one of the officers or myself know of anyone on the sick list.

Let me leave you with this thought: Important as it may be to consider what you are making of life, it is no less important to size up just what life is making of you.

Companions, we have just set a date for an all degree York Rite convocation, Oct., 28th and 29th 1955. this means we have a lot of work and planning to do between now and then. Tentative plans are as follows. Thomas R. Marshall No. 161 R.A.M. will open on Friday Oct. 28th and confer the Mark Master Degree which will be conferred by Fort Wayne Chapter No. 19. The Most Excellent Master's Degree and Royal Arch Degree's will be conferred jointly by Thomas R. Marshall and Fort Wayne Chapter. We will probably have dinner sometime between the Most Excellent Master's Degree and The Royal Arch Degree.

Then on Saturday morning Oct. 29th the Council will confer it's work and the Commandry Degrees will probably follow in the afternoon and evening, with dinner in between. Remember these are only tentative plans and we will have more on this later. In the meantime let's all get out to get some candidates and make this convocation a big success.

Let's all try and be at the next stated meeting Friday, April 15th. at which time we should have reports from ourselect committees and probably some voting to do. Don't forget York Rite Ass'n., meeting on Wed.. April 13th.

Greeting Fellows: March 22 was the final date for petitions for the final Initiatory Degree. I am very pleased to inform you that twenty-five new members will be initiated. This is approaching the size class we are capable of every time. Good work, and let's keep building. Remember, concerning new members in DeMolay, the pleasure is theirs.

In spite of very poor weather conditions March 22nd we still held our usual fine meeting. There were more than fifty members present who enjoyed a very fine entertainment. The program for the evening became a hurry up job as the planned entertainment from South Bend was snowed out. Mr. Ivy, a teacher at North Side High School presented and narrated films of life at his most splendid lodge in northedn Canada. I am certain all present were as thrilled and amazed by the story told as I was.

Due again to the stormy weather in Fort Wayne, a South Side Track meet was postponed. Many thanks to the fellows who were to protem for the officers who were absent for the meet. Thanks especially to Jim Frey who was to take the East in my absence.

April 26th will honor the Spring term final initatory degree. In re-emphasising, twenty-five young men will join our ranks. We have already given two initiatory degree; this means the mistakes should be all smoothed out. Perfect knowledge of the ritual plus the confidence of previous success can add up to the best job yet. The third time may be the charm, but it will take more than any old saying to make this true. To the Preceptors, officers and members; we owe the best to the candidates, guests and oursclves. Let's finish up with a real solid win. Suprise refreshments will be given by our most blessed helpers, the Mother's Circle.

May 10th brings into reality a tense and waited for moment. This is the date of the election of officers for the fall term. I cannot stress the importance of this event too much. The posts to be contended are of utmost responsibility, the officers elected are few (three) and the men capable to fill them are many. My position leads me only to say this to you, use your own head soundly, sincerely and with care. No matter what the out come, you cannot lose with the responsible men elegible. Good luck to all.

May 12th will be the day when DeMolays will honor their Mothers in one of our most special events. The DeMolay Mother-Son Banquet will begin at 6:30 sharp in the Ball room of the Scottish Rite Cathedral. A Mother is not a tangible personality that can be enumerated. Her love and care to us is constant and seeks no reward. Therefore it is all the more fitting that the reward of our deep gratitude should be shown. This is the purpose of the Mother-Son Banquet. The entertainment as well as the food will be exceptional so INVITE YOUR MOTHER and make your reservations now.

The DeMolay Degree will be given May 24th. This degree will complete the membership of all the new fellows who have joined us this past term. The degree is entirely different from the Initiatory and will be presented on the stage of the Scottish Rite Cathedral. Some of the main actors of the cast are: Terry Miller, Jim Frey and Dave Eitman. This will conclude the formal work of the spring term. At this time I am looking ahead with anticipation and confidence, but by the time the DeMolay degree is over. I know I shall be able to look back with justified pride. You are the very officers to do it, and I know you will.

The basketball season is over, and DeMolay congratulates the sportsmanship of every member of the teams. As spring rushes forward so does the track season. Best of luck to the cindermen of this Order.

From the East to you, Goodspeed.
Norman Miner, M.C.

"Just a word from "Dad" R"

I am personally proud and I know the members of the Chapter are of the fellows who were chosen for National Honor Society. Ten of the fifteen young men chosen at So. Side were members of DeMolay, Thomas Arnold, Charles Clarkson, James Frey, Ronald Mendelblat, Robert Rossiter, David Bennhoff, Bruce Bloom, Bryon Boggess, Jerry O'Brien, Dean Stephen. Richard Boettcher and Ben Harry were chosen at North Side.

Your Master Councilor has given a fine explanation of our annual Mothe-Son Banquet. There are many Father-Son and Mother-Daughter Banquets given in Fort Wayne but I am sure DeMolay gives the only Mother-Son Banquet. There are many deed proud in many ways of this event. You will be called for your reservation which is $1.50 per person and all reservations made and NOT CANCELLED must be paid for. If for any reason you are not called phone "Dad" R at H-3689 and join in this event.

DEMOLAYS MOTHERS CIRCLE

The DeMolay Mothers spent a very enjoyable evening at the Psi Ote House on March 28th with Mrs. Thomas Franklin and her committee as hostesses. The social hour proved very entertaining and afforded every one the opportunity of becoming better acquainted.

On the evening of March 8th, approximately 100 hungry DeMolay boys were served donuts and cokes after their meeting. Helping to serve were Mesdames Thomas Franklin, Robert Brosius, Clayton Dunton, Jay Gould, Charles Locke, Charles Sills, Forrest Somers, Glenn Timmis, Robert Passwater and Harry Riethmiller.

The Sears Pavilion in Foster Park was chosen for our April 25th meeting by the chairman Mrs. Arnold Wuebbenhorst and her committee consisting of: Mesdames D. M. Arney, Howard Barrow, James Blair, Robert A. Brown, Russel Burkhalter, D. L. Corbitt, Micheal Dauscher, Dal Dennis, Raymond Farrell, James Hatfield, Mahlon Hutchinson, Gaylord Kurtz, Harold Livensbarger, Dale Masel, Eldon Mee, Harry Nickels, Vallce Railsback, Fred Shapell, Harold Smith, and Paul Stiverson. Entertainment will be provided by the Kitchen Band from Nebraska School. These Mothers have become quite well known for their dexterity in manipulating ordinary kitchen utensils into musical instruments, so don't miss it. The evening promises to be one that you'll never forget.

Be sure to notify us of any change of address.

A great big "thank you" to everyone who contributed to the bake sale March 17th.

Those who attended S.O.O.B. March 15th, were privileged to hear a concert by the Commandery band. Our first April meeting was highlighted by an Easter program presented by Thelma Jones, Ocea Cope, Loretta Rippe, and Jane Millhorn. The program committee well favor us with another comedy skit on April 19th. These are always fun. Here's a hint from our program chairman. Be sure to come to the May 3rd., mecting. A special treat is being planned. Watch for a date for the "birthday" banquet to be held in the near future. Every member will want to take advantage of this mass birthday celebration.

The Day Group of the Benevolence Committee will meet with Catherine Geake on May 4th. The Night Group will meet April 25th with Ann Ackerman as hostess. Thelma Ratican, chairman, is making an appeal for all worn sheets and white shirts that can be salvaged for cancer dressings. Do come to one of these meetings to do your part for Benevolence and enjoy fine fellowship.

Our sincere sympathy to Chloe McCarthy, who lost her father.

Greetings! As I look at my calandar I realize that spring is just around the corner. This should be an inspriation to all of us.

The year end parties held during March were something long to remember. The party themes were carried out with beautiful decorations and favors.

On March 1st the combined social sections, ways and means and decorating committees met at the Y.M.C.A. for a 6:30 dinner. Helen Hutchins, Chairman and Hilda Hazen Co-Chairman, with a very capable committee, chose "The Key to Friendship" as their theme. The tables were beautifully decorated with green candles. Gold keys were used as place cards and large keys with lillies of the valley ties with green ribbon were placed at the honor table.

On March 14th the Parkview Hospital Sewing Committee met for a luncheon at the Y.M.C.A. games followed. This group has two social functions a year, one at Christmas and one honoring the Worthy Matron in March. Some 2946 articles, sewed and mended, 4,885 sponges have been made with a total hours given as 2,317. I think these girls deserve a pat on the back for the good work they have done on this committee.

On March 15th the Choir met at the Colonial Resturant in the private dinning room for 6:30 dinner, cards followed. The Choir deserves a nice word of praise for all their lovely music which they have given to Shiloh this year.

On March 17th the Sunshine and Sick Committee met at the Y.M.C.A. at one o'clock for a luncheon. Their report for the year is as follows: Total personal calls 1156; total cards sent by committee 600; total cards sent by committee members 2358; total phone calls 1253; total gifts and flowers 289; register service 39; plants and gifts sent by chapter 112; emblems 14; deaths 15; births 16; and 36 Christmas baskets. The Sunshine Committee has worked very hard and we know all the members of Shiloh would like to thank them for their efforts.

On March 17th the Registration Committee met at the Y.M.C.A. for 6:30 dinner, cards followed.

On March 21st the Reserve Committee met at Wolf & Dessauers private dining room at Baer Field for their no-host dinner. Cards followed.

A gift to the chapter from the Ways and Means Committee consists of a new steam iron, which was apperciated very much.

To those in bereavement, our sincere sympathy, a speedy recovery to those who are ill, and congratulations to the new parents and grandparents.

Installation was held March 29th at 7:30 in the Auditorium.

Congratulations to the new officers and our best wishes for a happy and successful year. Let's give them our full support by regular attendance and enthusiastic participation in the coming projects.

As the year draws to a close for the present officers of Shiloh Chapter all members deeply appreciate their faithful service and extend congratulations for their fine work.

It would seem that that is all the news for now. Contrary to my usual by-line: "Gotta get busy, see you next month." I'll just say, "See you in chapter" and leave you with many thanks for the courtesies you have shown me in my year as publicity chairman. Thanks kindly. Ruth Custance, Publicity Chairman.

We come again to the beginning of another month. My how the time flies. On April 5th Jobs Daughters iniated another group of lovely candidates. They all are very nice and will, I'm sure, be an asset to our organization. Among this group of candidates was the daughter of Mr. Elmer Forks, the most Worshipful grand Master of Masons in Indiana. We were all very honored to have Mr. Forks attended our meeting. May I also congratulate the officers for their splendid job.

Our Church Sunday was April 24th. It was held at the Calvery Presbyterian Church with the Rev. LaVerne R. Sandy giving a very inspiring message. I'm sure that all Jobs Daughters who attended enjoyed worshipping together.

The regular meeting was not held on April 19th because of Spring Convocation held in the Scottish Rite Building.

We are all looking forward to the meeting May 3rd. Then we will celebrate the 30th Anniversary of Jobs Daughters in Fort Wayne.

May the Lord be with you all. Let us all fix and center our thoughts upon him that he will shine through us and that we may reflect his light and love.

Jobs Daughters Mother's Club met at the home of Mrs. Austin Campbell 4421 Hoagland Ave., on March 21st. Assisting were Mrs. Lare Fernoda and Mrs. Walter Parrott. Speaker for the evening was Miss Marion Eigham Dean of girls for Central High School.

NEBUCHADNEZZAR

By E. George Lindstorm, P.M.

There were three Nebuchadnezzars, a King of Syria who lived in the 7th century B.C. He fought and defeated the Medes. The second king by that name reigned from 626 to 605. He united with Astyages in the conquest of Syria and founded the Syro-Babylonia empire.

The third Nebuchadnezzar was most powerful and served. He was noted for the beautiful hanging gardens,, one of the seven wonders of the world, made to please his wife, a Median princess.

About 630 he placed Jehoiakim on the throne of Judah with a promise that he would keep his kingdom for him. He violated his promise and Nebuchadnezzar had to invade Judea and slew him. His son was then placed on the throne reigning for three years and he also was deposed and given to his uncle Zedskiah in 588, a man who had many vices. He was full of subtilty and made a league with the Egyptians, betraying his friend as his predecessore had done before him.

Nebuchadnezzar was again forced to make war on Judah and after a siege of 18 months reduced the city, pillaged the temple and carried many vessels and all able-bodied people in chains of brass, to Babylon, including King Zedekiah whose sons were slain and then his eyes were plucked out.

Toward the end of reign, as a punishment for his pride and vanity, he was stricken with a strange malady, a form of madness sent upon him which the Greeks called lycanthropy, wherein the sufferer imagined himself a beast, quitting the haunts of men and insisting upon leading the life of a beast in the fields. After an interval of several years the malady left him and his reason restored. He reigned 43 years and died 562 B. C.—Masonic Outlook.

"Tdoay, well lived, makes yesterday a dream of happiness and every tomarrow a vision of hope."

These were the words with which Worthy Matron Eythel opened her last meeting on March 17th, near the closing of a very successful and harmonious year. We all say, with great pride, "Well done."

We have had only three sisters reported ill during the month of March, Lulu Henline, Edna Ditton and Margaret Jones. However, the members families have not fared so well for the daughter of Ruby McDowell, sons of Mary Budde and Nola Richards, son and daughter of Bess Carlson, husband of Mary Heeter, Harriett Marks and Delores Wonderly, sister of Evelyn DeVilbiss and the mother of Mildred Bowman have all been ill. Sister Barbara Helmick has a new baby and Clarence and Velma Sesslar and Arlene Buamgartner are proud new grandparents.

have lost loved ones, the father of Chole McCarthy, husband of Theresa Harsch and Lillian Omerod and sisters of Emma Wehmeister and Dorothy Johnston, and to these sisters we extend consolation.

Resolutions for Sister Fern Otis were read at the Stated Meeting on March 3rd and the Charter was draped in her memory. Brothers Glenn Bowen, William Schwartz and Harry Emmerson were appointed as the Resolutions Committee for Brother Leslie Omerod.

On February 18th the all-committee Points Party was preceded by a pot-luck dinner in the dining room of the Temple. The Conductresses were in charge of the dinner arrangements. The table decorations featured all of the various decorative themes of the year, with a rose-entwined "memory garden" fence marking the places of the Worthy Matron. Silver cups were used as place cards and red roses were laid down the centers of the tables. Gifts were presented to Eythel and Arthur and they thanked all who had helped make their year so successful. To complete the "memories", Marguerite Bowers presented them each with a scrapbook containing all the publicity and other mementoes of their year. This represented over six hundred (600) inches of printed material.

On March 3rd the chapter honored the new members of the year. The Worthy Matron requested the Conductresses to escort them into a semi-circle behind the station of Esther, and then greeted them and congratudlated them on becoming golden links in our Eaternal Chain. The Choir sang the "Welcome Song", having slightly altered the words to suit the occasion.

We have had many visitors during the past year, mostly from our Sister Chapters and the nearby area, but we have also had visitors from New Jersey, Minnesota, Montana, Mississippi, New York and even a visitor from Kodiak Chapter No. 13, Kodiak, Alaska.

On March 4t hthe Officers held their year-end dinner in the Woman's Club. The tables were beautifully decorated with figurines of lovely gowned "ladies", each holding a bouquet of red and white flowers. Place cards were handmade, red satin roses on white cards and favors were small "cups". The Worthy Matron and Worthy Patron presented each officer, registrar and the publicity chairman with a very lovely gift and thanked them for their cooperation.

The Decorating Committee held its dinner in the Portage Room of the Y. M. C. A. on March 9th. The tables were decorated with flower planters that were later used as prizes. Red and white candles on Star cut-outs and artifical corsager at each place completed the decorations. Each Commettee member was presented with a gift from the Worthy Matron.

On March 11th the Social Committee met for a dinner in the Y. M. C. A. dining room. Arlene Baumgartner's Feburary-March group was in charge of arrangements. Eythel presented the chairman, assistant chairman and Co-group chairman with lovely gifts and a gift to each committee member. She received a lovely set of crystal from the committee.

Spring flowers decorated the luncheon table of the Visiting Committee meeting on March 14th ni the World Friendship Room of the Y. M. C. A. Gifts were presented to each member and the chairman of the committee and the group enjoyed a social hour after the luncheon.

That evening the Choir met for dinner in Miller's Cafeteria. Red and white colors were featured in the decorations and the favors, The chairman, Jerry Cook, presented each member with a tooth-pick holder, which was used as a nutcup. Assistant Director, Jo, presented each member with a coin purse.

This completed the committee year-end parties and Sister Eythel, W.M., said her thanks to the committees who had helped to make her year so good.

The stated Meeting on March 17th featured a Sunset Service for Sister Eythel and Brother Art. A member of the Decorating Committee had made two lovely crayon drawings for the East and West. "Sunrise" was featured in the East. After the retiring march, a spotlight was turned on the "Sunset" in the West, beautifully graced with red roses and a "Cup". Sister Eythel read an appropriated worded, original poem and the Choir sang a Sunset song.

So Fort Wayne Chapter turns to a new year and to the new officers we extend our best wishes and pledge of cooperation with the admonition. "Make no little plans; they have no magic to stir mens minds".—Anon.

May I take this opportunity to say a heartfelt "Thanks" to all those who have helped me this year, particularly the committee chairman and club presidents who probably thought I "hounded" them when I had a deadline to make with my news copy. I have sincerely tried to do my best for the Chapter. Eythel and Art—(even meeting deadlines when I was in the hospital for surgery last Summer)—and it was all due to the splendid cooperation of many people. A very special thanks goes to Mr. Brown Cooper of the Square and Compass for his patience when I was dilatory with copy on the 15th of each month. Also, thanks are due to Mr. Lincoln of the Journal-Gazette. Mrs. Corbett of the News-Sentinel and Sister Dorothy Felix of the Indiana Star Dust Bulletin.

Marguerite Bowers, Press Chairman.

Summit City's Centennial Ball, to be held May 7, will officially open the observance of our centennial year. One hundred years of successful labor is an accomplishment worthy of proper recognition, to be celebrated in a manner befitting such an auspicious occasion.

Your Centennial and Arrangements Committees have made great plans for this "once-in-a-life-time" party. Circle the date on your social calendar. Not only will it be a truly outstanding social event in the history of Summit City Lodge, but also in the life of our community. The presence of you and your lady will be a measure of your devotion to your lodge, in particular, and Masonry, in general.

Music for dancing will be provided by nationally famous Dick Jurgens and his orchestra, one of America's most popular dance bands. "Here's that band again" is well known to lovers of dancable music everywhere. They are being brought here from Chicago, where they will wind up an engagement at the Aragon Ballroom.

All Master Masons in the Fort Wayne area and their ladies are cordially invited to be the guests of Summit City Lodge No. 170 on this occasion. Your 1955 Dues Card will be "ticket." (Only Master Masons and their ladies will be admitted.)

The last issue of the Square & Compass related something of the initial history of Summit City Lodge. Much of what took place in those days would be lost in antiquity had it not been for the forethought of Bro. Daniel W. Souder, one of the early secretaries of the Lodge. To him we are indebted for the historical data presented to date and much of what is to follow. With this acknowledgement, we begin Epoch II.

Secular history tells us that the years immediately preceeding the founding of Summit City Lodge constitute the prelude to the great war between the states. Tremendous issues of states rights and slavery occupied the minds and usurped the attention of Masons and profane alike. Time moves on slowly it seems, and yet leaving records and historical imprints which are obscure. Our sacred alter was located in Francis D. Laselle's Hall, occupied jointly with Fort Wayne Encampment No. 4. The "regular meeting" of the Lodge was held" on the Friday of or next preceeding the full moon." Imagination and Bro. Souder's notes supplies the interesting meetings which must have been held, perhaps with a degree of secrecy, for Freemasonry was still smarting under the bigoted attacks of the uniformed.

On July 1, 1586, the Lodge moved to the fourth floor of the Stewart Building, "a new brick building on Calhoun Street opposite the Court House." The rent for this space, including heat and light was $63.07. Here the brethern dwelt in peace and harmony until November 23' 1860, when it became known that Bro. Stewart had rented the rooms just below the Hall for a "saloon and billiard hall." Two weeks later, on December 7, the effects of the Lodge were moved back to the Laselle Bldg., where a lodge hall was shared by Wayne Lodge No. 25, at a rental of $50.00 per year.

For reasons not clear to the writer, in November, 1861, the Lodge again returned to the Stewart Bldg. No further referrence is made to the saloon and billiard hall. The sands of time seem to have drifted rather deeply over the facts at this point.

On Apjril 20, 1868, Summit City Lodge, Wayne Lodge and Sol D, Bayless Lodge entered into an agreement to lease the fourth floor of the McDougal Bldg., on the northwest corner of Calhoun and Berry Streets. "On the condition that each Lodge pay one-third of all rents, gas and fuel and all necessary expenses incurred." These rooms were also sub-let to Fort Wayne Chapter No.19.

It was on March 18, 1864 that Article I of the By-Laws was amended to provide that "the regular meeting of this Lodge shall be on the first Friday of each month."

History does not reveal much of the Masonic personality of the worshipful brother who first wielded the gavel of authority in our Lodge, but he must have been affectionately known and highly revered by his brethern for Bro. Charles Case served continuously as Worshipful Master from the inception of the lodge until November 2,0 1857, when he took leave of his brethern to serve as a member of Congress for the tenth Congressional District of Indiana.

It was in the same month and year that Articale XI of the By-Laws was amended to provide that the dues be established at "the sum of one dollar per quarter," payable in January, April, June and November.

Summit City Lodge No. 170, since her organization met with prosperity on every hand " and the funds in her treasury were fast accumulating." Thus it was that on August 28, 1863,

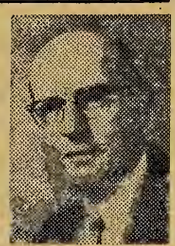
resolution was adopted to elect hree trustees who would have in harge the property of the lodge. Brothers Isaac Jenkinson, D. S. McCardel and William Wadington ere the first three to serve in this apacity. By the end of that calendar ear, Summit City had one-hundred wenty-nine members and a treasury alance of $366.99.

Being a prosperous organization, on anuary 22, 1864, a resolution was dopted to "henceforth pay the ecretary the sum of $20.00 per year or his services as such." In May of at year, the iniation fees were increased from $15.00 to $20.00. The llowing year, on July 7, 1865, the iiation fees raised to $30.00. The alance in the treasury had now risen $558.57.

It is perhaps interesting to note at prior to May, 1869, all of the fficers' stations of the Lodge were lled by election. However, on May 7 that year, the By-Laws were nended to provide that the offices Worshipful Master, Senior and nior Warden, Treasurer, Secretary d the three Trustees would be led by election and the balance of e officers will be appointed by the aster-elect.

The record would indicate that the rerunner of our presently known omecoming banquet was established the year 1872 when it was resolved at " in the hope of producing more terest in the institution of Masonry d more zeal among the brethern, at renion be held on the second iday in October."



Thus it was, according to Bro. uder's note dated 1880, that Summit ty Lodge No. 170 rounded out her st quarter century of existence with al assets of $4746.64, of which 275.00 was represented by stock the Masonic Temple Association o were then completing the new and first Masonic Temple Building, located on the northeast corner of Wayne and Clinton Streets.

During this twenty-five year period, the Lodge conferred a total of 866 degrees, which included the raising of 278 Master Masons, thus increasing the membership rolls from the original ten charter members to 288 plus 89 affiliated members for a grand total of 377. During this period, there were 41 deaths, 102 demits, 120 suspensions and 6 members expelled, which resulted in a net membreship on January 1, 1881 of 142.

Brethren—We have enjoyed another month of Fellowship in conferring our degree work. The Fellow Craft Club spent a pleasant evening at the Leo Lodge conferring the second section of the Master Mason degree. I would again like to thank Worshipful Master, John Birely, for the invitation and refreshments. The Fellow Craft Club is becoming more active and proficient on each occasion. Keep up the good work.

At this time we are investigating cost of equipment for the Fellow Craft Club. A few years ago we were unable to maintain a club that would be active and dependable so there was no need for equipment. Now the Craft is expanding, and is dependable so it is time to give them whatever is needed to operate a good Craft. If you are interested in expressing your desires, please attend the stated meeting on April 11th at which time a committee, consisting of the Past Master, William Turner; Senior Deacon, Robert Marshall, and Junior Warden, Clarence Carlson, will report on same.

Our Smorgasbord on March 12th was outstanding. Nearly everyone I talked to made favorable comments about the food and the orchestra. We had 288 people in attendance. Our Junior Warden, Clarence Carlson, is to be complimented on the decorations and efforts he put forth in making this Smorgasbord a success. Joe Roling, caller, and the orchestra did a magnificient job in making it possible for everyone to have a good time.

Another Smorgasbord is planned for October 8th, and we expect to have a record attendance.

Brothers our Chartered Members' Banquet will be held on Monday, May 2nd. You will receive a formal notice in the mail before long, and I am hoping that we will have a large turnout for this affair. We have engaged a speaker for the evening, which I know you will enjoy.

The summer months are here, so take time to get out in the fresh air, play golf, enjoy yourself, BUT REMEMBER, ATTEND YOUR LODGE AND ENJOY AN EVENING OF FELLOWSHIP. See you Monday evening.

Warm sunny days, kites flying in the air, robins chirping, now and then a bud peeping out and year end parties all serve to remind us that spring is just around the corner and that the close of another fraternal year is fast approaching.

At our first meeting in March, NeCaWa Club entertained with a program presenting the Melody Trio, three young girls from South Side High who played the violin, cello, and piano and a pianist and a vocalist from Huntertown High. We greatly enjoyed the music and songs these young people presented. After the program, refreshments were served in the Mezzanine. The tables were decorated in honor of St. Patrick and we all wore gay shamrock hats and sang old Irish songs. Every one joined in declaring the NeCaWa Club members to be clever entertainers.

We cannot describe all of the enjoyable as the one before, the prizes, gifts and favors all just as clever as the ones before. The Worthy Matron, the Associate Matron and I join in thanking the various chairmen and their committees for these lovely parties.

Brothers Cecil Sible and Ben Bennett, past grand patrons of the Indiana Grand Chapter have both been very ill. At this time, Brother Ben is still in the hospital and Brother Cecil is at home convalescing satisfactorily. Sister Helen Spindler has undergone surgery at the Lutheran Hospital.

We extend sympathy to Sister Mahala Drewitt in her sorrow at the loss of her sister and to Sister Ruth Tipton in her beravement at the death of her mother.

Congratulations are in order for Sister Marjorie Ellinwood, better known to us as Marjorie Hanley on the occasion of the birth of a baby boy.

Our Worthy Matron has this farewell message for us: "It seems only yesterday—but a year has gone, and another installation time is here. When I assumed the station in the East it was with pride and humility-pride in the record of Trinity Chapter, humility in the confidence you had placed in me. I am still proud of our chapter and humble in my thanks to have served you. The year has not been an easy one, but because of your co-operation, has been very satisfying. The future of Trinity Chapter is in good hands. Best wishes to all of the new officers for the coming year."

In closing, I, too, want to wish the best of luck to the new officers and to thank the officers of the past year and the members for the many courtesies extended to me. It has been a pleasure to serve the Worthy Matron and the chapter in this capacity. Gladys Brogard, Publicity Chairman.

We conferred two Master Mason Degrees this month and I wish to express my thanks to the Brethern of South Gate Lodge who assisted in the work. It is always a great pleasure to work Brethren of other Lodges in this great and glorous work. I would like to have all these Brothers visit us again. Let us have some of our own members attend these meetings also. The attendance has been exceptionally good this year and it would be wonderful to keep it that way. Why not set Thursday nights aside for Lodge nights to come down and enjoy the fellowship of your Brethern? Thus, you will get a lot out of Masonery. Hope to see you in Lodge next month.

MAKING OF MASONS

The making of Masons today should be the making of men, manly men. God-fearing men, honorable men, men who will endeavor to practise the tenets and precepts of Masonry as taught within our scared retreats. The true Mason today is he who, with faith in God, steps forth to fight the battle of the weak, to help the oppressed, to shield the innocent; one whose greatest pleasure consists in the promulgation of the universal brotherhood of man.—Masonic Chronicler.

Hello Sir Knights! Well here it is Spring! Another brand new season of this year. A season in which Fort Wayne Commandery can well make history. A season that will see a great amount of activity up in our beautiful asylum. Why not take an active part in those activities? Your presence will help a lot.

On March 12th a group of Sir Knights and ladies attended the Commander's Cotillion at South Bend Commandery. A very fine dinner and program was throughly enjoyed.

March 18th Fort Wayne Commandery journeyed to Angola to confer the "Order of Malta" in full form on a group of six candidates. The cast did an outstanding performance and throughly enjoyed the social hour following the meeting.

Your Commandery went back to work on March 24th and prospects are that it will be busy up to vacation time.

The state conclave at Muncie is fast approaching. The competitions, parade, and Grand Commandery Banquet will take place on Saturday May 14th. At the Saturday meeting our own Sir Knight Sameul S. Geake, D.G.C. will be installed as Grand Commander of Indiana. This should be a gala day and calls for a large delegation from Fort Wayne to attend the closing session of the Grand Commandery as well as take part in the rest of the events of the day.

Saturday May 21st we honor our new Grand Commander. By the time you read this, tickets for the banquet will be on sale. Get yours early.

The Drill Corps has received the drill schedule for competitions at Muncie and is hard at work to win that "B" championship. Are you coming up every Tuesday night so they will be sure to win?

Do you know you are the best Sir Knight somebody knows? See you on 5 Tuesday and Thursday nights.

WHO WAS PRINCE HALL?

This question is asked whenever reference is made to Freemasonry of the Prince Hall Affiliation. A brief answer is gleamed from Negro Freemasonry in America by Harold VanBuren Voorhis, 33°, of Red Bank, New Jersey.

The simplest answer is that Prince Hall was the first Negro who was made a Mason in this country, that he led a Masonic movement which later bore his name, and that because of his distinguished public services he was among the "first citizens" of the Boston of his day.

"Prince" is not a title. It was the man's first name. There is some difference of opinion as ot the exact date of his birth, but it is near the fact to say that he was born on September 12, 1748, in Bridgetown, in the Barbados, British West Indies —the son of Thomas Prince Hall, an Englishman, a leather merchant, whose wife was a free Negro woman of French descent. Prince Hall died in Boston on December 4, 1807, and was buried with Masonic honors in Copps Hill cemetery.

In 1765 he arrived in Boston and within eight years, by frugal living, he had saved enough money to become a freeholder and voter. In 1774 he was converted under th preaching of two pioneer Metho dists, Richard Bondman and Josep Gilmore. Prince Hall, who had use his evenings for study, became a ordained Methodist preacher in Cam bridge, Mass., and a leader of hi race in New England.

As the spokesman for the Ne groes, he won George Washington' approval of the service of free Ne groes in the Continental Aamy. Fiv thousand responded. He serve through the Revolution from 177 to 1782. Prince Hall advocated eman cipation in 1777, and in 1787 le the movement to secure educationa facilities forNegro children, and wa a passionate advocate of equalit before the law. He was an eloquen persuasive speaker. an ardent patrio a devoted Freemason.—National Obeserver.

At our stated meeting we elected four for degree work one restoration and presented a number of petitions which we will vote on April 18th, our next stated meeting. Companions, keep talking York Rite Masonry to your Blue Lodge Brother and keep those petitions coming in.

On April the 25th we will confer the Mark Master and Past Master degree, then on April 30th the chapter will open at 1:30 P. M. and give the Most Excellent and Royal Arch degree on 12 candidates and our dinner will be held in the dining room at 6:00 P. M. Admission will be your Fort Wayne Chapter No. 19 1955 dues card or $1:00.

Our recorder informs me that 1955 dues are slow in coming in. The dues in the chapter are due on or before the first day of January of each year. This no doubt is just an oversight of your companions, so try to take care of that small item and be sure to attend the chapter more often and make April 30th a date with your Chapter.

The North Eastern Indiana York Rite Association will confer the Most Excellant Degree and the Chapter from Muncie will confer the Royal Arch Degree so do not forget that date April 30th.

YORK RITE ASSOCIATION

The March meeting of the association was very well attended, the various bodies being well represented. After some discussion, October 28, and 29th were selected as the probable dates on which all degrees of York Rite will be exemplified. Preliminary planning for an effective presentation of the degrees in the various bodies, was made. The two Chapters will work together on the four degrees of Royal Arch Masonry. The Council will plan to give their two degrees, and possibly the Super-Excellent. The Commandery will plan for its part in their undertaking.

Various committees will be appointed from time to time as the need arises, to plan the many details incident to an affair of this kind. The four officers of the association accepted the responsibility of the over-all planning for this occasion.

It is now necessary for the members of the various bodies to get behind this event and help push it to a successful finish. Have you heard it said among your Brethern that they would like to take the degrees of York Rite, but that it takes too much time: so many nights for the Chapter, another night of waak for the Council, and other nights of the week for the Commandery, and that they cannot plan their time to meet that schedule. Then they say that they would take it if they could take it "all at one time." Here is your chance to sign them up. Remember the dates, October 28 and 29. Plan now to attend. Do all you can to help make this "the" outstanding event in Masonry in Fort Wayne this year.

Clem Wasson ---------- Secretary
R. 1, Antwerp, Ohio

The Brethren of Harlan Lodge No. 296 were very highly honored Tuesday, March 15, by a visit of a very distinguished guest, the most Worshipful Grand Master Brother Elmar C. Forks. The purpose of his visit was to present twenty-five year awards to thirty one members after which he gave a good talk. He told us all about the progress of the new nursing hospital at the Masonic Home. He informed us that contributions are coming in good but ore still some short.

It is with great pleasure for me to inform you that Harlan Lodge has contributed an estimate of $310.50 to date. We have a membership of 130 members. That is $2.40 per member. Brethern, that is good. However, our goal is $3.50 per member, which I think we will make as there is still some coming in. So keep up the good work and we will go over the top, it always makes us feel like we of Harlan Lodge have done more than our part in this great and good work. If you have given for this purpose thank you, If not, please send it in your Secretary.

I want to thank all the Brethren for their attendance and helping to make it meeting a great success. I also want to thank each and every one for bringing the good food, and I want to say, if you want good food, we have a potluck. The Lodge furnished the meat so our good committee got the ham and was that real good.

I surely enjoyed Grand Master Forks company. He is one grand fellow brother to have visit your lodge. I want to thank Grand Master Forks again for setting aside March 15 to come to Harlan Lodge. I know he is a very busy man. To me that will always be remembered as a great honor and favor, and thanks to the goodly number of brethren for their attendance, that is what makes me happy and think that I am doing something worth while. So please come again and we will try to make all our meetings interesting for you.

The Fellow Craft Club presented their play, "A Gift In Secret," at Roanoke on April 5, with a very nice attendance. A free will offering was received with half going to the Masonic Home Hospital from each lodge. This is one reason the members of the club receive so much good from the play, as they know they are helping a most worthy cause.

All members of Ossian Lodge are requested to attend stated meetings on the second Monday evening of each month. Only at stated meetings can Masonry in Ossian be fully regulated and governed. The business of your lodge is your business and without your voice and vote the work is partly done. We would like to request that all members watch for work this month.

Eastern Star installation last month was very ably done in a beautiful setting and appropriate remarks. The Star Points have been appointed and the chapter is looking forward to a busy year.

Again the Officers of Decatur Lodge No. 571 F. & A. M. greet each of you and invite you to attend the meetings of your lodge. We have just completed the installation of our ventilating system for the lodge rooms and we would appreciate your comments after inspection of the system. We take this opportunity to thank each of the Brothers who contributed so much of their time to this worthy project.

Our calendar of events for the next few weeks are the regular scheduled meetings. The Stated Meetings are on the second Tuesday of each month. Entered Apprentice is on the third Tuesday and Fellowcraft on the fourth Tuesday. The Craft Club Square Dance, a monthly event, is held on the Second Saturday and the Craft Club Stated Meeting is on the Third Monday. Please watch the local paper for notice of other Called Meetings.

Decatur recently enjoyed a trip to Amity Lodge in Huntington, Indiana where the Decatur Craft team exemplified the Master Mason Degree. A fine time was had and we are looking forward to their return visit.

We would like to remind the Brethern of our lodge, as well as those of neighboring lodges, that May 10, 1955 is that night set aside for our 50 year presentation. This will be a banquet followed by the pin presentation to Brother Glenn Warner after which our regular Stated Meeting will be held.

We take this opportunity to congradulate Brother Gene and Doris Hike who were recently installed as Worthy Patron and Worthy Matron of our local Eastern Star.

We have received correspondence from Brother Mart Gillson, Room No. 203 Masonic Home, Franklin, Indiana. Brother Gillson is anxious to hear from his many freinds and brothers in Decatur. Your letters will be appreciated.

Our Secretary is still receiving your contributions for the Masonic Home. Remember our goal—$3.00 per member. Have you contributed?

Elmer C. Forks

Gien W. Bowen

Fort Wayne Master Masons will be highly honored at the Indianapolis meeting of the Grand Lodge of Indiana on May 17th and 18th by having Elmer C. Forks preside as Grand Master.

Grand Master Forks, who was elected to this office in May 1954, has had a very busy year. Besides having most capably taken care of the various and intricate tasks of this office, including the representating of Indiana at meetings at Washington, D. C., Toranto, Canada, and numerous states, he has put on a very extensive and sucessful campaign to raise funds for the building of a large hospital building at the Indiana Masonic Home located at Franklin, Indiana.

Due to the resignation of Worshipful Brother Charles E. Lucas of Indianapolis, Grand Master Forks has appointed Glen W. Bowen of Fort Wayne to the office of Grand Steward and Tyler. Brother Bowen in 1937 was the Worshipful Master of Home Lodge No. 342, F. & A.M. of Fort Wayne. Grand Master Forks also served as Master of this lodge in 1943.

Spring is here, Companions, and only two more meetings to present that brother Master Mason's petition until activity in the Council will cease for the summer months. There has been a very marked absence of new Candidates for the Council this Spring for some reason, and we hope it may be a good omen for the success of the all-degree day, or convocation, planned by the York Rite Association this Fall. However, we'll be only too happy to confer the work at our May or June Assemblies on any who would perfer to complete the degrees without any delay.

See you at the next Stated Assembly, Wednesday, May 18th, 7:30 p. m. in the Egyptian Room.

My term as Sovereign Prince of election of officers at the annual meeting of the Scottish Rite bodies. It is with a great deal of relief and some regret, that I relinquish the office. My sincere thanks to the officers who served with me for their splendid cooperation, loyalty and untiring efforts in keeping the Council degrees at a high standard. Also, my heartfelt gratitude to the members of the two Council degree casts, for their willingness to always take their parts with enthusiasm and complete unanimity. Thanks are also due to the robing room staff, the makeup staff, the stage staff, the choir and the Scottish Rite office.

The following officers were elected: Albert R. Spencer, Sovereign Prince; George F. Hacker, High Priest; Zeus Campbell, Senior Warden; W. Carl Huber, Junior Warden; Orvis A. Dellinger 33°, Treasures; and Samuel S. Geake 33° Secretary.

The Council degrees were exemplified in an exceptional manner at the 1955 Spring Convocation. The efforts of all the Scottish Rite officers and workers combined resulted in an excellent Convocation.

Fort Wayne Chapter Order of De Molay

Greetings Fellows: And so another school year and another DeMolay semester draws near its final hours. The wonderful Indiana Spring weather plus the idea of Trout talk brought a big crowd to the April 12 meeting. Mr. Frey, father of Bro. Jim Frey, and President of the Northeastern Indiana Trout Association, presented our Order with an exciting evenings entertainment concerning Trout fishing. Mr. Frey introduced to us Conservation Officer Al. Watson who gave the DeMolays the details on Trout Fishing in Indiana. To back up the exciting idea that Hoosiers can be Trouters, Officer Watson, presented Jim Pembelton and Lew Geller who showed a film of the past Trout season in Indiana streams. The film was in color and I am sure that all present felt real eagerness for the coming opening day and felt real pride in their state. Many thanks to these outstanding citizens for their deeply appreciated program.

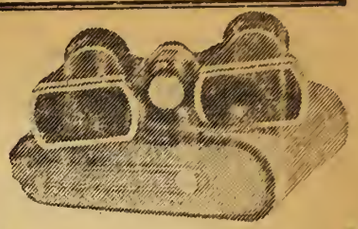
April 26 was the night of final initiatory Degree. Twenty-five candidates were initiated and I proudly say, initiated the best yet. To the officers of this Order, you have always realized that you are the vital part of our Chapters success and have always performed to the hilt of responsibility. The pride of your Order that you display, makes us equally proud of you. Thank you, thank you. Due to a South Side—Muncie Central Track meet, several of the officers were delayed in their arrival to the degree. I would like to thank those who so capably held the fort until their appearance. Jerry O'Brien for me in the East, Jim Frey for Terry Miller in the West, Mike Hartigian for Tom Pinder as Senior Deacon and all the others who helped make the show go on. The Chapter wishes, also, to thank Bro. Bruce Snyder for assuming the post of guide to the class and presenting their credentials to them. In spite of the splendid Initiatory Degree, I belive the Mothers Circle took the honors for the night. Every DeMolay and guest present had as much home made cake to eat as he could hold. On top of that eight cakes were given away to the lucky numbers. The only thing anyone could be sick about on April 26th was too much goodies. Our most sincere thanks to the very kind and generous Mothers Cirlce. Also a BIG thank you for our beautiful new make up case. It is perfect and has been needed so badly for a long time.

The Spring Conclave is the final formal work of this fine group of young men. It is the DeMolay Degree and Flower Cermony and will be held May 24th. The DeMolay Degree is entirely different in presentation from the Initiatory degree. It is a play. To name a few of the outstanding performers, Terry Miller as Jacque DeMolay, Jim Frey as Senior Inquisitor, and Dave Eitman as Junior Inquisitor. The Flower Ceremony is not a part of our ritual but is most inspiring and beautiful and must be given to all members. It will be given by Bro. Jerry O'Brien. There will be fifty-two candidates from Fort Wayne Chapter, also some from Huntertown, Portland and Peru.

June 3rd will be a proud night for DeMolay, indeed. At this time your new officers will be installed. This is the night of the creation of next fall term. I urge all of you to attend and to support your new officers in the challenge that lies ahead. The entire Chapter pledges to be behind these officers all the way, and I personally and most sincerely wish you the best of luck which I know will be yours. Parents and friends are invited and refreshments will be served.

From the East to You, Godspeed.

Just a word from "Dad".



Four members of the Fort Wayne Chapter were elected to receive the Degree of Chevalier, Richard Brantingham, Jerry O'Brien, Norman Miner and James Frey and they are justly deserving of this high honor.

The Chevalier Degree will be conferred on June 11th, this is the date of the State Chevalier meeting sponsored by the Chevaliers of the Fort Wayne Chapter. A large attendance is expected from throughout the state and the members of the Fort Wayne Chapter, parents and friends are invited to witness this beautiful degree. Let's demonstrate to our out of town visitors that DeMolay in Fort Wayne is up and going. This state meeting is a new event and we of Fort Wayne want the Chevaliers to go home talking about the wonderful time with Fort Wayne Chapter.

DEMOLAY MOTHERS CLUB

"Suprise Refreshment Nite" for our DeMolay sons was as usual a huge success. About 150 boys trooped into the dining room after chapter and were filled to capacity with home-made cake and milk. Thanks, Mothers, for your cooperation.

After being delightfully entertained by the Nebraska School Mothers Band at our April meeting, we are looking forward with much anticipation to a Garden Party (weather permitting) at our May 23rd meeting at 2422 Maumee Avenue, the home of Mrs. Albert Walda, chairman of the May committee. Assisting her will be Mesdames Harry Armstrong, Wallace Beer, Hubert Berg, Lyle Dougherty, J. M. Ebersole, Leslie Fleck, Henry Gollmer, Jack Hamlet, G. E. Hicks, Dillion Kable, W. N. Kingler, Harold Kroeger, Harold Matthias, Eli Meyers, True Sheets, Wm. Slyby, Eda Small, Frank Smith, Paul Spuller and Cyrus Senger. Every month our committees plan splendid entertainment for us so don't miss a meeting or you will really miss a good time.

We are now in the season when e earth puts forth new life and we rt all outdoor sports and games. It ems I have come to the age when just sit and watch the younger ys do the playing. However, I n still pitch horseshoe, fish, whittle stick, and tell the boys how we to do it. I don't think they belive but it is fun to tell them anyway. When I was a boy I loved to take my shoes and see haw fast I could through mud and water and feel mud ooze between my toes. Boy, could catch any calf that felt like ouldn't.

All these things bring good and memories. Good, that I was ng and healthy and have lots of thinking about it now. Bad, that an,t do those things so good any re. After a man is over forty he to hit a ball so darn far so he get to first base, there just isn't use trying. Then if he does get first base some young guy gets to bat and knocks a short home he is mad because some old- is in his way. So I guess I er pitch horseshoes. Mabe if the es came off a good gentle horse better put them on him and ride

ow, since you've read this lean k and think what you use to like lo when you were a boy and then t you like to do now. I'll bet will get in your car and take a long ride. But so much for that of thinking.

Again Decatur Lodge No. 571 F. & A.M., greets you and we hope this will find you in good health. Spring has arrived, and with it came a multitude of things which need to be done Gardens to plant, Yards to mow, screens to be hung and numerous other things around the house that have been postponed all winter long. However, Spring also brings a wave of degree work which has to be conferred. We have several candidates and would like to finish as many of them as possible before the heat of summer. Please watch the papers for any Called Meetings and plan to attend as often as possible.

May 10, 1955, the night of our regular May Stated Meeting, is the night of our banquet and 50 year Pin Award to Brother Glenn Warner. May 16, is the Craft Stated Meeting and May 17, will be Entered Apprentice work. Also, May 16 and 17 are the dates of Indiana Grand Lodge.

We are happy to report that both Brother Carl Hammond and Brother Harry "Peck" Essex are on the road to recovery. Decatur Lodge No. 571 wishes them God Speed in their recovery. If you know of any Brother who is ill, please contact the Senior Warden, Weldon Bumgerdner so that our lodge might contact them.

We would, at this time, like to make a plea for your assistance in the Fellowcraft Club. This is a worthy organization without whose help, aid, and assistance your lodge would become very handicapped. This is the organization which makes the biggest stimulant to your lodge. Our Craft Club is planning several interesting events thru the summer which includes a family day trip to Chicago. Your participation in the Craft is one of the best ways to lear to love Masonry.

Another busy month past and we introduce five newly made Master Masons; Troy E. Yeomans, Carl Schlatter, George Limecooley, Herbert Lehman and Lawrence Bunnell.

The next two monthe we will be at labor each Monday evening so lets keep up our attendance.

I want to make one final appeal for voluntary contributions to the Masonic Home Hospital Fund, not to be begging, but to make sure every member has been given an opportunity to have a part in this noble project, which will be a monument to Indiana Masonry. We are approximately two hundred dollars short of our goal so please forward your contribution to our secretary if you have neglected to do so.

Our family night held April 29th was well supported and from the members favorable comments I pronounce it a most successful evening. The dinner was delicious and the entertainment splendid. The group of eight grade talent from Adams school comprising Karen Ballou, Karen Simpson, Joan Montel and Walter Guenin presented an unusual program of songs and pantomine. Thanks to you Wayne Brown, for bringing them to us. The featured part of our program presented by Robert and Maxine Wedertz consisting of magic and ventriloquism was greatly enjoyed by all.

The month of April also brought grief upon us. Two faithful brothers answered roll call in that Grand Lodge above. Bro. Ried W. Green passed away April 18 and Bro. Don B. Evans, our tyler for some 25 years, on April 2th. Twlight services were held for both Bro. Green and Bro. Evans.

We join the bereaved families in mourning the loss of these "our" brothers.

Attention Sir Knights! We are fast approching those glorious vacation months when thoughts of favorite vacation haunts keep crowding in our minds. Of course all eyes are focused on New York City this August, to take part in the Tri-Annual Convocation.

But before that we have the State Conclave in Muncie on May 13 and 14. The Drill Corps has been hard at work for that Competition. And the Band has been getting in shape for the big parade. If any Sir Knights play a horn and wish to play in the band contact Sir Knight Russel Wharton.

Don't forget the big reception and dinner for Samuel S. Geake Saturday May 21st. Dinner tickets are $1.50 per plate. We already have quite a few reservations from Masonic leaders of the state. This promises to be a gala affair. Get your tickets now!

If you have not seen the Orders conferred lately you will have an opportunity Saturday afternoon and evening, June 4th. We will begin work at 1 P. M. This will be the last work conferred until fall. Get that petition in quick. This will be our annual Ham and Bean dinner with a nomial charge.

I am pleased to announce a very nice turn out for our Easter Sunrise service. Sir Knights Don Thrasher and Ed Klomp served an excellent breakfast to about 400 attendants. Thanks Don and your assistanst for a good job well done.

We will again support Knight Templar days at Camp Crosley by sending two boys. The Knight Templar period this year will be from July 31 to August 7. If any Sir Knight wishes to send his son to this Camp for this period he may do so by contacting Sir Knight Doyle White and paying the fee to him.

ANCIENT AND MODERN ALTARS

The first devout people who conceived the existence of the one God, called by Masons the Great Architect of the Universe, thought of Him as elevated in the highest seat in the heavens. As they meditated on the vast expance existing between Creator and created, they worshipped Him on bended knees in an attitude of humility, and erected altars of stone or other material whereon were laid sacrifices and oblations. In Masonry and in Christian churches, the altar is the center around which devotions are made.—LaPorte Trestle Board.

Another year has just been completed and we are now on the threshold of a new one. Another milestone has just been past in the History of Trinity Chapter. Our compliments go to our junior past matron and to her Corps Officers for piloting our Chapter through another successful year.

Trinity Chapter held their Installation of Officers on Monday, March 28. Sister Gertrude Dickey, Past Matron of Trinity Chapter and the District Deputy of District No. 14 for 1954-55, was the installing officer. She was assisted by Loretta Rippe, installing chaplain, Willadean Todd, installing marshal and Vera Sessler, installing organist.

The officers that were installed were, Worty Matron, Franeis Van Swearingen; Worthy Patron, Lavern Amstutz; Associate Patron, Neil Glock; Secretary, Eugenia Wood; Treasurer, Mary Henninger; Conductress, Edith Sherwin; Associate Conductress, Marjorie Simmers; Chaplain, Albert White; Marshall, Flora Barlow; Organist, Doris Thiebolt;, Adah, Dorothy White; Ruth, Geneva Ash; Esther, Raydeen Miller; Martha, Margaret Hartsing; Electa, Betty Smith; Warder, William White; Sentinel, Nellie Larmore.

Sister Francis was escorted East by her sister, Lola, and her brother, Paul, through an aisle formed by Lillian White, Doris Thiebolt, Annabelle Glock, Carolyn Wyatt, Cecil Ward and Peg Gochenour holding open bibles and ribbons forming an avenue for her to be escorted through. Mrs. Florence Starr sang a beautiful hymn, "Feed My Sheep", as Sister Francis was escorted East. Sister Loretta Rippe presented her with a bouquet of yellow roses, a gift from the Chapter.

Brother Lavern was escorted East by his son, Richard, through an aisle formed by Brothers Edson Dickey, Bill White, Earl Hart, Al White, Bob McClure and Neil Glock, wearing carpenter aprons and carrying carpenter tools. (Our Worthy Patron is quite a handy man, but his hobby will have to take a back seat this year.) His daughter, Jackie, sang to her Dad, as he was escorted East, appropriate words to the tune of "Mr. Sandman."

An impressive ceremony was held by the Star Points reading verses from the open bible in the East, at the conclusion of which the Associate Matron and Associate Patron presented gifts to the Worthy Matron and Worthy Patron from the Officers.

The Worthy Matron's Motto this year is "Love Thy Neighbor". Her colors are yellow and white. The yellow she took from the Ruth's station which was the station her fraternal mom, Gertrude Dickey, held and the white from the chaplain's station which she held when Gertrude was Worthy Matron.

Sister Sonoma Woodruff, Sister Lettie Dickey and Brother McKesson were distinguished guests in the East.

At the Chapter's meeting held on April 1, Sister Eugenia Wood presented to Elmer Forks, past patron of the chapter and at present the Most Worshipful Grand Master of the Grand Lodge, on behalf of Trinity Chapter a wheel chair for the new Nursing Hospital soon to be erected

Mothers Day program have been planned. What they have planned for the entertainment of the members is a secret but it will be well worth your while to come to chapter and see it. We all know television is entertaining and tempting to stay home and watch but you can do that the other six nights of the week. Come out and support your chapter and officers as well as the committees. Show them you appreciate the time and efforts that they have put forth to make your chapter one to be proud of.

On May 16th the chapter will have their first initiation with the new officers. Also by the grapevine (you know the grapevines have been busy this month) we hear there will be refreshments after each of the meetings in May.

The program committee will meet on May 9th at the home of Catherine Freichey, 2945 Euelid with Mildred Thomas assisting.

The first meeting of the year for the Cheer Committee was held at the home of Vida Wood with Mary Hawkins assisting on April 11th at 1:00 P. M. On May 2nd they will meet at the home of Margaret Hamilto, 1227 Michigan with Ida Mae Scott assisting. Anyone hearing of any illness, bereavement or blessed events pretaining to the members or their families, please notify the committee or your Worthy Matron.

Sewing and Decorating committee met on April 14 at the home of Linda Schremser with Marjorie Miser assisting. No information as to their plans for this year and their meeting place for May were available as we went to press.

The Choir, a very important part in our ceremonies, is under the capable direction of Doris Thiebolt and met on April 18th at her home for their first meeting of the year.

The Social committee will meet on April 28th at the home of Louise Wilkerson and assisted by Esther

Thunberg. Nothing more needs to be at the Masonic Home in Franklin. A reception was held to honor the new officers on the mezzanine after the meeting and refreshments were served by the Social Committee.

The Ways and Means Committee is to be piloted this year by Catherine Robb as the chairman and Anita Silkworth as the co-chairman. They have been very busy arranging projects to make money for our chapter this year. Before continuing with the other committees, a couple of these projects should be brought to your attention at this time. They will need the help of all the members to make them a success. Pleast do not wait to be called or contacted. Anything any member can do will be greatly appreciated by the committee. On May 13th the committee is sponsoring a Bake Sale at Wolf & Dessauer. They are in need of a large quantity of baked goods for the sale so please donate. If you cannot bring it to W & D's before noon on that day, call Marjorie Miller, A-64011 and she will arrange to have it picked up. The next big project for the committee is the rummage sale to be held on June 6. This is to be held at 2031 S. Lafayette St. You are, no doubt, in the process of housecleaning so remember Trinity this year and gather up your rummage and call Sister Catherine or one of the members of her committee. They will be most happy to pick it up. The first meeting of the year was held at Catherine Robb's home with Anita Silkworth assisting. The meeting on May 10th will be held at the home of Raydeen Miller, 2215 Curdes with Betty Clippinger assisting.

The program committee met on April 11 at the home of Sarabel Sprowl with Mary Lukens assisting. By the grapevine we are hearing that they are planning some nice programs for the chapter this year. They already have a nice one arranged for the May 2nd meeting. At this meeting the Birthday celebration and a said when this committee is in such capable hands and Louise and Esther. It is assured that they will do their best to serve the chapter not only in refreshments many times this year but will devote another year of service to our chapter.

Hi Gang!

Heres a little food for thought that I would like you all to remember. Don't grieve because you are not like other girls
In form or in stature or grace,
Remember, you are aperson unique,
Set apart from the whole human race.
You have a distinct personality belonging to you alone,
So cherish it, nourish it, make it to grow
And prize what is your very own.

The 30th Anniversary of Job's Daughters in Fort Wayne was May 3rd and we had a birthday party. This was also our Past Queens and Past Guardians and associate Guardians night so we were very happy to see so many guests and friends at this meeting. Many, many thanks to all who helped make this evening so enjoyable.

We all worked very hard on, and anticipated the inspection by our Grand Guardian Mrs. Alda Kemp and the Grand associate Guardian Mr. Momer Loveall May 16th. It was a great honor to have so many distinguished guests at our banquet and meeting. The banquet "Pirate" theme was carried out very nicely by chairman Judy Goller who was assisted by Judy Hollenbeck, Betsy Masel, Sue Travis, Barbara Sills, Barbara Stanberry, Kay Perrin, Nnacy Baker, Judy Nickols, Carolyn Denis, Nancy Doty, Joan Roberts, and Sharon Simmers. Thanks girls for a tremendous job. Thanks to the Sociability Committee also for preparing such a delicious dinner.

Girls, the time of Grand Council is drawing closer and I would like to have as many girls as possible going. The cost will run about $15 to $17. For more information call Mrs. Perrin E-1411.

The rummage sale is to be June 3rd. We are hoping this will be a big success, but without your backing success will be almost impossible. If you have any rummage, please bring it to the meeting or call me and I will arrange to have it picked up.

Well gals, try real hard to behave yourselves and I'll see you all at the next meeting.

Bro. Lester L. Holmes, member of Mt. Juneau Lodge No. 147, Alaska, and Bro. Frank F. Wheeler, Muscoda, Wis., aged 102, was recently made a Shriner and the oldest ever initiated. He retired about a month ago from the insurance business, He become a Mason at age 100.

Ques: Why is the name "Tyler" used for the Outer Gauard of a Lodge?

Ans: Lodges in the Middle Ages had three guards, one inside the door one outside, and one on the roof or tiles. The two outside were known as the Outer Guard and the Tyler. Later the duties became combined in one and he was known as the Outer Guard or Tyler as we have him today.

Watch this column for details on dates of 50 year award presentation which has been tentatively set for June 16, 1955 at 8:00 P. M. This date is subject to change.

Many happy and enjoyable hours are spent in working together to promote the welfare and prosperity of our order.

Greetings from Leo Lodge. Another month has passed and it has been a pleasant one. I would like to thank the Fellowcraft Club from South Gate Lodge for services rendered on our last M.M. degree. Also the invitation to their last smorgasford was greatly enjoyed.

The retiring O.E.S. officers finished a busy year and it has been a great pleasure for my wife and me to work with these officers. I hope the new officers will get as much enjoyment from the work this year.

Thank you brethren for your good attendance in the past month. Your officers and myself appreciate your interest in the degree work. Although sping is here, and many things to do, we hope you will still take time out to come to lodge.

Our Junior and Senior Wardens and myself visited with the sick list last month and found Br. John Davidson recovering very nicely, Bro. Jack Evans ready to leave the hospital, and Bro. Kenneth Lyttle about ready to go back to work.

Our April 5th carry-in supper turned out to be a very enjoyable evening of fellowship and entertainment.

Grand Lodge convenes May 17th and 18th which I hope to attend. I will report to you as much as possible.

We will be busy next month so don't forget the lodge needs you and you need the lodge, so we'll be seeing you on lodge night.

We enjoyed a banquet in the dining room and were entertained after the meeting by the Scottish Rite orchestra and a Mother's Day program planned by the program committee. May 17th., will be Friends Night. Come and greet old friends and meet new ones. The Star of the East drill team will put on an exhibition for us. The June 7th., meeting will be Obligation Night.

We are sorry that Mary Miller is ill. That old flu bug kept Gertrude Knight and Emma Schell from attending a meeting. Eva Mosier is improving, but still is not able to be with us at the Temple.

The Day Group of the Benevolence Committee will meet June 1st., with Wanda Rippe and the Night Group with Ann Forst on May 23rd.

The annual banquet of the Stitch and Chatter Club will be held at the Colonial on May 11 at 6:30. Doris Thiebolt, Cecil Ward, Nellie Larmore and Gayle Rugman are the hostesses for this dinner.

In closing remember to attend the chapter meetings and support your officers. It takes the people on the sidelines as well as the officers to make a successful and enjoyable meeting. Also attend your committee meetings, for it is at these meetings

Greetings Brothers: The month of April has been a mos t busy and interesting one. We were pleasantly surprised on April 23 when P.M. Robert Houser dropped in for a visit. Bob now lives in California, and had not been back for a lodge visit for over 10 years. He was surprised also to see his nephew, Donald Surfus, receive his Fellow Craft degree.

The spring class of Scottish Rite had 17 members from Huntertown; —Congratulations to t h o s e new brothers and to Floyd Gause and Bob Jensen, our ambassadors.

We were further honored by a visit of 30 Brethern from Peru—Miami Lodge No. 67, who conferred the Master Mason degree on Bros. Karl Seifert and William Holmes in a most outstanding manner. Thanks Worshipful Master Titus for a very excellent job.

I never fail to marvel at the latent value contained within the instruction and lectures of each of our degrees and how each of us would benefit so greatly were we, not only to absorb, but to radiate these qualities in our daily contact with our fellowmen.

We have no degree work scheduled for May but your Worshipful Master and Senior Warden will attend Grand Lodge, May 17 and 18.

At this writing Bro. James Houser is confined in St. Joseph's Hospital following an injury while at work. We pray for a speedy recovery, Bro. Houser.

Huntertown Jobs Daughters have inspection by their Grand Guardian scheduled for Friday May 20. We are quite proud of our girls and those of you who have not attended their meetings are invited to do so, their regular meetings are the 1st and 3rd Mondays. Master Masons and O.E.S. members are eligible. Huntertown is further honored to have a Grand Bethel officer, Bro. Roscoe Bockman, who really dose a wonderful job with this order. Lets have your support too.

On April 26 the Fellowcraft Degree was c o n f e r r e d on Bro. Donald Walters who was home from the Army. Bro. Ray Means acted as Senior Deacon for the second section and was assisted by Bro. Beeks Erick in giving the lectures.

We hope that by the time this is printed more progress will have been made on the Temple. Work has been almost at a standstill for a couple of months.

We regret to report the illness of Bro. Harvey Hull who has been in the Hicksville hospital.

During the month of April we had several invitations to put on Master Mason Degree, which we enjoyed very much. We visited Columbia City, Markle, and Sol D. Bayless. The Fellow Craft Club did a very good job and enjoyed the fellowship with the Brothers from the other lodges. Sol D. Bayless Lodge conferred the Second Section of the Master Mason Degree for our entertainment. I would like to thank the Masters and Wardens in behalf of the Fellow Craft Club for the fine entertainment and refreshments.

Brethren I realize that with your many activities that it may be impossible for you to attend the lodge each Monday evening, but if you would consider the officers and realize the responsibilities they have in carrying out their duties, and disregarding the many houre they put forth, I am sure that you would see fit to make arrangements to attend your lodge at least on Monday during the month. If each of you would do this the attendance would automatically increase from 25 or 30 to approximately 70 people. I do not feel that it is asking too much for you to do this as you have been informed many times—you only get out of Masonry what you put in.

During the summer months the attendance drops off considerably, and the lodge is dark during July and August with the exception of the stated meetings.

As we return to degree work in September your officers would appreciate having you present to offer suggestions, comments or criticism whichever it may be. If you will do this I am sure you will enjoy your lodge, and you will help your officers in their responsibilities.

Com. in Chief

Verlin J. Harrold ---------- C.C.

Samuel S. Geake --------- Secretary
Scottish Rite Cathedral A-6495

Our Spring Convocation was made historic by the visit of our Sovereign Grand Commander Ill. George E. Bushnell, who was here for three days andwho was our Banquet Speaker on Thursday evening.

All of us were deeply interested in Sovereign Grand Commander Bushnell's talk about "Masonry Around the World" and the mention of the Scottish Rite in the Northern Indiana Masonic Jurisdication. At the concluison of his visit Sovereign Grand Commander Bushnell expressed his pleasure at the hospitality extended him here and his appreciation of the excellent work in the various degrees.

Our Convocation was strengthened by the visit of our Indiana Deputy Ill. Brother W. Henry Roberts of Indianapolis and Active Ill. Brother Frank C. Zaieck of Evansville. We also made it an occasion for giving special recognition to the Most Worshipful Grand Master of the Most Worshipful Grand Lodge of Indiana Ill. Brother Elmer C. Forks, who has long been active in the Rite of our Valley and who had a part in both the 21° and 32°.

Class officers selected for the Fred W. Krueper Class, as our Spring Class was named, were: Walter O. Menge, Fort Wayne, President; Rev. A. C. Uuderwood, Perú Vice President; John W. Wray, Muncie, Vice President; Robert M. Thrush, Laotto, Vice President; Rev. Edward C. McCance, Wersaw, Orator; Lyle Hodel, Fort Wayne, Secretary-Treasurer and Arthur A. Osburn, Jr., Marion, Historian.

Brother McCance made an excellent response for the Class at the Banquet on Thursday evening.

A high light of the Consistory Degrees was the exemplificiation of the 27° by the Grant County Brethren in our Scottish Rite Auditorium on Wednesday evening. The cast was a very large one for that rousing degree and the smoothness of the work acclaimed the faithful practice that had gone into it for several months.

It was a big undertaking carried on with dispatch in making up the members of the 27° cast at the Cathedral and transporting them by bus to the Auditorium for their work. It brought out the activity of our Make-Up Department and the stage crew in faithfully doing their part in making the project a success.

An unusual feature of the 21° on Thursday morning was the fact that 19 members of the cast were illustrious Brethren, who backed up Lt. Commander Ill. Brother Edwin R. Thomas with a fine performance in bringing out the lesson "Justice is the First Virtue of Those Who Command".

The 20° struck its high patriotic note as usual with the performance of an able cast and the 32° through its colorful allegory was a fitting climax to the lessons portrayed in this Convocation.

Special note should be made of the excellent music rendered at our Banquet by our Scottish Rite Orchestra under the direction of Russell Wharton and of the numbers given by the Scottish Rite Choir directed by Robert Shambaugh with Harry Bratton at the piano. Received with special enthusiam was the final number of the Chior which was Victor Herbert's "Romany Life" featuring their soprano soloist, Jeanne Flora.

With the annual meeting there will be a change of officers for the Consistory and your Commander-in-Chief desires in parting to thank all of those who have strengthened the work of the Consistory during the past three years and to express his confidence in the new administration which will be suported by the fine loyalty of our conscientious brethren.

Thank you brethren for your good attendance in the past month. Your officers and myself appreciate your interest in the degree work. Although spring is here, and many things to do, we hope you will still take time out to come to lodge.

Our Junior and Senior Wardens and myself visited with the sick last month and found Brs. John Davidson recovering very nicely, Bro. Jack Evans ready to leave the hospital and Bro. Kenneth Lyttle about ready to go back to work.

Our April 5th carry-in supper turned out to be a very enjoyable evening of fellowship and entertainment.

Grand Lodge convenes May 17 and 18th which I hope to attend. I will report to you as much as possible.

We will be busy next month so don't forget the lodge needs you and you need the lodge, so we'll be seeing you on lodge night.

K.Y.C.H. ELECTION

The annual conclave of Indiana iory No.8, Knights of the York oss of Honor was held Saturday afternoon in the Egyptian Room of the Fort Wayne Masonic Temple May 21st with Howard H. Spaulding of Madison presiding as Eminent Prior. A dozen candidates were installed as members.

The Grand Master General of Convent General of the United States, Edwin E. Gruener of Pittsburg was present and besides giving a very helpful talk to the Priory, also installed the newly elected officers for the coming year. They are Harry Swan of LaPorte, Eminent Prior; George C. Harper of Frankton, Deputy Prior; Past Prior Brown Cooper, Registrar-Treasurer; Paul G. Smiley of Washington, Warder; Samuel S. Geake of Fort Wayne, Prelate; Glen M. Smith of West Lafayette, Orator and Earl B. Forney of Elwood, Herold.

There were about forty members in attendence among whom was Herbert C. Leyland, a Past Grand Master General living in Dayton, Ohio, who made some very enlightening remarks on the history of the organization. After the closing of the Priory, the members attended the opening of the Grand Commandery in the asylum of Fort Wayne Commendery to honor the new Grand Commandor of Indiana Right Eminent Sir Samuel S. Geake. Our wives then joined us at the reception in honor of our newly installed Prelate and also at the dinner given in the Scottish Rite Cathedral which was the most unique and outstanding party ever given at Fort Wayne Masonic function.

Some fifty members attended a breakfast Saturday May 14th at the Y.M.C.A. of Muncie while the sessions of the 101st Conclave of the Grand Commandery of Knights Templar were being held in that city.

As you possibly know, Grand Lodge at it's session held May 17th and 18th, granted our Lodge a Charter.

Your Officers have contacted the new Grand Master and have set the date of June 22, for the presentation of our Charter. This affair is to be held at the Masonic Temple in Fort Wayne as our Lodge Hall is not large enough to accomodate the expected gathering.

We plan to have the same Temple beginning at 6:30 P. M., after which we will adjourn to the Lodge room for the presentation.

We would like to have our ENTIRE MEMBERSHIP present for this occasion. Due to our poor financial condition, we shall have to make a charge for the dinner of $2.00 per plate. Reservations must be in by June 15.

Plan now to attend and get your reservations in to your Secretary early. As many of the Grand Officers as are able to come will be here and we are looking forward to a gala event.

We have invited the members of all the Fort Wayne Lodges to come. Contact your Secretary or get in touch with a member of Waynedale Lodge to secure your ticket.

Recently you received a copy of the Scottish Rite Standard in which the dates for the fall reunions were given and it is hoped that the program as outlined will please everyone.

For some time we have been asked why we did not hold more degree work in the evenings so that candidates would not have to lose so much time from their work. The program for fall calls for work from the 4° thru the 18° will be given at night and then those taking the work at that time will join with the regular three day convocation to receive the Consistory degrees. The evening work will start on October 27th and again on November 3rd and November 7th. These three nights will complete the degree work thru the 18°. The regular three day reunion will start on Thursday, November 10th and run thru Saturday November 12th. Please note that instead of the regular days of Tuesday, Wednesday and Thursday this fall the work will start on Thursday and continue on Friday and Saturday with the convocation banquet being held on Saturday evening November 12th.

The Secretary advises that there are still some unpaid dues and he would like to have them taken care of before the vacation season sets in. Notices were recently sent out to all members who do not have their current card.

The officers of all the bodies wish you and yours a very happy summer and vacation and trust you will get back into action in the fall so that we will have a fine class of candidates ready for the fall convocations.

WHAT IS THE SUPREME COUNCIL?

Because of a constantly changing personnel in the membership of the Supreme Council, both Active and Honorary, it is necessary to ask and to answer this question every few years. It is generally known that the Supreme Council 33°—sonorously described at length in the Offical Declaration which opens and closes our various Bodies—is the governing Body of the Scottish Rite. It has sole responsibility for laws and regulations, rituals, finances, supervision and control. As of October 1, 1954, the Supreme Council consisted of 50 Active, 4 Emeriti and 2420 Honorary Members. The business of the Supreme Council is transacted in excutive and general sessions. Honorary Members have a voice in the general sessions but no vote. At an Annual Meeting which convenes each year on the fourth Tuesday in September, adjourning on Thursday, it is customary to admit 32° Masons at the first two general sessions.

It is not a delegated body in the sense that the Active Members represent the 15 northern States, as men would represent their constituencies in Congress. The late Ill. Samuel H. Baynard, Jr., 33° made this clear when he was Grand Secretary General: "While each District (State) has from two to five Members, they are Active Members of the Supreme Council for the particular District and not Active Members from the District in the Supreme Council." That is to say—an Active Member is not representative of his State in the Supreme Council, but he is the representative of the Supreme Council in their local communities. When two Supreme Councils united in 1687 to form our Supreme Council provision was made for a possible Active membership of 66. The actual membership in 1867 was 56 and, in practice, the membership seldom exceeds fifty.

This means that each Active Member must have a jurisdictional mind. To paraphase Paul's indictment of the partisan groups in Corinth, no one should say "I am of Maine," or "I am of Wisconsin"—or of any state in between. He is of the Northern Masonic Jurisdiction no matter where he lives. Theoretically, the Supreme Council would still be a hierarchy if there were but one Active Member but, of course, it would not function impressively! As a matter of fact, the Supreme Council is deeply interested in the Districts or States. An Active Member may always refer to conditions in his own District to inform his brethren or to clarify an issue, provided it is clear that his primary concern is for the jurisdiction.

The Constitutions provide for the election of a Deputy for each District who, as the offical representative of the Supreme Council, enjoys a wide range of authority. He enlists his fellow-Actives in visitation and supervision and transmits an annual report to the Sovereign Grand Commander.

Elections in the Supreme Council, which are held in Boston every three years, are unique. With only an occasional exception since 1867, there have been no "candidates" in the sense that a given Active Member offers himself for a given office and solicits support. He would feel very lonely; Any evidence of a "campaign" is not greeted with enthusism and an organized movement to elect any certain brother usually defeats itself. One may always say to a colleague, "I am inclined to vote for————" but if one tries to secure votes by what is called "politicking" he runs into a stone wall of precedent. The Supreme Council is very sensitive on this point. Our present Soverign Grand Commander expressed this traditional attitude when he said, "Anyone selected by my brethren is satisfactory to me." There was no hint of a personal preference.

To sum up—the Supreme Council 33° is a self-perpetuating hierarcy which is basically democratic in its procedures. To use a colloquial phrase, if any active or Honorary Member "throws his weight around," acts as though he were set apart from his brethren or attempts to control local policies, he misrepresents the Supreme Council. The elected and appointed officers of each Scottish Rite Body in a local Valley are the responsible leaders in that Valley and have complete authority within the framework of the Constitutions. A member of the Supreme Council should be a genial counselor, not a boss, working with the local officers, not directing them. The more he keeps out of the limelight the brighter he shines. When the Sovereign Grand Commander or the Deputy speaks there is an accent of authority. We are all bound together in the historic "Chain of Union" and believe passionately in what Tennyson calls "the common sense of most."—Mellyar H. Lichliter..

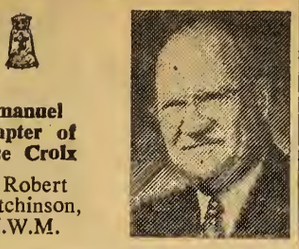
IGNIFICANT DEFINITION OF FREEMASONRY

by Rabbi H. Geffen. 32° F.P.S.)



Dr Mackey defines Freemasonry to
e science which is engaged in the
arch after Divine Truth, and which
nploves symbolism as its method of
struction. There are many defini-
ons of Freemasonry. Bro., Jeremiah
owe in his excellent Freemason's
anuel, says:—"Speculative Masonry
a science, which borrowing from the
perative art its working tools and
nplements, sanctifies them, by sym-
olic instruction to the holiest of
rposes—The veneration of God,
d the purity of the soul. The Opera-
ve Mason constructs his edifice of
aterial substances; the Speculative
ason is taught to erect a spiritual
ilding, pure and spotless, and fit
r the residence of Him, Who
velleth only with the good. The
perative Mason works according to
e designs laid down for him on
e trestle board by the architect;
e Speculative is guided by the great
estle board, on which is inscribed
e revealed will of God, the Specula-
ve Architect of Heaven and Earth.
he Operative Mason tries each stone
d part of the building by the
uare, compass, and plumb; the
eculative Mason examines every
tion of his life by the Square of
orality, seing that no presumption
r vainglory has caused him to
ascend the level of his alloted
stiny, and no vicious propensity has
d him to swerve from the plumb
e of rectitude....

Masonry is a progressive science,
d not to be attained in any degree
f perfection, except by time,
tience, and a considerable degree
f application and industry; for no
he should be admitted to the pro-
undest secrets or highest honors of
e Fraternity, till, by time, he has
arned secracy and morality.

In our own times, the vast progress
d general diffusion of Masonry
roughout the habitable globe can-
t be satisfactory to every one in-
rested in the cause of humanity and
e happiness of his species. At
esent, as in every former age over
hich it had spread its principles,
asonry constitutes the affectionate
d indissoluble alliance which unites,
warm cordiality, man to man. It
rms the most liberal and extensive
nnections. No private prepossession,
r nationl predilection, no civil
licy, nor ecclesiastic tryanny, no party spirit, nor dissecial passion, is suffered to prevent the engagement, or interfere with the free exercise of that brotherly love,, relief and fidelity, which it never fails to produce. It has for ages been lamented that petty distinctions and partial considerations, irrational projudices and centracted sentiments, should so much obstruct the free intercourse of mankind. Masonry breaks down these barriers. In its solemn assembly, around its social altar, meet the inhabitants of different countries with benignant looks of esteem, and sentiments of unfeigned friendship.

Around distant lands it casts philantrophy's connecting zone, and binds together in the same sympathies the whole family on earth, blending their resources in a common stock, and forming a community of interests. Freemasonry makes the prosperity of each individual the object of the whole; the prosperity of the whole the object of each.

Oliver in his Historical Landmarks says: "The definitions of Masonry have been numerous, but they all unite in declaring it to be a system of morality, by the practice of which its numbers may advance their spiritual interests, and mount by the theological ladder from the Lodge on earth to the Lodge in Heaven." It is a mistake, however, to suppose that Freemasonry is a system of religion. It is but the handmaiden to religion, although it largely and effectually illustrates one great branch of it, which is practice. The definition in the English lecture is most often quoted, which says that "Freemasonry is a beautiful system of morality, veiled in allegory and illustrated by symbols." The main significant definition of Freemasonry is that the Mason must feel and be convinced by reason, that he has been created by Almighty in His own image and likeness. The philosephy of the Order teaches and encourages the Craftsman by its ceremonies and instruction that the noblest purpose of life and sublimest duty and obligation are to strive to be the master over himself, of his spiritual and Divine thoughts, and abandon his material and sensual evil inclinations. He must subjugate the human within him; he must conquer his Appetites and evil desires. Moral sense and reason shall be his pathshowers and dictate his entire life. His spiritual nature shall declare war against his unmoral covetedness. This is what Masonry teaches us, and these are the firm definitions of the Craft.

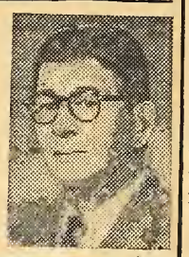
Our Centennial Banquet will be held October 15. Reservations will be mailed to you. This will be for Summit City members and their ladies. Dr. Kenneth McFarland will be the after-dinner speaker. He has spoken in Fort Wayne to such groups as Chamber of Commerce, Medical Society, and National Supt., of Schools. I'm sure you will want to hear him.



After finishing with two candidates in June, the lodge will be dark until September.

SECOND CHANCE

If the Lord should ask me
What a second time I'd be—
If allowed another birth
On this sadly troubled earth,
I should answer: " Make me so
I'll have friends where'er I go.
"Touch my hands with useful skill;
Give me courage, sthength of will;
Give me breadth of heart and mind
So that good in all I'll find.
Fair and honest I would be,
Even with an enemy.
"Grant me faith, when I must grieve,
In Thy goodness to believe.
Give me pity for the weak.
Make me slow in rage to speak."
These few gifts are all I ask
For a second earthly task.

Fort Wayne Consistory

Al L. Hastings
Com. in Chief

A. L. Hastings ..... C.C.

Samuel S. Geake ..... Secretary
Scottish Rite Cathedral A-6495

At the annual meeting held May 3rd the following were elected and installed as officers of Fort Wayne Consistory for a term of three years: Al L. Hastings, commander-in-chief; John E. Hoffman, Jr., first lieutenant commander; Dean B. Needham, second lieutenant commander; Orvis A. Dellinger, 33, treasurer and Samuel S. Geake, 33, secretary. The names of the appointive officers will be given at a later date.

Before turning to the wark of the furture, we voice our appreciation and thanks to Illustrious Brother Verlin Harrold who served our Consistory so admirably during his years in the line culminating with his term as commander-in-chief. We hope we may be able to advance the aims of the Consistory and Scottish Rite in the same splendid manner.

Although the summer months and vacations are here, which it is hoped all will enjoy to the utmost, we should keep in mind the plans for the Fall Convocation. With the thought there are many of our masonic brethren who would like to receive the Scottish Rite Degrees but are unable to attend during the week days they are now invited to join a special night class. This class will receive the degrees conferred by the Lodge of Perfection, the Council and the Chapter at night. They will then join with the class for the regular Fall Convocation for degrees conferred by the Consistory on a Friday evening continuing Saturday morning and afternoon and ending with the evening banquet. Let's not fail to let our brother masons who can not be away from their work know about this spicial class as soon as possible that they may give consideration to receiving the Degrees this Fall.

Good Friends;

The Mother-Son Banquet was held May 12. Over 500 DeMolays and their Mothers were the guests for this annual occasion. I can assure you of it's success by the happy, gracious smiles worn by every Mother there. To top off the warm feeling of making your Mother happy, was the delicious, perfectly prepared food, served by the lovely Jobs Daughters of Bethel No. 8. My thanks go out to you, whomade this banquet a real success. Fine entertainment was provided by that most talented crew, "The Masquers" of the Mizpah Shrine. Thanks to you jolly men for the perfect show of a long to be remembered evening.

The DeMolay degree was given to over a hundred candidates at the Spring Conclave. This degree marked the final work by my officers. Also during the Conclave, PMC Dick Brantingham talked concerning the ritualistic work of our order, PMC Jerry O'Brien conferred the Flower Ceremony upon the large class in his usual perfect manner, and PJC Bruce Snyder lead the Memorial service in behalf of our brother, Morton McDowell. All three of these fellows gave a worthy impression of our Order to the public that was there.

This is the final time that I shall be formerly writing to you, but I don't want it to be the last time I may join in fellowship with you. One of the supreme rewards of serving our Chapter has been the opportunity to meet and know closer all the grand men I have met.

The past term could not have been the success it was without the cooperation of all. I only hope you have gained from DeMolay as I have gained from you. My officers the greatest bunch of fellows I know, deserve and herby receive the deep thanks of myself and the Chapter. We all hope that you go forward in your work to help more as you have taught those in the past. From myself personally, I thank and leave you with regret my fine group of officers. Believe me men you were the greatest. Best of luck to M.C. Terry Miller during his new term. I know that you will support his with all your might. From the East to you, Godspeed.—Norm Miner PMC.

"Just a word from "Dad" R."

I give the Mothers Circle top credit for the success of the Fort Wayne Chapter, their cooperation has been stupendious and has been under the leadership of Mrs. Robert Passwater with her officers and over 200 members. I know we will go forward under the leadership of Master Councilor Terry Miller and his fine group of officers mentioned in his article.

Enjoy your vacation and come back refreshed for your many activities in the fall, especially DeMolay.

Fellow DeMolays.

It is great pleasure and pride that I am writing this article to you. I would first like to take this opportunity to thank you all sincerely for the honor which you have bestowed upon me. I really appreciate the chance to serve in a capacity that has been filled by fellows like Dick Brantingham, Jerry O'Brien and Norm in the past I realize that the job of filling the shoes of fellows like Dick, Jerry, and Norm will be a large task. All I can say is that I will do my best at all times.

I feel that I have two really capable fellows serving under me as Senior Councilor and Junior Concilor. Jim Fuzy and Tom Pinder were elected to the offices respectively and I'm sure that there couldn't be two more qualified boys for these offices. The appointed officers are Frank Schollett, Senior Deacon; Larry Blair, Junior Deacon; Dave Eitman, Chaplain; Dewey Senger, Marshall; David Rinne, Orator; Charles Downey, Treasurer; Bob Passwater, Scribe; Austin Brooks, Senior Steward; Herb Matthias, Junior Steward; Dave Spears, Almoner; Stan Kern, Standard Bearer; Jerry Lucus, Sentinel; and Phil Shriner, Bill Gilsdorf, Larry Miller, Tom Campbell Steve Hofer, Terry Winebrenner, Preceptors. Jim and Tom and I feel, also that these boys are a capable group and we're looking forward to having excellent ritualistic work from all of them. The officers were installed Friday, June 3, and they will begin their duties next fall.

The first meeting next fall will be on September 13, and I'm looking forward to seeing a lot of you down there to get the year off with a real bang. During last fall's term when Jerry O'Brien was stationed in the East, we had one of the largest classes of candidates that the chapter has brought in in one term since "Dad" has been at the head of the chapter. I would like at this time to issue a challenge to all of you to really get out and find the boys who would like to come into the order and who are worthy of being DeMolays. There are a lot of boys who will be coming to high school next September, and becoming a member of DeMolay would get them off to a fine start. If we all follow the slogan "Each one bring one", we are bound to have a successful year as far as new membership is concerned.

I want to wish you all the best of luck this summer. I sincerely hope that you all have joyful, eventful, and especially safe vacation. I want to again thank you all from the bottom of my heart, and also wish Norm the best of luck at college and in his future years. He is most deserving of it.

Have a good time this summer and We'll see you next fall.—Terry Miler,M.C.

DEMOLAY MOTHERS CIRCLE

VACATION time is here again and we extend best wishes to you and your families for a most enjoyable summer. Whether you travel or stay at home, we hope to see you all back in the fall at the September meeting rested and ready to get back into the swing of things. The annual "Mother-Son" banquet was its usual huge success. More than 480 Mothers and their sons spent a most enjoyable evening after a delicious banquet. This evening is always one of the highlights of our year and an evening ot which the Mothers always look forward to. We wish to express a word of thanks to those Mothers that gave their morning to help get the dining room set up. The response to the request for help was fine. The May committee will not serve the boys this month but instead will assist in serving refreshments after installation in June. Again HAPPY VACATION.

Your Worshipful Master is pleased to announce the appointment of Past Master Oliver W. Linn to serve as tyler of the lodge, filling the unexpired term of the late Don B. Evans. Ollie has always been prompt, faithful and willing to assist with the degree work. He has a large acquaintance among the membership and always exemplifies a friendly attitude. He will serve his station well.

On May 7 death claimed untimely the life of Bro. Lawrence R. Bacon, who was a victim of the Columbia City fire tragedy. On May 13 Bro. Henry Yobst passed away. He had been in poor health for a number of years. To the families of our deceased brothers we extend warm and heartfelt sympathy.

On Monday evening, May 23, we enjoyed the privilege in Sol D. Bayless lodge of presenting a 50 year award of gold to Bro. Ernest H. Shrider, as a courtesy to Plymouth—Kilwinning Lodge No. 149. Bro. Shridder was unable physically to make the trip to Plymouth so we were asked to perform the ceremony in our lodge. Melvin V. Ehrman, P.M. and Treas. was designated by Grand Lodge to make the presentation and Donald M. Weiss, P.M. served as Chaplain. Those attending the ceremony from Plymouth—Kilwinning lodge were; Theo. G. Zinn, W.M., Robert F. Shaffer, S.W., Sylvan E. Long, Sec'y., Gordon Nelson and Adis Kennedy.

Bro. Clayton Herrick and myself can report a most interesting Grand Lodge session.

We wish speedy recovery to our sick brothers. Bro. Otto Becker has just had another very serious operation and after more than five weeks in the hospital this time seems to be favorably recovering.

Don't forget, we will be having degree work during June. We will need your presence and help.
